

Shopping With Charlotte

Now that Spring is here with typical spring weather—alternating showers and sunshine—umbrellas must be thought of again. Umbrellas are invariably of the, stubby type of colored silk, with thick sturdy handles in picturesque shapes. Rudge & Guenzel's have some that you'll be sure to want. Drop in and see them.

CHAINS OF FASHION

Even though emancipated from the old ties which bound her, the girl who wishes to be really smart is wearing chains. These new chains for the wrists are fashions latest decree in bracelets. You can find any number of different combinations of links in the Slave Bracelets which Harris Sartor are showing. There are bracelets entirely of gold links and bracelets with bright colored beads too, for bright colored dresses.

NO MATTER WHAT THE WEATHER

This is one place where you can always be sure of being comfortable whether it is hot or cold. On a cold rainy evening a cup of hot chocolate at Rector's is just the thing to make one warm. On a hot afternoon it is always cool there, and one of their lime or lemonades will make you feel life is worth living again.

HOSE OF EVERY SHADE

Nowadays a new dress also means new hose. Indeed every dress, new or old, must have stockings to match. With such a variety of hosiery necessary one must be sure of getting the best values for one's money. One can be at Ben Simon and Sons. They have full-fashioned hose of pure thread silk in all wanted shades at \$1.65 and of chiffon at \$2.00. They also have stockings in the new Chinese shades at \$1.95.

ONCE A YEAR

Each year makes us realize more

how much our mothers mean to us. Mother's Day comes soon and we must be sure to let her know how we feel by sending her one of the cards from Latsch Brothers.

FOOD FOR THE MOST EXACTING

When you are hungry you can eat anything. But you don't need to be hungry to enjoy the things served at the Green Lantern. Everything they serve is so delicious that it is hard to choose what you want most. You have only to stop your car and blink your lights or telephone your order for delivery. No matter what you order you can depend upon its being the best obtainable.

Dean J. E. LeRossignol of the College of Business Administration will attend the meeting of the Association of Collegiate Schools of Business in New York, May 1, 2, and 3. Dean LeRossignol is a member of the executive committee of the association.
