## JORGENSEN TO TELL OF QUAKE

Will Speak to World Forum on Experiences During Japanese Disaster.

### VIEWS OF LIFE TO BE DISCUSSED NEXT WEEK

Arthur Jorgensen, general secretary of the University Y. M. C. A., who was in Japan at the time of the great Japanese earthquake last year will tell of his experience at that time at the World Forum luncheon at the Grand hotel Wednesday noon. Tickets are on sale at the Y. W. C. A. and Y. M. C. A. offices for twenty-five cents.

Plans are being made for a series of discussions of the various philosophies of life. Rabbi Starrels of the Reform Jewish congregation of this city will present the Hebrew ideas next week. Professor J. A. Rice, Jr., chairman of the department of ancient languages, will give the Greek viewpoint and Mr. Jorgensen will discuss the Oriental philosophy, with special reference to the Buddhist point of view, the following weeks. The series will be concluded with a presentation of the true Christian views of life. John Andrew Holmes, pastor of the First-Plymouth Congregational church of Lincoln, will probably present this discussion.

"Because of the necessity of knowing about how many will be present at the luncheon it is imperative that students purchase their tickets today," said V. Royce West, who is in charge of the ticket sales. Those who wait until tomorrow to buy tickets will be charged thirty-five cents.

## CADET OFFICERS PLAN MAGAZINE

Present Plans Call for Four-page Printed Paper to Appear Monthly.

A staff of cadet officers is being organized by Cadet Lieutenant-Colonel Emmett V. Maun to publish a new and revised form of a publication for the Military department. Last year the paper was mimeographed and called the Kornhusker Kadet but it will be entirely up to the staff this year to choose a name and dictate the policies of the paper. Present plans call for a four-page printed paper to appear once a month.

Cadets will be asked next Monday to contribute twenty-five cents toward the publication and twenty-five cents toward a picture of the company in the Kornhusker. This will take care of all contributions for the year and will save the cadets from being approached for more than one collection.

With support from all cadets, it is hoped that the Military department will be able to issue a publication in the interests of Nebraska and in the interests of the department. This will allow closer and more intimate touch with the officers and will give the men a small newspaper published essentially in their interest.

## UNIVERSITY TO EXHIBIT STOCK

Enters Steers in International Livestock Exposition at Chicago.

The University of Nebraska has entered some cattle in the Twenty-fifth International Livestock Exposition which will be held in Chicago, November 29 to December 5. As this event marks the anniversary of the founding of the show, the competition will probably be keener than usual and should the Nebraska entries make a creditable showing it will mean much to the University. Most of the steers which will be exhibited were bred at the Agricultural College farm.

In addition to the exhibit of livestock, Nebraska will be represented by a stock judging team composed of five Agricultural College seniors. Second honors were won by this team at the National Swine Show held at Peoria. Reports tend to show that there is much interest in the stock show this year and that a number of Nebraska stockmen contemplate making the trip.

UNIVERSITY OF CALIFORNIA—Walter Camp, known as the "dean of critics" and the originator of the "daily dozen" was one of the 90,000 spectators who saw the University of California and Leland Stanford battle to a 20 to 20 tie last Saturday. Camp coached the Stanford eleven in 1892, which that year played a 10-10 tie with California. On the coaching staff of California are Brick Muller and Dan McMillan who were chosen by Camp last year for his mythical eleven.

## Can Get No Excuses For Friday Absence

Students will not be granted excuses for absences from classes or laboratories on Friday according to an announcement from Executive Dean Carl C. Engberg's office yesterday. Those who go home for Thanksgiving and neglect to return for classes Friday will run the risk of missing important class work or examinations which can not be made up. Several years ago the University Senate passed a rule forbidding the deans to issue excuses for absences on days preceding or following vacation periods.

## OFFICERS BUY BALL TICKETS

Allot Five to Each Fraternity and More for Non-Fraternity Students.

HALF OF RESERVED SECTION ARE SOLD

On the first day of the sale of the military ball tickets, more than half of the number reserved for cadet officers were sold and a few less than that number of the group retained for student sales were released. Cadet officers will have tickets reserved for them until December 2 when the remainder of the block will be sold to students.

Five tickets have been allotted to each fraternity and a number are being held in the military department for non-fraternity students who have another opportunity to buy. It is hoped that this division of tickets will make the opening formal of the season representative of Nebraska students. Although the ball is intended primarily for cadet officers, the large auditorium enables the committee to permit validation of a greater number of tickets and gives other students the opportunity to be present.

Contracts have been made for a quantity of decorations. Programs and favors are being made for the ball and a special orchestra under the supervision of the Kandy kids will play. Every effort will be made to present the typical military atmosphere at the only military formal held in this part of the state. With the idea in mind that naval and army posts are known the world over for the stateliness and pomp of their social events, the committee will attempt to portray a real military ball with cadet officers and Nebraska students as the guests.

A cadet officers meeting will be held in Nebraska Hall at 5 o'clock Friday to make final plans for the grand march, decorations, and events incidental to the military ball.

## Scabbard and Blade Entertain Officers

Scabbard and Blade, honorary military fraternity, will entertain all cadet officers at a smoker in Nebraska Hall Tuesday evening at 7 o'clock. A committee will provide entertainment and lunch.

## Committee Prepares Report on Aims and Ideals of Fraternities

NEW YORK, Nov. 22.—College fraternity men have long been talking vaguely about "fraternity aims and ideals." In an effort to find out just what they are, a committee of the Interfraternity Conference has been at work for a year. The committee will present a highly interesting report to the plenary session of the Conference to be held at the Hotel Pennsylvania here November 27 and 28.

As a result of an extensive canvass of all American Greek letter fraternities the report announces, in summary, that these are the fraternity aims and ideals: recognition of and a proper respect for the Deity, moral living, discouragement of gambling, discouragement of the use of liquor, a premium upon friendship, emphasis upon the virtues of honesty and integrity, encouragement of the practice of charity.

Upon their individual members, according to the report, fraternities sincerely and earnestly attempt to play their role as a vital and helpful part of the machinery of education by encouraging high scholarship, requiring participation in campus activities and urging college loyalty.

The weight of influence of fraternities in matters pertaining to community interest the committee summarizes as follows: fraternities are marries as follows: fraternalism is intensely patriotic, promote concord among groups of different religious and racial and political backgrounds, teach the duty and privilege of service to mankind, denounce snobbery and fetish of social demarcation on

## CHORUS APPEARS FOR FIRST TIME

Neely, Merriam, Gettys, Davis Take Solo Parts in "St. John's Eve."

PARTICIPANTS WILL BE EXCUSED EARLY

"St. John's Eve," one of the four or five operettas presented annually for the student body by the University Chorus, will be given at 11 o'clock today in Memorial Hall.

The plot deals with the situations brought about, more than a century ago, by an old woman of the quaint village, in her predictions as to the way in which each of the town's maidens will discover the identity of her future husband.

Elsie Neely, Dwight Merriam, Margaret Gettys, and Hubert Davis will take the solo parts. Mrs. Carrie B. Raymond is the director of the production. The University Orchestra will furnish the accompaniment.

Participants in the operetta who have 10 o'clock classes should make arrangements with instructors to be excused 10 minutes early so as to report at Social Science auditorium for lining up.

## FEW DIRECTORIES REMAIN UNSOLD

The few remaining copies of the 1924-25 Student Directory are on sale at the University Y. M. C. A. office in the Temple. The directory contains a complete list of all students in the University, giving their addresses, home towns, telephone numbers and fraternity affiliations. It also contains a faculty list, a list of the presidents of all campus organizations and a list of the members of each fraternity and sorority.

A small number of "N" Books which were not called for by freshmen are also on sale.

## VETERANS MAY FILE FOR COMPENSATION

Pay for Time in Excess of Sixty Days Service at Home and Overseas.

World war veterans in Lincoln will have the opportunity of filing their applications for bonus compensation with Sergeant W. D. French, staff sergeant of the University R. O. T. C. A recent communication from the War department urges veterans to fill out at once their applications which, under the provisions of the world war adjusted compensation act passed by Congress last May, will entitle them to \$1.25 a day for overseas service and \$1.00 a day for home service for every day in excess of sixty.

"From the view point of the veteran," says the communication, "it is imperative that he apply immediately for the benefits to be received under the act. The War department is daily receiving cases where veterans thought themselves in the best of health and had died or been killed without having submitted their applications. In such cases their widows and children receive only one-third what they normally would if the application had been filed."

The War department has instituted a complete distribution of the blanks and they are now available all over the country. Veterans in Lincoln may get blanks from Sergeant French of the Military department and can secure aid in filling them out from him.

## Methodist Students Will Be Entertained

Dr. and Mrs. H. F. Huntington will be at home Thanksgiving evening to all Methodist students at their home 1417 E street. The receiving hours will be from 7 to 10 o'clock. Every Methodist student is invited.

UNIVERSITY OF ARIZONA.—Two hundred and fifty-nine men became members of the Bachelors Club at its first meeting held recently. All last Wednesday the campus was the center of the Bachelor and Cavalier arguments. The Puritans, as the neutrals are known, have pledged their moral support to the Bachelors. The first meeting of the Cavalier group was rudely interrupted when a cold stream of water from a fire hose hit them. As a punishment for "queening" a member of the Bachelor Club will be forced to wear a Mother Hubbard on the campus for an entire day.

## W. A. A. Needs Girls To Sell at Game

More women are needed to sell for the Women's Athletic Association at the Thanksgiving game Thursday. Those who are willing to work should leave their names with Mrs. Pierce in the women's gymnasium before Wednesday. Passes will be issued to all who sell.

## VARSIITY WORKS FOR LAST GAME

Freshmen Use Oregon Formation in Scrimmage with Regulars Today.

AGGIES WILL COME IN AT ONE O'CLOCK TODAY

Cold weather and the showing made by the Huskers in trouncing the Kansas Aggies combined to confine preparations yesterday for the Turkey Day clash with the Oregon Aggies to a mere limbering up practice for the Varsity. All the squad came out of the Kansas fray in good shape.

Scrimmage will undoubtedly be in store for the Varsity this afternoon. The freshmen have been instructed in Oregon formations and the regulars will get some idea of the kind of attacks they are going to buck up against Thursday.

The Aggies are due to pull into Lincoln at 1 o'clock this afternoon over the Burlington. They will work out on the stadium field both this afternoon and tomorrow.

Just an hour after they had lost a hard fought battle to the University of Oregon at Corvallis the Aggies left for Lincoln. None of them were injured and they should be in good shape to meet the Huskers as Coach Paul J. Schissler has been putting his proteges through their paces at many of the stops along the route. A special car fitted up as a dressing room enabled them to take advantage of even the short waits.

If comparative scores mean anything—which they do not—the Aggies should prove to be a hard assignment. Oregon U. was forced to use a fluke play to squeeze out a 7-to-3 win over the Aggies Saturday. That Oregon U. is a team of no little class is shown by the fact that they had previously defeated Washington University who had held the championship University of California team to a tie.

Those who know Schissler, who was formerly assistant coach here and later head coach at Lombard, rate him as one of the best mentors in the country. Being a former Nebraska coach there is undoubtedly nothing that would please him more than take the Huskers' scalp back to Oregon with him.

It would be well for those who are inclined to underestimate the strength of a far-western team to refresh their memory of a little joust on the old Nebraska field four years ago. The Huskers had almost completed a successful season and the Washington Cougars didn't show up so well in the dope. However, the western he-men from the open spaces took home the best end of a 21-20 score.

## Miss Pound and Miss Burkett on Program

Miss Louise Pound of the Department of English, and Miss Lenore Burkett, director of Fine Arts at Cotner University, gave a program on "Songs of the Civil War" at a convocation at the Lincoln High school, on Monday morning.

UNIVERSITY OF CALIFORNIA—Members of the Custodian "C" committee gave the big letter another coat of yellow paint. All sophomores were urged to be on hand to stand an all-night vigil to guard it from possible Stanford marauders.

## Howard Ashman Patterson, Painter Of Exhibit at Library, is in Lincoln

Howard Ashman Patterson, painter of the exhibit of pictures now on display in the Library, and Mrs. Patterson are in Lincoln after a year spent in the West.

Mr. Patterson's paintings of the picturesque Southwest, executed during his stay at Santa Fe, New Mexico, and of the mountain landscape which he transferred to canvas while at Estes Park last summer, have gained recognition in eastern museums. It is these western scenes which comprise the exhibit now being shown in the Library.

After studying in Philadelphia and at the Art Student's league in New York, Mr. Patterson spent six years painting at Woodstock, in the Catskills.

## Dr. Hunt to Talk At Vesper Service

Thanksgiving vesper services will be held this evening at 5 o'clock in Ellen Smith Hall. Dr. Ray Hunt, pastor of the First Christian church of Lincoln, will be the speaker. Gertrude Ebers will lead the services, and special music will be furnished by the vesper choir and by Miss Grace Rogge. All women of the University are invited to attend this Thanksgiving service.

UNIVERSITY OF INDIANA—Petitions from twenty-five co-eds for permission to operate cars were granted by the committee on student affairs. The three women who do not live in Bloomington to whom the permission has been granted, may have their cars in the city only from May 5 to close of school. With the exception of one woman who needs her car for business purposes, no cars are to be parked on the campus. More than 150 men have asked permission to have their cars, but action on these petitions has not been taken as yet.

With a few others, Mr. Patterson was responsible for the successful Philadelphia art week. His recent exhibition of a part of his collection at the Chappell house in Denver excited much favorable comment.

"These paintings suggest a man who has dared to see and who has likewise developed a technique to fit the necessities of expression," is the opinion of Mr. Patterson's work held by the Rocky Mountain News of Denver.

Mr. Patterson belongs to the Philadelphia Sketch club, and to the American Federation of Arts. His paintings have been displayed in such exhibitions and museums as the Art Institute of Chicago, the National academy, the Society of Independent Artists in New York, the international at Pittsburgh, and annuals at the Pennsylvania academy.

## TO CELEBRATE OREGON GAME

Coach Schissler and H. H. Foster Will Be Principal Speakers at Rally.

STUDENTS SHOULD NOT LET UP ON ATTENDANCE

Coach Paul Schissler of Oregon State Agricultural College and H. H. Foster, professor of law, will be the principal speaker at the last rally of the year tomorrow night at 7 o'clock in the Armory. The largest crowd of the year is expected at the demonstration on the eve of the Oregon Aggie game.

"This is the last big rally of the season and things are going to move quickly," said Wendell Berge, president of the Innocents. "We don't want students to let up on attendance because it is the last rally but rather that they turn out and make the last one the best one."

Coach Schissler of the Aggies will address the crowd as representative of the invaders. He was formerly assistant coach at Nebraska and is coaching his first year at Oregon State. He is well known in Lincoln.

Coach "Indian" Schulte is also on the card as speaker. "Schulte and his new hat" are well known to rally followers. Captain Ed Weir will represent the team on the speakers' platform, and Leo Scherer, former Cornhusker player, will speak for the teams of former years. Scherer will be remembered as the speedy end on the team of 1922.

The University band will be present and it is possible that the Glee club quartet will be secured. According to members of the Innocents, arranging the program, it will be one of the most interesting programs ever put on at a rally.

As soon as the schedule is announced fraternities matched for the opening games should communicate and agree on officials. The first games will be played off next week.
