

BREAK TWO RECORDS IN TRACK TRYOUTS

Gardner and Ross Set Up New Marks for Mile and Half-mile.

New track records in the mile and half-mile runs were the two bright spots in the track tryouts yesterday. "Kansas will tax us to the limit!" Schulte's warning for the dual meet with Kansas next Thursday at Lawrence will be more truth than poetry. Kansas has come up considerably in the cinder sport the last two years, and this year is rated as one of the strongest contenders for the Valley championship.

The feature performance of the afternoon was Captain Mud Gardner's fast half mile which he did in 2:02, establishing a new track record for this dash event. Higgins came in second in this race in 2:03.

The other record mark for the new track was set up by Ross in the mile run. His time was 4:41:3, four-fifths of a second off of the old record by Jimmy Lewis. Lewis running in another section of the mile run made it in 4:41:4, just one-fifth of a second slower than Ross' time.

Hein came out with the surprise of the afternoon by nosing out Locke in the 100-yard dash. His time was 10:3. Locke ran the 220-yard dash later in 22.1.

Bassett has been coming up lately in the shot put. In the tryouts he heaved the 16-pound shot 41 feet and 5 inches. Hartman was first in this field with 42 feet. Parks made 37:6. The broad-jumpers were off form yesterday, mostly on account of the soft track, and a wind blowing against them. Hatch jumped 22 feet and Choppy Rhodes made 20 feet and 9 inches.

Duke Gleason and Choppy Rhodes tied for first in the pole vault. Both of them vaulted 11 feet 3 inches. In the high jump, Hobb Turner led the field as usual, jumping around six feet. The take-off track for the high jump is not in first-class shape yet, and Hobb's mark will probably rise with the condition of the track.

The javelin throw is causing Schulte some anxiety. There are several candidates out for this field event, but all of them can come only within forty feet or so of the distances usually made in meets. The discus is another field event in which Nebraska is rather weak.

Ed Weir still looks like Nebraska's best bet in the hurdles, especially in the high hurdles. His time yesterday in the 120-yard high hurdles was 16.2. On a practice stretch of half the standard 220 hurdles, Weir made good time. Red Layton, one of Schulte's best sprinters and hurdlers, will be the big noise in the low hurdles and quarter mile in the meet with Kansas provided he measures the mark scholastically by that time.

Issue Guidons to All R. O. T. C. Companies

Guidons have been issued each company in the University of Nebraska R. O. T. C. regiment. The guidons, known in Roman times as standards, have been used by mounted troops for some time, but it is only recently that they have been adopted by infantry units.

winners. Three Zip pitchers tried unsuccessfully to stop the onslaught of the Pi Kap sluggers. Thomas caught for the winners.

After the first two innings, Nu Alpha maintained a constant lead over Alpha Theta Chi and won 11 to 8. Gradville pitched steadily for the Nu Alpha's, striking out ten men, and made several good hits. Van Horn caught for the winners. Kerr and Brt pitched for the Alpha and Placek was on the receiving end.

Sig Alphas Beat Phi Deltas. Sigma Alpha Epsilon had little trouble taking the measure of the Phi Deltas, 12 to 8. Dewitz and Tudson were on the mound for the Sig Alphas and Grey caught. Houston twirled for the losers.

Pinnell, pitching for Phi Delta Chi, allowed the Betas but one hit, and Phi Delta Chi shut out Beta Theta Pi 6 to 0. Pinnell, pitching for the winners, displayed rare form, striking out 13 men and allowing but one hit. Hennis caught for the winners. "Jocko" Arnot pitched good ball for the Betas but he had very poor support. Arries was behind the bat for them.

The game between the Silver Lynx and Sigma Phi Epsilon is the one remaining to be played in the second round.

TWENTY-SEVEN TRACK MEN EARN NUMERALS

Interfraternity and Intercompany Meets Will Make More Men Eligible.

Twenty-seven track men have won numerals and as many more have points scored towards numerals, under Coach "Indian" Schulte's numeral system at Nebraska. Interfraternity and intercompany track meets will raise the list considerably.

A numeral winner must score twelve points, and it is necessary to score points in more than one event

--the College Gossip says--

If you have been wanting a new collar and cuff set or vest of any store—look no farther. Go to Rudge & Guenzel's and you'll be sure to find just what you want at a very reasonable price. The cost of such things is so small compared to the change it makes in your dress or suit, it's hardly fair to consider price. You are welcome to inspect the Neckwear at Rudge & Guenzel's.

in order to win. The highest possible score in one event is eleven points. They are scored on a comparative basis. Winners may get their track numerals at the athletic office.

The list of winners to April 30 are: Wayne Ballah, Elbert Bloodgood, Jacob Cohen, Frank Dailey, Dale Dickson, Captain Maurice Gardner, Harold G. Gillen, John Haskell, Oris Hatch, William Hein, Dean Higgins, Roy Haudersheldt, Marvin Layton, James Lewis, Roland Locke, Avar Mandary, Roy Mandary, Don Reese, Jack Ross, Everet Scherich, Ted Slemmons, Lloyd Timm, Ben Triba, Ed Weir, Carl Whipperman, Paul Zimmerman.

HUSKERS PLAY ANNUAL SPRING GRIDIRON GAME

Team Coached by Owen Frank Takes 6-0 Game from Squad of Scherer.

The annual spring football game was played yesterday afternoon at 4 o'clock on the Lincoln high school field. Team B, coached by Owen Frank, won a hard-fought tussle from Coach Leo Scherer's team by a score of 6 to 0.

A long forward pass of thirty yards and several line bucks produced the only score in the third quarter. The remainder of the game was played in the middle of the field, the teams saw-sawing back and forth without threatening.

More than forty men were in suit and played in the game. Bill Day refereed the game.

Phi Rho Entertains. Following the play, the entire University group will be entertained by the Phi Rho Sigma fraternity at their chapter house. The Phi Rho's have purchased a block of tickets to the Omaha show and will attend in a body. Chaperones for the trip to Omaha will be Miss Amanda Heppner, dean of women, and Carl C. Engberg, dean of men.

Pictures of those who are taking part in the Kosmet show are shown this week in posters at the Orpheum. One of the Kosmet choruses has been asked to repeat its dance at a Lincoln theater later in the spring.

Next week the Klub members will meet to make preliminary plans for the 1925 show. The date will be set this spring and announced so that no parties will be scheduled for the same evening. A prize for an original manuscript of a comedy will again be offered to anyone connected to the University. New members of Kosmet Klub to take the places

of the seniors in the organization will also be chosen.
