**HUSKERS PREPARE FOR
ANNUAL VALLEY MEET**

**Dual Track Competitions With
K. U. and Kansas Aggies
Provide Workouts.**

With the Drake relays past and a creditable showing made by Nebraska tracksters in this mid-west now swinging into mid-season form pointing for the Missouri Valley conference meet which is to be held at Lincoln on the new stadium field on May 24. Two dual meets in between, with Kansas U and the Kansas Aggies will be good conditioners for the final climax of the season.

Husker tracksters have won the Missouri, the one time track championship for the last three years and the squad this year bids fair to continue the performance. The two schools to be feared most by Nebraska in the meet will be Kansas, which has gone up considerably in the cinder sport in the last few years, and Missouri, the one time track champion of the Valley before the rise of the sport at Nebraska under the tutelage of Coach "Indian" Schulte.

Is Olympic Competition
The Valley meet this year will be of more interest than in other years on account of its rank as an accredited preliminary meeting in competition for places on the American Olympic team. Several Husker athletes are conceded likely chances of making it into the finals of the Olympics tryouts, and one or two of them may get as far as a position on the American team.

Captain Mud Gardner, half-miler, Roland Locke, sprinter, and Red Layton, sprinter and hurdler are Nebraska men considered as having the best chance of placing on the American team.

**To Europe
for \$125**
YES—it can be done. At our \$125 rate a crossing actually costs less than a stay at a summer resort. And what a different sort of a vacation you'll have!
Consider, too, that living costs appreciably less abroad than it does here. That your dollar will buy much more than a dollar's worth of pleasure, of experience, of beauty.
See the British Empire Exhibition—the life of a vast empire condensed into a picture before your eyes. The Olympic games—where the vigor and skill of humanity is put to the test. The great races, the art treasures, the quaint small towns—see Europe!
Our service is complete—in its range of sailing-dates, its types of accommodations, the speed and size of its ships, and—most important—its readiness to meet your purse requirements. Consider Europe this year—before you plan your vacation. Our services offer sailings to five European countries.
Ask for a copy of "When It Happens in Europe" which tells just when and where the interesting events of the European season take place, also "Your Trip to Europe" and "Comfort in Second Class."

Varsity tryouts for the dual meet with Kansas at Lawrence May 8 will be held tomorrow afternoon. Coach Schulte is especially to have all scrubs come out for the tryouts as that is the one opportunity he has of spotting any dark horse material among the novices. All the events will be run on time according to the schedule posted on the indoor bulletin board. The outdoor track will be used, and no races will be run over.

Finish Cinder Track
The new cinder track around the football field is fast being worked into shape, and will be one of the best in the west. The 440 course just completed in the last few days will have practically only one curve in it, and will finish on a straightaway of 100 yards. A fordson tractor is being used daily on the track for rolling and scraping the cinders, now smooth as a rug after repeated raking and scraping. The tracksters are doing a good share of the work themselves, every man having some "chores" to do when he comes out to practice.

The outdoor track will be used for a meet for the first time on May 10 when the annual state high school track and field meet is held at Lincoln. The following week there will be a dual meet with Kansas Aggies, and the week after that will come the Valley meet.

**HIGH SCHOOL MEN TO
JUDGE STOCK MAY 2**

**Ag College Arranges Annual
Contest; Breeders Asso-
ciations Give Prizes.**

A high school stock judging contest will be held at the Ag college May 2. The winners will be awarded prizes by the Nebraska improved livestock breeders association, other livestock breed association, and by the Block and Bridle club, student department. Twenty teams competed last year, and more are expected this year. The contest will be held the day before the Farmers fair, big Ag College celebration, and the high school students are invited to stay as guests of the college for the day.

The Nebraska improved livestock breeders association will give the winning team a beautiful loving cup, and when twice won by the same school, it will become its property. This association also presents the five high men of the contest with suitable medals. The best judge of Shorthorn cattle wins a medal given by the American Shorthorn Breeders association. The American Duroc Jersey association offers a gold pencil to the boy or girl making the highest score in judging Durocs. The American Shropshire Registry association will give a set of pictures to the best judge of Shropshire sheep. The Block and Bridle club offers ribbons to the five high teams

and the ten high men in the contest. Ribbons will also be given to the contestants making the best score in judging horses, sheep, cattle and swine.

COLLEGE SPORTS

Notre Dame Star to Coach.
Eddie Anderson, all-American end on the 1921 Notre Dame team, has been appointed assistant football coach at the University of Minnesota. He will probably do most of the scouting and concentrate on the end positions which will need a great deal of attention on the '25 Gopher team.

Michigan's Trip Disastrous.
Michigan's baseball team has returned from a disastrous Southern trip and is now hard at work for the Ohio State game Saturday. The team lost four games and won three, ending the trip with a 9-8 victory over the University of Cincinnati. The other two games won were Mississippi Aggies, and Auburn. The defeats were handed them by the
