Last week at the Lyric the Pierre Watkin Players proved that the world is run by "Applesauce," yet they retaliate that statement this week in "What's Your Wife Doing." This farce is taken from the French, but the many situations are just as funny as they must have been to the original writers. The story concerns a young man, with but a little money, who loves a girl whose father thinks money is everything. So the prospective wooer decides to go in business and takes oil for the start. WHITES VICTORIOUS IN TRI-COLOR MEET

Non-letter Men Results In Win for Whites

Freshmen and non-letter track men worked out Monday afternoon on the stadium indoor track in the second tri-color meet of the season with the Whites emerging victorious with a total of 66 points. Blues, winners of for the Reds who again placed third.

Effects of probation week were noticeable in cutting down the number of entries as well as affecting the work of those who did run. Sneathen and Dexter slid through a nice half mile in 2:5.5, the former breaking the tape a scant foot and a half to the good. Chadderdon led a fast field of milers to the tape in 4:39.5. Griffen, a freshman comer, ran handily to take second.

Easter turned in some nice performances to win both the 50 and 220 yard dashes. Wyatt, brother of "Perly" Wyatt, veteran varsity quarter miler, turned in a fast 54.2 quarter, but the rest of the numeral group was slow. Elkins got away to a leap of 22'5" for the best mark in the field events.
