**Women Slow In Completing First Round In Tourney**

Those taking part in the Woman's Athletic Association tennis tournament have been slow in playing their first round, which should be completed today with the weather permitting. The second round should be played by Friday, May 15. Up until Tuesday noon, less than half of the first round had been played. The score stands:

Vivian Quinn vs. Irene McDonald; Irene McDonald 6-0, 6-2.  
Irma Otten vs. Gladys Soukup; Irma Otten, 6-3 7-5.  
Luella Reckmeyer vs. Margaret Tool; Margaret Tool, 6-1 6-1.  
Kathro Kidwell vs. Blossom Benz; Kathro Kidwell, 6-0, 6-1.  
Mildred Schobert vs. Annis Frederickson; Annis Frederickson, 6-1, 6-2.  
Betty Roberts vs. Victoria Kuncel; Betty Roberts, 6-1, 6-2.

**TO INSTRUCT IN COACHING**

Schulte and Bearg Go To Kearney Normal for Week

Coach Bearg and Coach Schulte will give a coaching course at the Kearney State Normal during the first week of the summer session, June 1 to 8. Coach Bearg will have charge of the football and basketball talks and Coach Schulte will give some of the same coaching advise that has turned out four consecutive Missouri Valley championship track teams at the University of Nebraska.

Coach Bearg will return to Lincoln for the summer session of the University which begins June 8. Coach Schulte has not yet formed definite plans for this summer.

Students in carpentry at the Oregon Agricultural College build model houses as a part of their regular work. When completed these miniature houses embody all the features of a full-size dwelling and are sold as playhouses for children.

A "chemical show" of useful extracts from waste products is prepared at the end of the summer session by chemical engineering students at the University of Wisconsin.

The University of Oklahoma plans to broadcast from their radio station nightly from now on.

**Fraternity Swimming Meet Is Called Off**

The proposed interfraternity swimming meet will not be held this year according to Dr. Clapp who was in charge of the plans. Considerable interest was aroused over the plan and fourteen fraternities expressed a desire to participate if the meet could be arranged. Conflicting activities, however, interfered with the scheduling of the event so late in the season. Dr. Clapp said that the meet would probably be scheduled next year during the indoor season.

The journalism department of Kansas University is to go to Kansas City sometime soon to get out an edition of the Kansas City "Kansas." Last January this same department came to Topeka and edited one issue of the "Topeka Daily Capital."

A wooden model of the "Missabe Range underground mine" was recently presented to the mining engineering department of the University of Wisconsin.

**MANY OPPORTUNITIES IN SUMMER SESSION**

mary Supervisor, Kalamazoo, Mich., Prof. R. C. McGrane of the University of Cincinnati, Cincinnati, Ohio, Supt. A. M. Nelson, Fairbury, Principal D. E. Porter of the Omaha Technical High School and Prof. W. N. Brigance of Wabash College, Crawfordsville, Ind.

To meet the demand on the part of schoolmen of Nebraska for the training of teachers in coaching of athletics, special attention is given to courses in coaching football, basketball and track.

The increase in the size of the student body and the maturity of the membership of the Summer Session have not only justified but required provision for a large instructional staff. The quality of instruction is thus equal to that of the regular semesters, and in some departments superior advantages are offered.
