

TRYOUTS HELD FOR COAST TRIP

Varsity Men Go Through Staff Workout in Preparation For Coming Event

SELECTIONS MADE TODAY

Final selection of the Cornhusker track and field squad for the Cornhusker trip is expected to be made today. Tryouts in the sprints, hurdles, discus, and high jump, were held again at the stadium Tuesday evening. All varsity men went through stiff workouts.

Krause took both hurdles races, Page won the high jump, Lowe and Dailey led the sprinters and Hurd and Durisch showed up best in the discus in the repeat trials held Tuesday afternoon.

Johnson Makes Good Time
Glen Johnson again turned in the best performance of the day when he strode a two-mile in 9 minutes 59 seconds. This approaches the varsity record of 9:54. Sprague followed Johnson's heels until the last lap when the Stapleton sensation pulled away. Sprague covered the distance in 10 minutes 4 seconds, the same time Hays and McCartney made in the varsity trials last Saturday.

Lowe, sophomore, and Frank Dailey split the firsts in the sprint tryouts. Lowe took the 100 yard dash while Dailey won the 220. Roland Locke limbered up on a 100 yard dash stepping the distance in 10.2 against a stiff breeze. Lowe made the 100 in 10.5 and pushed Dailey for second in the 220. Dailey's time was 23.1 seconds.

Durisch heaved the discus 132 feet 3 inches in the trials and then put it a foot farther afterwards. Hurd made a 134 feet throw but fouled. Krause took the 120 yard high hurdles in 16 seconds, 1-10 of a second slower than last Saturday. He won the 220 low barriers in 26.5 seconds.

Chadderdon and Hays went through a mile and a half for over-distance work. McCartney stepped the mile in 4:48 as pace work for the two mile.

RED TEAM TAKES VICTORY IN MEET

Third Place Team Displays Reversal Of Form in Tri-Color Track Meet Yesterday

Displaying a complete reversal of form, the Reds, third place team in the first two tri-color track and field meets for non-varsity men at the stadium, completely swamped Blues and Whites to win the third meet Tuesday afternoon. Reds, representing students in the Colleges of Agriculture and Business Administration piled up 91 1-2 points to 38 1-2 for William Wyatt clipped the 440 in the Blues and 34 for the Whites. 52.1 seconds for the best performance of the meet. A smaller number of entries participated in the meet than in the earlier meets. East-er took two first, winning the 100 yard dash in 10.3 and the 220 in 23 seconds flat. Both marks were faster than those made in the varsity tryouts in the same events.

Griffen ran the mile in 4:48.5 with Etherton pushing him at the finish. Trumble won both hurdle races, topping the highs in 16.2 seconds and the lows in 26.6 seconds. Keiss was not out for the meet so the usual fast competition between the former high school stars was lacking.

Results of the meet:
100 yard dash—Easter, R; Snyder, R; Thompson, R; Millnitz, B; Holmes, W. Time: 10.3.
220 yard dash—Easter, R; Thompson, R; Halstead, W; Murphy, R. Time: 23.

HANDBALL TOURNAMENT WILL OPEN TODAY

New Sport is Being Encouraged by University; Commence Play On Coliseum Courts

Final preparations for the open handball tournament of the University are completed and playing will commence this afternoon at the Coliseum courts. The drawing of the entrants were finished yesterday.

Handball is practically a new sport in the University there being no facilities on the campus here-to-fore. The athletic heads are trying to stir up interest in this sport, which is one of the most exercising sports available.

The interfraternity handball tournament will be held immediately after the vacation days. Following are the pairings for the first round of the open handball tournament:

Ratcliff-Klepper, Peterson-Burkhardt, Gerelick-Bye, Scherer-Bye, Simonsky-Bye, Sokolof-Bye, Melchiorson-Bye, Myerers-Bye, Lewandowski-Bye, Whitmore-Bye, Forbes-Griffin, Hrdlicka-Bye, Plumer-Bye, Vogeler-Bye, Weymuller-Bye, Buffett-Bye.

According to the schedule the semi-finals will be played Thursday and the finals Friday.

IN THE VALLEY

By JACK ELLIOTT

Spring football at the Cornhusker stronghold will come to a close Friday afternoon according to announcement by Coach Ernest Bearg, head football coach. There will be no more spring football games as was planned by the football coaching staff. Bearg does not want to take any chances of further injury to his men in the spring football workouts, so has the games off of the spring program.

With the Kansas Relays but four weeks off, work is being done daily to get the big quarter-mile track and 220 yard straight-away into top shape for the racing. The track is said to be one of the fastest in the country and this fact coupled with the excellent weather and climatic conditions which have prevailed for the Kansas event has turned out some exceptionally good records each year.

Some exceptionally good marks, including a new world's record and a new American outdoor record for the mile and seven-eighths medley by Iowa State in the Texas and Rice Relays last week-end, shared in almost equally by the various Missouri Valley conference and sectional schools which were represented, indicates another outdoor season of stellar performances in the remaining big outdoor relay carnivals this season.

Art Holding, Iowa State's national A. A. U. 126-pound champion has been picked by C. W. Streit of Birmingham, Alabama, chairman of the A. A. U. wrestling committee, as the most promising grappler that competed in the national championship meet at Ames last week. Holding won the championship by defeating Harold Boyvey, last year's champion. He also held the Missouri Valley championship. The number of wrestlers actually competing in the national championship meet was 150, the largest number in the record of the A. A. U. Over 4,000 wrestling fans witnessed the championship bouts, which also sets the attendance record for the A. A. U. tournament.

Your skin needs this after-shaving comfort

THE skin's natural moisture must be conserved if the face is to be comfortable. Aqua Velva applied after shaving helps the skin retain this moisture—keeps it flexible and comfortable all day long. FOOTBALL MEN SHOW PROGRESS

Coach Bearg is Pleased With Workout; Spring Season Closes Friday

The Husker football mentor was well pleased with the workout last night and assured those around him by saying, "this was the best workout that we've had this season."

Coach Bearg sent his varsity candidates through a light scrimmage, in which he shuffled the men around on the defensive and offensive teams. He gave all the men an opportunity to get in and display their wares.

The team showed much more class than on previous workouts and the improvement came as the result of several new men that are now rounding into shape. Voris was showing some real line plunging at the full-back position, and if Earl keeps up the pace, he should have a big year next fall. Sloan was holding his end of the line down in fine style and no doubt will be one of the new faces seen in the Cornhuskers' lineup when autumn rolls around. McBride has been catching Coach Bearg's eye with his consistent style of play at the half-back position.

With only three more days of the spring season left, the Husker coach will send his grid aspirants through some extensive work, ending the early season with a regular scrimmage game, Friday afternoon.

GLEE CLUB TAKES TRIP NEXT WEEK

(Continued from Page One.) Quartet will sing for high school convocations. The quartet will also sing several luncheon engagements, and may do some radio broadcasting on the trip.

A variation from the straight Glee Club program is being tried this year. "The Voyage of Columbus" a cantata by Dudley Buck will be used as the feature of the program. The cantata tells the story of Columbus' setting out from Spain, his voyage, mutiny among the sailors, and the final sighting of land. The solo work is done by Paul Pence, as Columbus, William Damme as the priest, and Dean Brown as the officer. There are six choral numbers in the cantata.

Will Sing School Songs
Two groups by the Club, the first including Beethoven's "Hallelujah Chorus," Bach's "Now Let Every Tongue," "The Volga Boatman" and "John Peel"; and the second including a group of four school songs will also be sung.

Professor Herman T. Decker, director of the Glee Club will sing a group of solos, and the Varsity Quartet will also offer a group. A short skit completes the program which is about an hour and forty-five minutes in length. Encore numbers include "Alexander," "Loves Greeting," "Marrinina" and "The Soldiers Chorus."

To Sing at Teachers College
The Glee Club will sing at the Teachers College convocation in Teachers College building Friday morning at 10:00 o'clock instead of at the Temple as was previously announced. In order that Nebraska students may be given an opportunity to hear the cantata it will be sung at a special convocation sometime in April.

A home concert for this season has not been definitely arranged yet, but

will probably take place about the first of May. "The home concert will be late this year," stated Irving Changstrom president of the Club, "in order that a well-finished program may be sung." A date in Omaha is also being arranged and a possible week-end trip to southern Nebraska towns is contemplated. Mrs. Herman T. Decker, wife of the director, will accompany the Club on its trip taking the place of Charles Pierpont regular pianist who is unable to make the trip.

THREE SCHOOLS BID FOR TENNIS HONORS

Grinnell, Oklahoma, and Washington Are Classed as Leaders in Race for Title

Columbus, Mo., March 29.—(Special)—Grinnell, Oklahoma and Washington seem destined to engage in a three-cornered struggle for the 1927 tennis honors in the Missouri Valley Conference. Harris Coggeshall of Des Moines, in 1925 second ranking junior player in the United States, will wear the colors of Grinnell for the first time; Fred Royer of Dallas, Tex., Valley singles champion last year and a finalist in 1925, will play for Oklahoma; and Charles Sigoloff, the St. Louis star, will again represent Washington.

With Coggeshall at Grinnell are: West Stotts of Des Moines; George Struble of Toledo; Paul Smiley of Grinnell; and Theodore Lovejoy of Des Moines; players who last season won meets from Drake, Iowa State, Nebraska and Simpson. There is also a notable newcomer, Clifford Ingram of Yakima, Washington. Captain Al Nicolet was the only player lost by graduation.

Personnel of Washington Squad
Coach John O. Mosely of Oklahoma will be without the services of Robert Brandenburg, who with Royer won the doubles title in 1925 and 1926, but will have Dick Mason, Henry Broynne, Paul Hodge, John Smock, Francis Burke and Kirt Parks from whom to select a successor. The current Washington squad includes: Sigoloff, John Gustafson, Clark Clifford and the left-hander, Herbert Weinstock.

Washington University players have already seen competition this season, playing in the St. Louis District Association indoor tournament the week of March 5. Oklahoma will swing into action, April 23, against the University of Texas at Norman; next meeting Rice Institute, April 25; the University of Kansas at Lawrence, May 2; and then playing Missouri, Kansas State and Washington before going to Lincoln, Nebr., for the Valley tournament, May 20-21. Grinnell plans to tour the entire Valley.

Missouri Has Good Material
Missouri probably has as good material as at any of the remaining

schools. Despite the lack of a coach and much bad weather, the Tiger netmen are very hopeful. Captain J. H. Turner of Columbia, is the only veteran. Robert Coerver of Kansas City, Garth Landis of St. Joseph, and Alexander Sonnenschein of St. Louis are the outstanding prospects.

Nebraska has two letter men, Tom Elliott and Paul Schildneck, and will meet Grinnell, Iowa State and the Kansas Aggies. Iowa State will make a serious effort on the courts this year. Slow motion pictures of international stars in action were shown at the institution in February for the benefit of Coach P. C. Fenton's candidates. Meets will be with Nebraska, Drake, Grinnell and Kansas.

Drake has five players of prowess according to Dean McCreery. They are Roger Herriott, Ralph Harley, Larry Page, Ted Winslow, and Jack Finnegan. Home and home meets have been scheduled with Grinnell and Iowa State.

Kaggies Depend on Lewis
Kansas State is expecting much of Harold Lewis, former singles champion of the Kansas Conference, who will be eligible for the first time. Other team players at Manhattan include Edyard Skradski and Marion Donahoe of Kansas City, and H. H. Platt of Manhattan. The University of Kansas at Lawrence has improved its courts some this year but prospects are uncertain. Clifford Campbell is captain.

DON'T GO STALE

Not a chance of that lead-like, loggy feeling even during early Spring—if you make a daily habit of Shredded Wheat.

That's one reason why this prince of whole wheat cereals graces the training tables of so many colleges and schools.

Carefully separated, completely cleaned, perfectly shredded, and thoroughly cooked whole wheat grains—that's all there is to
