Have you paid your Stadium pledge?

VOL. XXIII—NO. 144

UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, THURSDAY, MAY 1, 1924

PRICE 5 CENTS

SECOND ROUND OF TOURNAMENT STARTS

Silver Lynx and Delta Chi Win in Games Played Wednesday.

P. A. D. NINE LOSES TO PHI KAPPA PSI TEAM

Last years interfraternity baseball champions, the Phi Alpha Deltas, were put out of the running in this years tournament when they lost a slugger match to the Phi Kappa Psi team yesterday afternoon by a score of 17 to 13.

In the other second-round game yesterday, the Delta Chi team beat the Phi Gamma Delta's to the tune of 10 to 8. The Alpha Sig-Silver Lynx game which was not finished on account of darkness Monday, was finished yesterday and the Silver Lynx nine emerged from the fray with a 15 to 5 victory.

The P. A. D.'s kept a lead of a few runs over the Phi Psi's in the first three innings of the game. Then the lead see-sawed back and forth until the Phi Psi's staged a hitting rally in the fifth inning and ran up eight scores, which established a lead that last years champs could not overcome.

McDonald, the P. A. D. third baseman was hurt during the game. In stealing from first to second base, he slid, seriously injuring his ankle and was forced out of the game after playing another inning.

Grosshans played a stellar game while twirling for the Phi Psi's. Wright caught for the winners. The P. A. D.'s batteries were Ashey, Norton and Medlis.

In the other second-round game, Light, who pitched for the Phi Gams, struck out twelve men, while his opponent, Johnson, struck out five. Scherer caught for the Phi Gams and Fisher for the winners.

WOMEN SELECT TEAMS FOR SWIMMING MEET

Will Stage Annual Interclass Contest May 6 in High School Pool.

Womens class swimming teams were chosen yesterday after the final tryouts held Tuesday, April 29, in the Lincoln high school pool. Teams were picked on a speed basis.

The swimming meet which is to be held at the high school pool May 6 at 7:30 will consist of a class relay, a 20-yard dash, form swimming, under-water swimming, fancy diving and plunges for distance.

The following have been chosen patronesses and officials of the meet:

Patronesses—Mrs. Marguerite Lonam Stott, Miss Lulu B. Mann, Mrs. F. F. Teal, Miss Irma Appleby, Miss Amanda Heppner, Mrs. Cora Snively, Mrs. F. W. Putney, Mrs. R. G. Clapp, and Miss C. Sealy.

Judges—Elva Gates, Dorothy Teal, and Helen Bixby.

Recorders—Miss Della Marie Clark and Mrs. R. Westover.

Swimming leader—Anna Hines.

Following are those chosen for the class teams:

Senior—Pearl Safford, Elizabeth Armstrong, Lois Putney, Joyce Rundstrom; Anna Hines and Josephine Jack, substitutes.

Junior—Louise Brandstad, Mildred Armstrong, Luella Reckmeyer, Ella Nuernberger; Caroline Airy and Dorothy Taylor, substitutes.

Sophomore—Marguerite Eastham, Millicent Ginn, Freda Barker, Marguerite Hymer, Alice Pfeiffer, substitute.

Freshman—Hazel Safford, Marie Hermanek, Helen West, Frances West.

Hepperly Elected Head of Ag College Y.M.C.A.

Jay Hepperly was elected head of the Ag College Y. M. C. A. at a meeting held yesterday noon at the Agricultural Hall.

The other officers elected are: Jake Friedli, vice president; Gomar Jones, secretary; and Matthew Shoemaker, treasurer.

After the election, Mr. Paul McCaffree, Secretary of the Student Y. M. C. A. of Nebraska University, gave a short address.

Department of Military Science and Tactics was Established at Nebraska Forty-Eight Years Ago

About forty-eight years ago, Congress established at the University of Nebraska a land grant, whereby the institution was to teach military science and tactics and was to be endowed under the provisions of the act. The first commandant was sent to the University in 1876. He was Lieutenant E. S. Dudley of the cavalry.

Lieut. E. S. Dudley, first commandant at the University and founder of the College of Engineering.

His first office was in the basement of U hall where all equipment was also kept. Later, the offices were moved to the upper floors of U hall and a band was formed. The cadets, who had formerly drilled in civilian clothes were given uniforms and instead of the old rifles of the civil war, they were given the later models.

Grant Memorial hall was completed in 1887 and the department was quartered there until after the world war. In that time innumerable men were sent here as commandants. At one time there was a shortage and the congressmen from the state appealed to the navy for a man. He was sent out here and soon had

platoons marching to the starboard and was running the companies over the campus shrubbery because he could not get the terms used in the drill regulations into use quickly enough.

In the early nineties, Lieutenant John J. Pershing was sent to Nebraska from the cavalry. An historian of that day remarks that Pershing was a very strict disciplinarian and that among the other things he taught the obstinate band to keep step. In 1892 he won the Maiden Cup in Omaha and a large cash prize with a picked group of men.

In 1916 the R.O.T.C. was organized but was displaced by the S.A.T.C. in 1917. In the spring of 1919 the R.O.T.C. was re-established and an artillery unit was included in the department. Lack of adequate place to keep the horses and the machinery forced the withdrawal of the unit.

In the spring of 1920 the department moved from the Armory to Nebraska hall. Blue uniforms were provided for cadet officers two years ago and a complete course of instruction to enable a student to discharge the duties of a second lieutenant in the regular army was added. With the exception of war periods the enrollment has steadily increased since the department was established.

A corner of the Armory as the office of the commandant.

Miss Heppner Returns from Altrusa Meeting

Miss Amanda Heppner, dean of women, returned Tuesday from Kalamazoo, Mich., where she attended the national convention of Altrusa as a delegate of the local club. Miss Heppner spent a day in Chicago on her return trip.

Altrusa corresponds to the Rotary club organization among men. Membership is limited to one representative of each occupation among business and professional women. The 1925 national convention will be held in Omaha.

The general policy of vocational guidance was adopted by the organization to be worked out according to the ability of local chapters.

WILL START WORK ON ATHLETIC YEARBOOK

Turner and Janda Head Staff of "Tales of the Cornhusker."

In a staff meeting yesterday plans for the 1924 issue of "Tales of the Cornhusker" were discussed and it was decided to begin work at once on the various sections of the book. According to "N" men in charge this years edition will be larger and more complete than ever before.

The staff is headed by "Hobb" Turner, editor-in-chief, Ray Janda, business manager, and Ladd Hubka, circulation manager. All "N" men are helping with the publication and the club will have entire charge of the publishing of the book. It will be ready for distribution June 1.

"Tales of the Cornhusker" is an annual book published by the N club. It is a summary of all university and high school athletics for the school year. This years publication will be increased to fifty-six pages, divided into five sections. Sections will be devoted to major sports, minor sports, high school athletics, intramural athletics, and miscellaneous material.

The edition will stress high school athletics. Pictures of winning basketball teams and other high school aggregations have been received. A copy of the book will go to every outstanding high school player in the state and to every high school library. Every "N" man in the country will also receive a copy.

ALL-UNIVERSITY PARTY COMMITTEE IS CHOSEN

Members of Present Body Select Successors at Meeting Wednesday.

Officers and committee chairmen of the all-University party committee for next year were elected at a meeting of the present members at Ellen Smith hall, Wednesday afternoon. Lattimer Hubka was chosen as general chairman and Margaret Long as secretary. Chairmen elected were:

Reception—Mary Ellen Edgerton and Austin Sturtevant.

Refreshment—Neva Jones and Raymond Larson.

Entertainment—Alice Thuman and Robert Hoagland.

Decoration—Eleanor Keating and Oliver Sautter.

Publicity—Marie Wentworth and Harold Palmer.

Checking—Willis Negus.

Starting with a slight deficit at the beginning of the year the committee cleared \$426.20 from the admission charged at all of the parties. In view of this profit, which resulted from the large attendance, the advisability of reducing the prices next year was discussed. It was decided to leave the price setting to the new members of the committee.

Of the profit \$150 will be contributed to the stadium fund, \$150 to the student friendship fund, and \$60 will be turned over to the student activities office to use in clearing up back deficits. It was also voted to purchase one of the banners for the stadium.

Freshman Women Win in Baseball Tourney

The seniors met defeat at the hands of the freshmen yesterday when they were defeated in the first round of the womens baseball tournament. In a five inning game the freshman team scored thirty runs to the seniors four. The last three innings were complete shutouts for the seniors. Their four runs were made in the first and second innings.

Today at noon the sophomores and juniors will clash. The sophomores were the champions of last years tournament. Finals will be played Friday noon.

Lieut. J. J. Pershing as commandant of the cadets at the University in 1892.

WILL FEATURE DANCE ACT IN KOSMET SHOW

Katherine Saylor and Ralph Ireland Will Present Special Number.

Katherine Saylor and Ralph Ireland will appear in an elaborate song and dance number in the thirteenth annual Kosmet Klub play at the Orpheum tomorrow night. That feature, "The Wishing Ring."

Four of the songs which are sung by the leading characters have been printed and will be offered for sale at the Friday night performance in Lincoln and at Omaha on Saturday. All the songs were written by Cyril Coombs, author of the play. The price of the songs will be thirty cents or all four for \$1.00.

The dress rehearsal of the play will be held tonight. No visitors will be allowed. All the scenery has arrived and is being set up. The costumes were completed this week. The time of raising of the curtain will be announced in the Nebraskan for Friday. No one will be seated while the curtain is up.

A large number of students have reserved tickets at Omaha Saturday evening for the "College Night" performance at the Gaiety. A few reservations may still be secured from Russel Replogie, 1548 S street today. The business manager of the Lincoln show has announced that the few remaining tickets in the second balcony of the Orpheum for Friday night have been placed on general sale.

Dr. D. R. Leland, Presbyterian University pastor, will speak at high school commencement programs at Murdock on May 16 and at Arcadia May 22, on "The Meaning of Education."

NEW YORK—The first annual exhibition of the New York University Camera club will be held from May 12 to 16.

Plan Many Features for Farmers Fair

"Hoot Mon," the great race horse from Scotland, will make his appearance at the Farmers fair. He landed in New York last Saturday and was immediately shipped for Lincoln. He is scheduled to arrive in Lincoln sometime Thursday afternoon. Spark Plug, the noted racer, is in training at the Agricultural College. Sunshine, the jockey, takes him out every morning for a two-mile run. Both horses are to appear in the parade Saturday. Mac Tavish, sure that "Hoot Mon" will win, wants to bet 1 to 10 odds on "Hoot Mon."

The police committee has been enlarged greatly in the past few days. It has become an efficient committee and is composed of large men. From all indications it will rush the once famous "Texas Giants" to hold their championship. Such men as Ed Weir, Paul Bass, Nathaniel Foote, Orris Hatch, Willard Dover, and others just as large will hold law and order on that day. They are led by fearless Tom Kootz, a drillmaster who can drill an Ace of Spades at thirty yards. The county sheriff will swear men in the largest of this crew to assist him in his duties at the fair.

The great Monte Carlo is closing its doors so as to move to Lincoln for the Farmers fair on May 3. Dorsey

Weather Forecast

Thursday—Fair with rising temperature.

STUDENTS SLOW IN MAKING PAYMENTS

Are Not Paying Third Installments on Pledges, Stadium Headquarters Reports.

The willing response which greeted the first few days of the campaign for third installment payments on the Nebraska Memorial Stadium pledges has subsided, and during the last two days pledges have been coming in to the office discouragingly slow rate, the stadium headquarters reports.

Third installments on stadium pledges fell due April 24. One-fifth of the total pledge is due at this time. All of the last three pledges may be paid off but the third one-fifth of the pledge must be paid now. It is imperative, say stadium officials, that these pledges come in promptly in order that the stadium committee may make the proper payments on the trust fund which it borrowed on the strength of the student pledges.

Since the last call for pledges was put out a large number of students have paid their pledges in full. This is by far the most desirable method of payment, both to the student and to the stadium, say officials, because it prevents the student from being further bothered with statements, and it saves the stadium a large sum of money which would otherwise be expended for statements. It is also worthy of reminder that every cent saved now means that much more equipment for the new stadium.

MORE MEN SIGN FOR TENNIS TOURNAMENT

Total of Twenty-five Have Entered Tryouts for Varsity Team.

Sixteen men signed up today for the varsity tennis tournament, making a total of twenty-five who will draw for places this morning in the athletic office.

The varsity squad will be made up of the eight men who are not eliminated during the tournament, and four of these players will compose the team. On May 10 the tennis team will go to Ames for a dual meet. Other meets are being considered with the Kansas Aggies and Kansas University on May 16 and 17.

Eligibility requirements are being enforced and a participant must have made twenty-seven hours the last two semesters, twelve of which must have been made the last semester in school. Herbert Gish has charge of the tournament and all entries must be made in the athletic office in the Armory.

ARMY OFFICERS ARRIVE TODAY

Come to Pass on Blue Star Rating for R. O. T. C. Unit.

TO REVIEW CADET REGIMENT FRIDAY

Colonel Herman Glade, of the general staff, and Major Walton Goodwin cavalry, war department inspection officers, will arrive in Lincoln at eight o'clock this evening for the "Blue Star" inspection of the Nebraska R. O. T. C. unit, Friday and Saturday. Major Peyton, seventh corps R. O. T. C. officer, will accompany the inspection officers from Manhattan, Kan., where they have been making a two day inspection of the Kansas State Agricultural college unit.

The inspection starts Friday morning with the examination of the theory classes in the advanced course. The Friday program will also include an inspection of the buildings and facilities of the military unit.

Friday afternoon the entire regiment of over 1100 men will be reviewed by the officers. All cadets will be excused from classes Friday afternoon. First call will be sounded at 12:45 p. m. and roll will be called at 1:00. Companies will form on their regular parade and review positions.

The reviewing stand will be on the south side of the parade grounds. The companies and battalions will do the drills and exercises to be prescribed by the army men. The cadets will also be inspected in ranks.

To Demonstrate Lentz System. A demonstration of the Lentz cadence system of drilling which has been used in the Nebraska unit this year, will be given in the exercises Friday afternoon. One of the companies will probably pitch pup tents.

The "Blue Star" inspection is the peak mark of the year's work in the military department. Nebraska's chance of obtaining the rating of a distinguished R. O. T. C. unit, the coveted honor which is awarded annually by the war department to one fifth of the R. O. T. C. schools which show superiority in drill, instruction and student and college support, hinges on the inspection. This is the second time that Nebraska has been recommended for the inspection.

Colonel Glade and Major Goodwin, the inspecting officers, will be initiated Saturday night after the inspection into Scabbard and Blade by the local chapter of the national military honorary society. The initiation will take place on the Ag college campus. Six cadet officers will be taken in the same evening.

The program for Friday follows:

9:00—Theory section, first year advanced course

10:00—Theory section, second year advanced course.

11:00—Inspection of storeroom and class room facilities.

12:00—Scabbard and Blade luncheon.

1:00—Review and inspection of entire command.

PROFESSORS TO SPEAK AT SCIENCE MEETING

Six of Them Are on Program of Nebraska Academy of Science.

The University of Nebraska will be well represented on the programs of the annual meetings of the Nebraska Academy of Science in Omaha May 1, 2 and 3.

Prof. E. H. Barbour will give the main address of the general session Thursday evening on the subject, "The Fossils of Nebraska." He will give a description of some of his recent finds in the fossil beds of the Agate ranch and the neighboring country.

Friday and Saturday the botany and zoology divisions will hear several papers by university men. Dr. J. E. Weaver of the department of botany will give a paper on "Ecology in Relation to Plant Production." Dr. P. B. Sears will speak on "Native Vegetation of Ohio in Its Relation to Prehistoric Population." Dr. F. D. Barker has prepared a number of papers on his recent investigations of

(Continued on Page 4.)
