MUST FILE BY APRIL 30

Candidates Are Required to Have Scholarship Average of Seventy-Five

An announcement was made today by Leo Black, president of the Student Council, of the coming elections of the members of the student council and student members of the Student Publication Board. The election will be held Tuesday, May 4. The polls will be in the southwest corner room of the basement of Administration Building.

All candidates are required to file their names in the Student Activity office by 5 o'clock, Friday, April 30.

**Eight Junior Men**  
Eight junior men (now sophomores) will be elected for membership in the Student Council, one from each of the following colleges, Agriculture, Arts and Sciences, Engineering, Law, Pharmacy, Dentistry, Business Administration, and Journalism.

Four junior women (now sophomores) one each from the following colleges, Agriculture, Teachers, Fine Arts, Arts and Sciences, will be elected to the Student Council.

**Two Senior Men**  
In addition, two senior men and two senior women (now juniors) will be elected, with a member elected from the graduate college for the Council.

For the members of the Publication Board selected from the student body there will be a sophomore member, a junior member, and a senior member.

**Build New Council**  
It is the plan to choose two men and two women from this year's council upon which to build the council next year.

The candidates for the above offices must meet the following requirements:

They must be from the class and college determined by the University ruling.

The scholastic average of the candidates for the preceding semester must have at least seventy-five per cent.

## GEOLOGY STUDENTS START TRIP JUNE 6

Summer Field Course Will Go On A Six Weeks Study Of Formations

Those enrolled in the summer field course in geology, in charge of Prof. E. F. Schramm and Henry Nedom, will leave Lincoln June 6 on a six weeks trip to study rock formations of Nebraska, Wyoming, Utah, Colorado, and Kansas.

The trip will include a study of the formations in the vicinity of Scottsbluff, Agate, Crawford, and Chadron, Nebraska. At Agate, the deposits containing the Miocene fossil bones will be studied in detail. A structural map will be made of the anticline at Chadron and geological sections will be measured throughout the Black Hills. The company will also visit, while in this vicinity, Wind Cave, Crystal Cave, the Spotted Tail mine at Keystone, the tin mines at Hill City, the iron and rose quartz mines at Custer, and the Homestake mine at Lead.

**Go To Wyoming**  
From the northern Black Hills, the party will proceed to Devils' Tower, Wyoming, the Osage and Mule Creek fields, and the Cambria Coal Mine. The route from there, will lead to the Salt Creek Oil field north of Casper, the refineries at Casper, the Big Bend Oil Fields, the iron mines at Houston and Guernsey, Wyoming, the coal mines at Hanna and Rock Springs, the leucite deposits at Superior and the Oil shale beds near Green River.

**Visit Utah**  
Progressing westward on the Lincoln Highway to Salt Lake the class will visit the Utah Copper Mine at Bingham Canyon, the Garfield Smelter and the salt works. From Salt Lake City the road will lead south to the National Park and the Grand Canyon where the party will measure and study detailed geological sections of the region.

The return to Lincoln will include stops at several of the important coal, oil, lead, and silver mines of the Colorado portion of the Rocky Mountain region. Denver, and the Russell County Oil Fields of Kansas.

**Law Well Represented**  
The school of law at Creighton University has nine men on the Varsity debate squad.

## Senior Invitations Must Be Ordered by Saturday

Orders for senior class invitations must be in by Saturday, April 24. It will take five weeks to print the invitations after all orders are in, and all those desiring invitations must have their orders in at this time.

No invitations can be purchased unless specially ordered. Orders for the committee are being handled by the College Book Store.

## PHI BETA KAPPA MEETS TONIGHT

The annual Phi Beta Kappa banquet will be held Friday evening, in the Venetian room of the Lincoln hotel at 6 o'clock. The newly elected members should come promptly at 5:30 o'clock for the initiation, by the Rev. Thomas Casady, rector of All Saints Church, Omaha. Mr. and Mrs. Herbert Gray, of the University School of Music, will furnish the music which will be the following vocal and cello numbers:

**Musical Program**  
The Id Road, John P. Scott; Dedication, Franz; Tally Ho, Franco Leoni; Song Without Words, Van Goens; Air, Bach; Scherzo, Van Goens.

The senior class, will speak for the student members, and Prof. Adeline Reynolds, who was abroad last year, will tell of a Phi Beta Kappa banquet which she attended while in London.

Dinner reservations for the student members have already been made, but old members who have not yet made theirs with Professor Reynolds, should telephone directly to the hotel to make them. They are \$1.25 a plate.

## PHI LAMBA UPSILON CHOOSES MEMBERS

Announced at Meeting Held Last Evening; Selected on Scholarship

Phi Lambda Upsilon, honorary chemical society, announced at its meeting held last evening, the following new members:

Graduates: Marcus Weldon, Lincoln; Yin Mei Lin, Kiangsi, China; Edward F. Degering, College View; Carter L. Simpson, Arnold; Fred J. Wehmer, Sterling, Colo.

Seniors and Juniors: Clarence Elliott, Wilbur; Dene B. Hodges, McCook; P. R. Schildneck, Salem; H. Carl Johnson, Wausa; John P. Murchison, Omaha; and Ambrose C. Donaldson, Boone, Iowa.

**Sophomore Member**  
Carl C. Jensen, Superior, whose scholastic average was highest in the Chemistry department was elected a member of the organization from the sophomore class.

Dr. C. S. Hamilton, of the Chemistry department, addressed the society. His subject was "Chemistry in Medicine."

Members to Phi Lambda Upsilon are chosen by an unanimous vote on scholarship and a three-fourths vote on personality by the active members of the society. Chemistry grades are given double value in determining scholarship.

It was organized at the University of Nebraska in 1906. Kappa, Nebraska chapter, was formed 4 years ago.

## Dr. Ellis Whitman, Anatomy Expert, Displays Dislocations to Students

Dr. Ellis Whitman, anatomy expert of Montreal, Canada, has been visiting the University the past few days. He "demonstrates dislocations and helps the students out in first aid work."

He possesses unusual powers in throwing his joints out of place. This he puts to use by going about from school to school, demonstrating dislocations to classes in medical work, anatomy, physical training, and athletics.

The doctor, in an interview, says he cures fallen arches, spinal displacements, and similar physical defects. At the present time he is treating some cases here.

Whitman has various recommendations from coaches and instructors in schools all over the country; also from doctors in many hospitals. He showed one which he was presented by Mayo Brothers Clinic.

## STAGE SET FOR CO-ED FOLLIES PRESENTATION

Good Tickets Left for Program Given by Eight Women's Organizations

TWO PRIZES ARE OFFERED

Cleverest Skits Will Be Awarded Immediately After Show By Judges

The Co-ed Follies, made up of skits presented by the different girls' organizations, will be given tonight at the Temple Theater. The curtain will rise at 7:30 o'clock and the performance will be over at 9. Tickets for the Follies are on sale now at Long's Bookstore. Over two-thirds have been sold, but some good seats are left.

There are to be eight individual stunts given. The two cleverest, and best presented will be awarded prizes, \$15 as the first prize, and \$10 for the second. Miss Winifred F. Hyde, Miss H. Alice Howell, and Miss Clara Wilson will be judges. The prizes will be awarded immediately after the performance. Everyone is asked to stay.

**Organizations Represented**  
The organizations which will be represented are: Alpha Delta Pi, with Phillis Keck as the lead, and a cast of eight others; Delta Delta Delta, presenting, with a cast of eight, "The Golden Apple," Phi Omega Pi, "A Girl in Every Port," with nine main characters and a chorus of twelve; Silver Serpents, "Mother Goose's Party," with a cast of twenty-one girls; the Tassels "Spring Fantasy," Blanch Farnes, Joyce Adair, and Beth Paffenrath, main characters, and a chorus of eleven; Kappa Alpha Theta "Penitentiary Blues" presented by four main characters, Ellen Hahn, Marian Morgan, Harriet Taylor, and Laura Margaret Raines, and a cast of thirteen; Sigma Lambda, "La Boheme" with a cast of fourteen; and the Women's Athletic Association, presenting, "In Howdy-Do Land," with ten girls.

**Cast To Come Early**  
Members of the cast are requested to be at the Temple at 6:30 o'clock.

Ice cream will be sold during the evening by the Tassels. The Mortar Boards have planned a surprise, and the Tassels will take part in this also.

The Follies will be presented only once, and all women are urged to attend. No seats are reserved.

## PI SIGMA ALPHA HAS INITIATION

Professional Men's Art Fraternity Banquet Held at Lincoln Hotel Thursday

Monday morning at 8 o'clock in Magee's window, will appear "the old hick farmer bossy." The contest is to guess the number of hairs on the cow's side.

**Window Display**  
Monday morning at 8 o'clock in Magee's window, will appear "the old hick farmer bossy." The contest is to guess the number of hairs on the cow's side.

**Need Steady Line**  
"More attention must be paid to holding a steady line as the platoons march past the reviewing officers. The men in the right squads are not abreast of the guides, and that throws out the entire left of the line. File closers must keep the men in step. Three platoons had men out of step. There is no excuse for that. Guides must maintain their proper distance. If they close up too close to the platoons in front the movement appears crowded. If they take too much distance they delay the platoons in the rear."

The prizes will be awarded as follows next Friday night:  
First prize, 2 admission tickets, 25 Midway tickets; second prize, 2 admission tickets, 20 Midway tickets; third prize, 2 admission tickets, 15 Midway tickets; fourth prize, 2 admission tickets, 10 Midway tickets; fifth prize, 2 admission tickets, 5 Midway tickets.

**New Department at Vassar**  
"Euthenics," meaning right living, is the term applied to a new department at Vassar College. It corresponds closely to a home economics department.

**WEATHER FORECAST**  
Friday: Generally fair; not much change in temperature.

**Weather Conditions**  
Showers have fallen in eastern Colorado, and in Kansas, Missouri, Illinois, Oklahoma, Texas, Arkansas and Louisiana. Another area of low pressure appears over the northern Rockies, resulting in light showers in Montana. A ridge of high pressure separates the two storm areas and has caused cooler weather in northern and western Nebraska, northern Iowa, and Minnesota. Temperatures have risen in the eastern half of the country and are now near or above normal everywhere.

## Xi Delta Gives Tea For Freshmen Women Saturday Afternoon

A tea for all freshmen women will be given by Xi Delta, sophomore women's honorary, at Ellen Smith Hall, Saturday, April 24, from 4 to 6 o'clock.

A musical program has been arranged, consisting of vocal selections by Catherine Costin and violin numbers by Dorothy Diamond.

Helen Eastman is chairman of the committee in charge. Ada Baumann, Lorraine Boucher, and Edith Sadler are the members of the committee.

A color scheme of yellow and white will be used.

## NOVEL EXHIBIT PLANS FOR FAIR

Dairy Department Will Show Actual Processes of Production

NEW GUESSING CONTEST

The Dairy Department announced Thursday that they would open the dairy building to the public on Farmers' Fair day, May 1.

They will open up their manufacturing plant from 4 to 8 o'clock in the evening, also. Ice cream, cottage cheeses, and other products made from the milk of the Ag college herd may be seen in actual process of production. Many samples of ice cream will be given the visitors.

The dairy exhibit, showing the public the process of their activities, including the giving away of samples of what they make, will have one of the educational attractions.

**Chemistry Display**  
Another exhibit is the chemistry display. Following the idea of the dairy department, the Agricultural Chemistry Department will make and give away numerous synthetic drinks after they show them in the process of making. It is not definitely known yet, but it is also the intentions of the chemistry heads at the college to give away samples of bread from various grades and qualities of flour in connection with their "Loafing Demonstration."

Fifteen large tractors, some open models and representing every popular make on the market today, will feature the agricultural engineering display. A program is being made out for a tractor show, in which tractors will be put in demonstration of their worth and merits. A special test of a tractor will be shown in the afternoon.

**Window Display**  
Monday morning at 8 o'clock in Magee's window, will appear "the old hick farmer bossy." The contest is to guess the number of hairs on the cow's side.

**You guess—that's all you have to do.** We'll furnish the reward in the way of over seventy-five farmers' fair tickets," said Bill Shrader, contest manager. His announcement follows: A puzzle contest, in connection with the Farmers' Fair, with several prizes consisting of Farmers' Fair admission tickets and midway amusement tickets, and open to every one except students registered in the Ag College will be conducted this year to stimulate more public interest in the fair. The contest manager said he would not make known the exact nature of the contest until Monday morning when he will have it set up.

The prizes will be awarded as follows next Friday night:  
First prize, 2 admission tickets, 25 Midway tickets; second prize, 2 admission tickets, 20 Midway tickets; third prize, 2 admission tickets, 15 Midway tickets; fourth prize, 2 admission tickets, 10 Midway tickets; fifth prize, 2 admission tickets, 5 Midway tickets.

## SHILDNECK WINS FROM STATE NET CHAMP IN MATCH

Paul Mahood Defeated 8-6 and 17-15 in Matches with Nebraska Wesleyan

TEAM SHOWING IS GOOD

Loss Only One Out of Seven in Contests Here On Wednesday Afternoon

The University tennis team won easily from Nebraska Wesleyan on Wednesday afternoon, losing but one match out of seven.

In the feature match of the afternoon, Paul Schildneck, Salem, defeated Paul Mahood, Nebraska state champion, in straight sets. In the first Mahood was leading 5-3 but Schildneck evened the score, and then won the set 8-6. In the second set each man won his serve until finally Schildneck took the match 17-15.

**Another Close Match**  
Another close match was between Newton and Calvert, which Newton captured, 6-4, 6-3. Calvert was the state high-school champion two years ago, and with his father tied for the state doubles champion last year.

Steeves, captain of Wesleyan's basketball team, lost his match to Sunderland, 6-4, 1-6, 6-4.

**Hattori Loses**  
Hattori was the only Nebraska man to lose his match, which went to Candless, 6-1, 9-7, 6-3.

Only one doubles match was played. In this Schildneck and Elliott beat Mahood and Ward, 6-4.

The results are as follows:  
Schildneck beat Mahood 8-6, 17-15, Newton beat Calvert 4-6, 6-4, 6-3. Hattori lost to McCandless 6-1, 7-9, 3-6.

Straka beat Radinsky 6-4, 4-6, 6-2.  
Elliott beat Ward, 6-2, 6-2.  
Hunt beat Thomas, 6-2, 6-2.  
Sunderland beat Stevens, 6-4, 1-6, 6-4.

## COMPANY K WINS PARADE HONORS

First Platoon Best, According to Bulletin Issued Yesterday By Colonel Jewett

First Platoon, Company K, carried off first honors in Tuesday's parade, according to a bulletin issued by Colonel Jewett yesterday. Second Platoon, Company M, was listed second, and Company F, third in the communication. The Colonel was well pleased with the showing, but he called attention to the failures of some units to hold a steady line, keep in step, and maintain their proper distance.

The bulletin follows:  
"The review of April 21 showed a marked improvement. The best platoons in the march were in order of merit: First Platoon, Company K; Second Platoon, Company M; Company F.

**Need Steady Line**  
"More attention must be paid to holding a steady line as the platoons march past the reviewing officers. The men in the right squads are not abreast of the guides, and that throws out the entire left of the line. File closers must keep the men in step. Three platoons had men out of step. There is no excuse for that. Guides must maintain their proper distance. If they close up too close to the platoons in front the movement appears crowded. If they take too much distance they delay the platoons in the rear."

(Signed) P. F. JEWETT, Commander.

## Next Year's University Bulletins Available; Changes in Requirements

Bulletins for next year, 1926-27, are now being issued. Those for the College of Engineering, School of Fine Arts, and College of Law, have been completed and are available at the Registrar's office. Various changes have been made in the requirements for all colleges—with the one general change in entrance requirements affecting the entire university.

The new plan for entrance, all colleges included, considers only work done in the accredited schools in the tenth, eleventh, and twelfth grades with the exception of the work in algebra and foreign language taken in the ninth grade. The reason for this arrangement is to give the junior high-school full freedom in making out its curriculum. Under the old basis for meeting entrance requirements both the junior high and senior high-schools were subject to the curriculum dictated by the University.

The new plan does away with this. Twelve units or twenty-four points

## Last Museum Lecture of Year Sunday Afternoon

Miss Marjorie Shanafelt will conclude this year's series of Museum lectures Sunday afternoon, April 25, with an address on "Peacocks All" to be presented at 3 and at 4 o'clock.

## HUSKERS GO TO DRAKE FOR TRY AT NEW RECORDS

Seventeen Tracksters Leave For Annual Classic At Des Moines

LOCKE STARS IN CENTURY

Half-Mile Relay Team Will Make Attempt at Mark; Expect Hard Competition

Seventeen track men left with Coach Shulte last night for the annual Drake relays to be held at Des Moines Friday and Saturday. The team is headed by Captain Locke, who tied the world's record for the 100-yard dash at the Kansas relays last week. The world record half-mile relay team will also compete.

The Drake relays this year will have stiff competition with men like Locke, John Kuck, Houser, and Charley Hoff. All these men are record holders in their events, but will have to defend them against the best that the country has to offer.

**Quarter-Mile Team Change**  
The Nebraska quarter mile relay team may be changed at the meet, and if this comes about, Hein will start with Wyatt, Weir, and Locke finishing. A four-mile relay team will compete at this meet and will be composed of Ross, Johnson, Zimmerman and Searle. Wirsig and Rhodes will be entered in the pole-vault and "Choppy" will also be Stephens' mate in the broad-jump. Among the weight men to make the trip are Pospisil in the discus, and Krimmelmeier in the shot.

**Hope For Good Weather**  
If the weather stays as fair as is promised now the records for the meet are doomed to be lowered.

The men making the trip include: Captain Locke, Dailey, Hein, Wyatt, Davenport, Weir, Ross, Roberts, Lewis, Johnson, Searle, Zimmerman, Krimmelmeier, Pospisil, Rhodes, Stephens and Wirsig.

## DAILY WRESTLING HANDICAP MATCHES

Dr. Clapp Announces Start on May 4; Open to All University Men and Classes

Dr. Clapp announced yesterday that at 4 o'clock, Tuesday, May 4, will be held the first of a series of daily handicap wrestling matches, open to all men in the University.

National Collegiate Wrestling Rules will govern. The men may weigh in each day any time between 11 a. m. and 4 p. m.

There will be the regular three pound weight allowance for all men in the classes of the following weights: 115, 125, 135, 145, 158, and 175.

**Equal Chances**  
"We will endeavor to work out the handicaps so that a man who outdoes himself will win and a green man will have the same opportunity as a Varsity man," Dr. Clapp stated.

Dr. Clapp urges that all men who have any ability or inclination toward wrestling come out to this meet. All but one man of this year's squad will leave school this spring, he concluded.

Brannigan, the captain-elect for next year, will be the only man left. Chances will be good for new men, for this reason. The coming meet will be an excellent opportunity for green men to show their natural talent and to make a start.

## SERIES OF PLAYS BEGINS ON FRIDAY

First Dramatic Art Department Show Will Be "In the Name of Marriage"

A series of plays will be given in the near future by members of the Dramatic Art Department. Friday afternoon Harold Felton, Jack Lank, and Katherine Costin will appear in "In the Name of Marriage" before the Rotary Club at the Lincoln Country Club. The play was written by a member of the Dramatic Art Department.

"Silken Bully," a comedy, will be given Friday evening by Frances McClesney, Helene Phillips, and Harold Sumption at the Country Club.

"A Pair of Sixes" will be presented Saturday evening at the Temple, and May 4 "Spooks" will be given at the Orpheum theater under the auspices of the American Legion.

Rehearsals have been going on for the past few weeks under the direction of Miss Howell, Miss Gellatley, Ramsey and Yenna.
