

# NEBRASKA LOSES TO AMES SQUAD

Iowa State Wrestlers Score 21-to-0 Victory in Dual Meet Here Friday

The Iowa State wrestling team came to Lincoln undefeated, met the Husker grapplers, and returned to Ames still undefeated, scoring a clean sweep over the Nebraska wrestling team 21 to 0 in the dual meet at the Coliseum Friday night. The Cyclones won every match by a time decision, the Nebraska team losing none of the matches by falls.

The Carpenter-Kurtz match in the 125-pound class was the feature of the evening. Carpenter was making his initial varsity appearance and Kurtz is a veteran in the wrestling game and a former Missouri Valley champion. The Iowa State man went behind in the opening minutes with a body scissors and inside wristlock, thereby gaining the time advantage to win the match. After four minutes of wrestling, Carpenter came out and clamped a body scissors and half nelson on his opponent, but the lack of experience played a big part at this juncture and the match ended with the Cyclone grappler holding the time advantage.

The 145-pound match started off like a whirlwind with Grooms the Ames wrestler throwing a backward flip with Captain Brannigan on his back. Several times the Nebraska captain was thrown to the mat in like manner before the Cyclone wrestler could break Brannigan's hold.

The heavyweight matches were both won with substantial time advantages, Captain "Pickles" Lawrence winning his match from Lundy, the Nebraska light heavyweight with an 8 minute and 21 second decision. In the heavyweight class, Anderson, who had a large weight margin on "Chief" Davis, the Nebraska heavy, took his match with a decision of 4 minutes and 48 seconds.

Summary of the meet:  
115-pound class—Higgins, Ames, defeated Kish, Nebraska, by decision with a time advantage of 4 minutes 45 seconds.

125-pound class—Kurtz, Ames, defeated Carpenter, Nebraska by decision with a time advantage of 5 minutes 30 seconds.

135-pound class—Beach, Ames, defeated Luff, Nebraska by decision with a time advantage of 7 minutes 19 seconds.

145-pound class—Grooms, Ames, defeated Captain Brannigan, Nebraska by decision with a time advantage of 5 minutes 4 seconds.

158-pound class—Wolf, Ames, defeated Toman Nebraska by decision with time advantage of 1 minute 42 seconds.

175-pound class—Captain Lawrence, Ames defeated Lundy, Nebraska by decision with time advantage of 8 minutes 22 seconds.

Heavyweight class—Anderson, Ames defeated Davis, Nebraska by decision with time advantage of 4 minutes 48 seconds.

Referee—O. B. Anderson, Lincoln.

## NEBRASKA R. O. T. C. TO GO TO FORT CROOK

Nebraska students taking the advanced R. O. T. C. work will probably receive their summer training at Fort Crook, near Omaha, instead of at Fort Snelling, Minnesota, as in past years, according to word received by the military department. A decrease in federal appropriations for such work is said to have made the change necessary.

## PROF. COCHRAN SPEAKS ON GEORGE WASHINGTON

Prof. R. E. Cochran of the department of history will address the Masonic bodies of York February 22 on "George Washington—The Man, Statesman, and Warrior." He will also speak on Washington at an assembly of the students of the Twenty-sixth and O streets junior high school in Lincoln February 19.

# IN THE VALLEY

By JACK ELLIOTT

Again the dope in Valley basketball circles was upset when the Missouri Tigers walloped the Oklahoma Aggies at Columbia Friday night 46 to 29. The Aggies were slated to take the Tigers into camp, but Yunker, Missouri forward spoiled all the hopes of the Oklahoma Farmers and cinched the game for the Missouri five by sinking ten baskets for a total of 20 points. Yunker was in fifth place for high scoring honors in the Valley, but the rampage of baskets in the Missouri-Aggie game sent him up into first place ahead of Elliott, the Ames scoring ace, who has been leading the scorers all season. Nebraska fans will get to see this Missouri player in action Monday night when the Nebraska basketball team meets the Tigers on the Coliseum floor.

The Oklahoma Sooners had little trouble in taking a game from the Washington Bears at St. Louis Friday night, winning 46 to 25. Drake the Sooner forward and Holt, Sooner center scored 29 points for the victors. Drake the flashy forward on the Oklahoma team is one of the high scorers in the Valley and is considered a dangerous man on a time shot.

Drake athletic authorities have signed a contract with Notre Dame whereby the Drake football team will meet the Notre Dame eleven next year and for the next three seasons following. The four year contract will be opened at Des Moines next year and the Bulldogs will play in South Bend in 1928 and 1930.

John Bunn, baseball coach at the University of Kansas has 25 candidates out for the first spring baseball practice. Bunn does not expect to take his squad outside until after March 1, until then the squad is working out under the stadium. The Kansas coach has seven letter-men back and prospects for a winning team are good.

Nebraska is not to have a team on the diamond this year and it seems as if something were lacking in the field of college sports, when a University as large as Nebraska cannot put out a varsity baseball team. The N club has been fostering a petition for some time but evidently the student body and the athletic authorities do not care for the great American pastime.

The Kansas Jayhawkers will journey to Ames Monday where they clash with the Iowa State five. The Jayhawkers have come back after their long early season slump, but we are making no predictions on the game. Valley dope is a thing of the past in these days of fast, undecided basketball games. "Old Man Dope and his bucket" have been put on the shelf long ago, but the chance of the Ames five lies in their superior speed and fight, as the Kansas team has a quintet of six footers, three of them all-valley players of last year, while the Cyclones will be minus the services of Captain Miller, and Wagner the tall Iowa State center.

The Iowa State wrestling team reputed to be the best in the Missouri Valley and also never to have been beaten by Nebraska ran true to form Friday night when they met the Nebraska grapplers in the Coliseum, taking the meet 21 to 0. Fans are prone to think that reputation alone beat the Huskers, but it must be granted that the Cyclones had a fast aggressive aggregation. Although Nebraska never lost a match on a fall, the Ames men would stay behind almost from the start. Perhaps if the Cyclones had Kansas, Oklahoma, or Missouri written on their sweaters the Nebraska score would have been higher.

Courses in beginning psychology in teachers college are filled to overflowing this semester. There were over one hundred students in each of three sections, necessitating the formation of a new section.

# GREEK BOWLERS CONTINUE TOURNEY

Phi Kappa, Sigma Phi Epsilon, and Pi Kappa Alpha Win Matches in First Round Play

Friday Results  
Phi Kappa, 1821; Phi Sigma Kappa, 1813.  
Sigma Phi Epsilon, 2099; Theta Chi, 1859.  
Pi Kappa Alpha, 2145; Mu Sigma, 2108.  
Phi Delta Theta—bye.  
Kappa Phi—bye.

Pairings For Second Round  
Sigma Nu vs. Sigma Phi Epsilon.  
Kappa Sigma vs. Pi Kappa Alpha.  
Phi Kappa vs. Pi Kappa Phi.  
Xi Psi Phi vs. Phi Delta Theta.

With the first round of the annual interfraternity bowling tourney over it will rest until the time for the second round is announced. All the games Friday afternoon were very close, as were the games Thursday evening. The first three games were run off Thursday evening at the Saratoga Bowling alleys and the rest of the first round were finished Friday afternoon.

The Phi Kappas won their game by a very small margin, only a difference of 8 pins, and winning only one of their two games, but the margin made in the first game helped them to attain their lead. The Phi Sigs accounted for themselves very well but made a poor start. The Mu Sigma K. A. score was close but not as close as the P. K.-Phi Sig game. The other game, the Sig Ep and Theta Chi game was won by the Sig Eps, who held a decided advantage throughout the match.

Six Teams Eliminated  
There are six teams eliminated thus far. They are the Beta Theta Pi, the Zeta Beta Taus, the Delta Upsilon, the Phi Sigs, the Theta Chi, and the Mu Sigs.

In the games in which these teams were eliminated the highest individual score was made by the Kappa Sigs who defeated the D. Us. The score was 900 pins for the game. Krall, Kappa Sig, was the high individual scorer of Thursday's contests and his score of 609 pins was not broken Friday. The team making the highest individual score Friday was the Mu Sigs with 792 pins.

The tournament will probably be continued next Thursday and Friday evenings but this is as yet uncertain. Some teams who may wish can have their games whenever they are arranged for at the Saratoga alleys.

The individual scores for the games Friday are as follows:

Team	1st	2nd	3rd	Total
Phi Sigma Kappa	102	133	139	374
Folman	134	135	106	375
Burkhart	71	213	165	447
Wilson	97	85	105	287
Roberts	125	101	104	330
King	529	667	617	1813

# BEARG HOLDS FIRST PRACTICE

Nearly Fifty Candidates Out For Initial Workout of Spring Season

PLENTY NEW MATERIAL

Approximately fifty scarlet-jerseyed Cornhuskers turned out for the first spring practice of the 1927 season Friday afternoon. A warm day greeted the assemblage, making it possible for Coach Bearg and Line Coach Oakes to put their squads through a hard workout. None of the boys were entirely worn out during the initial drill but plenty of stiffness was very evident.

The first hour of the practice session was spent in handling the ball and attempting place and drop kicks. Richards, from last year's freshman team, booted a few across the bar and numerous others succeeded in doing the same. Sloan and Elkins, likewise ex-freshmen, were showing mid-season form in getting off their punts for considerable yardage. Lewandowski was given the job of catching them. He looks like a coming quarter, and will go good if he can call signals the way he can catch punts.

Freshmen Attract Attention  
About 5 o'clock, Coach Bearg took the backfield men to the west end of the upper field and drilled them intensively on the art of ball handling. Coach Oakes took the remainder and, with McMullen and Randalls as examples, proceeded to show the linemen how and why to do it.

The large number of last year's freshmen in suit makes prospects look fine. Linemen in the 200-lb.

Theta Chi—

Player	1st	2nd	3rd	Total
Upson	136	144	172	452
Bleich	114	110	110	334

316 No. 12 St.

Today would be a good one on which to send in your suits, overcoats, ties, hats, and caps.

class are quite plentiful. Munn, Richards, and Ray were in suit Friday and going through their paces in great style. McBride, Sloan, Elkins, and Farley were attracting notice. Those who witnessed last year's clash with the freshmen from the Kansas Aggie school know what that means.

Varsity men were not so plentiful. Brown, Lawson, and Holm are devoting their time to basketball, however, and many of the rest either have conflicting classes or are out of school for the semester.

Signal drill will probably begin next week. At that time Coach Bearg plans to put into play his new formations which should be quite successful. Meanwhile, outside practice will be held on all agreeable days.

All in all, the 1927 squad seems to have the material and class to accomplish that which Bearg is hoping to do; namely, win Missouri Valley and national honors.

WANT ADS  
BOARDING—Home cooked meals reasonable, 1602 "Q" St. B5283.

WE WISH to employ a few ambitious University women for full time summer positions. If you are anxious to earn money, if you wish to gain valuable experience, and if you appreciate the fact that hard work is necessary for worthwhile results, send your application. Give name, address, telephone number and mention any experience you have had teaching or in business. Address,
