Pay for Valley Weekly at Athletic Office or to Buffett and Woodard.

### DISTRIBUTE SECOND EDITION AT BANQUET

Subscriptions for the Missouri Valley Sports, the conference athletic publication which is published every Friday, are being taken this week at the Athletic office by Miss Durkes. Students will also be given an opportunity to subscribe to the magazine at the Cornhusker Banquet Friday night at the Scottish Rite Temple.

The second issue of the publication will be distributed at the Banquet Friday night and will contain complete dope on the basketball outlook at all the schools throughout the Valley.

The subscription price of the weekly is two dollars and fifty cents a year. Marion Woodard, phone B-1821, and Howard Buffett, phone B-4511, are representatives of the valley weekly at Nebraska, and anyone wishing to subscribe should see either of these men or Miss Durkes at the Athletic office.

A number of copies of the weekly were distributed to each fraternity Sunday, and issues of the Missouri Valley Sports are on sale at several of the downtown newsstands. Sentiment at Nebraska is strongly in favor of this publication, which is expected to enable Nebraska students to better know what is going on at the other schools in the valley.

The publication is modeled after the "Big Ten" Weekly, which gives the athletic news of the "Big Ten" each week.

The Missouri Valley Sports will contain a weekly article by Walter Eckersall of Chicago, recognized as probably the greatest sports writer in the country. A column by Grantland Rice, New York sports writer, will also feature each issue. "Human interest" stories about the coaches and players at the various valley schools will be included.

### RIFLERS TO MEET WEDNESDAY NIGHT

Rifle Team Will Represent University of Nebraska This Year.

Students who intend to try out for the University Rifle Team will meet at the rifle gallery in Nebraska Hall at 7 o'clock Wednesday evening. All students eligible for participation in other competitive sports are eligible to try out for places on the rifle team.

The rifle team this year will not represent the R. O. T. C. but the University of Nebraska. About forty-five men have signified their intention of trying for places on the team according to Capt. L. W. Eggers who is in charge of the team. Matches with universities and colleges in all parts of the country are being scheduled.

### NEGOTIATES WITH WEST COAST TEAM

Contract Calls for 1925 Game at Nebraska; Officials Are Silent.

Negotiations for a football contract between the University of Washington and the University of Nebraska have been completed, Darwin Meisner, Washington manager, announced today, according to an Associated Press dispatch from the Washington school yesterday.

Nebraska athletic officials at the University refused to either deny or confirm the report.

Under the terms of the contract, the Washington-Nebraska games will be played in Lincoln in 1925 and in Seattle in 1926. The specific dates for the contests will be decided upon after the Coast conference schedule has been completed. The 1925 Nebraska-Washington game will probably be played in Lincoln either October 10 or 17. In closing the negotiations for the Washington game, the Nebraska management has completed its schedule of eight games for 1925.

### ZUPPKE AND ROCKNE BARGAIN

Gridster Coaches Paint Sad Pictures of 1925 Gaps.

CHICAGO, Dec. 8.—An interesting bit of dialogue took place between Coaches Zuppke of Illinois and Rockne of Notre Dame while they were discussing prospects of a 1925 game. Zuppke had made his appearance in the lobby early and it became noised about that Illinois had challenged Notre Dame but that no answer had been received from the South Bend mentor.

Rockne later heard the gossip and hunted up Zuppke.

"What's this about your offering me a game?" Rockne said.

"Don't you remember?" Zuppke answered, and reminded the Notre Dame coach of a conversation between the two in the east some little time ago. Rockne didn't remember.

"Well, I'll play you," said Zuppke "but you must understand just how it is." He then took a pad and pencil and drew a straight line with a tiny circle at the end. "There's my line for next season, just one man left, Kassel," he said.

"Tough, isn't it," said Rockne. "Let me have that paper."

He drew eleven crosses on the pad. "That's my regulars," he said. "We'll erase them. They are gone for next year."

Then Rockne drew eleven more crosses and said: "They are my shock troops. We will erase them, too. They also are gone next year. He was about to draw more crosses when Zuppke stopped him.

"That's enough," said Zuppke. "What's the use of our talking about a game for next year. Neither one of us is going to have a football team next year."

Later, however, Rockne said he couldn't let Zuppke have anything on him and he agreed to play Illinois October 10.

It was found impossible to arrange the schedule so the game will not be played next season.

## For Young Men There is nothing like a STETSON

**M**OST young men today know the importance of looking fit. Good appearance counts much in the game of life. The young man who dresses with taste has a decided advantage.

But—it is surprising how little thought the average man gives to his hat. It is his crown, yet he seems to stop dressing at the neck.

Be careful in your selection of your headwear. When you buy a hat, select a Stetson. Its style is right, its quality means long wear.
