Mammoth Bones Are Donated to Museum

moth bones has been sent to the Uni versity Museum by Norris F. Skinner of Ainsworth. A shipment of fifrival of Dr. Barbour, curater. The fossils will be added to the Morrill collection of the new Morrill Hall

Another specimen of interest is by J. Snyder near Arapahoe in san and gravel, only 22 feet below th surface. The tusk has a perfect tip which is a rarity in specimens of thi kind. It was split into three parts by the workmen, but can be mended perfeetly. The specimen will be added to the Morrill collection.

Some 116 Indian mounds and earthworks were recently mapped near Lake Gegonsa by the Wiscon sin Archeological society.

YOUNG MAN NEWS

Newer Dwight Isle

Rudge and Guenzel Co. introduces the new Shetlundy colorful Tweedy fabrics overtoned with a spark of liveliness that will make them the feature sellers of 1926.

Dwight Isle Tweeds are just what younger men expect to buy this Fall — different weavings from the average run of colorings—draping into easy full lines—chuck full of studied careless grace.

The "Uni" Model

The prevailing choice of college men, broad shoulders, stubby low well placed pockets. Trousers, that tape 20 inches at the bottom and hang free.

Economy Is Wise Spending

The frock you bought only because it was a bargain, the suit that never was quite right-those are your extravangances. Every closet bears witness to some impulsive purchase, some bargain that one never could wear, Real economy lies not in paying as little as possible for several frocks, but in paying just a little bit more for the one perfect frock. That is the secret of being well dressed on little.

The Idyl Hour

Extends a Hearty Welcome to all Students and assure them that we will do everything possible to make this school year as pleasant as possible.

Our Policy

Always has been to serve the very best quality of foods and fountain mercandise and assure you that this policy will continue in force with whatever improvement it is possible to make. In keeping with our policy we wish to announce that we are serving choice cuts of prize winning Baby Beeves beginning today and continuing for the next week so that you can feel assured of getting a nice juicy Steak for your evening dinner today as well as choice cuts during the entire day, and the price will remain at its present level.

We are expecting to serve a new Sandwich about the first of October and wish your cooperation in the selection of the same. A prize of \$5.00 will be given to the one that suggests the ingredients that will be used in the making of this sandwich. The selection of the Sandwich will be left to a committe of three students that are now on the staff of the Nebraskan. All suggestions should be mailed to THE IDYL HOUR on or before the 30th day of September and the same will not be opened before October first when all suggestions will be turned over to the Judges.

Remember we are still making the best punch for your parties and we will appreciate your next party order. Yours for a successful School Year.

Tailored in the college manner

In fabrics that are rich and rare-

The favorite College suit is here with the coat a little shorter-a little closer fitting yet the same comfortable rakish looking coat that always won your heart. Buttons are spaced a little wider-every change is a minor change and every change makes a smarter suit!

IT'S THE "U" Tailored for us by Kuppenheimer \$40 to \$50

The "U" was born an Aristocrat; every line is graceful, every line is natural. Long mileage fabrics from Ireland and Scotland-Trojan weaves that outwear any two ordinary suits-Tigertwists that hold their shape like a bathing beauty without the aid of a pressing iron -Fabrics that are rare; in colors that are rich-STYLE in every fold-Ready for you now.

Come in and feed your soul.
