RED LAYTON, "Spark Plug," per-  
formed in his usual eccentric man-  
ner at the Drake relays. Running unat-  
tached because of scholastic diffi-  
culties, he won first place in the 400  
meter hurdle race on Friday. Before  
the race was run, Schulte, knowing  
"Red's" tendencies, told him if he  
fell down, to get up and finish the  
race. Running true to form, Red  
fell down, but got up and won first  
place and a gold watch.  
Patterson, negro from Drake, tried  
to dive through a hurdle or there-  
abouts, and emulated Layton's ex-  
ample. Ed Wier promptly hurdled  
over Patterson and the wrecked hur-  
dle and finished in second place. He  
was awarded a gold medal.

CHARLIE PADDOCK, the world's  
fastest human runner, proved to be  
all that he was cracked up to be as  
a sprinter. He ran the century in  
9 3-5 Friday, tying the world's re-  
cord, but the mark was not allowed  
because he beat the gun by a frac-  
tion of a second.

Saturday, Paddock put on his run-  
ning shoes and ran 125 yards, or  
375 feet in 12 seconds flat, thus  
clipping 4-10 of a second off the  
record made by C. Sherrill of Yale  
in 1889. Paddock's record mark  
at the Drake classic brings his total  
of world's records up to ten. Sev-  
eral of the timers, old-timers in the  
game, caught Paddock in 11 9-10,  
while the rest caught him at 12 sec-  
onds, so the latter mark was made  
official by Yost of Michigan, referee  
of the meet. Before Paddock ran,  
his lane in the track was specially  
raked and rolled in order that ev-  
erything would be favorable to his  
making a record. The crowd in the  
stadium went wild when Paddock's

Preparing Stiff Fight for Kan-

Week End.  
WILL BE FIRST HOME  
MEETS THIS SEASON

Nebraska's baseball team plays her  
first home game Friday, May 2, when  
she meets the Kansas Aggies at Rock  
Island park. Nebraska has a good  
team, but, like all other athletic  
teams, it needs support if it is to  
win games. We supported our bas-  
ketball team in a fine way—let's keep  
up the good work and give the base-  
ball team all we've got. Every stu-  
dent who can possibly attend the  
game Friday should do so.—Coach  
W. G. Kline.

Coach Kline's Husker baseball  
squad after four weeks of intensive  
practice since her last game is round-  
ing into shape rapidly and should  
give the Kansas Aggies a stiff game  
when they come here Friday and Sat-  
urday for the first home games of  
the season. Friday's game will be  
played at Rock Island park and the  
teams will meet on the Ag college  
diamond on Saturday as part of the  
Farmers Fair festivities.

The team will be considered dif-  
ferent from the one that played on  
the trip south. Coach Kline has not  
decided definitely who will fill one  
or two positions but it is almost cer-  
tain that the following men will see  
action Friday: Janda, Peterson,  
Voltz, Collins, Bloodgood, Locke,  
Gibbs, Bell, Lang, Hubka, Lewellen,  
Rhodes.

Nebraska's percentage in the Val-  
ley race is .250 at the present time.  
Four conference games were played  
on the trip south and the Huskers  
lost three and won but one. Coach  
Kline believes that he has a winning  
combination now and expects to clean  
up henceforth.

A parade to start the season off is  
being planned for Friday. Students  
with cars who can participate in this  
parade are needed and they are re-  
quested to get in touch with Charles  
Adams, junior baseball manager.  
The details of the parade will be an-  
nounced within the next day or so.

new record was announced after sev-

race.

"OLD MOTHER EARTH" rubbed  
noses with a number of the athletes  
in the relays on Saturday. In the  
first University race of the after-  
noon, the two-mile relay, a Creigh-  
ton runner spilled as the tracksters  
were fighting for the lead at the  
first turn. As the Catholic runner  
spilled, two more athletes toppled  
over him, but Crites, Nebraska run-  
ner, who was in the midst of the mel-  
lee, miraculously saved himself from  
falling and finished the race in nice  
shape. The runners who spilled were  
almost hopelessly out of the race, but  
all got up and finished.  
The high school relay runners con-  
sistently fell as they finished their  
races with the exception of those  
who were caught by a half-dozen  
teammates as they finished.

"HAWKEYE" supporters were  
given quite a shock by the amusing  
performance of the Iowa four-mile  
team. Beginning with the first man,  
the Iowa team was "not in it" with  
the other distance runners, and be-  
fore the relay was over, the anchor  
man of the Iowa team had been  
"lapped" by the other runners. Al-  
though the Hawkeye man was well  
over a quarter of a mile behind the  
rest of the runners, he managed to  
finish the race, just as the next event  
on the program was starting. Ne-  
braska finished fifth in the four-  
mile event.

HARRY GILL'S team from Illinois,  
which defeated California a few  
weeks ago, ran true to form in the  
relays by capturing a lion's share of  
the honors. The Illini men took first  
honors in several of the relays, and  
first place in both the century and  
the 120-yard high hurdles went to  
the Blue and Gold athletes.

MICHIGAN'S OLYMPIC MAN,  
DeHart Hubbard, a negro, won first  
place in the broad jump with a  
mark of 24 feet, 2 3-4 inches. Hub-  
bard is the only man in the world  
who has jumped twenty feet or bet-  
ter in the broad jump more than  
once. Hubbard also placed in the  
hop, skip, and jump, a track event  
which has lost its popularity with the  
fans.

Nebraska's premier shotputter,  
Ced Hartman, set a new Drake relay  
record in the shotput in the prelimi-  
naries on Friday by throwing the  
lead ball well over forty-three  
feet. In the finals on Saturday Pur-  
ma of the Kansas State Teachers  
College surprised Hartman's efforts  
by tossing the shot 43 feet 8 inches.  
Hartman was second in the event  
with a throw of 43 feet, 3 1-2 inches.
