

FRESHMEN LOSE VARSITY GAME

Scarlet Warriors Have Hard Time Beating First-Year Team, 16 to 0.

SQUAD SHOWS NEED OF MUCH HARD PRACTICE

Either the Freshman team this year is unusually fast or the Varsity is still in need of much practice, for the Cornhusker team had all it could handle Saturday afternoon in the annual Varsity-Freshman game. The Varsity finally took the game 16 to 0.

During the first half, except for a brief period in the first few minutes, the Freshmen seemed to have the edge. In the second half the Varsity, after a session with Coach Dawson, came back and outplayed the wearers of the green. Only frequent fumbles kept the score down.

"Jug" Brown, former Lincoln high quarterback, who last year was given all-state honors, broke away for eighty yards during the first half. Brown ran from punt formation and eluded one tackler after another until he reached the Varsity 1-yard line, where he was caught from behind. A fumble on the next play lost the Freshmen twelve yards and their chance to score on the Varsity.

Frequent substitutions were made in both teams. Forty-five Freshmen had had their taste of competition against the Cornhuskers before the final whistle blew, and almost every man on the Varsity squad was given his chance.

Locke, regular halfback, was taken out in the first half because of an injury. He is expected to be back in the lineup in two or three days.

A good sized crowd turned out to see the game. Probably two or three thousand were present. Cheering was loud and sustained and the event had all the atmosphere of a regular game.

The Varsity line seemed to lack the offensive punch that usually characterizes Nebraska teams. No consistent gains could be made by the Varsity through the forward wall or around the ends, and passes were resorted to in many instances.

The Freshmen were about as heavy as the Varsity, or perhaps in some cases a little heavier. The quickly changing lineups made a comparison of weights impossible.

Doug Myers, Varsity fullback, plowed through the line for a number of gains. Bloodgood got away for a few good runs in the open field. A Mandery was also going well through the line.

Bronson, second string quarterback, showed well in the brief time he was on the field. Dailey got away for one good gain off tackle. Wostoupal showed well at guard. Mielenz did good work, both on offense and defense.

The Freshmen presented a strong line. Stiner, formerly of Lombard college of Illinois, played with the Freshmen and showed some really spectacular work. He broke through the line several times to spill Varsity backs for losses. Bloodgood was thrown for a 15-yard loss while trying to get a pass away.

Raish of Grand Island high school also did some good work for the Freshmen. Stevens, formerly quarterback on the Hastings college team showed well and should be a formidable back.

McIntyre, end; James, center; and Oelrich, fullback, also did good work for the Freshmen.

A safety was scored on the Freshmen when they tried to run the ball from behind their own goal line after getting it on a Varsity fumble. The man carrying the ball slipped and was downed behind the goal line.

The two other scores came at the beginning of play and shortly before the last whistle. A long forward pass to R. Mandery, end, just after a pass had been completed to Dailey, halfback, put the Varsity in a position to plunge the ball across the last line.

Practice for the rest of the week will be secret. No one will be admitted, for it is in the next week that plays must be developed to beat Illinois.

Most of the time will be spent in running signals and getting the plays working smoothly. Drilling in the forward pass game under Coach Kline is also predicted.

Captain Weir and Molzen Slated To Hold Down Tackle Positions

CAPTAIN ED WEIR

—Photos by Campus Studio.
CECIL MOLZEN

Captain Ed Weir and Cecil "Red" Molzen have been holding down the tackle positions on the Varsity eleven so far this season and there seems little doubt that this combination will go through the season.

Molzen is an example of persistence in spite of a temporary lack of recognition. His work was not particularly spectacular last year, but

with the arrival of the '24 season Molzen became almost a star. With more experience he should make another great Nebraska tackle.

Captain Weir's ability has never been questioned. Although last year was his first in Varsity competition he was known as one of the best tackles in the country.
