

MAY SCHEDULE MORE CLASSES ON SATURDAYS

Comes As Result of Motion Passed at Meeting of University Senate

NOTHING NEW IN STEP

Committee Will Meet Today to Discuss Ways and Means of Effecting Change

The schedule committee of the University will meet this afternoon at 2 o'clock to discuss ways and means of establishing more Tuesday, Thursday and Saturday classes on the schedule next semester. This meeting comes as the result of a motion passed at the meeting of the University Senate Saturday when the Senate passed a motion directing the committee to take such action.

Executive Dean Carl C. Engberg, chairman of the schedule committee, said last night, "This will be no novelty as there are a number of Saturday classes on the present schedule. We will merely try to arrange more at that time."

Dean Engberg pointed out that all freshmen in the College of Engineering, most Pre-Medic students, all Dental students, and students in the Colleges of Law and Agriculture have classes Saturday now and have had for some time. Thus the ones to be effected by this new ruling would be students in the Teachers College and in the Colleges of Arts and Sciences and Business Administration.

Effects New Classes

The Executive Dean expressed doubt that classes started at the beginning of the year and running all year could be changed. He expects however, that the committee will be able to schedule some of the classes which start next semester for Tuesday, Thursday and Saturday.

At the present time some classes in English, Mathematics, chemistry and one in economics meet on Tuesday, Thursday and Saturday; the action of the University Senate will force the schedule committee to arrange more three-hour classes on those days.

This change in the schedule was made necessary when all classes which met in University Hall had to be put elsewhere after the building had been condemned. Classes are now being held in many-out-of-the-way places and this change is expected to give some relief to the situation.

Although the schedule for next semester's classes is now in the hands of the printer, it is not too late to make changes, according to Dean Engberg.

Washington Dispatch Orders Rolled Collars On All Army Uniforms

"The roll collar was ordered for all army uniforms" reads a short dispatch from Washington.

That may not seem much to some students, but it is music in the ears for over a thousand cadets in the basic course of the University R. O. T. C. who each week have to wrestle with stiff, tight-fitting coat collars, and then perhaps, if the fit is more than tight, suffer discomfort for several hours until they can slip out of army togs and back into civies.

Along with those thousand and more cadets on the Nebraska campus a hundred and thirty-five thousand soldiers in the army and twelve thousand officers are rejoicing over the change to comfortable collars which have been agitated since the close of the world war.

The change will not be made for at least two or three years, as far as the cadets are concerned, for old stocks of uniforms must be used up, and till then it means stand-up collars.

The new collars will be cut on lines similar to those of the junior and senior cadet officers' uniforms. There will be a period of about two years in which the change will be made. After that the new style will be mandatory.

Program Given For Copper Kettle Club

The members of Chi Delta Phi gave a program before the members of the Copper Kettle Club on Monday afternoon at the home of Mrs. John Dorgan on Sheridan boulevard. Helen Rummans and Margaret Lawrence Pitzer read poems, Emily Ross read a story, and Ruth Moore read a short play. The officers of Chi Delta Phi this year are Ruth Moore, president, Alice Dorgan, secretary, and Norma Carpenter, treasurer. The Copper Kettle is a social-literary club of Lincoln women. The program was arranged by Miss Louise Pott.

Section of University Hall Was Once Suspended in Air for Several Hours

When the wreckers last week took down piece by piece the walls of the north wing of University Hall, they removed a major part of a section of the west wall of the north wing that was at one time suspended in mid-air for several hours when the foundation underneath caved in. That was back in 1877 during the process of replacing the old defective sandstone foundation with the present limestone base.

Artemus Roberts, an architect, saw the wall, and directed the work of putting in the foundation underneath the hanging wall of brick and describes the incident in a letter he has written to Albert Watkins, historian of the Nebraska Historical Society, and now on file in their records.

Passersby may have noticed some time that the west wall of the north wing had two distinct cracks in it just between the first and second windows. It happened when the foundation sunk a short while after

the men quit work for the day in replacing the old sandstone base. The architect relates that Professor Aughey was in the building at the time and was interrupted in his study by a loud cracking sound in the north wing. Rushing to that part, he found the foundation sinking and the wall suspended in mid-air. He hurried to the home of Chancellor Benton and together they went to the home of the architect to get his aid.

On the way to the campus they recruited a group of laborers and armed with a lantern, for it was in the evening and raining, they proceeded on the task of saving the building.

Adjoining bricks were still holding the walls suspended, but that it was slowly sinking down was evident from the occasional chunks of plaster that fell inside. The wall had stood in the air for an hour, and the question was whether it would stay up long

MAKE BANQUET PROGRAM PLANS

Governor McMullen and Chancellor Avery Will Head List of Speakers

JOYCE IS TOASTMASTER

Governor Adam McMullen and Chancellor Samuel Avery will head the list of speakers at the annual Cornhusker banquet, December 11, which will formally conclude the 1925 football season at the University of Nebraska. Coach E. E. Bear, Captain Ed Weir, and the captain-elect of the 1926 team will also talk. R. M. Joyce, Lincoln alumnus, who was toastmaster of the banquet last year, will be toastmaster again this year. Former Nebraska football players attending probably will be called on to talk.

An especial effort is being made this year to have the banquet attended by all men students possible. Tickets are on sale at the Y. M. C. A., the student activities office in the Armory, at all fraternity houses, and by student salesmen on the campus. It is emphasized that the affair is for all students, non-fraternity men as well as fraternities. Fraternities have been asked to close their tables.

The program is being planned so that it will not interfere with later engagements.

Will Show Pictures of Game

Moving pictures of one of the fall games will be shown. Music will be furnished by two orchestras, and by a men's quartette.

Letters have been sent out to all former Nebraska football players requesting their presence at the banquet.

That Ed Weir will be present was made practically certain when the conference ruled out his western trip. It will be Weir's last appearance as captain of the team. The new captain will probably be announced at the banquet.

VALLEY MEET WILL BE HELD AT NEBRASKA

Second Time in Three Years That Contest Has Been Held in Lincoln

COMES MAY 21 AND 22

Should the Event be a Financial Success It May Be Permanently Held Here

For the second time in the past three years, Nebraska has been awarded the Missouri Valley outdoor track meet, which will be held at Lincoln in the Memorial Stadium on May 21 and 22. Two years ago, the best athletes of the Valley competed before the largest crowd which ever gathered to see a Missouri Valley track meet, while the meet last year was held at Norman, Okla., under the invitation of the University of Oklahoma.

At the meeting of the Valley coaches at St. Louis last Saturday, discontinuing the Missouri Valley indoor meet was considered, but after some discussion the meet was given to Iowa State college at Ames. The objection for the holding of the meet was based on the fact that there was no suitable place. According to Coach Henry F. Schulte, the new location of the meet is very adequate and suitable. Heretofore the meet was held under very unsatisfactory conditions in the Convention Hall at Kansas City, a poor temporary track being used.

Meet Paid at Lincoln

For the first time in several years, the track meet held at Lincoln in 1923 was able to pay for itself and almost half of the expense money of the competing teams. Previous years the schools were compelled to aid in the payment of the expenses of holding the meet.

In speaking of the possibilities of retaining the outdoor meet as an annual classic at Nebraska, Coach Henry F. Schulte stated that the meet had been awarded for only this year. However he intimated that, should it be successful, Nebraska would probably be considered by the Valley authorities as the permanent home of the struggle.

With Nebraska winning four titles in succession, following the coming of "Indian" Schulte as a coach here, and increased interest among high schools in the state in track sport, the people of Nebraska have become educated in the sport, according to Schulte, and in bringing the meet here again this spring there will be presented to the track fans of the middle west the best contest possible.

DISCUSS PROBLEMS OF RACE AT FORUM

Miss Juliette Derricotte Will Speak At Weekly Meeting Wednesday Noon

Miss Juliette Derricotte of New York City, colored secretary of the national Y. W. C. A. staff, will discuss race problems at the meeting of the World Forum discussion group at the Grand Hotel Wednesday noon. She will place special emphasis on the college aspect of the race problem.

Tickets for the luncheon which will precede Miss Derricotte's discussion are on sale at the Y. W. C. A. office in Ellen Smith Hall and at the Y. M. C. A. office on the first floor of The Temple. They will also be sold at the Vesper service this evening. The tickets are twenty-five cents.

Because of the necessity of those in charge knowing almost exactly the number of students who will attend the luncheon, no tickets will be sold after six o'clock this evening. Students who do not buy tickets will be charged thirty-five cents at the door Wednesday noon.

Works For Colored Students

Miss Derricotte is a graduate of the University of Talledda in Alabama and for a number of years has been traveling over the United States in the interests of the welfare of colored students. Most of her work, naturally, has been done in the South.

Last summer Miss Derricotte was a representative of the negro students of the United States at the Estes Park joint Y. W. C. A.-Y. M. C. A. conference. Delegates from the University of Nebraska met her at this conference and invited her to visit the University.

In addition to speaking before the World Forum Miss Derricotte has a number of other engagements in Lincoln. At five o'clock this evening

The Proposals

The following are the proposals to be considered in the student poll on the World Court to be taken in classes Thursday and Friday:

1. For U. S. participation in the World Court under the "Harding-Hughes-Coolidge" terms
(The U. S. not to be connected with the League of Nations or bound to any obligations under the League covenant; not to be bound by advisory opinions of the Court on questions not voluntarily submitted by the U. S.)
2. For U. S. participation under the "Harmony Plan" of thirty peace leaders
(The U. S. to join the Court under the "Harding-Hughes-Coolidge" terms, but to withdraw after five years unless a code of international law has been adopted outlawing war and the Court given jurisdiction)
3. For U. S. participation under the Borah terms
(The U. S. not to join the World Court until international law has been codified outlawing war and the Court given jurisdiction; the U. S. not to be connected thereby with the League of Nations)
4. Against U. S. participation in the World Court.

EXPECT CLOSE TITLE BATTLE

Will Make Big Effort to Take Basketball from Jayhawks

MANY VETERANS BACK

The Missouri Valley schools have put away the football for another season and are now turning their efforts to basketball. This indoor sport has always been popular in the Valley and concentrated efforts are being made to dethrone the University of Kansas from the position it has held as the leader in the cage sport for the past three seasons. Several of the schools have fine prospects this season and the race for the championship is expected to be close and hard fought.

The University of Kansas, who tied Missouri for the championship in 1922 and who for the past three years has held the undisputed title, will again be in the field with a good team. Six letter men reported to the Jayhawk coach for the initial workout of the season. They were Belgard, captain, Gordon, Peterson, all-Valley forward last season, Campbell, Schmidt and Zuber. Besides these six letter men, nine other players of last year's squad have reported for practice. Undoubtedly Kansas will have a team in the field that will defend its 1925 title.

Prospects at the University of Missouri are brighter than for a number of years, according to Coach Bond of the Tiger institution. Six letter men are included in the squad of fourteen that are working out under Coach Bond. The lettermen back in school are McMillan, Buchner, O'Sullivan, Bacchus, Joyner and Laughlin. During the Christmas holidays the team will take an eastern jaunt, meeting besides other teams, Michigan and Purdue.

Kaggies Have Four Veterans

The Kansas Aggies, who finished well up in the race last year, have four letter men, Koch, Wedle, Tebow, and Byers, out for the 1926 team. Besides these men Coach Corsaut has a number of players on last squad back again. The Aggies got the jump on the majority of Valley teams in starting the practice. The men at that institution have been working out since late September.

Iowa State enters the title race with more than fair prospects. The team from Ames had its first scrimmage of the year last week with a likely looking freshmen outfit as opponents. The Varsity won the first game with apparent ease, 44 to 4. Just what to expect of them during the season is an uncertainty, but it is an assured fact that the Cyclones will offer stiff competition to the other Valley teams.

Sooners May Upset Dope

Just what Oklahoma will maintain in the conference is hard to say. A large squad of candidates which include a number of letter men are out for the team at the Sooner institution and Coach McDermott states that no one is assured of a place on the team. Reserve strength is especially strong at Oklahoma this year and the Sooners are liable to upset the dope before the title race closes.

Prospects at other valley schools namely, Oklahoma A. & M., Grinnell, Drake and Washington, are not known, although it is expected that they will all be in the race for the championship with fast teams.

Familiarize Students With Music

Noon concerts are given three times a week by the university orchestra of the University of California, Southern Branch, under the sponsorship of Sigma Alpha Iota, professional music sorority, in order to familiarize the students with different types of music.

WILL PRESENT SHORT PLAYS

Each Act Will Receive Careful Attention from the University Players

GIVE SIX DURING WEEK

A program of six short plays will be presented this week-end in the Temple Theater by the University Players for their monthly production. Every play will be given as much care in the costuming, stage-effects, and presentation as if it were a three-act drama.

The three interludes to be given are "All on a Summer's Day," "The Noble Lord," and "Thirty Minutes in the Street."

"All on a Summer's Day" is a little individualistic fantasy regarding love in which three girls desire and get what they want in love and wealth.

"The Noble Lord," a comedy by Percival Wilde, depicts the plans and schemes of a young girl who has set her hopes on a lord who has stopped at the town hotel. She succeeds in her scheme to the point where the lord supposedly saves her life. The lord then becomes wise to the scheme and cleverly makes his escape.

Scene From Real Life

"Thirty Minutes in the Street" by Beatrice Mayor, is just a scene that could easily be taken from real life. The theme is that an old man who is blind spends thirty minutes trying to find out a street number which passer-bys are too busy to tell him.

The three one-act plays are "Poor Aubrey," "Why the Chimes Rang," and "Op-o'-Me-Thumb."

TAKE CAMPUS VOTE ON THE WORLD COURT

Student Poll Will Be Taken in All Classes on Thursday day and Friday

TO CREATE INFLUENCE

Balloting at Nebraska Part of Nation-Wide Campaign Now Being Carried on

A student poll on the World Court will be held in all classes Thursday and Friday under the sponsorship of the local committee working in cooperation with the Council of Christian Associations. The poll will be conducted by a student appointed by the instructor of each class and the votes will all be handed in at a central office preparatory to sending them in.

The ballot in the University of Nebraska is only a part of a nationwide ballot which is being taken at this time. 650 colleges and universities are to have a chance in this ballot. Two hundred sixty-three of these have already decided to take the vote and many more are expected to soon. The students are entirely in charge of all the ballots taken in their respective schools. A joint committee of Y. W. C. A. and Y. M. C. A. representatives will sponsor the balloting here. Those who make up this committee are: Miss Irma Appleby, Elsie Gramlich, Cyrena Smith, Wendell Berge, Arthur Jorgenson, and Douglass Orr.

To Crystallize Opinion

The purpose of this nation-wide student ballot is to let the students of the country have some part in influencing the foreign policy of the United States in a definite way at this crucial time, when the United States must decide whether or not to take the next step in international cooperation by joining the World Court. It is to "Crystallize the student opinion of the country on the subject of the World Court, and to provide for a permanent organization to consider such questions arising in the future."

Message of commendation are now pouring into President John Grier Hibben of Princeton; among the endorsers are Elihu Root and Charles Evans Hughes.

On Friday, December 11, delegates from fifty-seven colleges and universities will meet at Princeton for a national collegiate World Court conference. Nineteen states will be represented at this meeting. No representative will be sent from Nebraska.

Thirty-Six Miles Per Hour Wind Made Last Week-End Seem Cold

The cold wave, which visited this part of the state last Friday and Saturday, was not so cold as it felt. The lowest temperature recorded during the cold spell, according to the local United States Weather Bureau, was seventeen degrees Fahrenheit above zero. The cold weather was accompanied by a thirty-six mile wind. The temperature, however, was warmer yesterday, the lowest being thirty-five degrees.

No zero weather has been reported this year as yet, the coldest weather having been in the latter part of October.
