Lincoln Man Recalls Beginnings of First University Political Groups

The beginnings of political organizations on the campus are remembered by Sterling F. Mutz, '11, Lincoln attorney, who was president of the first Democratic club at the University. Mr. Mutz is chairman of the present Lancaster Democratic club and is prominently engaged in the campaign this fall to elect Davis and Bryan and the entire Democratic State ticket. He has acted as an advisor to the University Davis-Bryan Club and has expressed his pleasure at the work the members have accomplished.

He states that the first club of this nature was organized in 1910. The first meeting was held in University Hall. A meeting of perhaps twenty Democrats was later held in one of the class rooms on the third floor of the Law College. Speeches were made by Stewart P. Dobbs, recently the candidate for Attorney-General in Idaho on the Democratic ticket, he being defeated in the Harding landslide of four years ago by only a few votes.

The officers of this club of 1910 were Sterling F. Mutz, president, and Lloyd A. Kiplinger, now a practicing attorney at McCook, secretary. Other members included Marvin Sommer-

The Colgate game in the afternoon is expected to attract a large number of former Nebraska students. Ticket sales for the game will be about as heavy, or, more probably, somewhat heavier, for this game than for the Illinois-Nebraska contest, John K. Selleck, business agent for athletics, said Wednesday.

Sales of tickets have been heavy so far. The attendance should be between 18,000 and 20,000, Mr. Selleck believes. The attendance at the Illinois game was slightly below 18,000.

SPEAKS FOR LAFOLLETTE

Lincoln Attorney Places Principles of Party Before World Forum.

C. A. SORENSON GIVES PROGRESSIVE OUTLINE

"Mr. Coolidge and Mr. Davis are both fine men, but the election of a president is not a matter of personalities, but of political philosophies and neither of them stand for the progressive things that Senator La Follette favors," declared C. A. Sorenson, '13, Lincoln attorney, in outlining the principles of the LaFollette-Wheeler movement at the first meeting of the Word Forum at the Grand Hotel Wednesday noon.

"Both of them, by their own statements, honestly believe that big business has made this country what it is and that it is the foundation of our very civilization. We progressives believe that it is the rank and file, the common people, that have developed the nation.

"Mr. Coolidge is a typical product of the New England political machine. By successive steps he rose from councilman in a small city to vice-president of the United States. Had he not been suddenly placed in the White House he would never be a candidate now. In fact it was originally planned not to renominate him for vice-president.

"It is the Republicans' sincere belief in big business that explains their support of the ship subsidy, the Mellon bill to reduce taxes on large incomes, and the high tariff. Then when the farmers asked for the passage of the McNary-Haugen bill providing for the protection of the farmer it was the New England Republicans that defeated it.

"The progressive political reforms which have now been accepted by everyone, were without exception pushed by such men as LaFollette and fought by stand-patters like Coolidge. It was that way with the fight for direct election of United States senators, the income tax, and the child labor amendment.

"LaFollette is a mid-western man who understands the needs of the west. He stands for the things that will be of benefit to the people as a whole, not for a privileged class.

"The merits of the proposed amendment to the state constitution providing for the election of all county and state officers on a non-political ballot was also advanced by Mr. Sorenson.

"These local offices should be filled by the best men, not by the men who happen to be on the right side of national issues."

The merits of the democratic side will be set forth next week by Congressman John H. Morehead and E. H. Thorpe will speak for the Republicans the following week. The World Forum meets every Wednesday noon at the Grand Hotel to hear discussions of various political and social topics.

"OCTOBER GAMES" OPEN TO ALL MEN

All Track Men Must Participate or Check in Equipment, Says Manager.

The "October Games" Saturday will offer the Olympic committees of the two classes a chance to try out track material for the freshman-sophomore clash, November 29. All men who are out for track must participate in the meet or check in their equipment, according to Howard Buffert, senior track manager.

Men intending to enter the meet should sign up in the gymnasium although they may participate without doing so. The meet will include all the regulation track and field events. The Stadium track has been completely overhauled. An additional coat of fine cinders has been added and a large corps of student managers is busy rolling it into shape.

Julia Joyce Harper, M. A. in Botany '23, has charge of the botany work at Hood College, Frederick, Maryland.

To Entertain Fine Arts Women Friday

All women in the School of Fine Arts who are majoring in music are invited by Delta Omicron, honorary musical sorority to a tea at Ellen Smith Hall, Friday afternoon, October 17, from 3 to 5 o'clock. A musical program will be presented by the sorority's alumnae.

FINISH PLANS FOR LUNCHEON

Band and Octette Appear at Cornhusker Affair; Gleason to Lead Yells.

Final preparations are being made for the women's Cornhusker Luncheon by the committee in charge, headed by Ruth Carpenter, W. S. G. A. board member.

The program will be short, and there will be no toasts, so that the luncheon will be over before the Colgate-Nebraska game starts. The band will play Nebraska songs and the girls' octette will sing. At the end of the luncheon, Duke Gleason, head cheerleader, will lead the gathering in yells.

Red and white streamers will be used in decorating the Armory where the luncheon is to be held. Mystic Fish, Xi Deltas and Silver Serpents, who are going to serve, will be dressed in the Nebraska colors of scarlet and cream. Several thousand red and white carnations have been ordered, and these will be given out, as well as many other attractive favors.

A large number of alumni are expected to be present, and they may obtain their tickets from Ruth Carpenter through the mail or by calling her.

PAN-HEL COUNCIL HOLDS MEETING

Hear Dean's Proclamation of Awarding of Scholarship to Gamma Phi Beta.

A proclamation by Dean Carl C. Engberg awarding the Pan-Hellenic scholarship cup to the Gamma Phi Beta sorority for maintaining the highest scholastic average during the academic year 1923-1924, was read at a meeting of the Pan-Hellenic Council yesterday afternoon in University Hall 207.

Alpha Delta Theta sorority maintained the highest average during the academic year but was ineligible for the cup because it was not a national Greek letter sorority until last December.

Helen Tomson, '25, Lincoln, resigned as vice-president of the council. Elizabeth Raymond, '26, Lincoln, was selected to succeed her.

ELECT HEAD OF POLITICAL CLUB

J. J. McCarthy Is President of University LaFollette-Wheeler Club.

J. J. McCarthy, Jr., was elected president of the University LaFollette-Wheeler club at a meeting held in the college of law, Tuesday at 7:30 p. m. His election took place after the resignation of Franklin J. Potter who was chosen chairman of the Lancaster county LaFollette-Wheeler committee at the Monday night meeting held in the Temple theater.

Warren Campbell, '25, Omaha, was elected secretary-treasurer of the organization. Herman Ginsberg, '25, Ponca, was chosen by President McCarthy as a member of the advisory committee to act in conjunction with the County club.

A noon luncheon will be given next Monday at which some member of the party travelling with Senator LaFollette is expected to speak. In all probability Senator LaFollette will not be able to speak in Lincoln because of the previous engagement of the city auditorium for the W. J. Bryner speech Saturday night. He will speak in Omaha Monday night, and is expected in Lincoln over Sunday to confer with regional director Harrison and other local leaders.

Roy A. Youngman was placed in charge of the luncheon committee and will have tickets on sale for LaFollette supporters. The meeting will be at the Grand Hotel. Membership blanks will be placed in the hands of club members for securing signatures.

J. M. Patterson, representative of the national headquarters, gave a short talk on the LaFollette platform and pointed out how Senator Howell in his Saturday speech followed along the agricultural plank in the independent platform.

RALLY WILL BE HELD OUTDOORS

To Meet North of Administration Building; Will Parade to Lincoln Hotel.

CONDRA, SCHULTE AND HUSKERS WILL SPEAK

The rally Friday evening to work up spirit for the Colgate game will be held outdoors, north of the Administration Building, instead of in the Armory as was announced Tuesday. Wendell Berge, '25, will preside at the meeting and there will be short talks by Coach Schulte and Dr. Condra, and members of the team. The band will play.

Immediately after the program, which will take 25 minutes, the parade will form in columns of four on Twelfth Street between the Armory and R Street. It will then move to the Post Office square where the Corncobs will perform and the Colgate team will be introduced to the crowd from the balcony of the Lincoln Hotel.

The Iron Sphinx, sophomore society, is going to sell the torches at the Armory, the fraternity and sorority houses Thursday and Friday. The committee in charge of the sale advises that the torches be purchased before the rally, as it will be very difficult to secure one at that time because of the crowd. If any torches are lit during the rally it will be necessary to stop the program.

Everyone is urged by Duke Gleason to learn the following song for the rally Friday evening. It was presented by George L. Jackson and is sung to the tune of "Brighten the Corner Where You Are":

"We want a touchdown, get that ball,

Just a little touchdown, that is all.

We will beat Colgate and we'll celebrate tonight,

Fight, fight, fight!"

The athletic department is desirous of giving as fine a welcome to Colgate as was given to Illinois and urges the whole student body to attend the rally.

Graduates Engage In Religious Work

Eighty-three alumni of this university are actively engaged in religious work, according to an incomplete list of religious workers recently compiled by the alumni office. These are at work both in the United States and in foreign countries. Of these alumni twenty-six are missionaries to foreign countries—to China, Japan, India, Australia, Porto Rico and British India. Since 1877 only two graduating classes have failed to have at least one member of the class choose this work.
