

GRIDMEN FACE STRENUOUS TILT

Record of Meehan's Eleven Shows Eight Victories; Play Here Saturday

Perhaps the greatest test of strength they have met this season will be confronted by the Nebraska Cornhuskers next Saturday.

From the far eastern coast, is coming the New York University eleven, coached by the crafty "Chick" Meehan, whose Syracuse eleven twice beat the Cornhuskers. His N. Y. U. team has a record which shows eight straight victories, a list of victims which include such teams as Carnegie Tech, Fordham, Davis & Elkins, Tulane, Allegheny, Rutgers, Niagara, and West Virginia Wesleyan. The closest score on the Meehan record book is the 6-to-0 count which was registered over Carnegie Tech.

About the personage of "Smiling Jack" Connor, Meehan has developed his team. In the first seven games of the season, Connor has not been out of the thick of battle for a single minute. His generalship, his selection of plays, his ability to cover receivers for forward passes, has won him the reputation of perhaps the best quarterback in the east.

Team Centers Around Connor
Connor is regarded by Meehan as the keynote of his present team. The New York coach regards him as too valuable a man to be taken out of the game at any time.

But Connor is merely the field general. In Capt. Briante, Roberts and Strong, Meehan has a trio which has enabled him to develop the "Four Centaurs" who present a serious threat to the fondest gridiron hopes of the Cornhuskers. This combination can kick, pass, plunge, and play defense.

In the line, besides "TNT" Lassman, amateur boxing champion who holds a verdict over the Metropolitan A. A. U. champion, Meehan has "Iron Mike" Riordan and Earl Ashton at ends, John Miller at the second tackle position, John Bunyan and Dave Skudin at guards, and Dunn at center.

Almost the entire team is made up of sophomores, who have learned a lot of football since the start of the season and who give every promise of being able to give the Cornhuskers a few pointers in the Saturday game.

HUSKERS DRILL ON OFFENSIVE

Bearg Sends Men Through Hard Workout Before N. Y. U. Test

Running through their last hard scrimmage before the New York clash, the Huskers took the offensive yesterday in a series of line plunges against the freshman squad. Due to the sudden change in the weather, the squad practiced inside of the east stand of the stadium.

The daily preparation on schedule this week includes not only the tussle with Coach Meehan's easterners but also the Turkey Day clash with the Huskies at Washington. Immediately after the Saturday game the Bearmen must board the Burlington-Northern Pacific special train for the coast. Special arrangements have been made to allow two daily workouts throughout the trip.

Probable Lineup
From the brand of ball displayed in the Kansas Aggie game and the lineups in the scrimmages during the week, the starting list in the Saturday fray probably will have Lee and Weir or Lawson at the wing positions, Captain Stiner and Randells at tackle, McMullen and Holm at guard, James at center, Stephens at quarter, Pressnell and Howell at the halves, and Oehlich at fullback.

The advance sales on tickets for the New York game have already exceeded the early demand for the Homecoming fray. If weather con-

ditions, which were not very favorable yesterday, should brighten over the week-end, the largest crowd of the season will be on hand for the final home game on the 1926 schedule.

Huskers Will Meet Panthers At Pittsburg

A home-to-home agreement which calls for the appearance of the Huskers in Pittsburg November 12, 1927 has been definitely signed with the Panther authorities, announced Nebraska officials yesterday afternoon. The Pitt squad was willing to come here on a one-year contract, but this would have meant three intersectional games of first rank on the home field next season. The present agreement balances the 1927 and 1928 home program.

Syracuse has been scheduled to play in Lincoln next year, and New York is slated for the next Turkey Day game on the home field. The Thanksgiving bout has not yet been definitely settled, but arrangements will be made when the eastern officials arrive for the Saturday game.

The Huskers will play Missouri and the Kansas Aggies on their home fields next year. This means that three good games, Pittsburg, Missouri and Kansas Aggies, are already in view for the 1928 schedule.

CYCLONES TO MEET KAGGIES

Iowa State Men Play Kansas Before Tackling Southern Branch U. of C.

Ames, Iowa, Nov. 17—Special: Twenty-two Iowa State football huskies, California-bound, will leave Ames at 8 o'clock Thursday evening for Manhattan, Kansas, where they will meet the tough Kansas Aggies, before starting their 1800-mile trek to the Pacific coast which will culminate in the game with the University of California, Southern Branch, in the Los Angeles municipal stadium November 27.

Bill Klug, ill-starred Cyclone fullback who broke his leg in the first game of the season will make the trip with the Cardinal and Gold team. Al Holman, equally unfortunate halfback, who is in the college hospital with a broken arm received in the 13-to-7 homecoming victory over Drake, cannot be moved, as much as the Cyclone mentors would like to reward him for his seasons work. Because the fracture is beginning to knit, it would be dangerous for him to travel, according to the college doctors.

Schmidt Leaves for Scouting
Line Coach Henry Schmidt left the Cyclone stronghold Wednesday evening for the coast where he will scout the Southern Branch-California Tech game Saturday, joining Coach Workman and the Iowa State team at Tuscon, Arizona, next week.

After the battle with the Wildcats at Manhattan, which concludes their Conference schedule, the Cyclones will entrain for the coast, practicing Monday in El Paso, Texas, and working out Tuesday, Wednesday and Thursday of next week on the University of Arizona field in Tuscon. On Friday of next week the Cardinal and Gold warriors will get their first feel of California sod, working out in the municipal stadium in Los Angeles. In preparation

for the big inter-sectional game with the Bears.

Men Picked for Trip
The men that have been picked by the Cyclone mentors to make the trip to California are Captain Coe, Ernie Anderson, Myers and Johnson, ends; Kingery, Smith and Grimes, tackles; Ole Anderson, Thomas, Fischer and Roe, guards; Ayres and Toom, centers; Weiss and Baird, quarterbacks; Lindbloom, Hall, Miller and Bob Fisher, halfbacks; Lamson and Rudi fullbacks. The Cyclones will take Wilson, a fullback, Casey, tackle, and Lomax junior manager, to Manhattan, but they will not continue the trip to the Coast. The remainder of the Iowa State party will include Athletic Director T. N. Metcalf, Head Coach Workman, George Nelson, trainer, Dr. Henry R. McPhee, medical advisor, Norman E. Brown, student manager, and Klug.

HOME EC DIRECTOR OF PACKERS HERE

Miss Gudrun Carlson, of Chicago, Speaks to University Classes Monday and Tuesday

Miss Gudrun Carlson, director of Home Economics for the Institute of American Meat Packers, with headquarters at Chicago, spent Monday and Tuesday of this week at the University of Nebraska. Miss Carlson is a graduate of the University of Minnesota, and has been head of the Home Economics Department at the South Dakota Agricultural College and at Skidmore College, Saratoga, New York.

While in Lincoln, Miss Carlson spoke to several classes in the Foods and Nutrition Division. Monday morning she spoke to the Methods Class in Vocational Education on the "Selection of Meats". Tuesday morning she discussed the history of the packing industry, also the opportunity for Home Economics trained women in Commercial Work, emphasizing the necessity of qualification in training and experience. Tuesday afternoon, Miss Carlson assisted by Mr. Madden, president of the Lincoln Packing Company, gave a demonstration to Miss Elwell's class in Institutional Management on "Restaurant and Hotel Cuts of Meat", consideration being given to the economical uses of various cuts and grades of meat.

Before coming to Lincoln, Miss Carlson conferred with members of the Animal Husbandry Department, and the Foods and Nutrition Staff regarding co-operative experiments on factors influencing the palatability of meat.

GREEK'S INTEREST IS NOW WRESTLING

December 8, 9, and 10 Have Been Set Aside as Dates for First Meet

With the close of the Indoor-track and Cross-country meets, fraternities are now turning their interest upon wrestling, December 8, 9, and 10 have been set aside as the dates on which the Inter-fraternity Wrestling Meet will be held.

The facilities for this meet will eliminate much worry and red tape as experienced in the past years. It will be held in the Field House where three mats will be kept busy under the observation of as many coaches.

Coach Kellogg announces that the rules will be the same as in previous years in regard to eligibility and weights. The classes for this meet will be 108, 115, 125, 135, 145, 158, 175, pounds and heavy weight with a three pound margin on any weight.

Every fraternity is urged to enter men as competition is keen for varsity positions this year. The experience in this meet will be a great aid to candidates. With the help of Coach Swindel, Kellogg is running a large class through workouts every day from four to six and from seven-thirty until nine P. M. All new men should report to him that they may receive the best instruction.

Professor Colton Leaves School
Professor George H. Colton is missed from the classroom and science laboratory at Hiram College this fall. Last June Professor Colton finished his fifty-third year as a teacher in Hiram College and has retired. In addition to his regular teachings, Professor Colton served as college treasurer from 1885 to 1905.

New Rule at Northwestern
A new rule has been put into effect at Northwestern this fall governing the grades of fraternity men. Initiation privileges will be withdrawn from the fraternities in which a third of the members fall below the graduation requirement of one point for three consecutive semesters.

Student Life in Church is Freshman Council Topic

The Freshman Council will meet from 7 o'clock until 8 this evening in the Temple. The topic for discussion will be "What is the life of the student in the church?" Numerous other questions under this topic will be discussed. Among them are: What is the student attitude toward the church? Are these attitudes based on prejudice or upon facts? What difference would it make if the church went out of business? Is the need that the church seeks to supply among students an actual need? What changes are desirable in student attitude toward the church and in the churches attitude toward the student?

Several freshmen have inquired as to their eligibility to attend this council. Any student desiring to take part in these spirited discussions of lively campus issues is welcome to attend.

GREEKS OCCUPY ENTIRE STREET AT WISCONSIN

The last stand of the private residence against the "Greeks" of the lake shore side of Langdon street in Madison, the seat of the University of Wisconsin, is being conducted by J. H. Palmer of 126 Langdon street. Until last week, Mr. Palmer had the support of Mrs. Minnie Brown, at Langdon and Carroll streets, but on Friday the sale of the Brown residence to the Alpha Phi sorority for approximately \$100,000 was announced. Now all the lake shore side of Langdon streets is occupied by the lodges of Greek letter societies.

This is the season when everyone is thinking of how they can best remember friends and loved ones at home. There is nothing that will be more appreciated than a Townsend Photograph. They possess character and style that are representatives of the better things in photography. Arrange for your sitting now.—Adv.

COLONEL RUMORS ARE UNFOUNDED

(Continued from Page One.)
The formal opening. Music for the coming exclusive function will be by Charles Dornberger's Victor Recording Orchestra of Chicago which has been secured for the early December engagement at considerable expense.

Tickets Now On Sale
Tickets are now on sale at the usual price of \$3 and may be secured from fraternity representatives. Advanced course military men may also secure tickets at the Military Department. Twenty-five tickets have been placed on sale at the Student Activities office and fifty at Latsch Brothers for the convenience of Lincoln residents desiring to dance to the first Victor orchestra to play for a social function in Lincoln. Five hundred limited tickets are now on sale. The executive committee has selected the patrons and patronesses for the Military Ball and formal invitations will be mailed to the honored guests early next week.
