zation Booths in Social Science  
Or Library

Women have the last chance today  
to secure tickets for the Cornhusker

have booths in Social Science build-  
ing and in the library and are sell-

their tables a great number of women  
are expected at the luncheon.

The luncheon starts promptly at  
eleven-thirty at the Scottish Rite  
Temple and every one should be  
there promptly in order to get  
through in time for the game at two

honorary organizations, who will  
serve will be dressed in red and white  
to carry out the color scheme used in  
decorating the tables. There will be  
pep favors or noise makers of some  
kind at every place as well as a program.

Phil Sidles will lead cheers and  
songs and the committee in charge  
has secured various kinds of entertain-  
ment.

## WILL HOLD JOINT BANQUET AT DRAKE

Alumni of Two Schools to Have In-  
formal Meeting After Ne-  
braska Game

Alumni of the University of Neb-  
raska and of Drake University will  
hold a joint banquet on the evening  
of the Drake-Nebraska football game  
on November 7, it was announced  
here today by the Alumni Association  
of the University of Nebraska. Alumni  
of both institutions and any  
members of their family, whether  
alumni of either University or not,  
are privileged to attend.

The banquet, an informal gather-  
ing of the alumni of the two institu-  
tions, will be held at the Grant Club  
in Des Moines. It will start at 6:30  
and will end not later than 9:30, al-  
lowing ample time for the guests to  
catch the trains out of Des Moines.  
November 7 is the date on which  
Drake will dedicate her new stadium  
with a seating capacity of 25,000  
will be held in the morning, the foot-  
ball game will start at 2:30 and the  
banquet will be a climax to the day's  
activities.

This is the second time that Neb-  
raska has helped to dedicate the sta-  
dium of an opponent. Three years  
ago, the Huskers played the Univer-  
sity of Kansas at Lawrence on the  
day the Jayhawkers dedicated their  
new stadium.

Governors of three states—Neb-  
raska, Iowa and Kansas—the heads  
of both institutions, Chancellor Av-  
ery of Nebraska and President More-  
house of Drake, Coaches Ernest E.  
Berg and Henry F. Schulte and their  
Nebraska football and cross country  
teams, and Coach Ossie Solem and  
his Drake Bulldogs, all will be guests  
of honor at the joint banquet, one of  
the first of its kind in this part of  
the country.

Reservations are now being made  
at both the Drake and Nebraska al-  
umni headquarters.

## Expect Many Teachers At State Convention

Present indications are that teach-  
ers convention at Lincoln next week  
will be the largest in the history of  
the association. More than 200  
calls for railroad identification cer-  
tificates have been received from  
teachers outside this district as far  
west as Scottsbluff and from the  
extreme northern part of the state.

## Mortar Board To Be in Charge of Silver Moon

The Mortar Board will have  
charge of the Silver Moon all day  
Monday, November 2. The Silver  
Moon will be open from 8 till  
6 o'clock. The members of Mor-  
tar Board who will serve as wait-  
resses are: Dorothy Carr, Gene-  
vieve Clark, Mary Doremus, Mary  
Ellen Edgerton, Ida Mae Flader,  
Eleanor Flatemersch, Marial  
Flynn, Marguerite Forsell, Elsie  
Gramlich, Frances McChesney,  
Eloise McMonies, Doris Trotter, and  
Ruth Wells.

## RICKER RESIGNS FROM POST

Colonel of Pershing Rifles Relin-  
quishes Duties as Head

John A. Ricker, Lincoln, colonel of  
Pershing Rifles, has resigned his of-  
fice as head of the national organi-  
zation. The resignation was accept-  
ed by the Nebraska chapter at a re-  
cent meeting. Too much other work  
that prevented doing as much time as  
now required in the national expansion  
program of the organization was given  
by Ricker as the reason for his  
resignation. A new colonel will be  
elected at an early date.

The Nebraska chapter is the govern-  
ing body of the national organi-  
zation until the next national con-  
vention. The expansion policy was  
decided upon two years ago. One  
chapter at Ohio State University was  
installed last year by Ricker, then  
captain of the Nebraska mother chap-  
ter.

Numerous applications and queries  
are being constantly received by the  
national officer. Paul D. Stauffer,  
Omaha, is captain of the local chap-  
ter.

## SOONERS PLAN TO WIN RACE

Oklahoma Runners Expect to  
Be Victorious Over Hus-  
kers in Meet Saturday

WEATHER MAY HINDER

Coming with two decisive victories  
to their credit and determined, even  
certain that they shall annex another  
Saturday, the Oklahoma harrier  
squad arrives in Lincoln this morning  
with the Sooner football team. But  
the Nebraska distance men have two  
decisive victories also, and the  
chances are that they will have some-  
thing to say about the results. The  
general conclusion is, that it will be  
an interesting affair.

Unless there is an abrupt change  
the weather will be a handicap to  
fast time but the handicap being the  
same for both teams, the closeness of  
the meet will not be altered. Nebras-  
ka has a well balanced team, with no  
particular stars, with the possible  
exception of Lawson. All of the Hus-  
ker harriers have been finishing in a  
group. This has easily won for them  
against Kansas and Missouri.

Oklahoma Has Several Stars

Oklahoma on the other hand has  
two, if not three individual star  
runners. Captain Rutherford has  
not been beaten in a dual met for  
over a season besides winning the  
Missouri Valley championship last  
fall. Running to a tie with him in  
both the races to date is one, Niblick,  
a sophomore, and that means two  
men who are hard to beat. The third  
is Heald, who has easily been placing  
third along with these runners. All  
three of these men have run the 5-  
mile under twenty-seven minutes.

Quoting the Oklahoma, "Coach Ja-  
cobs is not worrying about placing  
the first two, or even three men, in  
ahead of the Cornhuskers." Again  
they say "Captain Rutherford and  
"Less" Niblick can probably beat any  
one in the Valley," which leaves no  
doubt but what they hope to take Ne-  
braska into camp here Saturday.

Are Respectors of Husker Speed

They are respectors of the Husker  
speed, too, however. To recall The  
Oklahoma Daily's impressions again,  
"Nebraska's two victories this fall  
have been far more impressive than  
the pair of victories annexed by the  
Sooners. The northeasterners played  
five men ahead of each of the Jay-  
hawkers and Tigers, winning these  
meets by the largest scores that can  
be made in cross country."

With the exception of Lewis, the  
Husker runners are in good condition  
for the meet, and Coach Schulte and  
his runners are determined to main-  
tain an undefeated record just as the  
southern opponents are.

The Oklahoma team will look over

## Y. M. STARTS CAMPUS DRIVE

Ten Teams with Ten Men in  
Each Will Solicit Stu-  
dents Separately

GOAL IS SET FOR \$2,000

Tuesday morning, November 3, the  
University Y. M. C. A. begins its  
annual campus drive for funds.  
\$2,000 is the amount to be raised  
from students during the campaign,  
which closes Thursday evening.

Ten teams of ten men each will  
participate in the drive and each  
man in the University will be solicit-  
ed personally. Captains of the teams  
are being carefully selected by "Y"  
officials. They will be named today  
by Judd Davis, finance chairman,  
who is in direct charge of the cam-  
paign.

The drive is being conducted "at  
the same time as the Y. W. C. A.  
campaign, but is entirely separate,  
and under different management.

The University Y. M. C. A. is a  
purely service organization and mem-  
bers are not required to pay any  
sort of fees or dues. All money for  
support of the organization must be  
donated.

Less than one-third of the neces-  
sary funds for the year are to be  
raised from students. The remain-  
der comes from the Community  
"chest, and alumni. "Y" officials  
emphasize the point that it is im-  
perative that the student body raise  
its quota, if the outside support is  
to be continued.

Members of the ten teams and the  
Y. M. C. A. cabinet will meet in  
the Temple Monday evening to re-  
ceive final instructions regarding  
the drive. The workers will also  
gather in the "Y" rooms each eve-  
ning during the drive to report pro-  
gress and compare notes.

Students desiring to work on a  
team during the drive are asked to  
get in touch with Judd Davis, at the  
"Y" office in the Temple, some time  
today.

## AG CONVOCATION HELD THURSDAY

American Society of Engineers in  
Charge; Feature Items of In-  
terest to Car Owners

The student chapter of the Ameri-  
can Society of Agricultural En-  
gineers were in charge of a convoca-  
tion at the Agricultural College yes-  
terday morning featuring items of  
interest to car-owners. The convoca-  
tion was presided over by Henry  
Engle, '26, Fremont, president of the  
society.

Several members of the society  
demonstrated and explained the  
proper adjustment of headlights, the  
merits of balloon tires, the construc-  
tion and care of storage batteries and  
the action of a carburetor at high and  
low speed.

Plans are being made by the so-  
ciety to conduct several similar  
meetings in towns near Lincoln.

the course Friday afternoon in order  
to become acquainted with the  
ground before the race. The team  
Coach Jacobs is bringing includes:  
Captain Rutherford, Niblick, Heald,  
Stephens, Cornelison and Bailey.

The Nebraska runners will be the  
same who have won for the school  
the past two meets. Captain Lewis  
Lawson, Zimmerman, Hays, Searle  
and Reller are Coach Schulte's har-  
riers. The race will begin and finish  
in the stadium as it did last Saturday

## Second Largest October Snowfall Is Experienced by Lincoln and Vicinity

The only October snowfall which  
exceeds the one of yesterday was in  
1898, when a record-breaking mark  
of five and two-tenths inches was re-  
corded. In the last twenty-four years  
only a few flurries not worth re-  
cording have fallen.

With a gradual increase in temper-  
ature prevalent, the lowest mark  
reached Thursday was fifteen de-  
grees above zero, five points higher  
than that of Wednesday. The ther-  
mometer has been steadily rising,  
showing thirty degrees at 4 o'clock  
Thursday afternoon.

This snowfall was caused by the  
exceedingly low temperatures occur-  
ing in eastern South Dakota and  
Iowa on Tuesday and Wednesday.  
The circulation of air between the  
storm area of Colorado and the cold  
area of the Missouri Valley brought

the unexpected snowfall. Except  
for the severe cold wave, it would  
have resulted in a heavy rain.

Telegraphic reports received each  
day at the weather bureau, show that  
western Nebraska did not have a bad  
snowfall this time, although they  
have already had a small amount be-  
fore this.

The temperature will keep steady-  
ly rising, according to Thomas A.  
Blair, meteorologist of the govern-  
ment weather bureau at the Univer-  
sity of Nebraska.

Southeastern Nebraska, principally  
Lincoln and vicinity, experienced the  
largest snowfall for the month of  
October in the last twenty-seven  
years, on Wednesday night and on  
Thursday morning. Four and one-  
half inches of snow was reported at  
the weather bureau in Brace labora-  
tory.

## Former Varsity Head, Now Utah Governor, Is in Lincoln Wednesday

Governor George H. Dern of Utah  
stopped in Lincoln Wednesday on his  
way home from Washington, where  
he appeared before the federal power  
commission to protest the licensing  
of a power company in Utah until the  
state's water rights have been set-  
tled.

On his visit in Lincoln he called  
upon some of his old friends and  
classmates, among whom was Gov-  
ernor McMullen.

Governor Dern was at one time  
a student in the University of Neb-  
raska and captain of the football  
team in 1894. The governor ex-  
plained, with much pride, that that  
season the Huskers won the pennant.  
He also stated that at that time they  
played the teams of the universities  
of Iowa, Missouri and Kansas.

Some of the men who played that  
year with Governor Dern were Big  
Yont and Little Yont, Ourey, Flip-  
pin and Billy Wilson.

After visiting friends in Nebraska  
the governor will return home to Salt  
Lake City.

## HAVE MUSIC CONVOCATION

ton Fair, flutists gave a musical pro-

Temple Theater, Thursday morning.  
Both artists are instructors at the  
University of Music. Miss Marguer-  
ite Klinker was accompanist.

The numbers on the program were:

to Fly ..... 17th Century

III. Negro Spirituals  
Deep River Arranged by Burleigh  
Hard Trials Arranged by Burleigh  
Grummann Introduces Artists

Prof. Paul H. Grummann of the  
School of Fine Arts introduced the  
artists and gave a short talk about  
the musical convocations. Prof.  
Grummann stated that it was hard to  
get these convocations started. "But  
personally I never worship a large  
audience but an appreciative one,"  
he said.

The audience was not as large as  
the one at the musical convocation  
held last week but showed its ap-  
preciation to the extent of getting  
encores from each of the artists.  
Mr. Wall gave "Mollie Brannigan,"  
an Irish traditional melody, as his  
first encore, and "De O' Ark's a-  
Moverin," arranged by Guion, for the  
last number of the program. Mr.  
Fair's encore was "Beethoven's Min-  
uet in G."

This was the second of a series of  
musical convocations that will be held  
at the Temple Theater each Thurs-  
day at 11 o'clock throughout the se-  
mester. Unusually good talent has  
been secured for all the programs.

Y. M. C. A. Thursday night. Mr. W.  
E. Fawell, the speaker of the evening  
told about school conditions in India.  
He has been a missionary in India,  
and is now working for his Master's  
degree.

## Engineer Graduate Visits Campus

electrical engineer, stopped briefly  
in Lincoln, Wednesday, on his way  
through to Scottsbluff, where he is to  
be assistant manager of the Western  
Public Service Company. Mr. Mc-  
Candless has been in Boston with an  
engineering firm, Stone and Webster,  
and is now being transferred to their  
new territory in Scottsbluff.

College, conducts a class in advanced  
educational psychology at Beatrice  
every Thursday. This work is car-  
ried on through the extension de-  
partment of the University. It con-  
sists mainly of instruction in teach-  
ing and supervision. There are forty  
students in the class, including the  
teachers of Beatrice and surrounding  
schools.

## Weather Forecast

probably; but not so cold.

## SOONER TEAM COMES TODAY

Will Have Brief Workout on  
Husker Field to Limber  
Up after Long Ride

HAVE HEAVIEST TEAM

Coach Bennie Owen and his Okla-  
homa football warriors were due to  
arrive in Lincoln this morning from  
Norman. The Sooners are here, pre-  
pared to show the Cornhuskers they  
meant business when they walloped  
the Nebraska team 14 to 7 last year  
on the Oklahoma gridiron.

This afternoon the Sooners will  
stage a brief workout to limber up  
after their long ride, and tonight a  
monstrous football rally and a recep-  
tion to the Sooners is planned.

Nebraska came through her contest  
with the Kansas Jayhawkers with but  
slight bruises last Saturday, and it  
should be able to put forth her most  
dangerous front against the Sooners.  
The Huskers will need to present its  
best lineup, for the Sooners will  
walk onto Nebraska field tomorrow  
with one of the heaviest Sooner ag-  
gregations ever seen on the Lincoln  
gridiron. The line will average  
about 175. This gives the Oklaho-  
mans a weight advantage over the  
Huskers.

Oklahoma Prepared for Tussle

After losing her first game of the  
season to the Kansas Aggies, Okla-  
homa turned around and walloped  
Drake University, the team which  
trimmed the Kaggies. All of which  
goes to prove that the Sooners have  
improved with age and will be pre-  
pared tomorrow to give the Huskers  
a tough tussle. Last Saturday the  
Sooners trimmed the strong Southern  
Methodist University eleven 9 to 0,  
and came out of the fray well pre-  
pared to tackle the Huskers this  
week.

The Sooners are expecting to start  
with the same lineup as that which  
faced the Southern Methodist Univer-  
sity eleven at Dallas last Satur-  
day, and trimmed the Mustangs 9 to  
0.

Frank Potts, Sooner halfback, and  
Roy "Goat" Lamb, fullback, were in-  
jured in the S. M. U. battle, but they  
are expected to be in shape to start  
against the Huskers Saturday. Roy  
Lamb's recent return to the Sooner  
lineup greatly strengthened the Okla-  
homa eleven, his presence being of  
vital help to the Owen eleven in their  
last two victories over Drake and S.  
M. U.

The members of the Oklahoma  
football team and their weights and  
positions are:

Crider, 155, halfback; Wesner,  
175, fullback; Stavelly, 180, tackle;  
Neal 185, fullback; Taylor, 150, half-  
back; Wilcox, 230, tackle; Shuntton,  
152, quarterback; Slough, 151, quar-  
terback; Strouville, 157, end; Arbuck-  
le, 162, halfback; Hunter, 165, half-  
back; Haller 160, halfback; Roy Le-  
Crone, 178, end; Snodgrass, 160,  
quarterback; Heber Martin, 170, tack-  
le; Hill, 170, halfback; Brown, 165,  
end; Ray Le Crone, 189, fullback;  
Lamb, 180, fullback; Burt, 158, half-  
back; Howard Martin, 177, guard;  
Norris, 190, tackle; Potts, 191, half-  
back; Muldrow, 179, center; Wallace,  
189, center; Capt. Brockman, 190,  
guard; Guffey, 190, tackle; Wolfe,  
191; Sumter, 190, tackle.

The Vesper choir sang three num-  
bers at the Lion's Club luncheon at  
the Chamber of Commerce today in  
the interest of the Community Chest  
drive. The choir will continue to do  
its social service work this year as  
before.

The choir has elected as its offi-  
cers for the following year: Alice  
Cook, president; Eloise McAnan,  
secretary; and Helen Cowans, treas-  
urer. Ruth Ann Coddington is di-  
rector of the choir.

## SING AT LIONS CLUB LUNCHEON

Vesper Choir Gives Three Numbers  
In Interest of Community  
Chest Drive

about three hundred university  
women were entertained by the Wo-  
men's Athletic Association, Thurs-  
day afternoon, at tea from 4 to 6  
o'clock at Ellen Smith Hall. The tea  
was one of a series given weekly  
under the auspices of the Associated  
Women Students by the different  
women's organizations of the cam-  
pus.

Eleanor Flatemersch, president of  
the W. A. A. was at the head of the  
receiving line. Others receiving  
were: Miss Mable Lee and Miss  
Mary Wheeler of the physical edu-  
cation department, Mildred Wohl-  
ford, Alice Pfeiffer, and Laura  
Whelpley. Mrs. R. G. Clapp and  
Mrs. Fred Dewees presided at the  
serving table during the first hour  
and Miss Marjory Barstow and Miss  
Adelheit Dettman during the second

in serving.

## New Salamander in Bessey Hall Looks Like a Blue-Gray Catfish With Legs

"Seeing is believing" does not al-  
ways hold true. In Bessey Hall is  
a catfish with legs if one were always  
to believe his eyes, but such it is not.  
To be sure it is a grayish-blue color,  
and in general resembles a catfish  
about ten inches long, but it has legs.  
The animal is an axolotl of the spe-  
cies amblystoma, or to the uninitiated  
it is better explained as a salamander,  
which, however, is a less accu-  
rate name. The animal was found  
in the sandhill region of Nebraska.  
just recently and has been in its new  
home only a little more than a week.  
Again if one were to judge by ap-  
pearances, it is enjoying its new sur-  
roundings as well as it can. Since  
it belongs to the class of cold-blood-  
ed animals which eat only once in a

## BAND WILL GO ON THE AIR

R. O. T. C. Organization to Broad-  
cast Tuesday Evening Programs

The R. O. T. C. band, under the  
direction of William T. Quick, will  
broadcast every Tuesday evening  
from the University of Nebraska  
broadcasting station along with the  
regular Tuesday evening program.

This is proving to be one of the  
most popular parts of the program,  
for it is estimated that over one-  
third of the replies received from  
long distance concerning the program  
mention the R. O. T. C. band and  
the success of their pieces. They  
play different selections each week  
with the exception that they always  
play the "Cornhusker" and "There  
Is No Place Like Nebraska." Over  
thirty thousand persons hear the  
band every time they broadcast a  
program.

Two typical letters have been re-  
ceived from Mabel Olsson of Colum-  
bus, Nebraska, and Mr. W. E. Mont-  
gomery, of Lewistown, Montana,  
each having a son in the band. They  
spoke of the enjoyable program and  
mentioned especially the band broad-  
casting.

## MAY RESERVE ANNUAL SPACE

Organizations Should Make  
Cornhusker Reservations  
Within Two Weeks

GROUPS SHOULD SIGN UP

Organizations on the campus should  
make their reservations for space in  
the 1926 Cornhusker within two  
weeks. The president or a member  
of each group should sign up for the  
space at the office of the Cornhusker  
in University Hall.

Organizations included in this are  
those from each of the colleges in the  
university, professional organiza-  
tions in colleges, class honorary  
groups, fraternities, sororities and  
activity groups.

The amount of space to be given to  
each organization is about the same  
as last year. The number of pages  
will be arranged when the groups  
sign up.

The reservations are being made  
earlier than usual this year in order  
to get some idea of the amount of  
space given to each section. Some  
groups will be able to have their pic-  
tures taken in the near future and  
avoid the rush in the winter.

## Y. M. C. A. ENTERTAIN FRESHMEN TONIGHT

Plan Entertainment for First-Year  
Men in Temple Immediately  
After Rally

The Freshman stag party will be  
held this evening in the Temple im-  
mediately after the rally in the Ar-

more freshmen will attend the party  
and plans have been made accord-  
ingly. Entertainment in the form of  
music and speakers will be on the  
program. Refreshments will be  
served.

opening address to the freshmen. He  
will be followed by Don Miller,  
president of the freshman class. Dur-  
ward Barnes, president of the Green  
Goblins, freshman honorary organi-  
zation, will also speak.

"Plans are completed and a big  
time is expected," according to Wil-  
liam Fleming, social chairman of the  
freshman council. It is expected  
that the freshmen will stage a parade  
in an endeavor to arouse enthusiasm  
for the Olympics, which will be one  
of the topics of discussion during the  
evening.

tor, Frederick W. Leavitt, has an-  
nounced that the date for the All-
