

## HUSKERS WILL MEET LEADERS

Oklahoma Ball Team Is Leading Valley Now—Games Will Be Important.

### NEBRASKA ATHLETES ALL IN SHAPE AND ELIGIBLE

The result of the baseball games with Oklahoma here Friday and Saturday will probably decide the leadership of the Missouri Valley conference race for the present at least. The Sooners are leaving home as valley leaders and the games with Nebraska are expected to be close. The game Friday is scheduled for 4 o'clock at the Rock Island Park and the game Saturday will be played at 10 o'clock so that it will not interfere with the triangular meet at the Stadium.

The Husker team will probably present its strongest lineup for the game. Collins, who has been out with infection, and Patton who has an injured thumb, are reporting for practice again and should be in shape for the game Friday. Harney will play the position in right field if Collins is not in shape.

The bad weather has interfered with the practices and the pitchers have not had enough work. All the men are expected to be eligible for the game. Coach Kline states that the team has not lost a man because of ineligibility in two years.

The team has been practicing hitting and fielding in an effort to strengthen its weak points. Coach Kline is working the team on plays which are being used against the freshmen in a five or six inning game each day. Kline is also putting the men through skull practice after each practice.

Kansas Aggies will play Nebraska here Tuesday and Wednesday, May 19 and 20. The Huskers took their measure a few weeks ago at Manhattan by administering a double defeat. Nebraska will meet Ames in a two game series at Ames May 22 and 23, which will conclude the season. The Cyclones have a strong team, having defeated the Huskers in a fifteen inning game not long ago.

The University of Illinois has lost only two dual track meets in ten years. Chicago beat the Illini in 1915 and Wisconsin turned the trick in 1920.

If you can qualify as a salesman and are not afraid to work apply in person at 502 Terminal Building.

## EXPECT GOOD TIME IN MEET

Kansas and Nebraska Doped to Outclass Aggies in Triangular Meet Saturday.

### LOCKE CONCEDED FIRST PLACE IN SPRINT EVENTS

The interest of the Valley track fans will be centered at the triangular meet here next Saturday when Kansas, Kansas Aggies and Nebraska will strive for Valley honors.

Both Kansas and Nebraska can be counted upon as high points teams, although the Huskers' strength in the dashes and hurdles give them the advantage. The Aggies seem to be outclassed. Their main reliance for points are in the distance events in which they have some good entries. This, by the way, should aid the Huskers in their battle for superiority.

#### NOTICE TO CREDITORS

IN THE DISTRICT COURT OF THE UNITED STATES FOR THE DISTRICT OF NEBRASKA, Lincoln Division.

In the matter of Photo Specialty House, a partnership composed of Ulysses G. Cornell and Florence E. Taylor and Ulysses G. Cornell and Florence E. Taylor as individuals, Bankrupt.

In Bankruptcy No. 931. Notice to creditors of application for discharge and order to show cause.

To the creditors of the above named bankrupt:

Notice is hereby given that on the 22nd day of April, 1925, the above named bankrupt filed his petition for discharge in bankruptcy, and

IT IS ORDERED that the 17th day of June, 1925, be and the same is hereby fixed as the date on or before which all creditors of said bankrupt and all persons interested in, said estate and in the matter of the discharge in bankruptcy of the said bankrupt shall, if they desire to oppose the same, file in my office in Lincoln, Nebraska in said District, their appearance in writing in opposition to the granting of said discharge, and also, within ten days thereafter, file in my said office specifications of the grounds of said opposition.

Dated at Lincoln, Nebraska, this 12th day of May, 1925.

DANIEL H. McLENAHAN,  
Referee in Bankruptcy.

### WANT ADS

LOST—Near walk north from entrance of University Library, a small pin of "Black Hills Gold"—Design, two grape leaves with bloom between them. Finder please call L-5793. Reward.

LOST—Large mannish ring, blue flat stone in fancy gold mounting, valued as an heirloom. Reward. Call Jo Ann Westgate, F-8118.

TEACHERS wanted for all lines of teaching work. The Stewart School Service, 138 No. 12 street. Room 383, Peterson block.

ity over Kansas, as the Aggies may garner some distance points which the Kansas squad could use to even things up with the Huskers' advantage in the dashes.

Kimport is the Aggie mainstay in the half-mile. He does the half consistently in two minutes flat and can beat this in a pinch. His team mate, Balzer, is a fast man in both the mile and the two-mile.

Locke is conceded the dashes as his recent showings at the relays has proven him to be the fastest century man in the Valley. Fisher, of Kansas, will probably place a close second in the dashes. Hein of Nebraska and Wongwai, "The Flying Fish" from Kansas, will have a close battle for third place.

Kansas is conceded a clean sweep in the high jump. Poor, Graham, and Ferguson are all doing over six feet

in this event. Graham, Kansas captain, who has been leaping over twenty-three feet should win first in the broad jump. These field events will give Kansas a desirable advantage in the meet.

The quarter-mile will be a good race with four good men competing. Crites and Scherrich of Nebraska, and Engle and Rooney of Kansas have been doing the quarter in fast time, and it is very probable that the winner of this event will have to run it under 50 seconds.

Thirty thousand live rabbits, raised at the University of Kansas, are in transit to Pennsylvania to repopulate the hills of that state. Each has a separate compartment on a fast train. Game wardens all over the state of Pennsylvania will receive the rabbits to be released there.

Changes in the present rushing rules, second semester rushing, and open discussion of any questions concerning sororities are matters to be brought before the last Pan-Hellenic meeting at Syracuse University. One change to be considered is that of shortening the period of silence in rushing rules to one day.

Girls at the University of North Dakota who fail to take their turn at serving at league teas are fined fifty cents. The names are put on a black list and printed in the student paper.

Twenty Amherst college juniors and seniors who have maintained an average of 85 per cent or better in their class work have been granted the privilege of attending classes at their discretion.

Thirty students of the air service unit of Boston Tech, to be graduated and commissioned in June, will be sent to the primary flying schools for training this year.

Coaching, first aid, basketball, interpretative dancing, community recreation are popular courses among students at the University of Wisconsin summer session.

## Sweet things!

Cross-section of a tooth, showing Acid Decay at the Danger Line.

WHEN you eat something sweet, and you feel the pang of pain in your teeth, you are being warned! Acid Decay has begun. And if neglected,

Acid Decay may lead to dangerous abscesses and even serious infections of the gums.

Squibb's Dental Cream, made with Squibb's Milk of Magnesia, does much more than keep the teeth clean and attractive. It safely and promptly neutralizes the acids in the mouth which attack the teeth and gums—especially at that vital place where gums meet teeth—The Danger Line. It is the only dentifrice that affords real protection from Acid Decay—protection that lasts for hours after use. At drug stores.
