How to Start the Year Write  $\sqrt{}$ 

in trade.

"Lou" (or "Lucy"), said the venerable Dean to the very young person beside his desk, "the very best start you can make in college is to get yourself a fine new fountain pen. Nothing like it for lecture notes, required readings, memoranda. Provided it's dependable. Now this one, I myself have used for a college

well have said, "Go get yourself a Wahl Pen." For there is no fountain pen that's more of a help in any course-it writes like a charm, it holds more ink, it fills up in a jiffy and refills clean-and it's the most dependable of all.

Romp over to the Wahl Pen and Eversharp counter now, and get

@1926, The Wohl Company

yourself the Wahl you like. All styles there - slim, thick, long, short: every one of 'em holding far more ink than other pens that look much bigger. Nice looking, too: solid gold or sterling silver, goldor silver-filled, red, black, or mottled rubber. Exactly the point that suits your hand: stiff or flexible, fine, medium, stub, oblique or Wahl Standard Signature-all in iridium-tipped solid gold.

From cap to nib, a Wahl Pen's practically indestructible. One bought now will last you all through college and the first six jobs beyond.

\$3 to \$7 for the silver or rubber \$6 and Northward for the gold

Eversharp's write hand pu EVERSHARPS WRITE HAND PAL WELCOME, LOU (OR LUCY) V V Take my place in line. I'm Wally, the Eversharp Kid. Take me for your book-mark-free-at the Wahl Pen and Eversharp counter. MARK MY
