

GAMES START IN BASEBALL TOURNAMENT

First Rounds In Interfraternity Event Start Soon Under New System

BASED ON PERCENTAGES

Thirty Fraternities Have Entered Teams; Finals Will Be Played During Round Up

Games in the Interfraternity Baseball Tournament will start Wednesday, April 21. All games will be played at the Ag College and Rock Island Park diamonds.

A change has been made in the plan of running the tournament this year. Every team entered will play at least three games whether they are defeated in the first game or not. The standing will be made on a percentage basis.

Four Teams To Group

There are four teams in each group and each team plays every other team in that group. After the games in each group are played new pairings will be made of the winners. The schedule and groupings will be posted in the athletic office this morning. All games must be played off as scheduled unless it can be played at another time agreeable to both teams. All games which are not played at the scheduled time should be reported at the office at once. The Lincoln High School and the Antelope Park diamonds may be used for playing off these postponed games. All games are to be full nine inning games.

Thirty Fraternities Have Entered Teams In The Tournament. This Will Enable Baseball Followers To Enjoy Plenty of Good Baseball This Spring Even If The School Does Not Have A Varsity Team. The Varsity Letter Men are Eligible to Play in These Games Though Not in Their Regular Positions.

Sig Ep's Winners Last Year

The finals will be played during round-up week. Sigma Epsilon Phi won the 1925 tournament with the Sigma Alpha Epsilon team runners-up.

The Following Is The Team Groupings and The Schedule of Games for The Next Two Weeks:

Group I

1. Alpha Tau Omega vs. Theta Chi
2. Alpha Sigma Phi vs. Sigma Chi
3. Alpha Tau Omega vs. Alpha Sigma Phi

Group II

1. Pi Kappa Alpha vs. Acacia
2. Pi Kappa Phi vs. Sigma Nu
3. Pi Kappa Alpha vs. Pi Kappa Phi
4. Acacia vs. Sigma Nu
5. Pi Kappa Alpha vs. Sigma Nu
6. Acacia vs. Pi Kappa Phi

Group III

1. Phi Kappa Psi vs. Kappa Psi
2. Delta Upsilon vs. Sigma Alpha Epsilon
3. Phi Kappa Psi vs. Delta Upsilon
4. Kappa Psi vs. Sigma Alpha Epsilon
5. Phi Kappa Psi vs. Sigma Alpha Epsilon
6. Kappa Psi vs. Delta Upsilon

Group IV

1. Beta Theta Pi vs. Sigma Phi Epsilon
2. Delta Chi vs. Beta
3. Beta Theta Pi vs. Delta Chi
4. Sigma Phi Epsilon vs. Beta
5. Beta Theta Pi vs. Beta
6. Sigma Phi Epsilon vs. Delta Chi

Group V

1. Delta Sigma Delta vs. Phi Kappa
2. Xi Psi Phi vs. Alpha Chi Sigma
3. Delta Sigma Delta vs. Xi Psi Phi
4. Phi Kappa vs. Alpha Chi Sigma
5. Delta Sigma Delta vs. Alpha Chi Sigma
6. Phi Kappa vs. Xi Psi Phi

Group VI

1. Mu Sigma vs. Alpha Gamma Rho
2. Delta Sigma Phi vs. Kappa Sigma
3. Mu Sigma vs. Delta Sigma Phi

(Continued To Page Four)

PROGRESS RAPID ON MORRILL HALL

Excavating for Basement Completed Soon So Bricklayers Can Start on Walls

Work on the new Morrill Hall is now well under way. The excavation of the basement will be finished within the next two days. Bricklayers are already at work starting the brick walls and the work is to be hurried as soon as the excavations are completed.

At present more than forty men are working on the basement. A large steam shovel has hastened the work and with the arrival of more material all work will be directed towards building the walls.

The building, when completed, will be three stories high, and about the size of Bessey Hall.

WEATHER FORECAST

Tuesday: Mostly fair; warmer.
Weather Conditions
High pressure over the Mississippi and lower Missouri valleys and the Lake region is attended by clear and frosty weather. Cold weather for the season also extends into the Atlantic coast states. A trough of low pressure overlies the entire Rocky Mountain region, bringing warmer weather and light rainfall in the Mountain and Plateau states and on the Pacific coast.

THOMAS A. BLAIR,
Meteorologist.

DELEGATES TO MEET WEEKLY

Discussion Group Planned For Y. W. C. A. Members Going to Conference

MANY WILL ATTEND

The members of the Y. W. C. A. who will be delegates to the student conference of the Y. M. C. A. and Y. W. C. A. to be held from August 24 to September 3, in Estes Park, Colo., will meet in the Temple every Friday noon until the close of school for luncheon and discussion.

Blanche Stevens, who is chairman of the Conference, will be the leader of the meetings and urges that all women who think that they will be able to attend the conference plan to come to the noon meetings.

Many Noted Workers

A number of noted Y. W. C. A. and Y. M. C. A. workers will be at the conference and will be the leaders of the discussion groups. Dr. Raymond C. Brooks of Pomona College, in California, who has been an outstanding leader in the conferences held recently on the Pacific coast, will be one of the leaders of the conference.

Miss Grace Loucks, secretary conference department, National Board Y. W. C. A., and Henry P. Van Dusen of New York City, will also be leaders at the conference. Mr. Van Dusen is a graduate of Princeton and Union Seminary and was national director of the World Court Campaign in colleges and universities last fall. Dr. Reinhold Niebuhr, of Detroit, associate editor of the Christian Century, will give a number of addresses before the conference assemblies.

About sixteen members of the Y. W. C. A. will go from the University of Nebraska and a separate conference faculty will be held during the last five days of the conference.

CONTINUE WORK ON NEW FIELD HOUSE

Stage When Completed, Will Be The Largest One In Lincoln; Finish Pool Later

Work on the new Nebraska Field house stage, which is to be the largest stage in Lincoln, is now well under way. Brick work on the walls will be completed in the next few days and the steel beams of the roof will be finished in the near future.

The stage when completed will be one-hundred and eighteen feet long and fifty-one feet deep, with the opening, facing the audience, to be eighty feet wide and seventy-five feet high.

A row of sixty windows are to be built around the top, automatically opened in case of fire so that smoke will be kept from the audience.

The space beneath the stage will be used for gymnasium for the present and later will be turned into a swimming pool.

It is expected to be finished by June first.

SOPRANO RECITAL TONIGHT

Ruth Meyers Gives Program; Piano Accompanied by Klinker

Ruth Meyers, soprano, of the class of Jude Deyo, of the University School of Music, will appear in her senior recital Tuesday evening, April 20, at the First Christian church. She will be accompanied by Marguerite Klinker, at the piano. The following will be given:

Bach—Prelude and Fugue, C minor
Prelude and Fugue, C sharp Major
Scarlatti—Tausig—Pastorale
Schumann—Romanze, F Sharp Major; Bird as Prophet
Chopin—Etude de Concert
MacDowell—Cradles, And. louse, Etude de Concert
List—Liebestraum
Ganz—Peasant's Dance
Strauss—Schultra—Elver—Arabesques on the Blue Danube Waltz

Freshmen Beat Varsity
The freshman track team of the University of Arkansas defeated the varsity team in a practice meet. The freshmen took nine firsts and seven seconds to five firsts and six seconds for the varsity.

ANNUAL AWARDS ARE ANNOUNCED

Three Business Administration Scholarships Published by the Dean

OPEN TO ALL GRADUATES

The scholarships awarded annually to graduate students in the College of Business Administration have been announced by Dean LeRossignol. Three scholarships, the gifts of Miller and Paine, Mrs. C. H. Rudge, and Mrs. H. E. Sidles, were awarded to Vernon G. Morrison, Ernest F. Witte, and Elmer C. Bratt this year.

During the past four years from three to five scholarships in business research have been awarded annually to graduate students in the College of Business Administration. These scholarships are for \$500 each and the ones to whom they are awarded are expected to prepare a thesis embodying the results of their work, in partial fulfillment of the requirements for their Master's degree, but are not required to do any reading of papers or other assistance.

Three Available Next Year

The scholarships are open to graduates of any college, providing that they have had enough training in economics and accounting to enable them to carry on the work. Usually, the scholars take their Master's degree at the end of the year, and several of the previous holders are now teaching in high schools and colleges, while others have entered upon a business career.

At least three scholarships will be available next year, and candidates should apply at once to Professor G. O. Virtue, Chairman of the Committee on Scholarship.

AG COLLEGE RALLY FOR FAIR TONIGHT

Board Wishes to Impress Down Town Campus With Program; Contest Begins April 26

The second Ag College rally will take place tonight at 7:15 p. m., and a peppy and spicy program is planned. Professors Smith and Whelan are scheduled to speak on Farmers' Fair, preceded by special music.

Every Ag is urged to attend this rally, as there will be much to discuss and line up for the coming week, which can best be accomplished when all the committees are present.

Program Is Educational

The Farmers' Fair board wishes especially to impress upon the students of the down town campus and the people of Nebraska the big educational program which will take place with the fair this year. A constant check is being kept on the committees handling the displays in order to get the best out of their efforts possible.

Milton Schrader announces the first Farmers' Fair contest which will begin Monday morning, April 26, and close Friday evening, April 30. Everybody excepting Ag students will be eligible. The contest will appear in Magee's window, and seventy-five tickets will be given away.

This morning a "hick farmer" may appear in front of the Pharmacy building with a message.

RECITAL WILL OPEN INSTITUTE CLASSES

Undergraduate Piano Program Given By Audrey Utterback, Pupil of Miss Kinscella

Audrey Utterback, pianist, student with Hazel Kinscella, of the University School of Music, will appear in her undergraduate recital at 8 o'clock Thursday evening, April 22, in the School of Music corridors. This recital will be an opening to the institute classes which Miss Kinscella is holding the next two weeks. These classes deal with the Kinscella method of teaching piano in classes.

The following selections will be presented by Miss Utterback:

Bach—Prelude and Fugue, C minor
Prelude and Fugue, C sharp Major
Scarlatti—Tausig—Pastorale
Schumann—Romanze, F Sharp Major; Bird as Prophet
Chopin—Etude de Concert
MacDowell—Cradles, And. louse, Etude de Concert
List—Liebestraum
Ganz—Peasant's Dance
Strauss—Schultra—Elver—Arabesques on the Blue Danube Waltz

Phi Beta Kappa Holds Annual Banquet This Friday at the Lincoln

The Reverend Thomas Casady, rector of the All Saints Episcopal church of Omaha, will be the speaker at the annual Phi Beta Kappa banquet Friday evening in the Venetian Room of the Lincoln Hotel at six o'clock. Professor Adeline Reynolds will tell of a Phi Beta Kappa banquet she attended in London last year, and Joe R. Starr, ranking member of the senior class, will speak for the student members. Mr. and Mrs. Herbert Gray of the University School of Music, will give a group of vocal and cello solos.

All new members should appear promptly for initiation at 5:30. All dinner reservations should be made by Wednesday night, with Professor Reynolds, Social Sciences 225. Plates—\$1.25.

MANY RECEIVE APPOINTMENTS

Twenty-six Men Retain Commands; One-hundred and Four Promoted

ASSIGNMENTS GIVEN OUT

The list of new appointments to the grade of corporal, assigned to the various organizations of the Nebraska R. O. T. C., was released from Colonel Jewett's office yesterday. One hundred and four men were promoted to this grade, twenty-six retaining their original commands.

The complete list of 130 follows:

Assigned to Company "A": Henry E. Jorgensen, Warren J. Kiser, Emerson M. Mead, William L. Stuckey, Robert D. Wallace, Albert B. Walling, Glenn Davis.

Assigned to Company "B": Walter H. Cronk, Walter J. Wherry, Thad C. Cone, Harvey K. Carlberg, Francis D. Overt, Paul E. Vahle, Louis J. Turner, Wallace A. Plummer, Floyd McCaig, LaRue E. Goff, James A. Shane, Franke C. Summers, Charles I. Jenkins, Malcolm D. Lindeman, Verne M. Laing, Howard G. Nehrbas, William M. Carver, Fred S. Claus.

Assigned to Company "C": Delbert C. Leffler, Arthur R. Sweet, Wm. Keith Miller, William A. Hampton, Clarence Rogers, Dudley L. French, Louis V. Smetana, Delano R. Skinner, James M. Cox, Lloyd J. Elfine, Harvey A. Thiele, Albert G. Smrha, Lee Odman, Victor H. Sylvan, Lyman W. Jilison, John D. Randall, William H. Stephens.

Assigned to Company "D": Willard L. Nelson, Francis C. Kain, Russell B. Lindsog, Herbert L. Meemen, Charles E. Olmsted, Lumir F. Otradovsky, Pames L. Rankin, George P. Scoular, Dale E. Weese.

Assigned to Company "E": Nick Amos, Clyde W. Allen, Douglas B. Cornell, Albert F. Ernst, Samuel O. Gould, Robert H. Eddy, John Oaks, William L. Bitney, Carl F. VanValin, Eugene E. Lundquist, Paul G. Mitchell, Newel S. Cheney.

Assigned to Company "F": Rameu M. Baker, Orin J. Bratt, Ernest L. Dane, Wm. Porter Forcade, Roy S. Hilton, Chester T. Isgrig, Edwin I. Streetz, Wilson M. Watkins.

Assigned to Company "G": Leon W. Ashton, Ernest R. Collins, James R. Mansfield, Carl A. Naffziger, Robert Rensch, Harvey D. Runty, Lowell J. Schroeder, Kenneth R. Smith, J. Donald Spiker, Paul B. Welty.

Assigned to Company "H": Ladislav A. Horacek, Gerald E. Else, George R. Kilgore, Alton N. Pardee, Albert D. Samuelson, Charles J. Vranek, L. P. Mathews, Ferdinand A. Foss, Henry C. Lucas, Pierre A. Perrine, Dean W. Tunberg, Alan H. Williams, Thomas M. Elliott.

Assigned to Company "I": Ralph J. Barber, Addison D. Davis, Jr.; McGrew Harris, C. Edgar Middleton, Edward F. Seagle, Ho A. Trively.

Veteran of Civil War Gives Museum Relics Of Jenkins Ferry Battle

Among the interesting relics received recently by the State Historical Society from Josiah Miner of Sutton, Nebraska, is a rusted barrel and bayonet of a gun which was found recently on the old Civil War battlefield near Jenkins Ferry, Arkansas.

Mr. Miner was a member of the regiment which lost a hundred and twenty-three men there on April 30, 1864. He was on the advance skirmish line, and during the course of the battle discarded three guns as they became unfit for use after contact firing. The rusted musket barrel may be one of those which he discarded on that day. The stock was rotted but Mr. Miner has supplied another made of wood from a walnut tree grown on his farm near Friend, Nebraska.

MINISTERS VOTE AGAINST DRILL

Speeches On Military Training By University Officials Do Not Influence Body

SIX OPPOSED THE MOTION

The Lincoln Ministerial Session in an executive session Monday morning expressed its disapproval of the compulsory military training in the University of Nebraska, by a vote of 19 to 6. The six members who opposed the majority vote, did so because they believed the question irrelevant to a ministerial session. The organization has a membership of sixty-two ministers, of whom twenty-nine were present for the voting. Of this number some left before the final vote was taken. The vote at the meeting was taken at the close of three talks, the first by Col. F. F. Jewett, followed by Dean W. A. Seavey, also of the University, followed by Harry F. Huntington, the Methodist Student pastor. At the close of the meeting there was quite a spirited open discussion of the subject.

Open Discussion Held

In the open discussion, Rev. Ford of the First Baptist church, expressed a new view on the object of those in opposition to the present compulsory drill, saying that the aim of the opposition was to put the training on a more respectable and dignified basis. At the present time the men who are exempt from military training on account of religious principles were made the butt of many jokes, suggesting that a remedy of this situation was to place the drill as an elective.

Col. F. F. Jewett and Dean Seavey

ATHLETICS WILL BE FORUM TOPIC

Morrow and Webster Will Present Their Views For and Against the Present System

"Intercollegiate Athletics" will be discussed pro and con at the regular World Forum luncheon at the Grand Hotel Wednesday noon. Tickets for the luncheon are on sale, as usual, at the Y. M. C. A. office in the Temple or at the Y. W. C. A. office in the Ellen Smith Hall.

Edward T. J. Morrow will speak against the present athletic system and David H. Webster will defend it. Each will be given twelve minutes to present their views. An open forum discussion will follow their addresses.

Not Varsity Athletes

Morrow is editor of the Awgwan and was formerly editor of The Daily Nebraskan. Although Webster is not a Varsity athlete he has been on the football and track squads.

Discussions of the present athletic system, with particular reference to the place which football holds in the college world, have been heated and frequent in all parts of the country during the past two or three years. At Harvard especially the football question has precipitated no end of argument.

KAPPA PHI HOLDS PLEDGING SERVICE

National Organization of Methodist Women Takes In Five New Members at Meeting

Zeta Chapter of Kappa Phi, national organization of Methodist women, held pledging services at three o'clock Sunday afternoon at Saint Paul Church for the following girls:

Irma Edwards, Holdredge; Margaret Nielsen, Omaha; Dorothy Beatty, Lincoln; Katherine Willson, Lebanon, Kansas; and Dorothy Norris, Laurel.

The aim of the society is to develop competent leadership among Methodist activities. The girls study religious material at business meetings, and this year they are especially interested in "The Candle Beam," the national paper. There are fourteen chapters of Kappa Phi, and each year one chapter has charge of editing the paper. Among the special features in this issue is a letter written by Rev. Huntington and a poem by Mrs. F. A. Stuff, one of the patronesses of Zeta chapter.

Mis Luvicy Hill, sponsor, will attend the Grand Council of Chapters held at Seattle, Washington, July 9-16. The delegates who will accompany her have not yet been chosen.

Indian Missionary Will Speak at Next Vespers

Miss Ethel Whiting, who is a student in the University of Nebraska and who has spent a year as a missionary in India, will be the speaker at the Vesper services which will be held Tuesday at 5 o'clock at Ellen Smith Hall. Ethel Saxton will lead the service and special music has been arranged by the members of the Vespers committee of which Ruth Barker is chairman.

COLLINS GIVES MUSEUM TALK

Slides of Fossil Shells From Europe and America Are Feature of Program

ONE MORE IN SERIES

"It is rather a coincidence," declared Frederick G. Collins, preparator for the museum, in his address on "Digging up a Fossil," "that here in the streets of Lincoln, capitol of Nebraska, we dig up mammoths; we may go to London, an older capital, and again we can dig up mammoths; we may go to Rome, a still older capital and once more we can dig up mammoths." Mr. Collins presented this lecture, illustrated by slides, before two good-sized audiences at three and at four o'clock, Sunday afternoon, April 18.

Beginning with slides of fossil shells found high up in the hills of Europe, the speaker explained that the origin of these had always been such a mystery to the earlier people because they couldn't imagine that these selfsame hills, these supposedly everlasting hills, had once been the bottom of the sea—thus the fossil shells.

Fossils Found In This Country

Progressing to this country, Mr. Collins exhibited slides of great animal fossils uncovered here. Similar to the mystery of the fossil shells, early man in this country, without knowledge of the existence of prehistoric animals, could account for the presence of these mammoths in no other way, so he originated the theory that these were the bones of former giants.

This theory, though foolish to present-day man, was a perfectly logical one for the man of that day. The bones which he discovered bore great similarity to his own, except for their enormous size. He had heard of giants and dwarfs, but never of the huge animals that had lived centuries ago.

ERECT BRIDGE FOR ENGINEERS' WEEK

Furnished by Designers and Set Up By Students Under Supervision of Company Engineers

The monument for Engineers' Week this year will be a steel bridge 40 feet long and 20 feet wide which will be erected on the campus south of the Armory. It will be the latest type highway bridge in use today. The bridge will rest on steel piling in fact in all particulars it will be erected exactly as this type of bridge is put up for actual service conditions.

The floor of the bridge will be approximately four feet above the ground level, and the total height will only be eight feet. This is due to the special construction features of this particular type of span. Wood planking will also be placed in position for the flooring. The entire structure will be painted white. Flood lights will be used to exhibit it at night.

The bridge will be furnished by the designers, the Standard Bridge Company of Omaha, and will be set up by students under the supervision of engineers from this company. It will be placed in position about the first of May.

MANSFIELD GIVES RECITAL

Piano Student of Mrs. Jones Presents Program Monday Evening

Mildred Mansfield, pianist, student with Mrs. Will Owen Jones, of the University School of Music was presented in her senior recital Monday evening, at the First Christian Church. The following program was given:

Beethoven—Sonata, Op. 31, No. 1; Allegro vivace; Adagio grazioso; Rondo.
MacDowell—Erzählung.
Chopin—Three Preludes, Nos. 10, 11, 18.
Debussy—Clair di Lune.
Torjussen—Northern Lights.
List—Rhapsody, No. 5.
Weber—Tausig—Invitation to the Dance.

TRACKMEN ARE PREPARED FOR DRAKE RELAYS

Schulte Pleased With Showing at Kansas; Plans to Take Larger Squad

HOLD TRI-COLOR MEET

Tryouts for Des Moines Trip This Afternoon; Continue Practice In Baton Passing

"We were going plenty hot," was the way Coach Schulte expressed his opinion of the remarkable showing the track team made at the Kansas Relays last Saturday. He is well pleased with the records made but admitted that a little hard luck in the quarter mile relay probably cost the team another record. "It is a chance that a team must take," he said. "If they get the touch-off they win, if they don't they lose."

Despite the many congratulations the team has been receiving they immediately settled down to work on Monday in preparation for the Drake Relays to be held Friday and Saturday. It is the idea of Coach Schulte to carry a larger squad to the Drake classic. Here again the relay teams will be pitted against the best in the country but with the showing made at the Kansas relays they should be at the top of the list.

Locke's Record Established

Captain Locke's record of 9.6 for the 100-yard dash is the third time he has accomplished this feat but this time it will stick. Referee Yost declared that the wind was not directly behind Locke but blowing from the side. At the relays last year and at the Missouri Valley meet Locke was timed in 9.6.

The showing of Stephens in the broad jump and Wirsig in the pole-vault were exceptionally pleasing. Both marks now stand as new varsity records. The fact that Wirsig broke his pole on the low heights and had to borrow one to do the sky-scraping act makes his feat the more remarkable. Krimmelmeyer was also coming in for his share of the honors when he placed third in the shot put event with a heave of 44 feet 2 3/8 inches.

Injury Not Serious

The spiked heel that Locke received in the mixup between he and Davenport was not of sufficient cause to keep him out of the races and it was after this injury that he broke the tape in the half-mile relay which broke the world record. The mixup in the baton passing came after Dailey had dropped the pass from Hein but recovered the wood and was merely running to finish the race. Locke did not start out of his holes as Davenport approached and received the cut when Davenport fell. His spike entered Locke's heel, tearing his shoe.

Weir, running his first full flight of high hurdles, placed a close second in the event. The winning time was 15.6. Weir had previously made 15.5 in the preliminary heat. The two-mile and one-mile team was handicapped by sickness as both Lewis and Beekle had suffered with colds before the meet. Coach Schulte expressed the opinion that if Lewis' cold is better this week-end that the two-mile team will be in fine form at Drake.

Try-outs Today

Following a light work-out yesterday the team will compete in try-outs for the Drake classic today. Try-outs in the 100, 220, 440, and in the shot put, discus, javelin will be the events. The relay team will also be put through some baton passing in the hope that the dropping jinx that has been following them for over a year will be overcome.

On Wednesday of this week a tri-color meet will be held instead of the scheduled inter-fraternity freshmen meet. The Blue team has won all the meets so far and an effort is being put forth by the Red and White teams to take the honors in this meet. All men of the teams are urged to be out in suit at 4 o'clock.

FOUR ARE PLEDGED TO PHI TAU THETA

Members Enjoy Week-End Outing at Epworth Park; Banquet Will Be Next Saturday

Phi Tau Theta, national Methodist men's fraternity held pledging services and a week-end outing at Epworth park. The new pledges are William Stephens, Walter White, Strawn Morgan, and George Hooper. The members and pledges, accompanied by Dr. Huntington, left Saturday afternoon and returned to Lincoln Sunday noon. The pledging services were held in the evening, and Sunday morning Dr. Huntington delivered an informal sermon to the group.

The Phi Tau Theta banquet will be held at the Lincoln Hotel, Saturday, April 24.
