MUST ORDER INVITATIONS

Orders for graduation invitations and announcements will not be taken after Saturday. The engraving company has given the senior invitation committee until Saturday night to get in the orders at the College Book Store. Longer delay cannot be permitted because of the scarcity of time in which to print and engrave them.

Sample copies are on display at the College Book Store. The invitations have leather or cardboard covers. A reproduction of the south entrance of the Social Science building set off in gold leaf and the University seal placed directly underneath the design are on each cover. The seal is pressed in white effect on the cover of each announcement, which is of the folder design. Both the invitations and announcements come with two envelopes.

The modernized servants of thought

Eversharp and Wahl Pen are modern, perfected instruments for recording thought.

Six new features—we mention specially the non-clogging rifled tip, quick reloading and interchangeability of parts—make Eversharp more convenient and dependable than ever before.

Wahl Pen through the improved all-metal construction has increased ink capacity, strength to resist wear and abuse, and the beauty good taste demands in personal articles.

Eversharp is priced \$1 to \$45—Wahl Pen \$5 to \$55.
