

HIGH SCHOOL ATHLETES READY FOR MEET

STAGE SET FOR HIGH SCHOOLS

Attendance and Performance Records May Fall at Twenty-third Annual Track and Field Meet.

STADIUM OVAL IS READY

Entry List Reaches Seventy-three When Randolph High School Enters With Ten-Man Team.

Seventy-three high school track teams, bringing more than seven hundred and fifty future Cornhuskers, will pour into Lincoln Thursday and Friday for the greatest of all Nebraska state track meets to be held in Memorial Stadium Saturday morning and afternoon.

The twenty-third annual track fest may see records for attendance and performance surpassed. With a fair track, records are expected to fall in both track and field events before the onslaught of the numbers of ambitious high school tracksters.

The entry list reached seventy-three teams Wednesday when Randolph high school made the latest entry, with a team of ten men. The Randolph school, which won the Hartington invitational meet, will compete in group I.

Forecasts of showers for Thursday and Friday may dampen the ardor of high school athletes and slow down the track, but unless it rains Friday night and Saturday the Stadium track should be in good condition.

A bunch of sprinters and distance men who have made creditable performances in sectional and dual meets will be on the track Saturday afternoon to lower the state marks. In the sprints at least six men look to be likely contenders, and the coveted ten-second-flat mark may be clicked off on the timers' watches in the 100-yard dash. The present record is 10.2 seconds, held jointly by five track men of former years.

The record of 22.4 seconds for the 220-yard dash has already been bettered in outside meets by four men, among these being Hahn of Grand Island, who won the pentathlon, with a time of 21.8 seconds.

Another mark which has been bettered consistently this season is the high hurdle record of 16.2 seconds, held by Ed Weir.

A special event of the afternoon's track work will be a tetrathlon between Bill VanCleve of Tekamah and Rex Watkins of Hastings, both of whom are ineligible for competition in the meet. The pair have finished high school athletics but are still taking their courses in prep school.

VanCleve and Watkins will compete in the high hurdles, broad jump, and high jump for a special award.

The large entry list makes it necessary for the preliminaries to be held at 10 o'clock in the morning, while the finals will be run off beginning at 2 o'clock.

ADVERTISING CLUB IS RECOGNIZED

University Authorities Approve New Organization of Bizad Students.

The Advertising Club of the University of Nebraska which was recently organized by a group of students interested in advertising has been officially recognized by the Committee on Student Organizations.

Continue Work in Spring Basketball

Continued instruction in passing the sphere was the feature of last night's workout in Coach E. E. Bearg's spring basketball practice. Twenty men reported.

OKLAHOMA COMES HERE NEXT WEEK

Husker Baseball Team Takes Things Easy After Series With Ames Aggies.

The Husker baseball squad did not practice yesterday afternoon, taking advantage of a short rest after the close struggle with Ames the first part of the week. They will continue practice this afternoon.

The squad will rest over the week end until May 15th and 16th, when Oklahoma will journey to Lincoln.

The Huskers emerged from the fray with Ames with a valley standing of .625, having won five out of eight games. They have evoked the count with Missouri, Washington, and Ames, winning and losing one game to each; and taking both games against the Kansas Aggies.

TELEGRAPHIC MEET NEXT ON PROGRAM

Annual Freshman Competition Among Valley Schools Is Next Wednesday.

The fifth annual Missouri Valley Freshman telegraphic meet will be held at the various Valley institutions next Wednesday May 13.

The Husker freshmen enter the meet as strong contenders for the cup which will be awarded to the winners. Similar to the condition of the Varsity squad, they are strong in track and rather weak in the field events. The results in today's telegraphic dual meet with Drake will give a good indication of Nebraska's chance in the meet next week. The meet today will also determine the men who will take part in the Valley meet.

Nebraska won the opening meet in '21 and in '23; while Kansas won in '22 and Grinnell in '4.

Offer Prize for Original Songs At Breakfast

The singing of original Nebraska songs will be one of the features of the May morning breakfast which will be held May 9. The W. S. G. A. board is offering a prize for the best original University song which is submitted. The board wants more songs to be entered for the occasion. They may be composed by any group or individual.

There will be four tables and food enough for one thousand students. Xi Delta, Silver Serpent, and Tassels will serve and act as hostesses. An excellent menu has been planned. Entertainment has been planned for every minute and Harriet Cruise and Ruth Haberly will sing several numbers. Frances McChesney is general chairman of the breakfast committees.

Mothers of University students are invited and will be guests of the W. S. G. A. A special invitation has been extended to all men to attend. Fraternities, sororities, and dormitories have been asked to close their tables and many have already signified their intention of doing so.

The inter-sorority sing will be another attraction of the breakfast. A silver loving cup, which is offered as a trophy, will remain in the permanent possession of the sorority which wins it three times in succession. Gamma Phi Beta won the cup last year.

Equipment has arrived at the University of Oregon, for the women's fencing classes. Classes began last Monday after a delay of about three months, during which time the order was sent to France to be filled.

Have you sent your Mother those flowers for Mothers' Day? You should order them from Chapin Bros. Florist today.—Adv.

SIG ALPHAS IN SEMI-FINALS

S. A. E. Wins Third Round Game in Baseball Tournament Over Delta Sigs.

SIG EPS TAKE MEASURE OF KAPPA SIGS, 17-5

How the Tournament Stands in the Third Round:
Sigma Alpha Epsilon, 8; Delta Sigma Delta, 1.
Pi Kappa Alpha vs. Pi Kappa Phi.
Sigma Nu vs. Phi Delta Theta.
Alpha Theta Chi vs. Sigma Phi Epsilon.

Sigma Alpha Epsilon is the first team to enter the semi-finals of the annual interfraternity baseball tournament, after a victory yesterday over Delta Sigma Delta, 8 to 1.

The Sig Alphas won their way to the semi-finals bracket by outclassing their opponents in every department of the diamond sport. Schram pitched an almost air-tight game for the winners, letting them down with a single run, scored in the second inning, while his mates were piling up a total of eight tallies.

Sigma Alpha Epsilon led all the way, jumping into the lead in the first inning with a brace of counters. One more came in the third inning and three in the fourth to complete the scoring for the game. Brauer started on the mound for Delta Sigma Delta and was replaced by Beckman.

The second round of the tourney was closed yesterday with the playing of the Kappa Sig-Sig Ep game. Last year's winners, Sigma Phi Epsilon, trampled on the Kappa Sigma team and beat out a victory to the tune of 17 to 5.

Stribling was hit hard by the winning team, being nicked for eleven runs in the third inning, while Hoffman and E. Raun for the Sig Eps held the Kappa Sig tallies down to five. The Kappa Sigs counted in the fourth and fifth innings only.

Three games are left in the third round. Pi Kappa Alpha meets Pi Kappa Phi Monday afternoon at the State Hospital grounds, according to the schedule, and Sigma Nu and Phi Delta Theta mix today. The Alpha Theta Chi-Sigma Phi Epsilon contest will probably not be played until next week, in order to give the Sig Eps a rest.

The last contest in the third bracket should be a thriller. Kerr has been attracting attention among the Greeks by his pitching. He shut out his opponents in the first and in the second round, fanning twelve men on each occasion. The Sig Eps are rated high due to their victory over the Kappa Sigs.

The scores of yesterday's games:
S. A. E. 212 300 0-8
Delta Sigma Delta 010 000 0-1
Batteries—Sigma Alpha Epsilon: Schram and Gray. Delta Sigma Delta: Brauer, Beckman, and Baker.
Sigma Phi Epsilon 2111 010 2-17
Kappa Sigma 00 0 230 0-5
Batteries—Sigma Phi Epsilon: Hoffman, E. Raun, and A. Raun.
Kappa Sigma: Stribling and Hughes.

STUDENT COUNCIL ELECTS OFFICERS

Leo Black to Be President; Retiring President Addresses New Members.

Leo Black, '26, Grand Island, was elected president of the new Student Council at a meeting held yesterday. He was one of the four members elected to be carried through from the last year's council. He is a member of Kappa Sigma and played on the Varsity basket-ball team this year.

The other members who were elected to office were: Millicent Ginn, '26, Nebraska City, vice-president; Helen Simpson, '27, Casper, Wyo., secretary.

The meeting was called to order by the retiring president, Emmet V. Maun, who told the members of the council their duties as representatives of the student body. He said that the purpose of the organization was to relate all activities outside of the curricula to one another, and to the University as a whole; to act as a court of investigation and make recommendations in such cases of minor discipline as might be referred to it by the executive dean and the dean of women. The council is also in charge of all class elections.

The retiring president of the council especially stressed the work that the new council might do on the single-tax plan, whereby University students would no longer be bothered by divers solicitors. The question of student honoraries was also suggested as a possible subject for next year's work.

TOWNSEND—Portraits. "Preserve the present for the future."—Adv.

TENNIS TOURNAMENT PLANNED BY AGS

Thirty Students and Twenty-four Faculty Members Sign Up for Net Tournament.

More than thirty students and twenty-four members of the faculty at the College of Agriculture have entered a tennis tournament which will begin today. The first round games will all be held this week and the second round will be played off during the first part of next week. The tournament is sponsored by the Ag College faculty athletic association and is the second tournament of this kind that has been held this year.

The championship of each class will be played off first and the winners of the classes will play for the championship. The games in the doubles tournament will probably begin next week. Much more interest is being shown in this tournament than in one which was held last fall, according to D. B. Whelan, who has charge of the tournament.

The faculty athletic association plans to have a more extended athletic program for students in the College of Agriculture next year. Several physical education courses will probably be offered and the college will have football, basketball, baseball, and track teams under the supervision of competent coaches. Because of the distance between the Ag campus and the city campus, it is almost impossible for the freshmen and the sophomores in the college to go out for athletic teams at the city campus. The athletic program, as planned, will enable Ag students to participate in athletics and to get credit for their physical education work.

Announce New Schedule For Examinations

A complete schedule of University events for the end of this semester was issued yesterday by Florence L. McGahay, registrar.

The last classes will meet on Wednesday, May 27. Nebraska's annual "Roundup Week" will be the next three days, May 28, 29, and 30. This includes the Ivy Day program on Thursday the 28, the annual military "compet" on the 29, and the special Alumni Day on May 30. All three days of "Roundup" week have been set aside for the returning Nebraska alumni. Sunday, May 31, has been designated as Baccalaureate Day.

Final examinations for the second semester will be from June 1 to 5. The examination schedule, which has been changed considerably, sets the examinations for 11 and 1 o'clock classes for Monday, June 1. 10 and 2 o'clock classes will meet on Tuesday, 9 and 3 o'clock classes on Wednesday, 8 and 4 o'clock classes on Thursday, and 5 and 7 o'clock classes on Friday, June 5. Examination schedules will be ready for distribution by May 25. There has been some misunderstanding about the dates set for the annual events at the close of the 1925 spring session so a complete list will be published in a short time.

RUSSIAN TALKS TO HISTORY CLASSES

"The Russian Revolution and Soviet Russia" Discussed by Anatole Mozer.

Anatole Abraham Mozer, a graduate of a Russian "gymnasium" and at present a student at the University gave lectures yesterday before Dr. Laura B. Pfeiffer's European history classes on "The Russian Revolution and Soviet Russia." Mr. Mozer spoke from first hand information about the revolution for

he spent three years in the service of the "Red" army and lived in Russia until two years ago, when he made his escape to Italy on a League of Nation's ship.

The Russian revolution, according to Mr. Mozer, was a deep reformation of economic and political conditions and while it was against the old Russian government it was also a protest against world crime. Russia had been exploited by Europe for many centuries but the World War gave the revolution an opportunity to develop and as a result, Mr. Mozer predicted, the old government would never return.

The speaker pointed out that Russia is in reality an Oriental country and so the people have different standards than the peoples of the western world have. He drew a dollar sign on the board and said that to him it represented the American people. Russia, he declared, is an intellectual nation and at present there is a movement in that country to get away from the materialism of the West and adopt the attitude of the Orient.

Mail these flowers today or tomorrow sure if you want your Mother to have them from Chapin Bros. Florists for Mothers' Day.—Adv.

It's More Convenient

For many responsible men to purchase and pay as their incomes permit. Our new

Ten-Pay-Plan

Of selling Society Brand, Style Plus or Schloss Bros. Clothes is a service originated by this store for the convenience of these men.

BETTER CLOTHES

Can be worn by many because of this modern idea. By men who might not be in the financial position to pay \$25 to \$65 at one time.

Society Brand Clothes

And all other fine clothes are sold by us on the Ten-Pay-Plan, at our regular cash prices. The new fabrics and models, for Men and Young Men.

Here's How It Figures:

- \$25.00 SUITS
You pay \$5.00 when purchased and \$2.00 weekly.
- \$30.00 SUITS
You pay \$6.00 when purchased and \$2.50 weekly.
- \$35.00 SUITS
You pay \$7.00 when purchased and \$2.75 weekly.
- \$40.00 SUITS
You pay \$10.00 when purchased and \$3.00 weekly.
- \$45.00 SUITS
You pay \$10.00 when purchased and \$3.50 weekly.
- \$50.00 SUITS
You pay \$10.00 when purchased and \$4.00 weekly.
- \$55.00 SUITS
You pay \$15.00 when purchased and \$4.00 weekly.
- \$60.00 SUITS
You pay \$15.00 when purchased and \$4.50 weekly.
