4500 TEACHERS IN SESSION AT STATE MEETING

State Teachers Association Convenes

SPEAKERS ARE HEARD

Governor McMullen and Dr. Edward C. Elliott On Program

ber one, met yesterday at the Coli- start promptly at eight in room 208. seum for the first day of their annual convention. A large number of teachers were present, probably numbering more than 4,500.

The program was opened with selections by the Lincoln High School orchestra and chorus. The morning talks were made by governor Adam and teacher; Cameron T. Beck, personnell director of the New York Stock exchange; and M. C. Lefler, superintendent of the Lincoln schools.

Dallas Lore Sharp Speaks

chief priest said, 'What shall I do go over the \$2000 goal. with this child?' and they all cried, 'Classify him. Classify him', and he was turned over for measurement tests." In his talk, Mr. Sharp pleaded throughout for the doing away with intelligence tests and other forms of standardizing the school child. "You can't reduce human nature to any set of figures."

"Has education been reduced to beginning with a semi-colon and ending with a period?"

Criticizes Intelligence Tests He spoke of the increase in school facilities since he had acquired his up." learning. He asked if the children of today were any better educated in a three million dollar schoolhouse their moron machines."

He recalled only five days in educa tion which had had any permanent drive as they have in preceding years, effect on his life.
