

THE DAILY NEBRASKAN

VOL. XXV. NO. 33.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, SUNDAY, NOVEMBER 1, 1925.

PRICE 5 CENTS

SPECIAL WILL TAKE ROOTERS TO DES MOINES

Rock Island Schedules Train To Carry Cornhuskers to Game with Drake

ROUND TRIP TO BE \$7.38

Regulation Pullman and Less Expensive Tourist Sleepers Will Be Provided

Husker football fans will have an opportunity to go to the Nebraska and Drake game next Saturday at Des Moines on a student special being run on the Rock Island railroad.

The train will leave Lincoln Friday night at 12 o'clock and will arrive at Des Moines before 7 o'clock Saturday morning. Returning, the same schedule will be carried out. The train leaves Des Moines Saturday night.

The fares will be as follows: round trip, \$7.38; regulation pullman lower berth, \$3.50, upper berth, \$2.80; tourist sleeper, lower berth, \$1.80 upper berth, \$1.50.

A full train is expected by the Rock Island officials. The band, the Corn Cobs, and a large number of students plan to make the trip.

At Des Moines, Drake followers are confident that their favorites have a chance, and a good one, to stop the Huskers. They admit, however, that Nebraska will furnish the stiffest competition of the year.

The Bulldogs will have an added incentive to win in the fact that they will be playing before a capacity crowd at the dedication of their new stadium.

TO GIVE PROGRAM AT SILVER MOON

Entertainment at Tea Room Monday Arranged by Mortar Board; Members Will Serve

Mortar Board will have charge of the Silver Moon, Monday, November 2. There will be entertainment at all hours during the day, with special accordion and piano solos. Shepherd Logan, the entertainer from the 19th Hour, will do the Charleston at ten o'clock.

As a feature of the day, the Moon will serve a special dish called the Mortar Board Special. The colors of the organization, black and gold, will be used in decoration. The members of the society will wear black dresses, white caps and aprons, and arm bands and will act as waitresses. They are Dorothy Carr, Genevieve Clark, Mary Doremus, Mary Ellen Edgerton, Ida Mae Flader, Eleanor Flatemersch, Marial Flynn, Marguerite Forsell, Elsie Gramlich, Frances McChesney, Eloies McMonies, Doris Trott, and Ruth Wells.

Under a special arrangement with the proprietor of the Silver Moon, a percentage of the proceeds of the day will go to Mortar Board. The money will be used to meet expenses involved in the sectional convention of the organization which is being brought to Lincoln the week-end of November 21.

HOLD RALLY FOR OKLAHOMA GAME

Four Football Men Speak at Pep Demonstration Held in Armory Friday

The Armory rang with cheers Friday evening as hundreds of loyal Nebraska students demonstrated some of the pep and enthusiasm that they would have at the Nebraska-Oklahoma game. The University band played school songs and throughout the rally injected Nebraska spirit into the crowd.

Four members of the Nebraska football team, Captain Weir, Locke, Rhodes and Hutchinson, gave short talks on school spirit. Coach Schulte in his talk gave the student body as a whole quite a rousing for not displaying enough school spirit. He went into detail upon the subject and when he finished those present gave him a rousing cheer.

Coach Owen Frank gave a good talk on school spirit and concluded by telling the students about the fine team that represented them. He said that this year's Cornhusker team was one of the best drilled that Nebraska has had in years and that four members of the team, Weir, Hutchinson, Rhodes and Stiner, could make any university football team in the country today.

Other speakers included End Coach Les Scherer, former Cornhusker star end and Mr. Thompson of Oklahoma. Robert Lang, president of the Innocents had charge of the rally.

Election of Carnival Queen Will Be Innovation at Military Fete

Election of a carnival queen will be one of the innovations this year at the Military Carnival to be held November 14 at the Armory under the sponsorship of the Scabbard and Blade, military fraternity. All women's organizations, both social and honorary, will be asked to propose one of their members as a candidate. The election will be held during the carnival, and the queen will be crowned the same evening with all pomp and ceremony.

Each sorority and honorary will be limited to one candidate. Names are to be turned in at the military office in Administration building. Every person attending the carnival will be entitled to vote, and provisions will be made for additional votes during the evening and by purchase of Klondike currency.

A shooting gallery to be installed this year for the first time is expected to be one of the most popular attractions in the carnival, and will give some of Nebraska's wild-west hair trigger rifle and pistol sharpshooters a chance to perform in public.

Among other attractions of the evening will be a chorus dance by members of Kappa Kappa Gamma sorority who will be the barmaids.

The effort of the committee in charge to make the carnival something entirely new this year is resulting in several new features, and discarding some of the old ideas from previous years. A rip-roaring, wild-west Klondike, frontier, carnival time brim-full of unexpected novelties is being planned by the committee.

The search for the old fashioned bar has been rewarded by the finding of a massive relic of the old days, made of aged yellow wood, and equipped with a genuine brass rail set at a height above the ground calculated to give the greatest possible comfort to weary feet.

CAMPAIGN WILL OPEN TUESDAY

Y. W. C. A. Will Conduct Annual Finance Appeal Among Women

EXPECT TO RAISE \$1800

\$1800 is the goal set by the Y. W. C. A. to be reached in the annual finance campaign which will be conducted Wednesday, Thursday and on Friday. Every woman in the University regardless of membership in the association, will be solicited.

The drive will open Tuesday evening at 7 o'clock at a meeting of the members and captains of the twenty teams which have been organized under the direction of the finance staff. Elsa Kerkow, will preside. Each of the workers will be assigned ten women whom she will interview for contributions. There will be a short devotional service. Announcements to the membership concerning the campaign will be made at the vesper service at 5 o'clock.

Money and pledges will be checked in by team members to their captains at noon on Wednesday, Thursday and Friday at Ellen Smith hall. Captains will then report to the committee in charge. Luncheon will be served for the accommodation of the workers. Devotional services are planned for each noon meeting.

The drive will close at 6 o'clock Friday evening. Final reports from each team will be received at that time. The group reporting the largest amount of money will be entertained at dinner by the association cabinet at some future date. It is the custom for the executive body to entertain the winning teams in both the finance and Grace Coppock drives.

The budget for the year 1925-26 calls for \$33600. The community chest provides half this amount and the remaining \$1800 must be contributed by the women of the campus for whose benefit the organization exists. The budget statement follows:

Secretary's Salary	\$1,900
Conference	250
Office and Rooms	355
Social	300
Social Service	75
Contingent Fund	100
National Apportionment	300
Vesper Choir	25
Speakers	80
Agricultural Campus	100
National Retirement Fund	115

Faculty women are not being asked to contribute this year in accordance with the agreement with the community chest. This means that a larger amount than usual must be obtained through student gifts.

Some advance work among members has already been done. When the team members add their own gift to the amount already raised it is expected that several hundred dollars will have been secured. This amount will be reported at the meeting on Tuesday night.

No fixed amount is being requested as individual gifts. A large number of \$2 and \$3 contributions are expected however. In past years there have always been a number of \$5 and \$10 gifts from student members. Alumnae gifts are also expected.

Other Grid Scores

University of Kansas 0, Drake 7.
Missouri 23, Ames 8.
Grinnell 21, Okla. A. and M. 0.
Michigan 54, Navy 0.
Notre Dame 15, Georgia Tech. 0.
Yale 23, Army 7.
Minnesota 12, Wisconsin 12.
Chicago 6, Purdue 0.

STUDENTS MAY CORRECT PROOF

Will Post Printed Lists for Student Directory in Social Science

ERRORS TO BE CHECKED

Individual correction of student directory proof must be made Monday or Tuesday. City campus students and faculty will find the printed lists on bulletin boards in the main hall of Social Science. College of Agriculture students and faculty will check their names on the bulletin boards in Agricultural Hall.

No corrections are to be marked on the actual proof. Cards on which corrections are to be marked will be provided. Faculty members will place an "X" in the space provided. A small check mark is to be placed before each name inspected in order that the number checking their names may be known.

"Corrections will be marked and proof will be returned to the printer as quickly as possible," according to V. Royce West, '27, Elmwood, the editor. It is expected that all corrected proof will be in the hands of the printer by Thursday evening. The book will be placed on sale immediately.

The lists have been made up from the Registrar's records. Many changes in address and telephone have been made before the copy went to the printer. Social organizations cooperated excellently in correcting many addresses, according to those in charge.

"If the students want their names listed correctly in the directory, they will be. If the students are uninterested, there is a possibility of inaccuracies. We hope they will take advantage of this opportunity to check their names," was the final urge of the editor.

FRESHMEN WILL HOLD BARBECUE

Iron Sphinx Will Sponsor Annual Gathering of First-Year Men Wednesday Night

The annual freshman barbecue, sponsored by the Iron Sphinx, the sophomore men's organization, will be held on the drill field at 6:30 o'clock Wednesday evening. Tickets which are being sold on the campus by members of the Iron Sphinx, are fifty cents.

The purpose of this annual barbecue is to foster freshman spirit and to promote action of the first year men in preparation for the Olympic contest with the sophomores to be held November 23.

Coach E. E. Bearg, Captain Ed Weir, Dean Engberg, Dr. C. E. Condra and Robert Lang, president of the Innocents, will be the speakers of the evening. Ray Randells, president of the Iron Sphinx, will act as toastmaster. McGrew Harris is the general chairman of the committee in charge of the barbecue.

Music will be furnished by a popular orchestra. A big bonfire will be built and bleachers will be erected. The cheers will be led by freshmen leaders.

Players Rehearse Nightly Rehearsals are being held nightly by the University Players for Hatcher Hughes' play "Hell-Bent for Heaven," which will be given as the second number of the season. Herbert Yenne, instructor in dramatic art, will have the leading role.

500 WOMEN ARE PRESENT AT LUNCHEON

Hold Annual Cornhusker Celebration at Scottish Rite Cathedral Saturday

SIDLES LEADS SINGING

Program Includes Musical Numbers And Solo Dance; Tassels Give Song Stunt

More than five hundred women were present at the annual Girl's Cornhusker luncheon held yesterday noon in the Scottish Rite Temple. The tables were decorated in red and white candles down the center. At each place was a noise maker of some sort and a program of the luncheon in the shape of an ear of corn.

The Tassels, dressed in red sweaters and white skirts, and white stocking caps marched in with Phil Sidles, took their places in a reserved section in the center of the room. Phil Sidles led "There is No Place Like Nebraska" as a toast, followed by several yells.

The class honorary organizations, also dressed in red and white, served the luncheon. The menu was pressed chicken, scalloped corn, pickles, fruit salad, hot rolls, strawberry sherbert, and coffee.

Harriet Cruise, a member of the Tassels, sang, and Edith Mae Johnson played the accordion. Yells finishing with deafening sounds from the whistles and horns followed.

Before the last course, Katherine Gallagher gave a solo dance, and the Tassels presented a stunt. With their hands in huge white gloves they illustrated the correct way of singing the University songs, and swayed back and forth as one person.

Four women sang several songs, including one Oklahoma song, which the later changed to be one of Nebraska's. At the end everyone sang the "Cornhusker." Music during the meal was furnished by Ruby Teeters and Olive Flecher. The committee considers that this was one of the most successful luncheons of its kind ever given at the University.

The A. W. S. board members who had charge of the luncheon are: Ruth Wells, president; Frances McChesney, vice-president; Margaret Dunlap, secretary; Ruth Barker, treasurer; Marial Flynn, Mauguierite Forsell, Dorothy Carr, Dorothy Olmstead, Katherine McWhinnie, Dorothea Dawson, Doris Pinkerton, Henrietta Dirks, Helen Anderson and Oral Rose Jack.

PROFESSOR KESNER WILL GIVE LECTURE

Sigma Xi Will Hear Address on "Some Economic Features Of Bridge Design."

The first meeting of the University of Nebraska chapter of Sigma Xi will be held in the general lecture room of Brace hall, Tuesday, November 3, 1925, at 8 o'clock. Henry James Kesner, Professor of Civil Engineering, will give an illustrated lecture on "Some Economic Features of Bridge Design."

Professor Kesner will illustrate: 1. Some economic principles by reference to the layout of a bridge 2000 feet in length on the design of which he was engaged in 1921. 2. Some principles of maintenance and reconstruction economics by reference to the reconstruction work in Denver, on which he was engaged in 1922. 3. Some laws of economic porportioning of viaducts as published in his articles in the Engineering and Contracting magazine in 1921.

The meeting of the society is open to the public. Non-member are welcome according to an announcement made by E. N. Anderson, secretary.

Lincoln Experiences Coldest October Day In Weather History

Lincoln experienced its coldest October day in history early Friday morning when the thermometer reached the low mark of 3 degrees above zero at 6 o'clock. Students who had to make eight o'clocks on that morning will verify the statement of the weather bureau that it was mighty cold.

The last few days of this October have been very unusual for Lincoln and this vicinity. More snow has fallen than in previous years and the thermometer has hovered below freezing on several occasions. This section of the state does not generally have any snow of consequence until the latter part of November.

Bible Study Will Be Vesper Service Topic

Bible study will be the theme of the weekly Y. W. C. A. vesper service at 5 o'clock Tuesday at Ellen Smith hall. Doris Trott, Bible study chairman, will preside and will speak briefly. The leaders of five Bible study discussion groups which will begin this week will be introduced and will explain the topics which will be considered by the groups.

Elsa Kerkow, chairman of the finance staff, will give a short talk concerning the drive which opens on Wednesday. A violin solo will be given by Katherine Calbreath.

TO ENTERTAIN JUNIOR WOMEN

Silver Serpent Plans Campus Breakfast and Rally For November 7

WILL PHONE INVITATIONS

All junior women will be entertained at a breakfast and rally on the campus November 7, at 9 o'clock. This is the first of a series of affairs planned in order to create a deeper spirit of friendship among the junior women. Silver Serpents, junior women's honorary society, is sponsoring the gathering.

The breakfast as planned at present is to be held on the Social Science drill field if the weather is fair. If it is not, the affair will be held in Ellen Smith hall.

Tickets for the breakfast will go on sale Tuesday and may be purchased from any member of the Silver Serpent. Every junior girl will be personally invited to come. If she is not called, it will be due to errors which have crept into the lists.

Entertainment will consist of music, speaking, and other features. A more definite announcement will be made later.

No class gatherings of a genuinely social nature are held at present. According to the Silver Serpents, the breakfasts are to make up for this deficiency among the junior women. Other large breakfasts and fetes of this nature include the entire student body as a rule, and there is in reality little opportunity on such occasions for students to become acquainted, so the Silver Serpents feel.

TO GIVE PLAYS FOR CHILDREN

University Players Will Present Saturday Afternoon Series

The University Players will give a series of children's plays in the Temple theater this winter on the Saturday afternoons which are not taken for regular numbers of their program. The first of these will be "Little Women," an adaptation of Louise Alcott's story, and will be given on Saturday afternoon, November 7. The second play, "Pollyanna," will be given Saturday, November 21. The plays will be under the same management and direction as those given for adults and special scenery and costumes will be provided.

The cast for "Little Women" follows: Professor Bhaer—Donald Helmsdorfer, '28, Ulysses; Hannah—Helen Eowan, '26, Albion; Amy—Polly Robbins, '26, Omaha; Mr. Marit—Henry Ley, '26, Wayne; Meg—Ester Zinnecker, '27, Lincoln; Mrs. Marit—Martha Farrar, '28, Twin Falls, Idaho; Aunt Marit—Helene Phillips, '26, Omaha; Jo—Claris Dyke, '28, Casper, Wyo.; Beth—Betty Woodbury, '27, Council Bluffs; John Brooke—Charles Youngblut, '26, Lincoln; Lawrence—Werner Mall, '27, Hastings; Mr. Lawrence—Thad Cone, '27, Lincoln. The performance will begin at 2:30 o'clock. A small admission will be charged.

Chemical Society Will Award Six Prizes of \$1,000 for Best Essay

The American Chemical Society is this year conducting its third prize essay contest among colleges and universities. Funds for the contest are provided for by Mr. and Mrs. Francis Garvan of New York. The requirements for this year are similar to those of the past two years. Six prizes of \$1,000, one for each of the six designated subjects given below, will be awarded to undergraduate students of colleges and universities who write the best essays in accordance with the rules.

For the purpose of this contest, an undergraduate student shall be a student who has satisfied the college entrance requirements, is enrolled in such an institution, and is continuing work of a collegiate grade.

Students who graduate in mid-year are eligible to compete in this contest.

HUSKERS TAKE VICTORY IN OKLAHOMA CONTEST

Nebraska Shows Superior Stuff in Battle with Squad from Sooner School Saturday before Twelve Thousand People, Smallest Crowd of Season

SCORE IS 12 TO 0 BUT VISITORS OUTDOWNED 2 TO 1

Team Shows Strong Defensive and Fair Offensive, but Exhibit Weakness in Failing to Come Through at Critical Moments; Mandery Pulls Prize Play

The touted Oklahoma jinx which was said to hang over Nebraska was blasted yesterday afternoon when the Huskers defeated the Sooners, 12 to 0, in a contest mastered by the Nebraska team throughout. Less than twelve thousand people witnessed the game in the stadium.

The margin of the victory was only two touchdowns, but the decisiveness of the win lies in the statistics. The Huskers outdowned Oklahoma 2 to 1, and gained more than twice as many yards from scrimmage.

Y. M. C. A. WILL CONDUCT DRIVE

Must Raise Minimum Amount Of \$2000 from Students in Three-Day Campaign

100 MEN TO DO SOLICITING

The one hundred men who will conduct the drive for funds for the University Y. M. C. A. Tuesday, Wednesday and Thursday will meet Monday evening in the "Y" rooms in the Temple to receive their final instructions and make last minute arrangements for the campaign.

\$2,000 is the minimum amount to be raised from the students. "Y" officials last night were confident that the goal would be reached. If it is not they point out that the association will be forced to curtail its activities a great deal.

Judd Davis, finance chairman in charge of the drive, and Hugh Cox, president of the Y. M. C. A., last night announced the names of the men who have been selected to lead the teams in the campaign. They are:

- Robert Hoagland
- Merle Jones
- Judd Crocker
- Nathaniel Foote
- Glen Buck
- Howard Ahmenson
- Claire Holmquist
- Douglas Orr
- Lee Rankin
- Adrian Edgar

Organization of the teams, of ten men each, will be completed before the initial meeting Monday evening. Each man will be assigned to certain people to see. It is hoped in this way to prevent over-lapping of efforts and make it possible to see every man on the campus.

BRING INVALIDS TO OKLAHOMA GAME

N Club Arranges for Twenty-Two Cripples from Orthopedic Hospital to See Game

Twenty-two cripples from the Orthopedic hospital saw Nebraska defeat Oklahoma Saturday. At the last meeting of the N club, honorary athletic organization, it was voted that the club see to it that the boys got to see one of the home games.

Through the athletic office passes were issued to the invalids. Cars were furnished to bring the boys to the game yesterday by Chief of Police Johnson, Mrs. Ernest E. Beach, wife of Coach Bearg, and Coach Henry F. Schulte.

Weather Forecast Sunday; Generally fair.

Locke's Fumbles Were Costly to Nebraska

Locke's fumbles were costly to Nebraska. The speed king was there with all his speed, but he could not hold on to the ball. His fumble on one instance was recovered by Randells, and on the next play his fumble was again recovered by Nebraska for a 112-yard gain.

But the luck would not hold out. With the ball on Oklahoma's 13-yard line, Locke was given the ball and fumbled. This time Wilcox recovered the ball for Oklahoma and the Sooners punted out of danger.

The play-by-play report: First Quarter Captain Weir won the toss and chose to defend the south goal. Brockman kicked off to Rhodes on the 15-yard line, who returned 25 yards. Rhodes made ten yards off left tackle, and on the next play went through center for 4 yards. Foxnell made 7 yards at left guard and then Rhodes made it first down through center. Pressnell made 5 yards off left tackle.

Nebraska Has Strong Defense The Huskers exhibited a fair offensive and a strong defense, but the notable weakness of the eleven was again apparent yesterday: it lacked the punch in the pinch. The circumstances of the Kansas game were repeated yesterday when the Huskers came within ten yards of the goal. With four downs to make it in, they could not push the pellet over the line.

Oklahoma had little in the way of offense except a passing attack which once temporarily demoralized the Huskers. In the second quarter the Sooners took the ball on their 47-yard line after Weir punted. Here a neat double-pass behind the line, coupled with a forward pass, gained eight yards. On the next play Hill passed to Slough for 10 yards.

Later in the quarter the Sooners exhibited this same pass, and gained 10 yards. After that a long pass netted 26 yards more and put the ball on Nebraska's 32-yard line. The half ended before Oklahoma could turn the opportunity into a touchdown.

Mandery Stars in Last Period Avar Mandery pulled the prize play of the afternoon when he speared a pass and ran across the line for Nebraska's second touchdown. It was in the fourth quarter. An exchange of punts had given Nebraska the ball on Oklahoma's 32-yard line. After two yards gained from plunges and an incomplete pass Brown hurled a long pass in the direction of Mandery.

The Tecumseh boy was shut off from the passer by a defensive Sooner, but he wriggled around and he snatched the ball out of the hands of his opponent. He whirled across the line for Nebraska's second score.

Choppy Rhodes scored the first counter for Nebraska in the first quarter. Taking the ball from the kick-off, the Huskers marched straight down the field, using line plunges and end runs to a good advantage. With the ball on the 37-yard line, Rhodes smashed through left tackle for 17 yards. Successive plunges by Pressnell and Rhodes placed the ball on the 1-yard line, and Rhodes went through center for the touchdown.

Oklahoma's backfield lacked the driving power which was apparent in that of Nebraska. Ar buckle, and in the last half, Ray Le Cron, were the main plungers, and Hill did most of the passing. Slough, the quarterback, broke through a couple of times for gains and passed some.

Guffy Weak Spot in Oklahoma Line The Huskers found a weak spot at the left tackle on the Oklahoma line. Guffy was playing that position and he was pounded for good gains until Wallace, the center, changed positions with him. Then the Nebraska backs pounded the center until Guffy was taken out.

In the Nebraska line, Ray Randells came forth with a new brilliancy. He was playing in the position left open by Lonnie Stiner, out with an injured hand, at right tackle. Randells broke through numerous times to smear Sooner plays, and stopped the plays shot at his position. Randells also recovered Locke's fumble on Oklahoma's 31-yard line.

Locke's fumbles were costly to Nebraska. The speed king was there with all his speed, but he could not hold on to the ball. His fumble on one instance was recovered by Randells, and on the next play his fumble was again recovered by Nebraska for a 112-yard gain.

But the luck would not hold out. With the ball on Oklahoma's 13-yard line, Locke was given the ball and fumbled. This time Wilcox recovered the ball for Oklahoma and the Sooners punted out of danger.

The play-by-play report: First Quarter Captain Weir won the toss and chose to defend the south goal. Brockman kicked off to Rhodes on the 15-yard line, who returned 25 yards. Rhodes made ten yards off left tackle, and on the next play went through center for 4 yards. Foxnell made 7 yards at left guard and then Rhodes made it first down through center. Pressnell made 5 yards off left tackle.

Pressnell made 5 yards off left tackle. (Continued on Page Four.)
