Journalism Day Celebrated At South Dakota

Vermillion, S. D.—Arrangements were completed today to provide a large motor coach to transport newspapermen from the closing session of the South Dakota Press association at Sioux Falls, February 18, to the University of South Dakota at Vermillion where they will be entertained at the second annual Gridiron banquet of Sigma Delta Chi, professional journalistic fraternity. The banquet is the chief feature of Journalism day, inaugurated at the university last year by the department of journalism.

Prof. J. A. Wright, head of the department of journalism, said today that the program for Journalism day this year would be curtailed necessarily, on account of lack of funds but indications at present lead him to believe that the attendance will be larger than last year.

Following the banquet the newspapermen will be entertained at the basketball game between State college and the university, a sports event which can always be counted upon as a major event in South Dakota. The editors will be asked to stay over until Saturday morning for an informal meeting and an inspection of the exhibits and the work that is being done in training students in journalism.

Over One Hundred Attend Banquet Sponsored By Cosmopolitan Club

About one hundred and fifteen students and faculty members attended the Student Friendship Banquet Friday evening. This international dinner was a unique occasion, and was such an outstanding success that it is hoped that it will become an annual event. It was sponsored by the Cosmopolitan Club and the University Y. M. C. A. and Y. W. C. A., and students of many nations and races, many American students and a number of the faculty gathered there to promote international friendship and to support the Student Friendship fund.

The menu was made up of dishes representing various nations and the tables were decorated with flags of the different countries. Following the dinner a Cosmopolitan program was given. Some selections of Filipino music were given by Jose Ancheta and Nicanor Ruelos, two Filipino students. Then Dr. E. L. Hinman, National Vice President of the Cosmopolitan Club, gave an address. "This is one of the most gracious and appealing scenes I have seen in many years," said Dr. Hinman, "and it speaks also in terms of promise for the years to come." He urged American students, particularly, to think of the true meaning and spirit of the Cosmopolitan Club and to realize that they could actually be better Americans if they were fully aware of and responsive to the vital something which each nation and race has to contribute to the rational order of human civilization, and he believes that one can best become this by meeting the culture and outlook of those of other races and nations in an effective contact.

A Czech dance was given by Clara Schuebel and Agnes Pospisil, Chen-Shih Yuan read several Chinese poems, and a group of popular Russian songs were given by Anatole Mozer and Joseph Sorokin which were especially pleasing. One of the most popular features of the program was a number of negro spirituals sung by Cleopatra Ross and Thelma Hammond. Kenneth Hattori, a Japanese student, gave a short talk pointing out some of the ways in which students can come to understand each other better, and live as truer cosmopolitans. Dorothy Thomas talked on "Student Friendship", telling something of the Student Friendship Fund and the activities it sponsors. The program closed with a group of Cosmopolitan Club songs, by four students representing different nations; Chen-Shih Yuan, Sylvia Stianst, Cleopatra Ross and Nicanor Ruelos.

Dorothy Thomas was head of the general arrangement committee for the dinner, Alma Selk arranged and presided over the program, members of the Cosmopolitan Club prepared the dinner, which was served by a committee headed by Mabel Doremus, and Dorothy Nott had charge of the ticket sales.

PLANS DISCUSSED BY FARMERS FAIR BOARD

Major Committees Will Be Named Soon; New Ideas For Parade Suggested

The appointment of committees and discussion of new plans were considered at the last Farmers' Fair Board meeting at the College of Agriculture campus.

Some of the major committees were named but their membership has not been made public. This work will take some time because careful consideration of each committee member must be made, according to a statement by L. L. Wilson, '27, manager of the board.

A new idea has been approved for the parade. The plan is to feature a central idea instead of representing as many ideas as there are floats as has been the case in the past. The board also plans to feature the educational part of the Fair this year and is working on plans to use the new activities building to the best advantage in this.

The Farmers Fair is staged by the students of the college of agriculture for the purpose of advertising the College, the University of Nebraska, and to develop leadership among the students. It is actively managed by a board of six members elected by the student body from the junior class.

The present board consists of L. L. Wilson, '27, Lincoln, manager; (Continued on Page Two.)

Phi Beta Pi Fraternity Zoning Ordinance Case To The District Court

A brief, filed Friday with the clerk of the supreme court, by attorneys for Alpha Alpha chapter of Phi Beta Pi fraternity, of the University Medical College at Omaha, with reference to a zoning ordinance, will be argued in Supreme Court Tuesday. The case has been appealed from the District Court. The fraternity asserts that the attempt to exclude the members of the fraternity from their home at Thirty-sixth and Dewey streets, Omaha, is without lawful support.

The chapter further claims that any attempt to eject them from their home would be encroaching on their constitutional rights of real property ownership, and that any injured "aesthetic" sense of the neighbors is not sufficient reason to exclude the fraternity from its home.

KAPPA SIGS WIN INDOOR TRACK CHAMPIONSHIP

Acacia And Theta Chi Run Second And Third in Fifth Annual Inter-frat Meet

ELKINS LEADS IN SCORING

Five Records Fall; Two Broken By Freshmen; Trumble and Keiss Tie For Mark

Kappa Sigma with 16,815 points, Acacia with 16,354, and Theta Chi with 15,876, finished first, second, and third in the fifth annual University of Nebraska indoor track and field meet which was brought to a close on the stadium indoor track Saturday afternoon after a week's competition.

Five records were broken in the meet in which more than 350 non-varsity track and field athletes took part, the largest number yet running in the meet. Henry F. Schulte, head track coach, expressed himself Saturday as well pleased with the meet both in respect to quality and number of men competing.

High point honors went to "Chief" Elkins, Theta Chi, whose 5,631 points were a big factor in putting Theta Chi into third place. Joe Weir, Acacia, nosed out Harold Trumble, Beta hurdler, for second high score, 4,655 to 4,640, a bare margin of fifteen points.

Kappa Sigma took the lead for the first time Friday when Lowe and Easter took first and second in the 440. They trailed the leaders the first part of the week, running along in fourth and fifth until Thursday when they swept into a close second. They were never headed thereafter, easily holding their Friday lead through Saturday's competition. Sigma Nu, which led the first half of the week fell to fifth place in the final standings with Farm House moving into fourth place.

Two of the five records broken were shattered by freshmen. Keiss and Trumble, former high school competitors and state high school record holders, shared a joint triumph Saturday when they tied for a new 50 yard high hurdle mark of 6.7 seconds. The old record was 6.8 seconds. Sneath, Phi Delat freshman, not only won both the 660 and the 880 but set a new 660 record of 1:29. Dexter, Theta Chi, also finished ahead of the old speed mark of 1:30.

New records were also set by Chadderdon, Lowe, and Ashburn. (Continued on Page Four.)

VALENTINE PARTY NEXT

The Varsity party Saturday night will be held in the Armory, as in past years, due to the inability of the committee in charge to secure the Coliseum, where the later dances have been held.

Two games on the basketball schedule take place shortly, before and after the scheduled date of the mixer. University authorities were unwilling to make the large expenditure necessary to clear the floor for the party to replace the seats for the following game and get the floor in shape. It is possible, also, that no further varsity dances will be held until after March 15, because of the conflicts with basket ball games and the state tournament.

A Valentine's Day motive will be featured in all plans for the coming dance. Simple decorations are being planned using hearts in carrying out the theme. Hearts will also be used in all publicity for the party, as well as in the entertainment during intermission at the mixer. Refreshments will be served throughout the evening, and according to present plans, punch and wafer will be served.

Clyde Davis and his Seranaders, from the Cornhusker hotel will furnish the music for the party. An orchestra stand, profusely decorated with hearts, will be placed at the middle of the north side of the floor.

Dr. Westwater has been an instructor in the Chemistry Department at the University for two years. All interested are invited to attend.

All young men interested in literature are invited to attend this meeting. These papers include the autobiographical sketch of the writer, George R. Gissing, who is celebrated for his work. The reading will be preceded by a discussion by Professor Fling on several volumes from his personal library.

WILLIAM PAWL HURT IN ACCIDENT SATURDAY

John William Pawl, '29, Lincoln, was injured Saturday afternoon at the Temple Theater when a drop became loosened from the loft and fell to the Temple stage during the shifting of scenes in the play Robinhood which was being given for the Children's Theater.

Pawl was acting as a property man when the drop fell, striking him at the base of his skull. He was unconscious for ten minutes but recovered sufficiently to portray the role of Little John in the third act of the play.

According to Mr. Sumption, stage manager for the University Players, the rope holding the drop had been fastened to a nail which became loosened during the hoisting of drapes used for the second act.

NEBRASKA CADETS MAY GO TO OMAHA

War Department Orders Provide For Training Camp At Fort Crook During The Summer

Possibilities of Nebraska's R. O. T. C. juniors being sent to Fort Crook, Omaha, instead of Fort Snelling, Minnesota, for their summer training developed yesterday.

Orders establishing a military training camp from June 15 to September 1 of each year at Fort Crook have been issued by the War Department. Thirteen hundred men are to be trained this summer, this number representing R. O. T. C. and Citizens Military Training Corps.

Early reports from Captain J. B. Harvey of Fort Crook were that the Creighton and Nebraska R. O. T. C. units would not hold their summer camps there but no definite announcement has been made. Captain Harvey stated that the unit at the University of Missouri would probably be trained at Fort Crook.

Decreased appropriations have been responsible for rumors current throughout the year to the effect that R. O. T. C. juniors would be trained in their home states hereafter.

CORNHUSKERS BREAK EVEN ON SERIES IN SOUTH

Charlie Black's Huskers Win From Sooners But Drop Game to Aggies

Aggies Intercept Many of Tips And Gain Offensive; Nebraska on Defense

In the Cornhusker invasion of Oklahoma, Coach Charlie Black's Husker cagers took the count of the Sooners at Norman on Friday 39 to 27 and on Saturday night the Nebraska basketball team journeyed to Stillwater where they dropped a conference game to the Oklahoma Aggies 27 to 24. Both games will be counted in the official Missouri Valley standing which leaves the Nebraskans in the 500 class with three wins and three defeats.

Stillwater, Oklahoma, February 5. (Special to the Daily Nebraskan).—Formerly establishing their role as a thorn in the sides of erstwhile Missouri Valley cage champions, Oklahoma A. & M. College Farmer quintet overcame the University of Nebraska's powerful five here tonight after an intense and bitter fight to win 27 to 24.

The game marked the second starting upset in Missouri Valley basketball circles by the Oklahoma Aggies. Friday night the previously undefeated Kansas Aggies bowed to the Farmers from Stillwater for their first taste of defeat in the race for Valley honors. On Friday night the Oklahoma Sooners also received their first set back for the Valley flag at the hands of Coach Charlie Black's Husker cagers.

The success of the game was that the Stillwater Aggies found Page, the elongated Nebraska center could tip the ball into their hands as well as the hands of the waiting Nebraska forwards. Success in combatting the tall Husker center who lead the Cornhusker's attack in Nebraska's victory over the University of Oklahoma Friday was the key to the Aggie victory.

Although Page easily outjumped Collins, Aggie center the Aggie players intercepted many of the tips to gain the offensive and keep the Nebraska team on the defense. Page, who snagged six field goals at Norman the night before was able to annex one lone tally from the field. Captain Gordon Perry, Aggie ace led his teammates for high point man of the evening with 12 points scored on six field goals and one gift shot for a total of 13 points.

The remarkable floor work as in the Kansas Aggie game Friday was the heart of the Aggie play. Statton, Orange and Black guard played a spectacular brand of ball for the victorious Aggie aggregation.

Norman, Okla., Feb. 4.—(Special to the Daily Nebraskan)—Ted Page, six feet four inches tall and every one of those inches real basketball player, almost single-handedly dropped Oklahoma out of the Missouri Valley cage leadership, this afternoon. (Continued on Page Four.)
