

WILL STAGE COLOR MEET

Three Teams Will Battle To Try to Lower the Varsity Records.

PROGRAM OF EVENTS TO COVER TWO HOURS

The third tri-color track meet of the year will be pulled off on the stadium cinders this afternoon as a last workout before spring vacation.

Track men bearing red, white, and blue colors will line up against each other in an effort to lower the color records and win out for their respective teams.

The program of events covers less than two hours and will be interesting for any spectators. The last color meet, held March 19, resulted in a victory for the whites, who bested their opponents by twelve points.

Three new Varsity records were established during the meet, being hung up in the mile and a half, the 660-yard run, and the three-quarter mile.

Snappy competition for places is expected this afternoon. The list of events:

- 3:15—mile run, pole vault, high jump.
- 3:30—100-yard dash.
- 3:45—shot put, broad jump, 120-yard high hurdles.
- 4:00—880-yard run.
- 4:15—220-yard low hurdles.
- 4:30—440-yard dash.
- 4:45—220-yard dash.
- 5:00—2-mile run.

Maynee Rankin Will Leave Hospital Soon

Miss Maynee Rankin, secretary of Dr. Huntington, who has been seriously ill at the Lincoln Hospital, for the past three weeks, is reported much improved. Her physician states that she will be out of the hospital within a week.

Miss Rankin has been Dr. Huntington's secretary for almost two years, and is well known among Methodist students.

This business of being a daddy or a mother, which has been taken as a matter of course for so long, is at last to receive due attention at the University of Iowa this summer when classes in parent training will be offered for three weeks beginning June 15.

The triangle meet this spring at Lincoln between Kansas University, Kansas Aggies, and Nebraska will bring together a big share of the track and field talent of the Valley conference. There will be such conference stars as Poor and Graham in the high jump event; Balzer, two miler of Kansas Aggies; Kimpfort, mile runner of Kansas Aggies; Pratt, miler on the Kansas University team; without mentioning Nebraska's own stars, Ed Weir in the hurdles, and Locke in the dashes.

The two Kansas high jumpers, Poor and Captain Graham are both jumping in top form this year. They tied for first place at the Illinois relays, clearing the bar at six feet, three inches. Then they tied again at the Valley indoor meet, where they jumped six feet, three and a half inches, which is close to the world's record in this event.

The track team leaves this evening for Stanford University. Saturday afternoon Middle-West will meet Pacific Coast in a track meet which both sections will be watching with intense interest. The Missouri Valley will be expecting Nebraska to show some good stuff to the Coast, and the Coast is watching to see what Nebraska will do.

Nebraska is as well-fitted to meet a Coast team in an inter-sectional contest as any Valley aggregation. The Huskers have one victory to their credit, the Missouri Valley indoor meet, and are indeed rightful claimants to the title of Missouri Valley representative.

Kansas was Nebraska's chief and only dangerous competitor at the indoor meet. The Jayhawks had the meet in their hands several times. Nebraska will see those same Jayhawks at least three times more this year. Kansas will be the host in a few weeks at the annual Kansas Relays. Again, the Jayhawks will journey to Lincoln for the triangular meet between Nebraska, Kansas Aggies, and Kansas, and the Huskers will meet them again at the Missouri

Valley outdoor meet at Norman, Oklahoma.

Fans are wondering if "Doc" MacLean, trainer for the Huskers, will become "chief sawbones" for the Pacific coast during his short stay there with the team. "Doc" well deserves the title of Missouri Valley trainer, for he is known all over the Valley by his work at meets. At the K. C. A. C. meet and at the Missouri Valley indoor he was called upon to minister to many athletes of various schools.

ALPHA KAPPA PSI'S WILL HOLD SMOKER

Every Man in the Bizad College Is Invited to Entertainment

Alpha Kappa Psi, men's honorary commercial fraternity, will hold a smoker for men of the College of Business Administration Wednesday evening at 7:30 at the Phi Kappa Psi house.

According to members of Alpha Kappa Psi, the purpose of the smoker is to get Bizad men together for an evening of entertainment. Duane Anderson, chairman, has arranged for special music and promises a short snappy program. A number of faculty members and readers will attend with the hope of meeting Bizad men on a more friendly and informal basis.

Willard Usher, president, says that every man in the college is invited, especially those who are interested in the work of Alpha Kappa Psi.

In an investigation made at the University of California, it was estimated that during the 175 years that American colleges have had fraternities, three quarter of a million men have worn fraternity pins. Of these, 648 have been college presidents, 200 have been made governors of states, 230 have been United States senators, 24 have been made secretaries of state, 160 United States judges, 42 major generals, and many have been authors and held other distinguished positions.

FOOTBALL MEN PRACTICE HARD

Bearg Teaches Candidates New Shift Plays Which Gain Much Ground.

EMPHASIZE PASSING FOR BACKFIELD MEN

The Husker football candidates spent a busy afternoon yesterday learning the shift-around which their offensive plays will be centered next fall. The ends and backfield men were busy passing the ball during the early part of the period; while the linemen drilled on the finer points of line-play.

With the end of the spring practice close at hand, Coach Bearg is working hard to teach the men his new system so that little time will be lost when the season rolls around. The offensive team illustrated the possibilities of the new shift by making long gains through the defensive side, which seemed puzzled by the new method of attack. Presnell and Oelrich, halfbacks; Veris, fullback; and Stephens, quarter, alternated in carrying the ball. The line was composed of James, center; Fisher and Casey, guards; Grow and Stiner, tackles; and Joe Weir and Decker, ends.

Coach Bearg had plenty of material to work with, for one the largest squads of the season reported for practice. Ed Weir appeared in suit on the field for a short time, but was soon called back to the track.

A Grecian festival is being planned by the University of Southern California for May 1. The carnival, sponsored by the university, will consist of several events following throughout the afternoon and evening. There will be Grecian games, chariot races, etc., followed by Greek dances, plays and other folk lore. This will be followed by a colorful Greek ball.

According to figures recently compiled, Amherst has a larger percentage of its graduates in "Who's Who in America," than any other college. There are 869 Amherst men out of the 10,000 listed.

Freshman women at the University of Hawaii are not permitted to speak to men on the campus during school hours. This rule does not apply to professors.

Pool Will Not Make European Excursion

Prof. R. J. Pool, chairman of the department of botany, has declined the invitation to join the international geographical excursion through Scandinavia next summer. Professor Pool was one of thirty botanists from various nations who were invited to join the excursion which will start from southern Sweden in July and continue through Norway and Sweden. This is to be the fourth such expedition.

WRESTLING MEET STARTS WEDNESDAY

Classes Will Be Same as in Interfraternity Mat Tournament.

A numeral wrestling meet will be held Wednesday and Thursday at the Armory. The preliminaries will be held from 4:00 to 6:00 o'clock Wednesday. The semi-finals will be held then also if time permits. All students may compete with the exception of those who have wrestled in varsity meets. The Athletic Board, however, reserves the right to award numerals only to those who have passed twelve hours of work the last semester and who are now carrying twelve hours in good standing.

Entries must be in Dr. Clapp's office by 6 o'clock tonight. Contestants may weigh in from 11:00 to 4:00 o'clock Wednesday. The classes will be the same as in the interfraternity meet—108, 115, 125, 135, 145, 158, 175, and heavyweight. A two-pound weight allowance will be made.

SAN FRANCISCO ALUMNI WILL ENTERTAIN TEAM

(Continued from Page One.)

Gleason, a letter man, will enter the pole vault event. Gleason won his letter last year by his beautiful sky work, and should worry the Cardinals.

Krimelmeyer will sling the shot and the discus. "Big Ox" took a fourth place on the boards at Kansas City, putting the shot a little better than forty-six feet.

Frank Popisil, football man, will be his mate in the hurling events. He will also enter the shot and discus competition.

Popelar will throw the javelin and enter the high and broad

jump. Popelar showed up early in the season as a javelin-thrower and has improved his distance steadily. Almy will also enter the javelin contest.

The complete list of men is as follows: Coach Henry F. Schulte, Herbert D. Gish, acting director of athletics.

"Doc" MacLean, physician and trainer par excellence. Howard Buffet, student manager. Locke, Dailey, Hein, Crites, Scherick, Lewis, Houderscheidt, Ross, Co-

hen, Zimmerman, Lawson, Weir, Rhodes, Krimelmeyer, Popisil, Almy, Wirsig, Reese, Popelar, Beckord, Gleason, Hays.
