The Last Parties.

Of course you are planning on making your last party the best one of the year. You want to show the old grads a good time at the Round-Up Week banquets. George Bros. will help you make it a success by planning your decorations and furnishing the menus and favors. They also have a wonderful line of gifts for graduating students. While we are talking of gifts, don't you think it would be a good idea to take something home to dad and mother?

For the Thirsty.

Have you tried the latest drink that Rector's have? It is the grape nuts malted milk and is something entirely different. It has all the good qualities of a plain malted milk and a flavor as well. Another of their spring drinks that is particularly refreshing on a hot day is a mint freeze. Be sure to try them both.

Shoes With Individuality.

Have you noticed how the white shoes have been appearing the last few days? You can't put off getting yours any longer. Magee's have the low-heeled, white kid sport shoes in many designs, which can be worn with so many costumes. Their shoes are always well made, and the greatest of care is taken in fitting your feet. These shoes are unusually smart and have an individual appearance.

A Good Habit.

We are largely creatures of habit, so we should be careful to cultivate the very best. For this reason I recommend the habit of stopping at the Green Lantern when you are hungry or thirsty. Here you can depend upon getting the best of service and food. They give extraordinary care to the little details which the fastidious person appreciates. All you have to do is stop and "Blink Your Lights."

Some Suggestions.

There is a beautiful assortment of graduation gifts in leather displayed in Tucker-Shean's window. They also have a large assortment of gift stationery, new Eversharp's and Fountain pens. In fact, just your idea in a graduation gift will be seen at Tucker-Shean.

Summer Hosiery.

Ben Simon & Sons are offering some exceptional values in hosiery. They have pure silk full-fashioned, semi-chiffon, hose which they are selling at \$1.65 a pair. Such a price is usually limited to a few sizes or shades and Chinese colors. You can find just the stockings for your many colored summer frocks at this attractively low price.

HUSKERS CAPTURE TRACK TITLE FOURTH TIME

(Continued From Page 1)

man, Nebraska, was second in the shotput with a put of 43 feet 4 1-2 inches. Nebraska failed to qualify for the discus.

McKowan of Emporia Normal added 2 inches to the Valley record in the pole vault when he successfully cleared the wooden bar at 12 feet 8 5-16 inches. Gleason, Nebraska, was second at 12 feet.

Nebraska men placed in every event in which they qualified for in the preliminaries. The discus and javelin were the only events in which Nebraska failed to make points. Five first places, four seconds, four thirds, and three fourths accounted for the 48 3-4 points made under the scarlet and cream banner.

Nebraska was strongest in the middle distances and dashes, Husker runners won both the mile and half-mile relay races, first in the 100-yard and 220-yard dashes, and second or third in the other dash events.

Nebraska field men placed high in the four field events that Nebraska qualified for in the preliminary rounds Friday. Hatch won first in the broad jump with a leap of 22 feet 11 inches. Nebraska men were second in the other three field events, Turner in the high jump, Hartman in the shot put, and Gleason in the pole vault.

son in the pole vault.

Riley Batters Time.

In the three special events of the meet Ivan Riley, former Kansas Aggie hurdler, made better actual time in the special Olympic 400 meter high hurdles than the present world record event. Riley's time of 54 seconds flat yesterday was made on a track with two turns in it and the world mark was made on a track with only one turn in it.

John Levi, Haskell Indian athlete, who was scheduled to compete with Riley in this race, failed to come, and Ed Weir of Nebraska was given a 15-yard handicap and acted as pace maker for Riley. Riley will be on the American Olympic team this summer.

Ray Watson, another former Kansas Aggie man, in the special mile run beat Joie Ray, present American champion mile runner, for the fourth time in ten years that the two have raced against each other.

Schoolboy Beats Record.

John Kuck, Wilson, Kan., high school boy, outdid the Valley shotput record four feet in an exhibition put Friday afternoon following the meet preliminaries. The Kansas lad pushed the 16-pound ball over 47 feet with ease. In an exhibition javelin throw during the afternoon program Saturday, Kuck threw the javelin 180 feet 10 1-2 inches, over a foot further than the old Missouri Valley record.

A crowd of seven or eight thousand people witnessed the meet. The weather was ideal with only a very gentle wind. Ted Canty, nationally known announcer, officiated at the meet.

The Nebraska fourth consecutive Valley track and field championship established a new Valley record. The old record was held by Missouri, for three consecutive championships in 1911, 1912, and 1913. The Missourians also had three straight years in 1915, 1916 and 1917.
