

### BASKET DRILL WELL STARTED

Four Teams Scrimmage Thursday Under Direction of Former Husker Player

Four quintets were tested in lengthy scrimmages yesterday afternoon in the search for varsity timber among the candidates who have been reporting for basketball practice which started in earnest this week. Individual work on defensive positions preceded the scrimmage.

The first team, made up of former lettermen, had Captain Smaha and Klepser at forwards, Elliot at center, and Gerelick and Anderson at the guards. The second group, which was composed of promising men from the freshman squad of last season, was showing the regulars stiff opposition. This team had Armstrong and Paulsen at forwards, Othmer at center, and Bernard and Krahl at guards.

In the second scrimmage a team composed of Roth and Benesh, Olson, and Horney and Gohde was opposing another group which had Marrow and Janulewicz at forwards, Peterson at center, and McIntyre and Nimmo at guards. Several promising players, many of them first-year men, have been discovered in the early season workouts. The abundance of good material and the keen competition for positions on the regular squad has resulted in very few of the lettermen being assured of permanent berths on the starting lineups.

The basketball season will open on the home court when the Kansas Aggies meet the Huskers here January 7. Assistant Coach Voltz, who has taken charge of the pre-season workouts, is directing the scrimmages while Coach Black is attending the annual Missouri Valley conference meeting which is being held at Des Moines.

### KANSAS CURTAILS ATHLETE POLITICS

Men Are Forbidden to Try Out for Any Team While Serving in a Student Office

Lawrence, Kan., Dec. 2.—The athletic coaching staff of the University of Kansas yesterday passed resolutions making any man ineligible to try out or participate on any freshman or varsity athletic team during the period that he is a candidate for or is serving in a student office.

The action was taken by the coaching staff in order to protect the interests of students both in and out of athletics and is an echo to the trouble caused in the fall election in which several football men were running for office but withdrew their candidacy after the Kansas-Kansas Aggie game.

The only exception to this rule is in case of the offices of student members of the athletic board where it is necessary that athletes be candidates. The rule went into effect November 30, but will not apply to athletes who already hold offices to which they were elected prior to that date.

### Payment of Pledges and Perpetuation Of Names Present Stadium Question

Work on the Nebraska Memorial Stadium is temporarily completed. The placing of the seals of the various Valley schools around the rim of the stadium and the completing touches on the doors and windows to give a finished appearance ends the work on the side sections. The two ends must still be erected, but the Nebraska Memorial Association is undecided as to the method.

The Association has sent out pamphlets requesting solution of a problem by the subscribers to the Memorial Fund. It was promised that the people who pledged support to the stadium and paid their pledges should have their names engraved somewhere on the walls as a lasting tribute for their help. All the pledges have not yet been paid up and are not due until next spring. Some of the subscribers have paid in full, and others have made payments. Some have not paid a cent, and these have caused some embarrassment for the Association, as they have gone ahead with the work and the money that should have been remitted did not come.

The Association has sent out the pamphlet to the subscribers in order to determine what the consensus of opinion on the matter is. The question as placed before the supporters is:

"Now then what shall be done about the placing of subscribers' names on the walls of the stadium? From the standpoint of expense and desirability of alphabetical arrangement, it seems out of the question to put up a partial list at one time and add to it at a later date. Hence the question on the following page."

1. April 24, 1927, is the final payment date on all outstanding pledges. Should the names of those paid in full be placed there on that date or as soon as possible afterwards?

2. Do you think the names of any subscribers should be placed there before their pledge is paid in full?

3. Is an individual who agreed to give \$25 and only pays \$5 or \$10 entitled to be known as a 'Stadium Builder' and accorded the same public recognition as those who pay in full?

4. What should be done as regards those who are behind in their payments? Do you think they should be advised of a final date after which no names will be added to the published list?

"Only complete and faithful performance of each promise will measure up to the Cornhusker standard of honor and in harmony with this the Association wishes to announce that as far as their records are concerned, no pledge will ever be cancelled because of long-standing delinquency."

The record of each stadium subscriber will be a permanent one." It is possible that if some other plan for perpetuating the names of the stadium subscribers is advanced, that may be done instead. However, there will first be a referendum of the subscribers to decide if it is acceptable. The original agreement of the Association will be carried through absolutely unless the majority thinks another method better.

### KANSAS BASKET RECORD STRONG

K. U. Tossers Have Won 72 Per Cent of Games in The Last Twenty-Eight Years

Lawrence, Kan., Dec. 2.—Kansas basketball teams have won 72 per cent of their contests.

In 28 years of basketball history on Mt. Oread, Kansas has scored more than 3,000 points more than its opponents.

In the past five years, Kansas has won all but five out of 43 conference games played.

With this record of the past, the K. U. basketball squad is settling down to training for the 1927 season, which opens Jan. 3 with a game against Creighton university at Omaha.

12 Games Are Specified

For five years, the K. U. team has played two games a season with all members of the Missouri Valley conference, but with the admission of Oklahoma A. & M. a year ago, and the consequent lengthening of the series of 18 games for a double round robin, the officers of the conference have decided that only a specified 12 games shall count this year in championship honors. The Kansas schedule, therefore, includes several contests that are not in the championship series.

Following is the Kansas schedule: Jan. 3 Creighton at Omaha (non-championship.) Jan. 4 Drake university at Des

Moines. (Non-championship.) Jan. 8 Washington university at St. Louis.

Jan. 12 Kansas City Athletic club, at Kansas City. (Non-championship.)

Jan. 15 Iowa State, at Lawrence. Jan. 19 Nebraska, at Lawrence. Jan. 29 Missouri at Columbia.

Feb. 1 Hillyards, at St. Joseph, Mo. (Non-championship.)

Feb. 9 Kansas State, at Manhattan. Feb. 12 Grinnell, at Grinnell. Feb. 14 Iowa State at Ames.

Feb. 18 Grinnell at Lawrence. Feb. 21 Washington university at Lawrence.

Feb. 26 Nebraska at Lincoln. Feb. 28 Kansas City Athletic club, at Kansas City. (Non-championship.)

Mar. 2 Missouri at Lawrence. Mar. 4 Kansas state at Lawrence. Mar. 8 Oklahoma (tentative) at Norman (Non-championship.)

The details of Kansas previous record, beginning in 1892, is as follows:

## Take this with you!

If you are an athlete you have been eating SHREDDED WHEAT regularly at the training table. If you've leaned more toward the studious side you have probably long since recognized the energy-value of Shredded Wheat to those of sedentary habits. But, in either case, don't let down on that good Shredded Wheat habit.

## SHREDDED WHEAT

provides all the BRAN, SALTS, PROTEINS, CARBOHYDRATES and VITAMINS of Nature's good whole wheat in digestible and palatable form. Its daily use will stimulate the entire system, clear up the complexion, and improve muscles and mind.

Shredded Wheat is as appetizing as it is nourishing. Two biscuits make a real meal—give strength and energy for the day, every day. Take this thought with you—

Make it a daily habit.

All fraternities wishing to compete for the two skins which are to be given must pay the entry fee of one dollar by noon on the day of the contest.

The 115, 125, 135, 145, 158, 175, and heavyweight classes will be contested. Three pounds over this weight will be allowed, however, at the weigh-in which will take place any time after 11 a. m. Wednesday.

Many fraternities have been taking advantage of the opportunity for instruction that is offered by the wrestling classes, and several varsity prospects have been discovered by the coaches among the men who are practicing for the event. Theta Chi, last year's champ, will present another strong team, but their position is far from secure as Alpha Gamma Rho, Mu Sigma, Delta Chi, and many others will present well-balanced teams.

Every fraternity should enter at

least one man in order to secure points for the athletic award which will be given at the end of the year.

A graduate of the College of Agriculture in Minnesota has been awarded the International Educational Fellowship.

Members of the freshman class have each purchased a chair in the auditorium at La Verne College.
