### WEATHER FORECAST

Thursday: Partly cloudy; not much change in temperature.

Weather Conditions

Colder weather has extended southward over the Missouri valley and the southern Plains to Oklahoma and northern Texas, and eastward to the upper Mississippi valley and the northern Great Lakes. Temperatures are below zero in portions of South Dakota, Minnesota, and most of western Canada. Snow has fallen in the Dakotas and Minnesota, and there are six inches on the ground at St. Paul and Minneapolis this morning. There has also been snow in Colorado, western Kansas, and sleet in Oklahoma. Fair and warm weather prevails in the eastern half of the country.

## NIGHT TO BE FEBRUARY 27

From February 20 by Committee

To Committee at Meeting On January 25

The date for University Night, previously set for February 20, has been changed to February 27, because of a conflict with a University Players' production. This will also provide more time to make the necessary preparations. The deadline for turning in skits, January 31, has not been changed, according to Clayton E. Goar, chairman of the University Night committee.

Any skits that have been completed can be presented at the next meeting of the University Night Commit-125 pound class finals for Nebraska tee January 25. All organizations wrestling team Wednesday aftertation at this next meeting.

The acts which appear on the pro-Blore, veteran letter man, won the gram must appeal to the whole student body rather than one group of tails must be included in the skits when presented to the committee for judgment. Plans may be given to and a body lock in 9 minutes and 49 the president or any member of the committee.

Five acts of twelve minutes each The matches were held under the will be-accepted, and three short curtain acts. One skit was completed and mittee, and various organizations are at present working on their offerings. Profits will be given to the local Y. M. C. A. "The committee reserves the right

to make any necessary alterations in the skits and to reject any that in their estimation should not be pre-145 sented," announced Mr. Goar. "It will be glad to answer any inquiries relative to the productions."

Heavyweight University Night this year, at the Orpheum. Last year, two performances were held at the Orpheum and ater to the other. It is believed that

Students intending to present skits that have not presented them to the committee are requested to get them ready before the last minute. There is always a last minute rush, and after the skits are accepted it is necessary to get them in readiness in a comparatively short time.
