

## START GRIDIRON PRACTICE TODAY

Bearg, New Husker Football Coach, Issues Call For Spring Workouts.

### TRAINING TO CONTINUE UNTIL SPRING VACATION

"What I want now is every man out for spring practice," said Coach E. E. Bearg, who is lining the men up for the opening of practice, which comes immediately. He is teaching a new football system, new to the Nebraska players; and in order that they may be able to play the game next fall they must get some of the fundamental training now. That is the way the situation stands, according to Coach Bearg.

The new Husker coach expressed regret that more men had not responded to the call for practice Tuesday. There is a great task before him. His time for spring football practice is limited until spring vacation. After that the football practice will end until in the fall. Coach Bearg does not propose to take men who are in varsity competition in track or other sports. These men are needed there. But he does ask that every man who intends to try for the team next fall begin work immediately. This includes last season freshmen, and men who went through the season on any one of the varsity squads.

"Those men who are not veterans will have their chance now to learn football," stated the new football coach. If the men want to go for some other sport later in the season it will be possible. Practice will start today at 4 o'clock. Men may obtain equipment from the store rooms at the stadium at any time now, and the football team will occupy the north locker rooms under the east stands. Coaches Owen Frank, Bill Day, and Leo Scherer, who assisted Coach Dawson last fall, will assist the new Husker leader in the spring practice. Next fall, there will be only three weeks following the opening of school until the Huskers meet Illinois. Hard practice must naturally be on the schedule this spring in order that the new coach will have a working basis for his work when the season officially opens in September.

Those who intend to report for sophomore student managers next fall are requested by the new coach to report this spring. He hopes to have the junior and senior managers out on the field for practice today, to help take care of the equipment and footballs.

## RIFLE TEAM WINS IN TWO CONTESTS

Defeats Creighton and Pennsylvania Military Academy Last Week.

Creighton University and Pennsylvania Military Academy were defeated last week by the Nebraska rifle team according to reports received yesterday by the coach of the team. The Nebraska riflemen made 256 points more than Creighton, and 143 more than Pennsylvania Military Academy.

The advantage of 256 points over Creighton is only partially indicative of the Nebraska victory, as the Creighton team score of 3348 for the ten high scores in each position, instead of the ten high four-point scores, as reported by Nebraska. Pennsylvania Military Academy team score was 3461. Nebraska's score for the week was 3604.

W. L. Plotts was the first man to complete firing this week. His four-point score of 372 established a new record for the season. His sitting score of 99 is also high for this year. From targets shot Monday and Tuesday, the indications are that the Nebraska team total for the week will approach 3625, for a new season record.

**UNIVERSITY OF MISSOURI**—A Rhode Island white hen owned by the College of Agriculture, has established a new record for the state and breed by laying 271 eggs in a year. This record was established by a purebred hen which has a string of high producing ancestry. There is a rule on the campus, that no woman shall wear knickerbockers except in the physical education department.

## WILL TRY FOR PLACES TODAY

Clapp Will Choose Men for Vacancies on Wrestling Team.

### WILL STAGE DUAL MEET SATURDAY

Coach R. G. Clapp will conduct tryouts this afternoon to determine who will represent Nebraska in the lightweight divisions in the dual wrestling meet with Minnesota University Saturday evening at the Armory. The main tryouts will be in the 115 and 135-pound classes.

Blore and Hudson will grapple for a place in the 115-pound class. The competition in the 135-pound class will be between McCoskey, Zimmerman, and Luff. The other positions on the team will be filled by the same men that met Iowa last week.

The chances of a victory Saturday are brighter than in any previous match this season. The Minnesota wrestlers have suffered two defeats so far this season. Wisconsin defeated the Gophers by taking four out of seven decisions. Iowa University defeated Minnesota 25 to 4. It is on the basis of this second meet that Nebraska followers are basing hopes for victory, as the Iowa score against Nebraska was less than against Minnesota.

If Fowler is unable to wrestle Saturday, Coach Clapp will use Brainerd and Highley in the heavyweights. Brainerd will probably be switched to the heavyweight class, and Highley entered in the 175-pound class, in order to more equally meet the Min-

nesota grapplers in these two divisions. Skinner and Brannigan will be in the 145 and 158-pound classes.

Three consecutive defeats in dual meets have not disheartened Coach Clapp who is preparing now for the Missouri Valley, and Western Conference meets. Last year the Nebraska wrestlers, after an indifferent dual-meet season, carried off honors in the Western Conference meet at Chicago, and Coach Clapp is expecting the men to do something like that this year.

"I am coming to New York," wrote Felix—

"to see whether you're kidding me or not." "Come on, you old Catastrophe," we wrote, "it's a bet. Bring some fellow cats along—we'll show 'em a thing or two."

"You win—I mean we both win," meowed Felix, after we had showed him over the BERENGARIA. "I'd like my deck chair right over there in the sun. And say, d'ye think you can get me that big stateroom for two. I think Kid McKat is going to come with me. Here's my 25 catwheels you can put down right now for a deposit. I felixactly like leaving right away."
