U. S. NAVY BAND CONCERT DRAWS LARGE CROWDS

First Appearance of These Musicians in Lincoln Well Received

PLAY THE CORNHUSKER

Program of Nine Selections Includes Patriotic and Popular Songs

BY BETTY FRADENBURG

More than four thousand persons attended the concert given Saturday evening in the Coliseum by the United States Navy Band. The band is under the direction of Lieutenant Charles Benter. This is the first opportunity the students of the University and the people of Lincoln have had to hear these celebrated musicians. It is hoped that the success of this enterprise will encourage others of a like nature.

The program consisted of nine selections, to which were added many encores. Patriotic and popular numbers were especially well received by the audience. The first number was the overture from the opera "Oberon" by Weber. The encores were "Gate City", a medley of old favorites, and "When the Red, Red Robin Comes Bob-bob-bobbin' Along."

Soldier's Eyes
The second was "A Soldier's Dream", by Rogers, a descriptive piece representing a complete cycle of a soldier's day. The encores were "The Rosary", by Nevin, and "Dry Those Tears", by Del Riego. The band next offered "Invitation to Dance", by Weber-Weingartner. After this the band played "The Cornhusker and the audience joined in singing.

The fourth selection, "In a Chinese Temple Garden", brings to the hearers the incantation of the priests in the temple, the perfume of incense in the air, a Manchou wedding procession passing noisily by, and then the lovers song, amid the singing of birds.

Jazz Band
Next came "A few minutes with the United States Navy 'Jazz' Band", which furnishes music for official society in most of the leading hotels and ball-rooms of Washington. The jazz band played "Blue Bonnet", "Ting-a-Ling", "Say it Again", and "I'd Climb the Highest Mountain". These were all enthusiastically received.

Elgar's Grand March, "Pomp and Circumstance" was the next selection. As an encore, a request number was played, "Hail to the Chief and National Emblem." This was followed by excerpts from the Operetta "The Student Prince", by Romberg. This presents very strikingly the modern trend of joy and laughter in music, and has proved extraordinarily successful. The encores were "Valencia," and "By the Waters of Minnetonka," by Lieurance, a Nebraska composer of note.

L. J. Goucher presented two xylophone solos, "Fantasia on Irish and Scotch Melodies," a medley of songs, reels, jigs and hornpipes, and "Xylophonia". The ninth selection was the Baccanale from the Opera "Sampson and Delilah," by Saint-Saens, who is especially noted for his marvellous technique. The last number was a rhapsody, "Norwegian, No. 1," by Lalo. The concert was concluded by "The Star-Spangled Banner."

TRACK MEET TO CLOSE MONDAY

Interfraternity Title Now Between Sig Eps and Theta Chis

Sig Eps and Theta Chis will battle for the interfraternity track and field championship at the stadium tomorrow if the weather permits. The Sig Eps have a point and a third lead with the discus throw and javelin throw yet to be held. Both events will be held the first warm day this week.

Theta Chi is basing its hope for winning the meet on "Chief" Elkins who has already won sixteen points for them, by winning the broad jump high jump, shot put, and taking fourth in the low hurdles. He is reported to be good at both the discus and javelin.

The Sig Eps are basing their biggest hopes on Hann who placed well in both the discus and javelin throws in the Varsity-freshman meet recently. The two remaining events will be held Monday if the day is warm.

Accept Endowed School
John Hopkins University has accepted the Walter Hines Page School of International Relations which is endowed with one million dollars.

Directory Sale Will Start on November 15

The Y. M. C. A. Student and Faculty Directory will go on sale Monday, November 15. The printers have finished two sections of the book and the other three sections will be off the press by Wednesday. The delay, due to the Telephone Company's checking, has been unavoidable. It has deprived the students and faculty of some two weeks use of the book, but it will increase the accuracy.

CARNIVAL DANCE CHOSEN AS NAME

Old Military Carnival Plan Changed; Have Booths Only As Sideline

"Dancing will be the main entertainment feature of this year's Military Carnival," stated Jack Boyer, general chairman, last evening, "and for that reason we have changed the name to the Military Carnival Dance. We intend to provide enough booths and entertainment to introduce the carnival idea, but only as an atmosphere-producing sideline."

The committees in charge of the Military Carnival Dance are making plans to entertain the largest crowd in the history of the event. The facilities for staging the Carnival are for the first time adequate—the new Coliseum being many times larger than the old Armory where previous Military Carnivals have been held. It is believed that the student body and the public in general will take an increased interest in the affair for this reason.

Cheerleaders Play
The music will be provided by The Cheerleaders, a student orchestra that is rapidly coming to the front. The Cheerleaders have played for Varsity Dances, the Bizad banquet, and recent dances.

Tickets are now being sold by representatives of the fraternities and sororities. The general committee has announced, however, that tickets will be available at the door the night of the Carnival Dance. The admission charge is fifty cents a person. All who possibly can do so are urged to purchase their tickets in advance.

Although there are a large number of parties scheduled for November 13, the date of the Carnival, many students have indicated their intention of attending the Carnival Dance for at least part of the evening, and the committee would be pleased if as many students as possible can do so would carry out a similar program for the evening.

JOHNSON IS FIRST IN TRACK TRYOUTS

Gets Place on Cross-Country Team For Rest of Season; Frink Comes in Second

Glen Johnson won in the tryouts for sixth place on the cross-country team for the remaining meets of the season. The run was held over the regular five mile course Friday afternoon. Frink took second and Diederichs, who ran in the last two meets, was third.

Johnson stepped the course in 27 minutes, 41 seconds. Frink will run in the dual meet with Kaggies here Saturday or in the Valley meet in case anything happens to any of the regular squad composed of Captain Hays, McCartney, Chadderton, Sprague, and Reller.

About fifteen candidates started the run Friday. Cummings led over the early part of the course but could not stand the pace. He finished fourth. Dexter, running his first tryout, finished an easy fifth.

Daily Nebraskan Inquiring Reporter

Every day he asks a question of different students picked at random on the campus.
Today's Question: Do you find ten minutes adequate time between classes?
Pauline Bilon, A. S., '29, Columbus. "I don't think it is enough time; one needs a little recreation between classes."
Mrs. C. D. Elliot, T. C., '29, Lincoln. "I don't think it is enough time! Especially when I have to cross the campus, and when the instructor holds the class over time."
J. T. Cox, A. S., '29, Howe. "I find it is plenty of time for me."
Grace Hemphill, T. C., '27, Bethany. "For some of my classes I find it is plenty, but I have some when it isn't near enough."
Georgia Pyne, A. S., '28, St. Paul. "I think it usually is, unless you want to stop and talk."
Elmer Coats, A. S., '30, North Platte. "I find that ten minutes is plenty of time to get between my classes."

Here is the football squad from which Coach C. B. Bachman of the Kansas Aggies has developed one of the greatest gridiron teams in the Missouri Valley conference. FINANCE DRIVE IS CONTINUED

Y. M. C. A. Campaign Includes Interviews With All Men in School

The Y. M. C. A. finance drive will be prolonged until every man in school has been interviewed, and it is probable that a short drive will be held next spring, according to word received from the Y. M. C. A. office Saturday. Subscriptions have been received from 260 men, with a total of \$594. C. D. Hayes, general secretary, declared that fully one third of the 3,500 men in school have not been interviewed.

The captains and teams have been working since the official close of the drive, Wednesday evening, in an attempt to get over the entire list before the end of the week. But due to the inability of the office to get a list of the correct addresses of the men in school, this work has been held up considerably. The incorrect cards are being re-addressed and given back to the teams, and in a few days the complete list will have been canvassed.

\$2,000 Goal
The opinion expressed in the Y. M. C. A. office is that in a school of 3,500 men, a goal of \$2,000 is not too high. And that since the 260 men who have subscribed so far have contributed \$594, the goal does not seem out of proportion.

The general Y. M. C. A. secretary from Kansas Aggie university, who was visiting in Lincoln Saturday, stated that with a smaller school than Nebraska, their campaign averages \$1,500 every year.

TWO SENIOR TRACK MANAGERS CHOSEN

Ames and Wilson Both Advanced Because of Good Work in Junior Year

Herbert Gish, acting athletic director, announced that Wendell Ames, '27, University Place, and Allen Wilson, '27, Nebraska City, junior track managers last year, will both be advanced to senior track manager this year.

Gish stated that a dual senior track manager system would be used this year, but that it had not been determined yet exactly how it would be worked out. One of the two junior managers is supposed to be made senior manager, but the work of Ames and Wilson as junior managers was considered so excellent by the coaching staff and athletic board that it would be unfair to eliminate either.

Both men will receive letters and all other privileges generally accorded to the senior track manager. Details as to the new system will be announced later.

Dorothy Nott In Charge Of Next Vesper Service

The Inter-Racial committee on the Y. W. C. A. cabinet of which Dorothy Nott is chairman will have charge of the Vesper service Tuesday. Dorothy Nott will lead and also give a short talk on the history of the committee on the campus of the University of Nebraska. Margaret Peterson will speak on "What the Work on the Inter-Racial Group has Meant to Me" and Cleopatra Ross will speak on the "Problems of the Colored Girls". Special music has been arranged.

Thursday Is Deadline For Luncheon Tickets

Tickets for the Girls' Cornhusker Luncheon to be held Saturday noon at the Coliseum must be bought before Thursday evening, according to Helen Aach, general chairman.
The members of Myrtle Fish are in charge of the ticket sale, with Ruth Barker and Grace Elizabeth Evans as general chairmen. Irene Bailey is chairman of the sale on the Agricultural College campus. Tickets are also on sale at Long's Bookstore, and are selling for 75 cents.

WOMEN'S DRIVE IS CONTINUED

Y. W. C. A. Goal Lacks \$1,000; Eloise MacAhan Urges Interviewing

One thousand dollars more and the Y. W. C. A. Drive will have reached its goal. On Saturday noon the total of the receipts was almost \$800, of which about \$130 were turned in since Friday morning.

After the team luncheon Monday noon, the campus will be thrown open so that the workers may ask any girl they wish to. Girls who have not contributed or who have not been approached by a team member will be interviewed at this time. One girl in each sorority will be appointed to see the girls in her house who have not been visited by a team worker. Both open soliciting and the finance drive will come to an end at 12 o'clock Tuesday. Whether or not the goal is reached will be announced at Vespers on the same day.

Not Responding
"The campus is not responding as it should," said Eloise MacAhan, chairman of the Y. W. C. A. Finance Drive. "There are a large number of girls yet to be seen, and it is very necessary that they be interviewed if the remainder of the \$1800 is to be raised."

One hundred and five dollars has been brought in by the efforts of the girls on Helen Clark's team. This eleven is easily the first among the fourteen, their total exceeding the sum collected by the second team by \$40.

The luncheon Monday noon will be the last gathering of the teams before the end of the drive. "Pep" speeches will be given and songs will be sung.

ATTENDANCE LARGE AT BIZAD BANQUET

Dean LeRossignol Presides During Dinner; Chancellor Avery Discusses Honesty

One hundred and thirty-five members of the College of Business Administration attended the annual Bizad banquet Friday evening at the Chamber of Commerce.

Dean James E. LeRossignol was toastmaster. The first speaker on the toast list was Chancellor Samuel Avery who chose honesty as his topic. Chancellor Avery mentioned the fact that the College of Business Administration is now organized to give the students broad cultural training as well as the more technical business training.

Prof. F. C. Blood, who came this year from Wisconsin, and Prof. K. M. Arndt, another new instructor, spoke briefly. President Mildred Marlow of the Girls' Commercial Club, and John Shepard, president of the Boys' Commercial Club, concluded the speakers' list. Dean Amanda Heppner and Dean G. R. Chatburn were introduced. Dancing followed the banquet. Henry Lucas was in charge of the arrangements.

Dr. Jones To Be Back For Second Semester

Dr. Guernsey Jones of the department of history, expects to return to his work at the University at the beginning of the second semester after a leave of absence due to illness.

In a recent letter from the East, where he is receiving special medical treatment, Dr. Jones states that his condition is greatly improved.

GREEKS SHOULD DECORATE SOON

Judging Will Start Friday Evening; Lighting Effects Urged

With only five days left for fraternities and sororities to decorate their houses for homecoming, many of the Greek letter organizations are busy making preparations to try for the prize trophy given to the winning fraternity and sorority.

The judging takes place Friday evening, at 7 o'clock when the committee, with Dwight Frish as chairman, will visit the competing houses and make a decision late that evening. Announcement of the winners will be made in the Sunday edition of The Daily Nebraskan.

Outside Decorations
Only outside decorations will be judged, and the committee in charge urges the use of lighting effects when possible. Lights should be turned on by 6:30 o'clock Friday evening. The decisions will be judged fifty percent on artistic appearance, twenty-five percent on originality, and twenty-five percent on execution.

The prize trophies were presented last year to Sigma Phi Epsilon and Alpha Delta Theta. These organizations now hold the prizes and will relinquish them to this year's winners. The winners names are engraved on the trophies each year, and when one organization wins the cup three times, it becomes the property of that organization.

These trophies were donated by Fenton B. Fleming, Lincoln jeweler, last year, and are prizes well worth trying for.

Silver Serpents Have Luncheon Saturday

Forty women were entertained at the luncheon given for last year's Silver Serpents by the present chapter, Saturday at the home of Geraldine Fleming, 2670 Washington. The decorations were in green and silver and the dolls given as favors carried out this color scheme.

The guests were entertained with a skit by the members of the committee for the luncheon: Helen Eastman, Ruth French and Helen Clarke. Between courses Kate Goldstein gave several readings and musical numbers.

YEARLINGS WIN 23-15 FROM KAGS

Sloan, Elkins, and McBride Shine for Cornhusker First-Year Men

GAME CLOSELY FOUGHT
Nebraskans Run Wild in Last Periods; Overcome an Early Lead

BY DOUGLAS TIMMERMAN

The Nebraska freshmen won a fiercely contested game from the Kansas Aggie yearling eleven 23 to 15, Saturday afternoon in the Memorial Stadium. Prospects for future Cornhusker material were promising, causing Nebraska followers great satisfaction. Ideal weather conditions greeted the contestants in their mutual initial appearance.

Individual play on both teams was impressive. In the Kaggie lineup, Russell took the honors with steady defensive work, and with his accurate passing. Fletcher confirmed early reports by getting away for several brilliant open-field runs. He took a 16-yard pass from Russell for the first touchdown. Towler's line plunging accounted for most of the Aggie's gains through the line.

Intercepted Passes

Elkins and Sloan played a fine game for the Nebraska youngsters. Both returned intercepted Kaggie passes for touchdowns. McBride's driving line plays always pushed the ball goalward, while his line backing on the defensive was exceptional. Farley steadied the line with his consistent tackling. Line players possessed no individual performers, although Morgan, playing left end for Nebraska, handled his work with skill.

The first quarter was scoreless. McBride won the toss and Elkins started proceedings by kicking 60 yards to Russell, who returned to his own 20-yard line. The Nebraska line held and Towler punted 30 yards to Witte. He returned 7 to the Kansas 48-yard line. McBride took the ball on the next play for 22 yards to the Ag 21-line. The teams exchanged punts, with the honors divided between Towler and Elkins. The quarter ended with the pigskin in Nebraska's possession on their 48-yard line.

Downed Behind Goal

Early in the second quarter, Witte intercepted Towler's long pass on his 15-yard line. On a bad pass from center, he was downed behind his own goal for a safety for Kansas Ags and a two-point lead.

For awhile, the two point lead seemed destined to win the game, but soon Elkins took the ball to his 24-yard line on a long punt from Towler. The Ags received a 15-yard penalty for tackling out of bounds, then Elkins passed to Morgan for 6 yards.

FORUM TOPIC IS FRATERNITIES

Pro and Con Discussion To Be Presented by Rice And Rosborough

A pro and con discussion of fraternities and sororities will feature the World Forum program this week and next. J. M. Rosborough of the University School of Music, will defend fraternities this Wednesday and Prof. J. A. Rice of the classics department will present the case of those opposed to the fraternity system the following week.

The World Forum committee is making arrangements to take care of a larger attendance than usual, feeling that these discussions, bearing directly on an important student problem, will draw a large number both of members and non-members of Greek-letter organizations.

Lincoln Frost, Jr., chairman of the World Forum committee, says that the discussion is an adequate answer to critics of World Forum who last week contended that it was falling to deal with problems of student interest.

Good Speakers

Both Mr. Rosborough and Professor Rice are recognized as keen thinkers and good speakers. Mr. Rosborough is a member of Beta Theta Pi, and is able to present the affirmative side of the discussion from an inner knowledge of the workings of the fraternity system. Professor Rice is a former Rhodes Scholar, a graduate of Oxford University of England, and at present a member of the Rhodes Scholarship committee in this state. His public speaking ability needs no introduction to Nebraska students. He appeared before World Forum last spring, delivering one of the addresses in the series on Progress.
