

# VARSITY WORKS IN MUDDY GAME

Second String Gridsters Are Pitted Against Freshmen On Wet Field

ED WEIR WAS NOT IN SUIT

Two mud-covered football teams slipped and skidded in a practice game yesterday with all the earnestness of a regular contest. The Varsity and the freshman squads were the participants in the battle, and they played the muddy game up to standard.

It was a good workout for the Husker squad, in preparation now for the Drake game at Des Moines Saturday. Most of the second team men got into action, while several of the "regulars" rested up. Ed Weir was among those who did not don the moleskins.

It was a changed Varsity that met the yearlings. With an entire second string in the starting lineup the regulars smashed their way to down after down. Gains came with alarming regularity, and the freshmen were unable to stay the enlivened Varsity on their trek to the goal line.

**Hecht Imitates Rhodes**  
It was Archie Hecht who did most of the line-plunging. Coupled with Dailey, they made a neat pair of halfbacks. Hecht went through the freshmen like Choppy Rhodes goes through the average Husker opponent. Immediately after the first kick-off he went off tackle for twenty yards or so, and repeated later with gains of five, eight, and ten yards.

Frank Dailey showed more pep yesterday than he has shown for a long time in practice. He was hitting the line hard in the only plays pulled against the freshmen—off-tackle smashes and plunges through center. The end runs and passes were left out of the program.

Wickman was the quarterback in the Varsity backfield, and Oehlrich was in the position of fullback. Later "Jug" Brown and Mielenz got into the lineup.

On the line were Lee and Joe Weir at ends, Roy Mandery and Molsen, tackles; Whitmore and Raish, guards; and Westougal, center. Coach Bearg changed his ends later in the day to Lawson and Sprague.

**Second Team Line Shows Promise**  
The second string line which was in yesterday showed some marked ability at charging. All of the work for the Varsity was on the offense. The line shows that there is still plenty of reserve material left for Coach Bearg, should he need it, and with such constructive practices as that of yesterday a marked development is certain to come for many men.

The team will hold a brisk practice session in Lincoln Friday morning.

ing before taking the train for Des Moines. The team will leave at 1:19 Friday afternoon, and a special train load of rooters will follow at midnight.

## HUSKERS PROMISED BATTLE AT DRAKE

Bulldogs Placed Second in Valley Percentage Standings After Victory Over K. U.

Drake University of Des Moines stamped itself as a truly strong team when it took the measure of the Kansas Jayhawkers last Saturday, and gave the Nebraska Cornhuskers fair warning of a tough scrimmage when the two teams clash at Des Moines this week-end.

The Drake Bulldogs have been running the Valley gauntlet at a fast clip winning four of their games and losing but one a heart-breaking struggle with the Oklahoma Sooners on the Norman gridiron.

The Drake-Kansas clash was a nip and tuck from the start, the Des Moines eleven finally winning out in the final period when Spears dashed across for a touchdown. It was the fourth straight defeat for the Jayhawkers and sent the Kansas team into eighth place in the Valley percentage standings and the Drake eleven into second position.

Other Valley games provoked little surprise. Missouri defeated the Iowa State eleven at Columbia; Grinnell won from Oklahoma A. & M., while Nebraska defeated the Oklahoma Sooners. The Kansas Aggies and Washington University of St. Louis were not active.

## HOLD EXHIBITION BASKETBALL GAME

Women from Physical Education Department Will Play Before Meeting of Teachers

One feature of the program of the physical education section of the State Teachers' Association is an exhibition basketball game to be given in the Armory, at 3:45 on Thursday afternoon November 5. This game is to be sponsored by the Nebraska women's state basketball committee.

including concrete floors and a modern lighting and ventilating system. Attached to the barn will be the silo and also a milk-house with facilities for the sanitary handling and cooling of the milk before delivery to the creamery which is now located on the campus.

The purpose of this game is an educational one. The University women will play in order to demonstrate the type of basketball that can be played according to women's rules having been coached and refereed by a woman. All coaches, both men and women who have anything to do with basketball for women are especially invited to attend this game. An opportunity to ask questions will be given at the end of the game.

The members of the Nebraska Women's state basketball committee are chairman, Miss Mabel Lee, professor of physical education, University of Nebraska, Evelyn Hinton, of Omaha Y. W. C. A., Eleanor Bennet, of Central High Omaha, Harriet Schackleton of the public schools of Beatrice, Mary R. Wheeler, of University of Nebraska and Janet Pitkins from the state normal at Kearney.

## WORK STARTED ON NEW DAIRY BARN

Begin Construction of Third New Building at The College of Agriculture

Construction work on the new quarters for the dairy herd at the College of Agriculture is under way, stated Dean E. A. Burnett yesterday. A 200-ton silo of hollow tile construction and an open shed, twenty-four by 129 feet of similar construction have been completed and work has been started on the new barn. It is also planned to build two or three more sheds for enlarged housing facilities. The entire plant will cost approximately \$40,000.

The barn is to be of brick and will accommodate seventy-five to one hundred head of cattle with ample storage space for feed. Modern equipment will be used throughout.

Yell leaders for each class will be appointed by this committee. Active rooting sections organized by class yell leaders is the chief feature in the program of campaigning. Songs and yells contributed by class members will be solicited by the yell leaders.

**Scholarship Checked by Committee**  
A new department known as the Committee of Scholarship Regulation has recently been established at the Southern Branch of the University of California, to check up on the scholastic rating of all those engaged in student activities. A student who falls five points below a "C" average will be dismissed from the activity. Exceptions are made in the case of athletes where conference rules are used, or salaried persons where the student depends on the money for his college education.
