

VARSIITY WORK OUT LAST TIME

Pick Men for Trip Thursday Morning; To Stage Workout in Chicago.

EXPECT WEIR TO PLAY IRISH AT SOUTH BEND

With a number of Varsity regulars getting back into good physical trim, the football squad completed its home practice for the Notre Dame game with a workout on Stadium field. Captain Weir is the only Husker whose injuries are at all serious. Weir had been in poor shape since the Colgate game, in which he received a severe muscle bruise.

Weir was discharged from the Lincoln Sanitarium Tuesday after having been there for several days to receive treatment for an infection. His presence in the lineup Saturday will do much to stiffen the Varsity line. Weir has been the man around whom the line played and he helps to make the rest of the line work well.

Although his condition has not been encouraging, Weir insists that he will play against the Irish. He will at least start the game, it is thought.

Other regulars who have been bothered by injuries are in fairly good shape. "Doc" McLean, team trainer, will use protective bandaging for these men and believes that their play will not be seriously affected.

Believing that the team was not in condition to stand hard practice, Coach Dawson has been using his regulars only in light work. The second and third string teams have been given stiff work, for upon these men the game may depend.

No decision as to who will make the trip was made by Dawson Wednesday evening. The list will be made up Thursday morning. The team leaves for Chicago at 4 o'clock Thursday afternoon. A workout will be staged in Chicago Friday afternoon.

GEORGIA TECH—In the contest to select announcers for the Tech Radio Station one chief announcer and two assistants will be chosen from the Radio classes. The judges will "listen in" for the three best announcers and then cast their votes.

East, West, North and South Await Results of Saturday's Big Clash

(Continued From Page One.)

every one of the 15,000 spectators who has been fortunate to procure an admission to the game will know that he has seen as good an exhibition of the leading college sport as ever can be witnessed.

In the East there will be a great deal of interest manifested as to the outcome of the Penn State-Penn U. game, and the Dartmouth-Cornell tangle. Penn is still undefeated. Penn State has been defeated twice by small scores, and has tied the Syracuse eleven. If Penn gets by her Ag brothers she will have to show her best brand of football throughout the sixty minutes of play.

Dartmouth should win over Cornell if hope can be relied upon. But it can't. That is why so much interest will be shown in the game. Rutgers, the only other undefeated team in the East, beside Penn, will take things comparatively easy Saturday at New York University. Washington and Jefferson will fight out their annual battle with Pittsburgh, and Columbia will play the West Point cadets. Yale and Princeton will stage another important game at Princeton. Due to the fact that both teams are ancient foes, and they have both been playing excellent football this year, a real football battle can be expected there. The glamour is somewhat taken off the Harvard-Brown game, due to the severe wal-

loping Harvard received last week at the hands of Princeton.

In the West, Illinois will try her fortune against Minnesota, Michigan will be at Ohio State, and Chicago plays Northwestern, while the Iowa Buckeyes go to Wisconsin.

In the valley, Kansas Aggies meet Drake at Manhattan, in a game that should have a great deal to do with deciding the Missouri Valley championship. Missouri plays Washington, Oklahoma will play at Kansas, and Ames will play Grinnell.

On the coast California will play Nevada, the team which last year held them to a scoreless tie. Washington U. will play College of Puget Sound, and Washington Aggies will be at Oregon U.

Other important games scheduled for this week are:

- Centre at Alabama.
- Middlebury at Boston U.
- Springfield at Colgate.
- Oklahoma Aggies at Creighton.
- Alabama Poly at Georgia U.
- Vanderbilt at Georgia Tech.
- Wabash at Indiana.
- Virginia M. I. at Kentucky.
- Alfred at Lafayette.
- Villanova at Lehigh.
- Holy Cross at St. Lawrence.
- Montana at Stanford.
- Niagara at Syracuse.
- Tennessee at Tulane.
- Bucknell at Annapolis.
- Whittier at Southern California.
- Virginia at Virginia Poly.
- Washington and Lee at West Virginia.

Invite Students to Attend Summer Session of University of Mexico

The National University of Mexico, which since 1921 has maintained a Summer School for students and teachers of the United States, announces that prospects are most favorable for a record-breaking attendance next summer. Since the first session of Summer school was held, nearly every American college and university of importance has been represented among the matriculants.

The faculty of the 1925 Summer School will be composed of professors of the National University, together with several prominent educators from the United States. Most

of the courses will be conducted in Spanish, thus being of inestimable value to students and teachers of this language, however, a number of general culture courses will be offered in English for the benefit of students having no knowledge of Spanish.

Mexico City is said to be cooler than Denver during the summer months, thus being an ideal place for study. The many sight-seeing trips to be offered under University supervision will include visits to world-famed archaeological ruins, pyramids that are said to rival those of Egypt in size and interest, and to

many other places of archaeological, historical or scenic interest.

The National University is taking a leading role in the work that is being done to promote a mutual feeling of good will among the intellectual classes of Mexico and the United States, and it is through the medium of Summer School that this work is most effectually being carried forward. Complete information regarding the 1925 Summer School may be obtained by addressing Sr. Manuel Romero de Terreros, Secretary of the Summer School, of the University of Mexico.
