IF your hair lacks natural gloss and lustre, or is difficult to keep in place, it is very easy to life you want your hair to lie give it that rich, glossy, refined and orderly appearance, so essential to well-groomed men.

Just rub a little Glostora water before brushing it.

through your hair once or twice a week .- or after shampooing, and but a trifle at any drug store. your hair will then stay, each day, just as you comb it.

Glostora softens the hair and makes it pliable. Then, even stub-born hair will stay in place of its own accord.

It gives your hair that natural, rich, well-groomed effect, instead of leaving it stiff and artificial looking as waxy pastes and creams do. Glostora also keeps the scalp soft, and the hair healthy by re-storing the natural oils from which the hair derives its health, life
