

THE DAILY NEBRASKAN

VOL. XXIV—NO. 147.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, WEDNESDAY, MAY 20, 1925.

PRICE 5 CENTS

GRANT CHARTER OF T. K. E. HERE

Alpha Delta Will Be Twenty-first Chapter of Tau Kappa Epsilon Fraternity—Installation to Be May 28-30.

WAS ESTABLISHED IN 1899

Faculty Members Are L. C. Wimberly and R. S. Boots—Expansion Policy Is Very Conservative.

The local fraternity known as Alpha Delta, was granted a charter in Tau Kappa Epsilon by action of the National Grand Council yesterday. Alpha Delta was founded on November 5th, 1923, and is now located at 2530 Q street. Faculty members are L. C. Wimberly, Ivan Stone, and R. S. Boots. The fraternity petitioned the "Tekes" as they are known about a year ago.

Tau Kappa Epsilon was founded at the Illinois Wesleyan University, Bloomington, Illinois, in 1899. At present there are twenty chapters and the Nebraska chapter will be the twenty-first. The badge of the fraternity is a skull and cross-bones, a triangle, and a scroll bearing the name Tau Kappa Epsilon.

At an interfraternity conference at New York City last year, investigation revealed T. K. E. is the strongest internally organized fraternity, and also has the most conservative expansion policy. Some of the youngest chapters are located at Cornell University, Pennsylvania University, West Virginia University, Chicago University, Illinois University, Minnesota University, Washington University, Oregon Agriculture College, Iowa State College, Michigan University, Ohio State University, Wisconsin University, and California University. Seven of the "Tekes" chapters rank first in scholarship in their various institutions, and the other chapters are near the top, since scholarship is demanded by the fraternity.

The Nebraska Chapter will be installed on May 28th, 29th, and 30th, by five of the national officers. Visiting "Tekes" are expected from Iowa, Minnesota, Kansas, and Nebraska. The announcement party will be held at the Scottish Rite Temple on the evening of May 29th, and the installation banquet will take place on May 30th.

The charter members of the Nebraska chapter are: William R. Storrs, Leslie A. Fisher, Harold E. Carlson, Thomas L. Gritska, Ole Jacobsen, Jacob H. Gable, Jr., Clarence F. Wright, Albert F. Roth, John A. Cameron, LeRoy Schents, Joseph O. Culbertson, Franklin F. Yearsley, James J. Herron, Dudley Robinson, Glenn A. Dunkle, Vilas Morford, Ralph R. Hudson, Donald S. Cozad, Paul H. Herron, John W. Starr, Matthew H. Shoemaker, Emery M. Mace, Martin J. Ekverg, Robert L. Hook, Wilbur Taylor, Owen L. Williams, John R. Carlson, Newell F. Joyner, Robert H. Moore, Edward H. Hinton, Emerie Cummings, Lowry C. Wimberly.

TENNIS TEAM TO PLAY AGGIES

Three More Games of Round Robin Tournay Played to Select Players.

Three games were played yesterday in the round-robin tournament to pick the members of the Varsity tennis team which will meet Kansas Aggies next Friday at Manhattan. The men who compose the squad from which the team will be made up were selected in the Varsity tennis tournament which ended a few days ago. Games will be played today and tomorrow and the three men who will compose the team will be picked on the basis of number of games won.

Rathack defeated Sunderland in the first game of the tournament yesterday 6 to 2 and 6 to 4. John Newton won his game with Sunderland in straight sets 6 to 2 and 6 to 4. Rathack lost his second game to Paul Shidneck after a hard match, 6 to 2, 4 to 6 and 6 to 0. Straka who was to meet Newton and Shidneck in the other scheduled games failed to appear and will probably forfeit.

Blue Print Staff Will Hold Dinner

The Blue Print staff will hold a dinner Friday, May 29 at the Woodburn. About fifteen members will be present. Following the dinner, plans for the coming year will be discussed. The dinner will be in honor of the retiring officers.

Dramatic Club To Hold Picnic

Members of the Dramatic club will hold a picnic at Auto Club Park tonight from 5 to 8. Members will be served by Rudge & Guenzel's cafeteria.

Impromptu stunts will be called for and an out-door pageant will be put on. Edward Taylor will sing. The committee in charge of the picnic consists of Margaret Long, chairman; Helen Aach, Vinton Lawson, Elizabeth Tracy and Edward Taylor.

JOURNALISTS ACCEPT AWARD

Harvey Newbranch and Leo Ryan to Be Associate Members of Sigma Delta Chi Honorary Journalistic Frat.

ARE WELL KNOWN MEN

Newbranch is Editor of Omaha World-Herald and Ryan is Writer of Prominence and Magazine Contributor.

Announcement was made yesterday of the acceptance of Harvey E. Newbranch and Leo Ryan of the award of associate memberships made them by Sigma Delta Chi, honorary journalistic fraternity. It was planned to have Mr. Newbranch be the principal speaker at a banquet for the fraternity during Round-Up Week but he was unable to attend.

Both of the new members are active in the journalistic field at the present time. Mr. Newbranch is editor of the Omaha World-Herald and Mr. Ryan is Lincoln correspondent for that paper. The following statement was made yesterday by the fraternity:

"The society feels that Mr. Newbranch's long service as the editor of the largest daily paper of the state; the fact that he is nationally known as a writer of editorials; and his often manifested interest in the University of Nebraska, of which he is an alumnus, made his election to Sigma Delta Chi both fitting and proper. The society is gratified that Mr. Newbranch has seen fit to accept an associate membership and regrets that he will be unable to speak in Lincoln."

Mr. Newbranch attended the University, graduating with the class of 1896 with an A. B. degree. He was a reporter and editorial writer on the World-Herald from 1899 to 1905 and held the position of associate editor on the paper from 1905 to 1910. In 1910, he was made editor and has held that post ever since.

He was awarded the Pulitzer prize by the Columbia University School of Journalism for the best editorial written in an American newspaper during the year of 1919. He served as a Regent of the University in 1919. He is also a director of the World Publishing Company of Omaha.

Mr. Ryan is an editorial and political writer who is well known over the state. He was formerly the Washington correspondent of the World-Herald and is now the Lincoln correspondent. He is also a contributor to Life and several other national magazines.

Law College Leads In Registration

About 575 students have registered so far this week. Law College leads in registration, there being 140 students who have registered. The Deans of various colleges expressed the belief that registration is going to be as large as that of previous years.

ENGEL HEADS A. S. A. E'S

Agricultural Engineering Organization Elects Officers

Henry Engel, '26, Central City, was elected president of the American Society of Agricultural Engineers, at a meeting Tuesday at the College of Agriculture campus. Willis Thuber, '26, Edgar, was elected vice president, Irvin F. Reed, '26, Orchard, secretary and treasurer.

Plans for the activities of the organization for the coming year were discussed at the meeting. Some of the activities of the society during the past year have been demonstrations, concerning agricultural engineering, which were given at several of the small towns in the vicinity of Lincoln. The organization also gave demonstrations and held several exhibits at the organized agriculture meetings last winter.

A dance festival which will begin at sunset will be held in conjunction with the annual coronation held each spring at the University of Utah.

Oklahoma University Bars All Mid-Week Evening Engagements

All dances, theater parties, hiking, calling, "dates" and other social engagements later than seven o'clock except on Friday, Saturday and Sunday nights have been banned by the board of regents of Oklahoma University by a resolution passed recently. The resolution will become effective September 1 of this year and will be enforced as any other University rule.

Present social rules of the campus allowed all women except the freshmen to have "dates" on Wednesday evenings until 10:30 o'clock. Women in the junior and senior classes may have "dates" on all nights until that hour, and all University women may have "dates" until 11:30 on Friday and Saturday nights.

The decision to make the new ruling came as a result of protest against the present system from student circles and from parents throughout the state. The members of the regents board explained that people interested in the University have long complained that the students participated

in the whirl of social activity at the exclusion of their studies. Miss Gerlach, Dean of Women, expressed her approval of the resolution. "I feel that such a ruling will effect less than 600 students, in the final analysis, and it will result in making these comparatively few students study."

"The provision allows for men and women to have dates in the afternoon, and I believe that with their daily associations and their week-end 'dates' and dances there will be sufficient social activity on the campus."

"After all, the purpose of this University is to provide an institution for higher education, and students are supposed to come here to study," Miss Gerlach concluded.

This resolution met with strong opposition among the leading students of the campus. Many declared that the resolution would not be taken seriously and if those who broke the ruling during the coming year were suspended there would be no University. (Continued on Page Three.)

TO HOLD ANNUAL PICNIC

Cornhusker Staff And All Who Worked On Book Invited

The staff of this year's Cornhusker will hold its annual picnic Friday afternoon at Branson Woods. All students who served on the year book staff are invited to the affair. The picnic will probably start about four in the afternoon.

Those who plan on attending should sign the list in the Cornhusker office before Thursday noon so that the committee will have an idea of the number to be served. The list will be kept on the telephone table. Those students who can furnish cars should also get in touch with the committee or state, when they sign the list, as to how many they can take.

YEAR BOOK TO BE OUT MONDAY

1925 Cornhuskers Ready for Distribution May 25—Pictures Are Features.

The 1925 Cornhusker will be ready for distribution next Monday morning, May 25. The subscribers may call for their copies at the south-west corner of Administration Hall. A few extra books have been printed for those who have not subscribed and wish to buy them. This supply is rapidly diminishing, as many students have already sent in their orders.

This year's volume is larger than that of any previous year, having at least fifty more pages. Every phase of campus life is portrayed in this issue. There is a larger collection of pictures than usual, representing scenes of interest to all students. The volumes are bound in a grey leather cover instead of the regular dark color.

Several numbers will be on display in the window of Speier's Clothing Company on the corner of 10th and O streets, Thursday of this week.

FRESHMEN WILL MEET KANSAS

Second Telegraphic Dual Track Meet to Be Held Wednesday Afternoon.

The Freshman track squad will meet the Kansas yearlings tomorrow in the second dual telegraphic meet of the season. Kansas has the best bunch of freshmen of a good many seasons, and the contest may prove a close and difficult one for the Huskers.

Coach Schulte has developed some good track men among the freshmen this year. Wyatt and Davenport are doing fast time in the dashes. Wyatt is also a leader in the hurdles. Leading the group of quarter-milers are Wyatt, Davenport, Fetti-man, and Pressell.

Roberts, Hunter and Johnson are the half-milers of the squad. Roberts held the Varsity indoor record in this event for a short time and does two minutes and two-tenths seconds on the outdoor track. He and Johnson ran an exhibition half mile in the third annual Medic Relays held at Omaha last Saturday. Soaries and Johnson are fast men in the mile. Steiner, Durish, Hulsker, and Stevens are the leading men in the field events.

Discarded crank case oil was one of the waste products that was searched for useful extracts by chemical engineering students at the University of Wisconsin.

Westfall To Address University Ad Club

Henry Westfall of the Lincoln Letter Service will address the University Ad Club on "Direct Mail Advertising" Wednesday evening at the Grand Hotel at 6 o'clock. All students interested in advertising are invited by the club members to attend but will be required to pay the plate charge of fifty cents.

Mr. Westfall's address will contain valuable statistics. A discussion by the group will follow the talk.

ADOPT POLICY OF EXPANSION

Pershing Rifles Becomes National Organization—Will Install First Chapter at Ohio State University Friday.

ORGANIZED BY PERSHING

Was Started Here in 1893—Plan to Have Chapters in All Schools Which Offer Course in Military Science.

Pershing Rifles, local organization of men in the R. O. T. C. basic course, has adopted an expansion policy and the first chapter to be installed will be at Ohio State University, it was announced yesterday. Marion Woodward, present colonel of the new national organization, has announced that John Ricker, captain of the local company and colonel-elect, will serve as installing officer at the ceremonies to take place at Columbus, Ohio, Friday evening.

The Ohio organization will be designated as Company B, First Regiment—the Nebraska company being Company A. The organization plans in time to have chapters in most of the schools over the country which offer military science. The local company was reorganized this year and is now an organization for men in the basic course only. Formerly, advance course students were members. The captain and both lieutenants of the company as well as the national officers are alumni of the organization who are taking advanced drill.

Pershing Rifles was organized in 1893 by General John J. Pershing, then commandant at Nebraska of the R. O. T. C. unit and a lieutenant in the cavalry. He gave it the name of Varsity Rifles but the organization soon became known as the Pershing Rifles, the name that it has carried through its thirty-one years of existence.

The Rifles was organized to offer incentive for men taking work in the Military Department. Weekly drill downs were held and medals awarded for proficient work. General Pershing began to award a medal to the cadet who had worked most consistently toward the advancement of the department. This medal is still awarded each spring by Miss Mae Pershing, sister of the famous soldier.

The Pershing Rifles in the first year that they were organized, won the national drill competition which was held at Omaha that year. They were awarded a cup and a cash prize of \$1500.

Officers who were elected recently are: John Ricker, colonel; James Marshall, lieutenant colonel; national secretary, Edward L. Sem; John Welton, captain; Paul Stauffer, first lieutenant; Fred Chase, second lieutenant; and Horace Noland, first sergeant.

K. U. GOLFERS CANCEL MATCH

No Reason Given by Jayhawk Officials for Cancellation of Match with Huskers.

The varsity golf match between the University of Nebraska and the University of Kansas which was to have been played Saturday of this week has been called off by the Kansas athletic officials today. The Jayhawk officials gave no reason for cancelling the match other than they could not come according to Herb Gish.

The team composed of F. Vette, Palmer, Brown and Reed will go to Norman, Oklahoma May 29 to 30 to compete in the annual Missouri Valley golf tournament. Missouri, Kansas, Nebraska, Drake Washington and Oklahoma have entered teams and the remaining Valley schools may enter later.

The total team score is taken to determine the winners in the annual classic. Kansas University captured first place last year with a team card of 1380 points.

HUSKER BALL TEAM LOSES TO KAGGIES BY 6--2 COUNT

Timely Hits Back of Costly Husker Errors Score Winning Runs For Kansans in Fifth Frame—Collins' Triple and Andresen's Home Run Give Nebraska Scores.

LANG LOSES HIS FIRST MISSOURI VALLEY BALL GAME

Errors in the field at crucial moments coupled with a brace of hits enabled the Kansas Aggies to take the first of a two-game series from the Cornhuskers yesterday afternoon by a score of 6 to 2.

Bunching two of their six hits in the fifth inning with a pair of Husker bobbles, and two bases on balls, the Jayhawk Farmers counted five runs and put the game on ice. Collins' triple followed by Greer's wild throw to third, brought in the first Nebraska run, and in the ninth inning, with a count of two and three, Andresen poked the ball over the fence for a home run, and the Huskers' final score.

Nebraska Scores First

Nebraska drew first blood in the fourth inning. In that frame, Collins, the first man up, drove the ball to deep center for a triple. Smaha struck out, but Andresen popped to Greer who threw high over third when he attempted to double Collins and Mel scored on the error.

The Aggies promptly came back in their half of the fifth. With two men down they started the rally that won the game. Munn singled, went to second on a passed ball, and Meek walked. Miller hit a hot grounder down the third base line and Thomson threw wide to Eckstrom at first, Munn scoring.

Meek then came home when Jack Lang uncorked a wild pitch. Lutes worked Jack for a base on balls and then stole second. Karns hit a single over second but Smaha let the ball get by him to deep center and all three men scored.

Greer, the Aggie pitcher, was working in fine form and the Huskers were unable to get to him for the needed hits until the ninth inning, when Andresen got a home run, and Rhodes, pinch-hitting for Harney, doubled. The next two men failed to connect and Choppy died on second.

Lang pitched a good game for Nebraska, and had little trouble with the exception of the fatal fifth. He fanned eight men, retiring all three men to face him in the third by the strike-out route.

The two teams meet this afternoon in what may be the final home game of the season for the Huskers. Rhodes and Conroy will probably be opposing each other on the mound and another lively battle is in prospect.

DR. PARKER LECTURES HERE

Gives Illustrated Talk on "The Transmission of Pictures Over Telephone Wires."

Dr. R. D. Parker of the development and research department of the American Telephone and Telegraph Company, of New York City, gave an illustrated lecture on "The Transmission of Pictures Over Telephone Wires" in Social Science auditorium last evening.

After leaving the University of Michigan, where he was an instructor in electrical engineering, Dr. Parker has had charge of the development work of the A. T. and T. Co. in the transmission of pictures.

With the use of lantern slides, Dr. Parker showed the apparatus used in the transmission of pictures over wires, told of its workings, and showed samples of the pictures transmitted from Washington to Chicago and San Francisco before and at the time of President Calvin Coolidge's inauguration. He also pointed out the different widths of pictures.

Dr. Parker will speak today before a joint meeting of the Engineers' Club and the American Institute of Electrical Engineers at the University Club, 1914 Harney Street, Omaha.

PLAY THIRD ROUND TODAY

Women's Tennis Tournay Games Must Be Played Today

The time for the third round of the women's tennis tournay has been extended to 5 o'clock this evening. All third-round games must be reported by that hour. In the only match played yesterday, Margaret Miller won from Irene Otten in straight sets, 6-3, and 6-2.

The following games in the third round are yet to be played. Lucille Bauer vs. Euth Wright. Kathro Kidwell vs. Louise Branstead. Grace Modlin vs. Sylvia Kruse.

More than 2,600 students regularly enroll in the education courses at the University of Wisconsin summer session.

Nebraska drew first blood in the fourth inning. In that frame, Collins, the first man up, drove the ball to deep center for a triple. Smaha struck out, but Andresen popped to Greer who threw high over third when he attempted to double Collins and Mel scored on the error.

The Aggies promptly came back in their half of the fifth. With two men down they started the rally that won the game. Munn singled, went to second on a passed ball, and Meek walked. Miller hit a hot grounder down the third base line and Thomson threw wide to Eckstrom at first, Munn scoring.

Meek then came home when Jack Lang uncorked a wild pitch. Lutes worked Jack for a base on balls and then stole second. Karns hit a single over second but Smaha let the ball get by him to deep center and all three men scored.

Greer, the Aggie pitcher, was working in fine form and the Huskers were unable to get to him for the needed hits until the ninth inning, when Andresen got a home run, and Rhodes, pinch-hitting for Harney, doubled. The next two men failed to connect and Choppy died on second.

Lang pitched a good game for Nebraska, and had little trouble with the exception of the fatal fifth. He fanned eight men, retiring all three men to face him in the third by the strike-out route.

The two teams meet this afternoon in what may be the final home game of the season for the Huskers. Rhodes and Conroy will probably be opposing each other on the mound and another lively battle is in prospect.

The score:

Kansas Ags—	ab	r	h	o	a	e
Miller, c	3	1	0	0	0	0
Lutes, cf	4	1	1	1	0	0
Karns, ss	4	1	2	2	0	0
Huey, 3b	4	0	1	1	0	0
Bryon, 1b	3	0	0	0	0	0
Greer, p	4	1	0	2	2	1
Harter, rf	3	0	0	2	0	0
Munn, lf	4	1	2	2	0	0
Meek, 2b	2	1	0	0	0	0
Totals	38	6	6	27	9	1

Nebraska—	ab	r	h	o	a	e

Y. W. WOMEN HOLD PICNIC

Entertainment Substituted in Place of Regular Tuesday Vespers Services.

A conference picnic at Antelope Park from 5 to 7 o'clock yesterday was substituted for the weekly Vesper service sponsored by the campus Y. W. C. A. in Ellen Smith Hall every Tuesday afternoon.

At the end of the picnic lunch, the women gathered to hear informal discussions of conference aims, achievements, and experiences by Elsie Gramlich, president of the campus Y. W. C. A., by Agnes Kessler, retiring Y. W. C. A. president, and by Freda Barker.

The singing of Y. W. C. A. conference songs was led by the Vesper Choir and supervised by Ruth Ann Coddington. Cyrena Smith led the weekly devotional services.
