SOUTH DAKOTA WILL SEEK FOURTH HONOR

Military Department Plans to Win Distinguished Rating for Fourth Straight Year

Vermillion, S. D., March 15.—Four successive years of "distinguished college" rating is now the goal of the military department at the University of South Dakota, as the spring field training for the annual inspection begins.

The University has been honored with this rating by the War department for three successive years, the only institution in the two Dakotas ever to have won the distinction. Last year the university R. O. T. C. took the honor with the highest score and institution, regardless of size, west of the Mississippi river. Unofficially it has been stated that the score was the highest ever given to any school in the United States within the memory of the inspecting officers.

We can make your Cornhusker negative into a big picture for Mother at a slight cost.

WOMEN DEBATERS TALK OVER RADIO

Discuss "Equal Rights for Women" In Debate Broadcast Over WOI Monday Evening

Ames, Iowa, March 15.—Special: The first women's intercollegiate debate team ever organized at Iowa State College debated Monday evening over WOI on the subject: "Resolved, that women of the United States should make a united effort to secure at once the adoption of an equal rights amendment to the Constitution."

This debate was in preparation for the meeting on April 1 with the women's team of the State University of Iowa in Catherine Mackay Auditorium. In Monday's debate there were two speakers, both from Iowa State, on each side, and the radio audience was asked to send in its opinion as to which side did more effective debating.

Members of the team are Sylvia K. Pedersen, Davenport; Virginia Alexander, Scott, Ark.; Marion W. Peterson, Perry; and Mary E. Moser, Dallas Center, alternate.

Sjogren Will Address Lutheran Club Meeting

Professor O. W. Sjogren, Chairman of the Department of Agricultural Engineering, will speak on the topic "As the Son or Daughter of an American Home, What are the Responsibilities of a Student During His or Her College Years?" at the bi-weekly meeting of the Lutheran Club Saturday evening, March 19 at the Temple, Faculty Hall at 8 o'clock.

Albert Friedle, director of the choir at the First Lutheran church will give a group of vocal solos. All Lutheran students are asked to be present at this meeting. The Lutheran Student Association of America is sponsoring the distribution of Lent and Easter seals, and the local group, which is a member of the national group, has a number of these to distribute. Students may secure these from the treasurer, Reinhold Hofferber, or from Herbert Glynn, Room 101, Temple.

800 Oklahoma Students Take Part in Sports

Norman, Okla. March 15, (Special)—The expansion of intra-mural sports in the University of Oklahoma under the supervision of Ben G. Owen, athletic director, received a fresh impetus this year with more than 800 students taking part in the various sports.

An intra-mural boxing tournament, with medals for the winners in each of the weights, is to be run off within the next few weeks. Forty men are expected to turn out for the sport. The annual all-university wrestling tournament should draw 60 men into its ranks. The recent inter-fraternity wrestling tournament brought out 55 men.

Baseball practice by the various leagues has already begun, several leagues being in existence on the campus. The inter-fraternity league the "hash-house" league, the boarding house league, and others will be composed of more than 300 men in all before the season ends, Owen says.

The second annual intra-mural track meet, which drew 100 men last year in its first appearance, will be held some time this spring and a larger number is expected to turn out for the events. This meet in-

Clubs Competition among the fraternities as well as the regular all-university competition.

Each fall an all-university tennis tournament is held at the institution. This drew last fall approximately 50 men. There are two horse-shoe tournaments held at the university each spring, the interfraternity league and the Oklahoma Daily cup league, the latter open to competition for anyone in the university. More than 80 men are expected to compete this year in these championships.

Data for Plant Life Bulletin Is Being Gathered

Vermillion, S. D., March 15.—A bulletin describing every plant known to exist in South Dakota is now being compiled by W. H. Over, curator of the museum at the University of South Dakota, for the state geological and natural history survey.

Mr. Over is undertaking the task after a period of 14 years of collecting and research work. In the state herbarium at the museum Mr. Over now has two thousand different plants, classified and mounted, a collection which he believes to be quite complete.

It is nearly thirty years since a bulletin has been published of the plants of the state and since that time a thousand new plants have been identified or discovered in the state. The publication of a complete catalog of South Dakota plants will be of importance outside of the state as well as locally, Mr. Over says, because of the fact that the plant life in this is so wonderfully varied as compared with other states.

Within the state there are five definite and widely different regions. These are the bad lands, the lake region, the prairie land, the Missouri valley and the Black Hills. Each section has its own peculiar plant life.

Talks of eating at the

Dinner—Where Do You Eat?

Lincoln is bountifully supplied with places to eat. Hardly anywhere in the business section are you out of sight of a hotel, a restaurant, a cafe, a coffee shop, or a lunch room, to say nothing of the drug stores where fountain lunches are served, the big stores with their cafeterias and dining rooms, and the Chamber of Commerce and certain Clubs.

Competition, therefore, is keen, but, conducted in a spirit of fairness, of "live and let live", there is good business for all. And the continued growth and success of the Central Cafe is the best evidence that Manager Harris knows the secret of catering to the Lincoln public.

The Central is conducted as a place where busy business and professional men, college students, and others who have no time to waste in loitering and gossiping over their meals, can secure prompt and efficient service and the best and cleanest of foods, admirably cooked and served at reasonable prices.

This is not to say that the Central Cafe promotes bolting of food, hasty eating, or gulping down of coffee or milk, thereby inviting indigestion. But there is the least possible delay in securing and delivering your order, and the ever-coming crowds are a hint to any but the most obtuse that when your meal is properly finished, your seat at the table or counter is usually needed for another.

This does not mean that you are to change your habits of eating. If you "fletcherize" at home, chewing each bite fifty or more times, do it at the Central. But really eating a meal is one thing; and stopping to smoke a big, fat cigar or a dozen cigarettes, while you consummate a big business deal is quite another—especially in a place where no "cover charge" is made.

Lincoln is not New York—as you may have noticed in comparing prices.

(To be continued) 1325 P

The formal season has certainly had its day this year, what with the Military Ball to open it and the Pan-Hel to tell us that it was still in existence and now the official ending of the Junior-Senior Prom. We hope no one resurrects the formal season again until next fall—that formal of ours won't stand the strain much longer.

Good Appearance Begins At The Ground

Spring is in the air and spring styles are on foot! Start that good-looking spring outfit at the ground with smart shoes in one of the new shades, Ivory, blush-rose or blonde just the right tone to match your entire ensemble.

Hovland-Swanson have just the thing you have been hunting for the town over, Spike heels for evening, box be it for party or school wear, heels for school in a variety of clever patterns. If you are looking for individuality in footwear see this line at Hovland-Swanson. They are sure to please. There—to be sure you have the right hosiery in a shade to match ask for Phoenix Hosiery. And—there you are. Shoes and hose to set off the latest acquisition to your wardrobe.

When The Winter Snows Are Over

the thrifty housewife cleans and scrubs and rubs until the whole place shines back at her for she knows that dirt is a waster—a squanderer of quality. What about your sorority house? The furnishings of THAT house are valuable, but are you, the active members, safeguarding them by cleanliness? The rugs and curtains, draperies and upholstered furniture can not help gathering dust during the winter months. They must be cleaned regularly to insure the maximum amount of service. Nor is this hard if you send them to Evans'. They are making a specialty of this sorority house service. Call them now, and they will be glad to explain. Remember it is just as essential to clean your house for spring as it is to clean your wardrobe. Phone B-6961.

A Special Nook For Nebraska Girls

to contemplate the wheres and ways of the spring bonnets is located just off of the main room for millinery at Speier's. They call it the "College Room." It lives up to its name with Nebraska pennants on the walls but bunches of apple blossoms keep it distinctly feminine. Enthroned on a pedestal before the mirror is a hat that you can no more help trying on than you can help breathing. It is of soft, fine, blue hair straw and silk with chenille flowers blossoming in a band across the crown. Thursday is "College Day" at Speier's so make it a habit to drop in every Thursday and see what they have planned that is new and don't forget the style review tonight at 8 o'clock on the third floor of Speier's.

I Dropped In Yesterday And—

I was pleased to hear the splendid reproduction of the new Victor electric recorded record "In a Little Spanish Town." The record played is beautiful, and would be an addition to the record collection of any house. You'll want it for yours, and you'll find it at Schmoller and Meuler's 1220 O street, and they will be glad to play it for YOU in their demonstration parlors on the Victor Orthophonic Victrola. This music store also extends to the newest creations in phonograph records. The Victor and Columbia electric recorded and the Brunswick light ray recorded records await the examination of visitors. YOU are welcome.

There Is A Treat In Store For You

Speier's invites you to attend their style review—it will be especially good for that attack of spring fever, Elice—tonight beginning at 8 o'clock in the ready to wear department on third floor. Who, more than a college maid, should know how to dress and what to wear? And this is an excellent opportunity to acquire ideas that are new because you know Speier's has a representative in the East all the time. The latest things in coats, suits, dresses, blouses and vests; millinery and shoes will be displayed on living models, and music will be furnished during the promenade of the Style Review. Don't you forget to go down tonight, and I certainly won't; so—SEE you at Speier's tonight. Corner of tenth and O streets.
