

COMPANY RIFLE SQUADS MEET

Fourth Annual Regimental Shooting Competition Will Be Held This Week.

WINNING TEAM WILL HOLD MITCHEL CUP

The fourth annual intercompany rifle meet will be held this week, commencing tomorrow. The winning company in the competition will have its name engraved upon the Mitchel Cup, given for the purpose by Colonel Mitchel, a former Professor of Military Science and Tactics here.

Four of the strongest teams entered in the meet are those of Companies C, D, K and I. The competition between these four will be rather lively, due to their high standing on the range.

Last year Company C won the meet from its nearest contender, Company L. The score was 1,480 to 1,452. The winning team was made up of Robert Currier, Kenneth Lawson, Ben Williams, D. D. Lewis, Walter Cejnar, Ted Fearing and E. W. Sherrard.

Company teams are being entered in writing now, but the names will not be announced in The Daily Nebraskan because they may be changed up until the time for the meet. A man must stay in after he has fired at a target, however. Teams this year will be made up of five men and two alternates, instead of seven men, as they were formerly.

Any man in the military department is eligible to enter the meet for his company. The teams are being coached by the company captains, as the coaches do not have to be a member of the shooting team.

Each man will be required to fire forty rounds at a "Y" target, ten in each of the four positions. The positions are prone, sitting, kneeling, and standing. Every shot fired by a contestant shall count in the final score.

FOUR TEAMS ENTER SEMI-FINAL ROUNDS

(Continued From Page One.)

Scoring was scarce in the last period. Delta Tau was able to ring the basket only once, while the losers gained one field goal and one foul goal. With one minute to play, Forcade, forward on the Phi Gamma team, shot a basket for a score of 10-9. The ball was batted into Phi Gam territory and twice shot to the rim and rolled outside, before the game ended.

A. T. O. Game Mild.

The second mix between the A. T. O. five and Alpha Gamma Rho seemed dull in the first half in comparison to the Delt game. The losers scored first, but Stevens and Daily got two baskets each soon after. The score at the end of the half was 12-2.

The A. G. R. team attempted a comeback in the last half with Roth and Presnell leading the attack. They held their opponents scoreless for practically half of the period, meanwhile piling up thirteen points. They were unable to make the comeback successful.

D. U.-Sig Ep Scrap a Thriller. Vying with the first contest for thrills, the third game between last year's champions and Sigma Phi Epsilon produced two good defenses. The D. U. defense, already credited with allowing only three field goals in two games, broke down a little in the first half.

The winners met a stone wall also, and both teams resorted to long shots for points. Smaha, who led his team in both previous games, was marked and covered most of the time. Campbell scored three baskets and Smaha two.

Sig Eps Lead at Half.

The score at the end of the first half was 8-6 in favor of the Sig Eps. The losers got an early lead in the game but could not keep it. Three points behind, Campbell and Westoupal of the D. U. five scored baskets. Oehrick followed, tilting the score again on the Sig Ep side. Smaha's goal before the half ended gave the losers a two-point advantage.

Campbell tied up the score with a counter shortly after the second period began. James of the Sig Eps scored one under the goal and Reese tied the score again when he dribbled from beyond center to a goal. Smaha and Campbell scored before McIntyre made a free throw. The score remained at 14-11 throughout the last four minutes of the games.

Acacia and Kappa Sig Battle. Acacia had a hard time defeating Kappa Sigma. The Kappa Sigs went down fighting only when the winners outstripped their opponents in the closing moments of the last half. Hoberg put the Kappa Sigs in the lead about the middle of the first period and a second later repeated with another score. Rathsack and Toft, Acacia, made the score 8-7, Acacia, and Peckinpugh's basket boosted the count to 9-3 in favor of the Kappa Sigs, where it remained at the end of the half.

The winners led all the way in the last period. Hoberg led in scoring, counting five field goals to his cre-

dit. The game was clean and few fouls were scored. The summaries: Delta Tau Delta—Phi Gamma Delta. Delta Tau Delta—fg ft f pts. Milenz, f 2 0 0 4. Holland, f 2 0 0 4. Johnson, c 0 0 0 0. Andrews, g 1 0 0 2. Lawson, g 0 0 1 0. Totals 5 0 1 10.

MAT COACHES HOLD MEETING

Valley Wrestling Mentors Will Hold Informal Conferences Each Year.

WILL DISCUSS RULES AND FORM SCHEDULES

An informal organization of wrestling coaches of Missouri Valley was formed at a meeting of coaches Thursday and Friday in Kansas City. According to present plans, the organization will meet at least once a year to formulate schedules and discuss rules and wrestling matters in the Valley.

Coaches were in session all day Friday at the Kansas City Athletic Club. Among important measures adopted was the approval of Western Intercollegiate Wrestling Association rules for Valley contests, with a few minor changes.

The rules which were adopted will be presented to the faculty advisors

Hinman Collaborates On Real Estate Book

Two chapters of a forthcoming book on "Real Estate Merchandising" by Prof. A. C. Hinman of the College of Business Administration are being used this semester in mimeographed form at the University of Wisconsin. The work, of which H. B. Dorau of the Institute of Land Economics, University of Wisconsin, is co-author, will be published next year by the A. W. Shaw Company.

of the various schools for their sanction. It was also voted that a copy of these rules be sent to the National Committee on Athletic Rules.

Make Clapp Chairman.

Dr. Clapp, wrestling coach at the University of Nebraska was elected chairman of the organization for the ensuing year. Mr. J. B. Patrick, wrestling coach at the University of Minnesota, was elected secretary.

The following is the schedule of the Nebraska wrestling team that has finally been determined; there are some games which are not definitely decided upon as yet:

February 7—University of Kansas at Lawrence.

February 14—Ames at Lincoln.

February 21—University of Iowa at Iowa City.

February 28—University of Minnesota at Lincoln.

March 7—Northwestern University at Lincoln.

March 13 and 14—Missouri Valley teams and individual championship matches at Lincoln.

March 20 and 21—The Western Intercollegiate Championship matches at the University of Minnesota at Minneapolis.

Wants Southern Trip.

Dr. Clapp has been trying to arrange a rather long southern trip through Oklahoma and Texas, and

though not definitely decided upon, it is almost sure to be made, according to his statement. This trip will be made January 19 to 24, and the team will compete with three of the strongest wrestling teams in the Southwest—Oklahoma A. and M. at Stillwater, where wrestling is a major sport and ranks next only to football; Texas University at Austin, with one of the strongest wrestling teams in the Southwest; Oklahoma, not quite as strong as the other two, will furnish real competition. The purpose of this trip is to give the team a good workout before their conference meets.

Hardest Schedule.

It is possible, according to Dr. Clapp, that another Eastern meet will be scheduled when the team meets the University of Iowa team at Iowa City. This is thought to be the largest and hardest wrestling schedule which the University of Nebraska wrestling team has ever had. The

HAVE some very nice steam heated rooms now and for next semester. Girls only. 511 No. 16th.

students here will be able to see

many interesting matches in Lincoln.

There will be three good dual meets, one of which is Iowa State College, which has gone undefeated in all dual meets for the past six years. Nebraska won over them in the Missouri Valley meet last spring, and Dr. Clapp states that Nebraska

ought to beat them in the dual meet here this year.

According to the opinion of the coaches at the Missouri Valley Conference, the meet to be held here March 13-14, should be well attended because of the wonderful matches last year, when they were held at Iowa State College at Ames.
