VOL. XXIV—NO. 6.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, FRIDAY, SEPTEMBER 26, 1924

PRICE 5 CENTS

REQUEST TICKET LISTS AT ONCE

Immediate Reservation of
Blocks of Seats Is
Necessary.

SALE SURROUNDED BY
SPECIAL PRECAUTIONS

Any organizations wishing to buy a block of seats under the student athletic system so that its members may sit together must turn in a list of purchasers by 5 o'clock today to the Student Athletic office in the Armory.

Special precautions are being taken by the committees in charge of the sale of student tickets to prevent the sale of tickets to any others than students. Last year it was estimated that 1,000 student tickets were in the hands of those not entitled to them, and care will be taken this year to prevent a recurrence of the situation.

At the booth east of University Hall, where sale will begin at 8 o'clock Monday morning, a list of all students registered will be kept. As each student buys his ticket his name will be checked off, to prevent someone else from buying a ticket under the same name.

Registration slips must be presented at the stand. When the ticket is purchased the slip will be stamped. In case the student has lost his registration slip, a certified copy may be obtained at the office of the registrar. The names of the members of the band, N men, ushers and Corncobs will be checked off the student list before it is placed in the booth, so tickets may not be purchased under these names.

Tickets Are Economical.

"Student tickets save the student 75 percent of the ordinary cost of attending athletic events and it is not intended that others should be given this advantage," members of the committee explained. The sale of tickets for \$7.50 that will admit the buyer to athletic events which would ordinarily cost \$30, is not particularly profitable, and must be restricted to those entitled to them.

Another reason is that the student section must be a real student section. The admission of outsiders to this part of the grandstand would disorganize the cheering body and little in the line of effective yelling could be obtained. A well-organized cheering body will help materially to bring victory to the Cornhuskers, and no chances will be taken to jeopardize it.

Print 4,000 Tickets.

Four thousand student tickets have been printed and it is expected that almost this number will be sold.

The committee in charge for Tuesday, the second day of sales, will be as follows:

David Richardson, General Chairman.

Blanchard Anderson, 1339 So. 19.

Arthur Latta, 1339 So. 19.

Wilmer Beerle, 1548 S.

Jim Lewis, 1845 F.

Gerald Davis, 229 No. 17.

Bennett Martin, 518 N. 16.

Harry Burke, 1615 F.

Everett Crites, 1724 F.

Herbert Rathack, 1503 H.

Hugh McLaughlin, 435 No. 25.

Willard Dover, 500 No. 16.

Charles Cox, 1610 K.

Leonard Akamit, 1603 O.

Byron Arries, 900 So. 17.

Judge Reedy, 1141 D.

Judd Crocker, 1504 S.

Ray Janda, 1701 E.

Ruth Towner, 1410 Q.

Elva Carter, 2101 Washington.

Katharine Dillon, 1308 So. 20.

Daisy Rich, 1107 K.

Catherine Warner, 1038 So. 20.

INNOCENTS SPONSOR SALE OF ARMBANDS

Various Affairs Planned by
Senior Society to Arouse
School Spirit.

The Innocents, senior men's honorary organization, is sponsoring various affairs during the next week to arouse spirit for the Illinois-Nebraska football game, October 4. "Welcome Illinois" armbands of scarlet and cream are being sold for twenty-five cents by the Corncobs and Tassels on the campus, and by Roy Wythers of the Varsity Cleaners, 318 North 12th street.

Windshield stickers with the caption "Welcome Illinois" blazoned upon them will be released in a few days, and will be available to all. Singing in classes is to be started today to develop spirit as it did during the days before the Notre Dame game last fall. It is urged that before each class begins its regular work the students sing two University songs.

Prohibit Wearing of High School Letters

High school letters or sweaters are not to be worn by university students on the campus. The "N" club, organization of university letter men, has requested that no other letter or numeral be worn except the varsity letters issued to letter men. Any violations of this rule will be taken up by the "N" club.

HONORARY COLONEL WILL BE ELECTED

Will Receive Filings of Candidates
Until October
Third.

Filings are now being received at the Student Activities office for the position of honorary colonel, the election for this honor to be October 7, filings to be in by October 3.

A number of changes have been made in the system of election. Formerly filings were not necessary; each voter cast his vote for anyone he pleased at the time of election. Filings may be made by the candidates themselves or by their friends. The only requirement is that the candidate nominated be a junior or senior in school.

One of the traditions, that of keeping the identity of the honorary colonel a secret until the annual Military Ball, has been discarded. The name of the winner will be announced this year the morning after the election.

Every voting student may vote for the candidates for this office. The votes will be counted by the members of the student council.

The names of those whose names have been filed will be kept secret until October 3. The filings will be sealed until October 3, when they will be opened and the complete list announced in The Daily Nebraskan.

Emmett V. Maun, president of the Student Council, is in charge of the arrangements for the election.

ORGANIZE STUDENT DEMOCRATIC CLUB

Members Pledge Themselves
to Actively Support
Davis and Bryan.

The University of Nebraska Davis-Bryan club was formally organized on the campus Thursday evening to enlist a large membership among the students to pledge themselves to actively support the Davis-Bryan ticket in the coming November election.

Campaign literature and instructions for a personal campaign among students will be sent to the members. The club will sponsor several meetings during October at which Democratic candidates will speak.

There will be no membership dues. Any student who wishes to join may do so by giving his name to any of the committee, or by addressing a note to The University Davis-Bryan club, Station A, University of Nebraska.

Members of the executive committee are: Wendell Berge, '25, Lincoln, chairman; William Norton, Polk; Margaret Weber, Al L. Erickson, Lincoln; Emmett V. Maun, Laurel; Alice Thuman, Hastings; Dietrich Dierks, Lincoln; Laura Whelpley, Fremont; Hugh Cox, Lincoln; Helen Guthrie, Central City; Gerald Sampson, Central City; Eloise McAnan, Lincoln; Burdette Taylor, St. Paul; Jack Wilson, Lincoln; Eloise McMonies, Lyons.

Ninety-four Try Out For Men's Glee Club

Glee Club try-outs for 1924-1925 were held Wednesday evening at the Fine Arts Hall. Ninety-four persons competed. The competition was under the direction of Dean Parvin C. Witte of Nebraska Wesleyan University. Dean Witte stated that the new members will be chosen at a meeting of the returning members of the 1923-1924 Glee Club this afternoon.

Will Organize Rooting Section of Three Hundred to Direct Cheering

One of the regents of the University, in speaking of the change in the rooting section of the Nebraska students, stated that the games of twenty years ago were not exciting unless the crowd broke a policeman's leg and threatened to tar and feather an opposing player. "Now," he added, "the excellent control that the cheerleader has over the stands has changed the entire spirit of the institution."

To further that spirit, an organized rooting section of three hundred men will be used as a nucleus for the cheerleader to direct. This section will be greatly responsible for the action of the entire body of rooters according to the present plan. It

English Scientist to Make Address Here

Dr. E. C. Baly of Liverpool University, Liverpool, England, will speak on "The Photosynthesis of Naturally Occurring Compounds," October 2 at 8 o'clock in Chemistry Hall, room 208. Dr. Baly is making a tour of the country speaking on various scientific subjects at the larger Universities of the United States.

Prof. F. W. Upton, chairman of the department of chemistry, says, "Dr. Baly's subject will be of interest to a large number of scientific men as well as to the general public. Having worked upon the synthetic preparation of carbohydrates he will undoubtedly appeal to a large number of interested workers."

Plans are being made for a dinner in honor of Dr. Baly.

FINISH PLANS FOR UNIVERSITY PARTY

Arrangements Are Completed
for All-University
Function.

Plans for the first All-University party to be held in the Armory Saturday evening, were completed last evening at a meeting of the committee in charge. The admission will be 35c.

This is the freshmen welcoming party for the purpose of acquainting the freshmen with the other members of their class and with the upperclassmen. Name tags will be given out for identification purposes. The program will include games in addition to dancing. Refreshments will be served.

The Armory will be decorated with the school colors. The green will be in evidence in addition to the Scarlet and Cream.

Last year the committee had a very successful year, staging a series of seven parties. More than \$500 was cleared and used to promote University activities.

METHODISTS HONOR PSYCHOLOGY HEAD

Elect Dr. Charles Fordyce as
President of Wesley
Foundation.

Dr. Charles Fordyce, chairman of the department of educational psychology and measurements in the University, was elected president of the Wesley Foundation, the organization which supports Methodist work among students in the University, at the annual meeting of the trustees Tuesday afternoon.

Rev. Harry F. Huntington, Methodist student pastor, was elected secretary of the board of trustees. Rev. L. F. Townsend of Seward was elected vice-president. Other members of the board in attendance were Rev. Walter Aitken, pastor of St. Paul's Methodist church of Lincoln; Dr. J. H. Clemens; Prof. W. G. Bishop; O. R. Martin, professor of accounting and business administration; Hilt Westcott of Plattsmouth and Charles Brown of Aurora.

The new Methodist parsonage, 1417 R street, at which the meeting was held, was completed during the summer at a cost of about \$16,000. It is the first unit planned, but the second will not be constructed for several years.

MISSOURI—Varsity practice was featured by a more diversified drill. After a fast signal drill the men practiced punting, drop-kicking, place-kicking and kick-off formations with emphasis laid on the latter. Several new formations for receiving the ball on the kick-off were tried but last year's formation was favored. Colizer was getting more distance on his punts than any other man on the team.

TEN SCHOLARSHIPS ARE GIVEN BY GOLD

Awards to Go to Freshmen in
College of Business Ad-
ministration.

Ten scholarship awards have been presented to the College of Business Administration, by Mr. William Gold, Lincoln, for presentation to the ten ranking freshmen in the college during the school year of 1924-1925. The awards are valued at ten dollars each, and will be in the form of a medal, or an object of similar nature. They will be awarded in the fall of 1925 after the scholastic standing of each freshman in the college have been figured.

AG CONVOCATION WELL ATTENDED

Speeches Made by Members of
the Faculty Feature
the Event.

YELLS AND SONGS OPEN
MEETING ON AG CAMPUS

Speeches by Chancellor Samuel Avery, Dean Carl C. Engberg, and Prof. C. W. Smith, featured the convocation of the College of Agriculture held yesterday morning in Agriculture Hall.

Nearly all the students of the college were present at the meeting, which was opened with a series of Nebraska yells and songs.

Chancellor Avery told of the relation of the Ag College to the state as a whole, and of the advantages that an Ag man has over a man registered in some other college. "There is a greater demand, in the state of Nebraska, for Agricultural College graduates," declared Chancellor Avery, "than for men from any other college."

Dean Engberg's talk was directed mainly to the freshmen. He spoke of the importance of a study schedule, and of the necessity of keeping their work up. He expressed a desire that no freshman would be unwillingly forced to visit him during the semester.

Professor Smith, president of the Agricultural College faculty athletic association, encouraged men to come out for Ag College football. He spoke of the advantages that a man having some knowledge of athletics would have in teaching school.

TO ELECT FOUR CLASS PRESIDENTS

Honorary Colonel Also to Be
Chosen at Election on
October 7.

Class presidents for the first semester and the honorary colonel of the regiment will be elected October 7 at the Student Council room in the southwest corner of the Social Science building. Names of candidates must be filed at the Student Activities office in the Armory before 5 o'clock, October 3.

The names will be placed in sealed envelopes which will not be opened until shortly before the announcement of candidates October 5. This will be done in order to eliminate any political slate which might arise.

Voting will take place all day October 7. The results will be announced that evening and in The Daily Nebraskan the following morning. The Student Council will make all announcements concerning the election.

BLUE PRINT TO BE ISSUED OCTOBER 1

First Number of Engineers'
Magazine Is Nearly
Completed.

The first issue of The Nebraska Blue Print, official publication of the Nebraska Engineering Society, will appear on the campus Wednesday, October 1.

Among the articles which will be appearing in the first issue are: "The Ampere, Volt and Ohm," "The Canals of Mars" will be the title of an article by G. D. Swazey, chairman of the department of Astronomy. A biography of General Goethals, engineer in charge of the construction of the Panama Canal, will be published in the "Hall of Fame."

Dr. Alexander Gives Account of Symbolic Arikara Indian Dances

Three unusual Indian dance ceremonies were witnessed by Dr. H. B. Alexander, chairman of the philosophy department, when he went to the Fort Berthold, North Dakota, reservation with the Heye Museum of American Indians expedition last July. The dances were symbolic of the purity, life and food of the Arikara Indians, a tribe which formerly lived in Nebraska. They are a branch of the Pawnees.

These dances lasted nearly five days. Because of their religious and fantastical nature they cannot be given without the permission of the United States Government Indian agents. The Arikara Indians worked a year preparing for the last dances, declared Professor Alexander. "The Sage Dance, or Dance of Purification is really a test of endurance," he said. "It lasted several days. The men who took part fasted for days in advance. They covered their bodies with a peculiar white clay found near the reservation and carried sage wands during the dance. Afterward they went to the river where they threw in their wands and then jumped in themselves."

"The Dance of the Sacred Tree is symbolic of life and longevity of the

Announce Sororities Highest in Contest

The four sororities turning in the largest number of subscriptions for The Daily Nebraskan at the end of the four days are Alpha Delta Theta, Delta Gamma, Pi Beta Phi, and Kappa Alpha Theta.

The points earned by each sorority are being tabulated as swiftly as possible by the business staff of The Daily Nebraskan, but the winning sorority cannot be announced until Sunday, when its picture will also be published.

More subscriptions have been secured during this year's campaign than during any other in the judgment of the business manager, Clarence Eickhoff.

WILL REORGANIZE PERSHING RIFLES

Only Upperclassmen to Be Ad-
mitted to Honorary
Drill Company.

Pershing Rifles, honorary drill company of the Nebraska R. O. T. C. unit, will soon become an organization limited to freshmen and sophomores, under plans perfected at a meeting of the company Thursday night in Nebraska hall.

Heretofore the membership of Pershing Rifles has been limited strictly to men selected from among the best drilled sophomores and juniors in the regiment. It is now planned to have the present members with the exception of officers of the company, become active alumni and turn the organization over to underclassmen who will be pledged and initiated within the next two months.

Prospective pledges will be voted on at the next meeting, it was decided. The men pledged will then start their practice drill under the instruction of the officers of Pershing Rifles. Later they will again be voted on and taken into the organization.

Since the Pershing Rifle company was formed by General J. Pershing, while he was commandant of the R. O. T. C. here, it has become one of the most famous of the university institutions. Military organizations in various schools over the country began to request that the organization be nationalized and form chapters in other institutions. This was done last year and the national chapter has since received petitions from a number of the largest schools in the country.

Marion L. Woodard, '25, of Shenandoah, Iowa, is head of the grand chapter and Edward L. Senn, is secretary. Officers of the local chapter are John Ricker, '26, of Lincoln, captain; James Marshall, '26, of Fremont, first lieutenant; Charles Warren, '27, of Cheyenne, Wyoming, second lieutenant; and Walter Key, sergeant. The officers will remain in the organization and will have charge of drill for the remainder of the year.

Many Attend Party For Freshman Girls

The Girls' Commercial Club party held Wednesday evening at Ellen Smith Hall was well attended by freshman girls. The purpose of the party was for the Commercial and Bizad girls to become acquainted. Dancing and games constituted the program. Dinner was served after which interesting talks were given by Dean and Mrs. LeRossignol, Dr. Hyde, and Dean Heppner.

Thirteen Try Out For Cheer Leader

Thirteen tried out for cheerleader Tuesday afternoon on the drill field. The contestants are: Underclassmen—Nick Amos, Don Becker, Dave Doten, E. A. Jones, Ray Rosson, Donald Russell, Don Warren, Denver Wilson, and Allen Zurbrigen; upperclassmen—Ted Johnson, Paul Walter, Bill Bradley and Phil Sidles.

The tryouts were supervised by Duke Gleason. The Innocents will select the new men from the material available.

FILL THREE W. A. A. BOARD POSITIONS

Dorothy Zust, Eula Shively,
and Rosalie Platner Are
New Officers.

The appointive offices on the Women's Athletic Association board were announced Wednesday by Eleanor Flattersch, '26, Milford, acting president. They are as follows: Rosalie Platner, '26, Omaha, social chairman; Eula Shively, '25, Lincoln, concession manager; and Dorothy Zust, '25, Omaha, publicity manager. No appointment has been made to the office of assistant concession manager. These offices carry with them full membership on the executive board.

Dorothy Supple, who was elected president last spring, was unable to return to school this fall, and the vice-president, Eleanor Flattersch is acting as president until her return. Miss Supple won both the fall and the spring women tennis championships last year. With her absent, a new title holder will be crowned.

OVER 75 APPLY FOR PLACES ON ANNUAL

Applications for Positions on
Cornhusker Staff Still
Accepted.

More than seventy-five applications for positions on the 1925 Cornhusker have been received, according to announcement made Wednesday afternoon by Wendell Berge, '25, editor.

Applications will be received at the Cornhusker office in the basement of University Hall for another week. The management urges that many other students will turn in application blanks, in order that more students may be given positions.

The staff will not be announced for ten days. The junior class and sorority editors and their staffs will be announced before staff members of the other sections of the book, due to the fact that work will begin on them immediately.

Pictures for these two sections may be taken commencing Friday, October 3. All junior class pictures and sorority pictures must be taken before November 10.

The photography contract has been let jointly to the Townsend and Hauck studios. An equal number of students will be assigned to each studio. Further announcement concerning the taking of pictures will be made next week.

DARTMOUTH COLLEGE — Annual Football Rush September 18

ended in a tie between the sophomores and freshmen. Five football were placed in the center of a field and the hostile sides rushed them at a signal. At the end of ten minutes each side had two balls, the fifth having been thrown out of bounds

Dr. Alexander Gives Account of Symbolic Arikara Indian Dances

Three unusual Indian dance ceremonies were witnessed by Dr. H. B. Alexander, chairman of the philosophy department, when he went to the Fort Berthold, North Dakota, reservation with the Heye Museum of American Indians expedition last July. The dances were symbolic of the purity, life and food of the Arikara Indians, a tribe which formerly lived in Nebraska. They are a branch of the Pawnees.

These dances lasted nearly five days. Because of their religious and fantastical nature they cannot be given without the permission of the United States Government Indian agents. The Arikara Indians worked a year preparing for the last dances, declared Professor Alexander. "The Sage Dance, or Dance of Purification is really a test of endurance," he said. "It lasted several days. The men who took part fasted for days in advance. They covered their bodies with a peculiar white clay found near the reservation and carried sage wands during the dance. Afterward they went to the river where they threw in their wands and then jumped in themselves."

COEDS CALL ON DEAN OF WOMEN

Dean Amanda Heppner Holds
Her Annual Opening
Tea for Women.

SEVERAL HUNDRED ARE
PRESENT AT FUNCTION

A steady stream of University of Nebraska coeds called on Smith Hall Thursday afternoon to meet Dean Amanda Heppner and to be her guests at her annual opening tea. During the receiving hours from 4 to 6 o'clock the throngs of callers numbered well up into the hundreds.

Receiving with Dean Heppner were Miss Erna Appleby, secretary of the University Y. W. C. A., Miss Helen Cook, assistant in the office of dean of women, Miss Mable Lee, professor of physical education, Mrs. Samuel Avery, and Mrs. J. F. Thompson, hostess of Ellen Smith Hall. Miss Barbara Wigggenhorst, president of the Women's Self-Governing Association, introduced the guests to Dean Heppner during the first hour, and Miss Kathryn Warner, president of Mortar Board, greeted them during the second hour.

A continuous program in the large drawing room was provided for the entertainment of the callers. Miss Helen Tomson announced the following numbers:

Violin duet—Alice Miller, Burdette Taylor.

Whistling solo—Marian Basler.

'Cello solo—Grace Modlin.

Reading—Pansy Fisher.

Original sketch—Celis Klotz, Harriet Klotz.

Voal solo—Thelma King.

Reading—Ruth Shrank.

Vocal solo—Emma Johnston.

Vocal solo—Bernice Sikes.

Fall flowers and ferns were combined to make the drawing rooms attractive for the occasion. Guests were entertained about the rooms by members of the Women's Self-Governing Association and the Senior Advisory Board.

In the dining room, Mrs. Sam Waugh, sr., and Mrs. Clara Bryan presided over the serving assisted by members of the Y. W. C. A. cabinet. A bowl of pink snapdragons at the center of the table formed the keynote of the color scheme followed in the refreshments.

HOCKEY TO OPEN WOMEN'S SPORTS

New Coach of Athletics for
Women to Start Season
on Monday.

The sport season for women's athletics will be started Monday, September 29, with hockey. Miss Mary R. Wheeler, the new women's sport coach, will be on hand at 4 o'clock to start the ball rolling. Every woman in school is invited to come out and take part in the game. These sports are under the control of the Women's Athletic Association and are not limited to physical education majors alone.

No practice will be counted an official practice unless there is a coach in attendance. Some of the girls who are majoring in physical education will probably assist in the coaching work. The big regular practices will be held every Monday, Wednesday and Friday at 4 o'clock. This year plans are being made to develop better team work through class practices.

More equipment for the sport has been ordered and will be on hand soon. Three dozen clubs are to be added to the supply already on hand.

In other years soccer has been the initial sport of the year. The schedule was changed and hockey will now be the first sport each year. Both are outdoor games.

CONDRA SPEAKS TO FRESHMAN SOCIETY

Originator of Olympics Present
at the Green Goblin
Banquet.

Fifty old and new members of the Green Goblines, freshman men's society, attended the sixth annual banquet of the organization, held at the Lincoln Hotel last evening. Dr. George E. Condra, Director of the Conservation and Survey Division of the University, and founder of the freshmen-sophomore Olympics, explained the development of that tradition and told the freshmen how to organize their class for the event.

The old officers told of the purposes and plans of the organization. New officers will be elected at a meeting at the Alpha Sigma Phi house next Tuesday evening. The new men were initiated Wednesday night.
