

MANY ENTER MAT CONTEST

At Least Five Full Teams Will Come Here for Valley Wrestling Meet.

SLIM PROSPECTS FOR NEBRASKA SAYS COACH

At least five full teams and several part teams are expected to enter the Missouri Valley intercollegiate wrestling meet for the Valley team and individual championships, which will be held in Lincoln, March 13 and 14.

The meet, which was won by Nebraska last year, will be held on the Armory floor, sharing the space with the state high school basketball tournament. Preliminary matches will be Friday afternoon, semi-finals Friday evening, and finals Saturday afternoon. Extra matches, such as first round byes, will probably be held Saturday morning.

Entries for the meet were expected to be mailed by yesterday. That was the deadline set for replies to invitations. Kansas and Ames had already communicated with Dr. R. G. Clapp, wrestling coach, and both have signified their intention of entering full teams.

The Oklahoma Aggies and Missouri will also probably enter full squads and almost every other Valley team will enter some men, it is believed. Each team may enter two men in each event.

A new weight class has been added to this year's competition—the 108-pound division. It will be the first time that Nebraska has wrestled in that class. Blore may come down to that weight or Jones, a steady worker in tryouts, may be the representative.

Scoring will be carried on the following schedule:

- Final first place by fall, eight points; by decision, five points.
- Final second place, by fall, three points; by decision, two points.
- Final third place, by fall, two points; by decision, one point.

Gold, silver, and bronze medals will be awarded the winners of first, second, and third places in the finals of each class. A team trophy cup will be awarded the victorious team.

"Prospects for a victory for Nebraska are down," stated Dr. Clapp yesterday. "Nebraska won the trophy last year, but the injuries and ineffectiveness on the squad have cut it down until there is little hope for a victory."

The Huskers have met defeat at the hands of Kansas and Ames, both of whom will enter teams in the tournament.

Nebraska grapplers will meet Northwestern University wrestlers here Saturday night, Coach R. D. Clapp has announced. Injuries will keep Captain Dale Skinner and Mincer out of the 145-pound and 125-pound classes respectively. Skinner is suffering from a broken rib received in the Minnesota-Husker match last Saturday and Mincer has a bad leg.

Cecil Molzen will get into the heavyweight class. This will be the first match for the big football player. Blore will enter the 115-pound class. Hudson will enter the 125-pound match and Luff may enter the 135-pound instead of McKissey. Either Brannigan or Richardson will enter the 145-pound division and Lundy probably in the 158-pound. High will be the 175-pound man for Nebraska.

Bizad Girls Invited To Tea on Saturday

All members of the Girls' Commercial Club are invited to a tea at Ellen Smith Hall Saturday afternoon between three and five o'clock given by the College of Business Administration division of the Faculty Club and Professor Winifred Hyde of the department of psychology, sponsor of the club. The program will start at 3:30.

UNIVERSITY OF CALIFORNIA—A huge golden bear will take his stand on the crest overlooking the stadium if the plans of the junior class are carried out. It will be laid out in golden evonymous, a plant which maintains its color the year around.

SWIMMERS TO GO TO OMAHA FRIDAY

Husker Mermen Will Meet Iowa Team in Second Meet of Year.

University of Nebraska swimmers will meet the Iowa State College swimming team in the Omaha Athletic club tank Friday night. The Husker team which defeated the Kansas Aggies in the first meet of the season at Manhattan, is headed by Captain N. C. Plate of Omaha who holds the midwest A. A. U. record for the 100-yard breast stroke. Captain Plate was a member of last year's Husker team and in the meet at Omaha this year will be in the relay, breast stroke and plunge.

Other members of the relay will be Kirkbride, Laughlin and Hunton. R. Laughlin is a new member of the team. He was life guard at the Cheyenne swimming pool last summer. In addition to the relay, he will also enter the breast stroke and 50-yard free style. Kirkbride, who was a member of the 1924 team, will enter the 220-yard free style in addition to the relays.

F. Hunton was a member of the 1923 and 1924 team and will do the 50-yard and 100-yard free style in addition to the relays. Igen, who comes from the canal zone, will enter the dive and back stroke. Glen Buck is a new member of the team.

KANSAS ASSURED OF VALLEY TITLE

Jayhawks Get Title When Kansas Aggies Defeat Washington.

Nebraska cagers went into second place in the Missouri Valley conference when they defeated Grinnell, Tuesday night, 36 to 21, and Washington met defeat at the hands of the Kansas Aggies at St. Louis, 37 to 26. Nebraska and Washington have each lost three games but the Huskers have played one more game than the Pikers. The result of last night's contests gives Kansas the undisputed title to the Missouri Valley championship as the Jayhawks have lost but one game and will finish their schedule with Washington at Lawrence, March 9. If Kansas should lose this game they would still be ahead.

Rudge & Guenzel's have on display a very unusual and distinctive line of Bath Crystals that they just received called

St. Dennis Parfume Bath Crystals

The odors—Almond, Violet, Narcissus, Jasmine, Rose, Boquet, Russian Pin Needle, Eau de Cologne and Oriental—are exquisite and the colors of these Crystals are beautiful.

The bottle containers are uniquely shaped and the stoppers are decidedly different. Some have adorable silk tufted tops and others have pretty silk cord bows.

The sizes vary as well as the colors. The small guest size is 35c, or, you can select a box of three assorted odors for \$1. This set would make a delightful gift. The other sizes are priced \$1.75, \$2, \$3, \$2.50 and \$6.

The "Oriental," you will agree when you see it, is correctly named. A large bottle attractively filled with various colored crystals and topped with a pretty silk Rosette stopper and bow. Priced \$6.

St. Dennis Bath Crystals embody the highest grade of concentrated flower odors which develop a rich fragrance in the basin and bath.

These Crystals soften the water and make the skin like velvet. They are soothing to tired nerves—refreshing to the body—absolutely pure, antiseptic and deodorant.

They dissolve instantly and will not stain the tub. A teaspoonful for the basin, two or three for the tub.

Any one of the various bottles included in this showing of St. Dennis Bath Crystals would make a gift appreciated by the most particular. You'll like St. Dennis Bath Crystals.
