

HUSKERS LOSE TENNIS MATCH

Nebraska Defeated by Drake 2 to 1; Wind Bothered All Contestants

ONLY SCHILDNECK WON

Nebraska's tennis team lost a close match to Drake yesterday by a score of 2 to 1. Paul Schildneck, who beat Mahood, the state champion in the Nebraska Wesleyan tournament last week, was the only Nebraska man to win his match.

The wind bothered the contestants during the whole time and was especially troublesome in the doubles match. The first singles match between Newton of Nebraska and Everetts of Drake went to the Drake man in straight sets; 6-0, 6-3. Everetts with a peculiar underhand serve was never in danger and won the match easily.

Fast Singles

The second singles match was the fastest of the three and went to Schildneck of Nebraska, 8-6, 6-3. Conklin of Drake had difficulty with Schildneck's serve and lost many points due to the smashing of the Nebraska player.

In the doubles Everetts and Conklin played Schildneck and Elliott, who lost the match 6-3, 6-1. The wind was stronger during this match and bothered both teams. The Nebraska combination was unable to keep the ball inside and didn't push the Drake players during the two sets.

SOPHOMORES WIN BALL TOURNAMENTS

Defeat Freshman and Junior-Senior Teams in Volleyball and Indoor Baseball

The Sophomore women won first place in both the Volley Ball and Indoor baseball tournaments, winning from the Freshmen 24-2; from the Junior-Senior team by a score of 37-34. The Freshmen women came out victorious over the Junior-Senior team by a score of 28-14.

Indoor baseball was a major sport under the management of Clara Schwebel. Forty-three girls were awarded points. Since no class represented by twice the number of girls necessary for a team only seventy-five points were awarded to those serving first team points.

The Volley Ball Tournament was unique in the fact that each of the fifty-four women who completed the season played in the tournament. Games were played on two courts at the same time. The winning of two games out of three constituted a victory for that team. The Freshmen won second place followed by the Seniors and Juniors.

Many women have been out for the dance practices held the past few months, and completed the necessary ten practices to be eligible. Committees have been appointed to manage the presentation, and everyone is working hard to make it the most interesting presentation ever sponsored by the association. The committee will be officially announced in the next few days, and those who are to participate will be posted. Every woman who has her practices in must watch the bulletin board very closely.
