

SUMMER SCHOOL PLANS ARE MADE

Several Professors from Other Universities Will Be Included on Faculty According to Extension Division.

WILL HOLD TWO TERMS

First Session Will Be from June 8 to July 15—Second Starts July 16 and Ends August 21.

Several professors from other universities will be included on the faculty of the University for summer school according to an announcement made by the Extension Division. Three hundred fifty-nine courses are being offered during the two sessions. The first term will be from June 8 to July 15; the second from July 16 to August 21.

In education Dr. George D. Strayer, professor of education, and Dr. N. L. Englehardt, professor of education, both of Teachers College, Columbia University, will give work in the first summer session. Doctor Englehardt will direct the work of two courses for the first two weeks of the first summer session and Doctor Strayer superintendents, principals, teachers in departments of education and others an opportunity to come in contact with two of the foremost leaders in the field of school administration.

Dr. R. C. McGrane, professor of history, University of Cincinnati, and Dr. W. F. Galpin, professor of history, University of Oklahoma, will give courses in the first summer session. In the second summer session Dr. John D. Barnhart, a graduate student in Harvard University, Prof. S. Morley Scott, University of Michigan, and Prof. W. N. Brigrance, professor of history, Wabash College, will be members of the faculty.

In many of the departments, the head is teaching the summer session and students will thus have a faculty instructor which is as good as that which instructs those attending the two winter sessions.

In the first term, courses under the following sub-heads are being offered: educational psychology and measurements, elementary and rural education, special methods, drawing and painting, art history, elocution, dramatic art, public speaking, dramatic literature, music, applied music, geology and geography, history, rural economics, ancient languages, botany, chemistry, commercial arts, English, history and principles of education, kindergarten-primary, school administration and supervision, secondary education, special methods—high school subjects, vocational education, home economics, kindergarten-primary education, ancient languages, economics, practical arts and zoology.

In the second term, courses will be offered in the following departments: educational psychology and measurements, mathematics, home nursing, modern languages, philosophy, rural economics, secondary education, school administration and supervision, history and principles of education, special methods—high school, library methods, elementary and rural education, special methods, physical education, athletic coaching, physics, physiology, political science and sociology, history, and zoology.

CAPTAIN BIGELOW TO INSTRUCT HERE

Former Nebraskan Assigned As Professor of Freshman Military Classes.

Captain Maurice C. Bigelow has been detailed as one of the instructors in the military department at the University of Nebraska. The appointment will take effect July 1.

Captain Bigelow was born in Nebraska and took his A. B. degree at the University of Denver in 1912. The past year he was connected with Iowa Agricultural and Mechanical College as assistant professor of Military Science and Tactics. He will be detailed to the University of Nebraska for three years and assigned as instructor of freshmen military classes.

A school for cheerleaders at the University of Vermont has already enrolled twenty students.

KEEP OFF THE GRASS
Help make the campus of the University more attractive. Keep on the walks and off the grass—each student should aid the University authorities in keeping the campus beautiful.

Nebraska Delegates Return From W. S.-G. A. Convention

Ruth Wells, '26, Lake View, Ia., and Barbara Wiggernhorn, '25, Ashland, returned Sunday from the W. S.-G. A. convention held at the University of Oregon, Eugene, April 15 to 18. Miss Wiggernhorn is acting president of the local organization and Miss Wells is president-elect for next year.

About seventy-five delegates attended the convention representing all the large colleges and universities in the West and mid-West. The Eastern colleges were not represented because it is felt that their problems are different from those of the Western schools and also because of the distance.

The Nebraska delegates gained many new ideas for next year's work. They were especially interested in the Illinois point system which is a plan that organizes every independent, or non-sorority girl, into a group in an organized house so that she has contact with the University and more social life. Each organized group has representatives on the governing council. Such a plan will be worked out by the Nebraska W. S.-G. A. for next year.

Miss Harriett Towne To Speak at Vespers

Miss Harriett Towne, director of vocational education in the Lincoln city schools, will be the speaker at Vespers this evening in Ellen Smith Hall. Miss Towne will speak on the general subject of vocations for women. Ruth Carpenter will lead the services and Helen Oberlies will play a violin solo.

College of Engineering Students Making Preparations for Annual Fete Week.

MANY NOVEL EXHIBITS PLANNED FOR PUBLIC

Advertising for the annual Engineer's Week, May 4 to 9 was started in earnest yesterday. The poster committee, with Carl Madsen, '26, Lincoln, as chairman, has prepared signs which will be placed on all bulletin boards about the campus. Stickers announcing the "open house" to be held in all College of Engineering buildings on the city campus were pasted on cars on the campus Monday.

The ticket sale for the various events will also be conducted this week at a booth in the Mechanics Arts building, under the direction of W. K. Hackmann, '28, Malvern, Ia. Tickets for the banquet at the Lincoln hotel Saturday evening will cost \$1.25 and tickets for the dance at the Rosewilde on the same evening, \$1.00. Tickets for the Field Day exercises Tuesday at Antelope Park cost thirty cents.

Will Use Stadium For Many Round-up Week Festivities

The University of Nebraska Memorial Stadium will be the scene of most of the events of Alumni Round-up Week, May 28-June 1. In it will be held the R. O. T. C. Compet Day, the general alumni luncheon at least two baseball games, the Memorial Day services, the tennis tournament, and the Women's Athletic Association dance drama. The stadium will also be headquarters for the general registration and for the class registration booths.

Round-up Week events will be free to alumni. Tickets are being distributed through the mail to active members of the Alumni Association.

Y. W. SPONSORS STUDENT TOUR

Plan Trip by Twenty Representatives to Study Conditions in Europe.

The National Y. W. C. A. is sponsoring a "Pilgrimage of Friendship" trip to Europe, made up of a group of twenty representative university students from various universities over the United States. The University of Nebraska has been asked to send a representative to this group, which will leave New York City July 1 for an extended trip through Europe to last until the twenty-first of August.

The main purpose of this Pilgrimage of Friendship trip is to study conditions among the student groups of Europe. The countries which will be visited are England, where the group will attend a student conference, a special feature of the trip, the Netherlands, France, Germany, Czechoslovakia, and Switzerland. The total cost of the trip will not exceed six hundred and fifty dollars. The conductor for the trip will be furnished by the Y. W. C. A. national office. Anyone who is interested in taking the trip should see Miss Irma Appleby at once.

TO PRESENT PLAY AT FAIR

University Players Will Give "The Devil's Disciple."

The University Players will present "The Devil's Disciple" at the Farmers' Fair, Saturday, May 2. This is one of the main attractions at the Fair and will be given in the afternoon and evening with no admission charge for either performance. The play will be given in a large open air amphitheater between the Experiment Station and the Plant Industry building.

The University Players are one of the new features that have been added to the program for the Fair this year as the management plans to add several attractions to the Fair each year.

RIBBONS FOR ANNUAL AFFAIR NOW ON SALE

The baseball game scheduled for the annual Bizad Day celebration May 1 will be between the Bizads and the Ags instead of the Laws as had been previously planned, it was announced yesterday. Both teams are working out daily and a close game is promised. Lineups of the squads will be published in a few days.

PLAY FIRST OF SECOND ROUND

Sigma Alpha Epsilon Defeats Beta Theta Pi 17 to 1 in Game Yesterday.

REMAINING GAMES TO BE PLAYED THIS WEEK

The interfraternity baseball tournament swung into the second round yesterday when Sigma Alpha Epsilon defeated Beta Theta Pi. The remaining games will be played during the week, Saturday being the last day when second round games may be played.

Sigma Alpha Epsilon took the long end of a 17 to 1 score from the Beta's in a loosely-played game. Cone, who pitched for the Beta's, was hit freely, allowing five runs in the second inning and five in the third. Rufe Dewitz slammed out a home run in the second and a two-bagger in the fifth. Schram, the Sig Alpha pitcher, was in good form and limited the Beta's to six scattered hits. He had good support so that the Beta's did not threaten until the seventh when they scored their lone tally.

Pi Kappa Phi defeated the A. T. O. nine to 4 in a first round game Monday. It was the last first round game played. The contest was a free hitting exhibition, three home runs being chalked up. Newman found Lucke, the Pi Kappa mound man, for a circuit smash in the fifth inning. Adams and Kendall each drove out a home run for the Pi Kaps in the next inning. Adam's smash brought in one man on base. Lee allowed four runs in the sixth which cinched the game for the Pi Kapps.

The mechanical engineers will open the steam laboratory to public inspection. Flowers and pictures will be frozen in ice by means of a refrigerating apparatus. Experiments with liquid air will display a kettle of liquid air in a cake of ice. A rubber ball, when frozen, will crack like an egg when thrown on the floor. Flowers dipped in liquid air will crumble and dry at once.

Carl Gerber, '26, Omaha, is general chairman of the Engineers' Week committee.

Committee chairmen are: Pep meeting, Walter Lamml, '26, Stanton. Field Day, Frank Phillips, '26, Chadron. Parade, Arthur Bryant, '26, Elm Creek. Open house, T. F. Armstrong, '26, Omaha. A CAPPELLA CHOIR TO SING

Pi Lambda Kappa Sponsors Last Appearance of Season

The A Cappella choir, directed by Dean John Rosborough of the University School of Music, will make its last appearance for the season this evening at the First Baptist Church. The choir will be assisted by Louise Shuddick Zubriske, Omaha organist.

Mounted Quadrille Will Be One Of Features of Wild West Show

Mark Hirsig, '26, Cheyenne, Wyoming, is working with one of his riding classes on an original mounted quadrille which will be given in connection with the Wild West show at the seventh annual Farmers' Fair, May 2. The sixteen riders taking part in the quadrille will be dressed uniformly and will ride horses of uniform color. This will be the first event of this kind that has ever been staged in the vicinity of Lincoln and should prove to be quite a drawing card.

A number of Mr. Hirsig's horses will be used in the big Farmers' Fair parade which will pass down O Street at noon, Saturday. There will be more than thirty saddle-horses and riders in the parade including several cowboys with high boots and wide brimmed hats, and a number of equestrians who are Mr. Hirsig's students.

Regimental Parade Held This Evening

A regimental parade and review will be held this evening by the University R. O. T. C. on the drill field. Major Erickson, professor of military science and tactics and commandant of the unit, will inspect the unit. First call will be at 4:50 and assembly will be blown at 5 o'clock.
