

WEATHER FORECAST
For Lincoln and vicinity: Probably
showers Thursday.

VOL. XXVI, NO. 120.

THE DAILY NEBRASKAN

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, THURSDAY, MARCH 31, 1927.

PRICE 5 CENTS

CREIGHTON AND NEBRASKA WILL DEBATE TONIGHT

Parliamentary Government Will Be Subject of Joint Dual Debate

NON-DECISION MATCHES
Open Forum Discussions Will Be Held; Last Debate On This Subject

University of Nebraska and Creighton meet tonight in a joint dual debate on the subject, "Resolved: That the government of the United States should be changed to include the principles of parliamentary responsibility." The debate between the Creighton affirmative team and the Nebraska negative team will begin at 7:42 in Law 101. No admission will be charged.

Nebraska's affirmative team will meet the Creighton negative trio at Omaha. Both debates are no decision matches, featuring open forum discussions at the close of the debates. These are the last debates to be held on the parliamentary government question.

Two Debaters Graduate

Lincoln Frost, Jr., Charles F. Hansen, and Archibald W. Storms will be the Nebraska speakers in the home debate. This will be the last appearance on a Nebraska debating team for Frost and Hansen, both graduating this year. Frost debated against the University of South Dakota on child labor in 1926 and was the Nebraska negative speaker in Lincoln in the split-team debate this year on parliamentary government with South Dakota. Hansen participated in the South Dakota debate this year, traveling to Vermillion. Storms was also in the South Dakota debate this year.

Nebraska's affirmative team which is going to Omaha is composed of Evert M. Hunt, John P. McKnight, and George Johnson. Hunt was a member of the Think-Shop last year and has debated both the parliamentary government and farm relief questions this year. McKnight took part in the South Dakota debate this year. McKnight is the oldest Nebraska debater taking part in debates this year. He participated in the intercollegiate debate with the University of Iowa in 1921, being kept out of debate work last year because of eye-trouble.

Miss Stephenson Will Lecture This Evening

Miss Marion Stephenson of Cheney Bros., New York City, will give a lecture this evening at 7:30 in Gallery B, Morrill Hall. Miss Stephenson will talk on color and design and will illustrate her lecture by colored pictures of fabrics from the season's collection. Miss Stephenson is returning east from a tour of the west, and is speaking to groups of university students on her return.

This lecture is open to all, and merchants, sales people, artists, and others interested in learning about fabrics, their texture and colors, are cordially invited.

CIVIL SERVICE TO HOLD EXAMINATION

Students are Notified of Competitive Examinations for Chemists To Fill Vacancies

The United States Civil Service Commission has announced an open competitive examination for Junior Chemists, to fill vacancies in the Federal classified service throughout the United States, and requests that students be informed of the tests. The vacancies include those in the Departmental Service, Washington D. C., and the Forest Products Laboratory of the Forest Service, Madison, Wisconsin.

The minimum salary on entering in the Washington offices is \$1,860 a year, with provision for advancement in wages depending on individual efficiency, increased usefulness, and occurrence of vacancies in the higher offices in the department. For appointment outside of the national capitol the starting salary will be approximately the same.

Applications for junior chemist must be on file with the Civil Service Commission at Washington D. C., not later than April 30. The date of the assembling of the competitors will be stated on admission tickets sent to the applicants. It will be about ten days after the date set for the applications.

The examinations will be given in the optional subjects of advanced inorganic chemistry, analytical chemistry, organic chemistry, and physical chemistry. Competitors will be rated on general chemistry, elementary physics, and the optional subject chosen.

New York String Quartet Gives Program Monday

The New York String Quartet will be at the Temple Theater Monday, April 4, at 3:10 o'clock. This program will be given under the auspices of the Matinee Musical Club. Anyone having a membership ticket may attend.

Those who are to take part in the program are: Ottokar Cadek, first violin; Jaroslav Skovovsky, second violin; Ludvik Schwab, viola; Bedrich Vaska, 'cello.

COUNCIL AGREES TO SIT AS JURY

Case of Sigma Delta Chi vs Y. M. C. A. Will Be Tried Before Student Body

ALL MEMBERS MUST ACT

The Student Council will sit as a jury in the case of Sigma Delta Chi vs the University Y. M. C. A. providing that all Student Council members are permitted to act as jurors, according to the decision reached by members of that body in a meeting held in Temple 204 late yesterday afternoon. The case will be tried on April 19.

The Council members declared that they would be glad to try the case and pointed out that they felt that the Council was the proper place for such a matter to be dealt.

"We will deal justly and honestly to the best of our ability, they say." Spring Election Discussed
The matter of the spring election was discussed. A number of letters have been sent to other universities and colleges requesting copies of their election rules and drafts of their manner of holding elections. Some new plan, it is hoped will be constructed before the election in early May, whereby all the candidates and the student body as well will be most fairly dealt with; doing away with any possibility of dishonesty.

A Student Council banquet will be held sometime in the near future. Complete plans for the affair will be announced soon. A committee is to be appointed to make complete arrangements. It is quite possible that it will be given just previous to the time when the new council will take office.

First Time for Banquet
This is the first time that a Council banquet of this kind has been talked of and members planning for it hope to make it so popular as to establish it as an annual event.

The next meeting of the council will be held April 13. Members who have not attended the previous two meetings and who have not reported to the Council at these times will necessarily have to be in attendance at this meeting to escape the attendance ruling dropping those who miss three consecutive meetings.

March Issue of Blue Print Is Distributed At Co-Op Bookstore

The March issue of the Nebraska Blue Print, a publication put out by the University Engineering College, is out and is being distributed from the Co-Op Book Store. All subscribers will find their copies there.

The special Engineer's Week issue will be out the latter part of April. This will be a forty-page issue devoted entirely to Engineer's Week. All regular subscribers to the Blue Print can obtain an extra copy of this issue to send to parents or friends. Those wishing an extra copy are requested to leave the name of the person to whom they wish it sent and his address at the Co-Op Book Store as soon as possible, so that extra copies can be printed.

Honorary Sorority Presents Program

The first half of the program following the regular luncheon of the Lincoln Ad Club was given over to a sketch by the members of Gamma Alpha Chi, honorary advertising sorority, in an attempt to portray one of the Ad Club luncheons as seen by members of the sorority.

The remainder of the time was given over to Mr. Berg of the Bell Telephone Company, Omaha, who spoke on the place of the "house organ" in advertising. He illustrated his talk with a discussion of the organ which his own company uses.

Music Department Rated Among Best Schools in Country

The department of music at Minnesota is one of the leading music schools in the United States, and ranks with the school of music at Rochester, N. Y., as the two best institutions of the kind in this country, in the opinion of numerous musicians and musical critics in the East.

CAST IS LARGE FOR "CYRANO DE BERGERAC"

Famous French Drama to Be Given in April Has Company of 36

PLAY SEVERAL PARTS

Many of Dramatic Club Members Take Two or More Parts. Prawl Has Lead

Thirty-six members of the University Dramatic Club will be seen in the cast of "Cyrano de Bergerac" when that famous French drama is presented in the Temple Theater April 28 and 29. This will be one of the largest casts seen on a Lincoln stage in some time, especially since many of the players take two or more parts, making a total of more than fifty characters.

William Prawl will play the leading role of Cyrano de Bergerac. The part of Christian, the lover, is being taken by Werner Mall. Esther Zinnecker is cast in the leading feminine role as Roxane.

Rehearsing Well Under Way
All of the principals have been rehearsing for several weeks under the direction of L. H. Connell, instructor in the dramatics department. Viola Loosbrock, instructor in dramatic literature, is coaching the rest of the cast.

The complete cast follows:
Cyrano de Bergerac.....William Prawl
Christian.....Werner Mall
Roxane.....Esther Zinnecker
Her Duenna.....Marian Gass
De Guiche.....Howard Cottle
Rageneau.....H. Zolley Lerner
Le Bret.....Donald Helmsdoerfer
(Continued on Page Two.)

BRADFORD PRESIDES AT AG CONVOCATION

Classes Dismissed for Meeting in New Activities Building to Be Held This Morning

A convocation will be held in the new Student Activities building at the College of Agriculture Thursday morning at 11 o'clock, to arouse enthusiasm for the college and interest in its activities according to H. E. Bradford, chairman of the committee on student enrollment, who will preside at the meeting.

The opportunities for the man and woman trained in agriculture, possibilities in student activities and athletics while in college, the value of an agricultural education, and what the faculty of the college is trying to do for the graduates through the faculty placement committee, are things that every Ag student should know and take an interest in for the good of the college.

Talks by student and faculty members will make up most of the program. Several of the titles are: "Advantages of Ag College," "Why Did I Take Home Ec?" "Why Come to Ag College," "Why Will I Urge Others to Come," "Temporary Employment and Athletics," and "Agricultural Graduates." Arrangements have also been made for a number of songs, yells, and musical selections. All classes on the Ag Campus will be dismissed for the hour.

Dr. Williams Speaks at Pre-Med Banquet Tonight

Dr. B. F. Williams, of Lincoln, will be the speaker at the Pre-Med Banquet to be held at the Grand Hotel this evening at 6 o'clock. He will talk on "Mental Medicine and Its Relation to Practice."

Robert Callison, president of the Nu-Meds, is to be toastmaster. Details of the Pre-Med Day at Omaha will be announced. About seventy or seventy-five are expected to attend.

Miss Lewis Presents Junior Recital Today

A junior recital will be given at the Temple Theater this morning at 11 o'clock by Helen Lewis, class of Herbert Schmidt.

The program is as follows:
Bach—Prelude and Fugue, C minor.
Beethoven—Sonata, A flat, Op. 26, Andante con variazioni, Scherzo.
Schumann—Papillons.
Chopin—Berceuse and Waits, E flat, Op. 18.

Large Number of Nebraska Professors Are Included In the 1927 Who's Who

By Pauline Bilon

Over one-third of the professors of full professional rank in the University of Nebraska are included in the 1927 Who's Who. They were selected on account of special prominence in creditable lines of effort. The development of literature, science, art and other phases of American activities are pictured through the life sketches of these men and women.

Louise Pound

Back In Form

Roland Locke, Nebraska comet, who returned to form Wednesday afternoon, easily stepping the 100 yard dash in 9.9 seconds. Locke will go with the track team to Denver and will probably make the trip on the Coast. His Wednesday performance cleared any doubts as to whether he would get into shape this spring.

Keene Abbott To Feature In Literary Sheet

The new issue of the Prairie Schooner, literary quarterly of Sigma Upsilon, which is to appear April 1, will open with "The Great Plains," a story of desert life by Keene Abbott. Another feature of the issue is the story "Dispossessed" by Lowry Wimberly, professor of English in the University of Nebraska. Mr. Wimberly is chairman of the board of editors.

Other stories include "A Night at Peralta," by Della Brothwell, and "The Convict," by Lawrence Loos. Poems by Polly Robbins, Elizabeth Whitman, Mildred Burcham, Wilbur G. Gaffney, Virginia Reed, Blanche Tromble Evans, Maurice J. Wing, A. Ehrenberger, and Elizabeth Brander, appear in the magazine.

"Snake-Love in the Central West," by Louise Pound, professor of English in the University of Nebraska; "Shakespeare," by Lucius A. Sherman; "Saint Elain and the Lions," by C. O. Richardson; "Laughing At or With the Ancients," by Jacob Gable, Jr.; "Cyclone Yarns," by George Jackson; "Ariadne," by Edward Morrow; "Mid-Western Writers: Willa Cather," by Robert N. Lash; "Books and Authors: Compton Mackenzie," by Gilbert H. Doane; and "The Ox Cart," by Lois Quest; are some of the feature contributions that will appear in the issue now being printed.

According to V. Royce West, business manager of the publication, subscriptions have been coming in at a fair rate in the interim between issues, and the quarterly has all indications of becoming a fixture at Nebraska. The price of the magazine is forty cents per copy, or \$1.10 for one year's subscription.

Miss Lewis Presents Junior Recital Today

A junior recital will be given at the Temple Theater this morning at 11 o'clock by Helen Lewis, class of Herbert Schmidt.

The program is as follows:
Bach—Prelude and Fugue, C minor.
Beethoven—Sonata, A flat, Op. 26, Andante con variazioni, Scherzo.
Schumann—Papillons.
Chopin—Berceuse and Waits, E flat, Op. 18.

Large Number of Nebraska Professors Are Included In the 1927 Who's Who

By Pauline Bilon
Over one-third of the professors of full professional rank in the University of Nebraska are included in the 1927 Who's Who. They were selected on account of special prominence in creditable lines of effort. The development of literature, science, art and other phases of American activities are pictured through the life sketches of these men and women.

Louise Pound
Dr. Louise Pound, professor of English at the University of Nebraska, was born in Lincoln on June 30, 1872. She received her A. B. degree and her diploma in music from the University of Nebraska in 1892. During the summers of 1897 and 1898 she was enrolled as a student at the University of Chicago. In 1900, she was granted the degree of Ph. D. from the University of Heidelberg. She has been connected with the University of Nebraska since 1896, when she held the position of fellow in English Literature. Successively she became instructor, adjunct professor, assistant professor, associate professor and professor. She has held the last rank since 1912.

Miss Pound is strikingly versatile, for in addition to being a recognized authority on English Literature, linguistic subjects and folk-lore, she has had golf and tennis championships in the city and state. She held the Women's Western Lawn Tennis championship in 1897, the Central Western and Western championships

ENGINEERS TO MAKE TRIP TO KANSAS CITY

Arrangements for Inspection Trip to Southern Parts Nearly Complete

EXTENDED TRIP PLANNED

Engineers Will Visit and Inspect Many Industrial and Engineering Plants

Final arrangements for the Engineer's inspection trip to Kansas City are being made. Final instructions will be given at a meeting to be held this afternoon in M. E. 206 at which time those desiring transportation tickets will have an opportunity to purchase them.

The men making the trip will leave Lincoln via Missouri Pacific R. R. in special Pullman coaches for Kansas City, Missouri, Sunday, April 3 at 11 p. m. They will visit and inspect industrial and engineering plants in Kansas City, Missouri, Kansas City, Kansas, Cement City, Missouri, and Sugar Creek, Missouri. They will return Saturday, April 9.

Trip Is Annual Affair
This is the annual inspection trip of the University of Nebraska College of Engineering, and will be made under the direction of a committee composed of instructors in the College of Engineering. The (Continued on Page Two.)

DEBATERS ARGUE BEFORE CITY CLUB

Proposed Charter Amendment for Lincoln Discussed Before Cosmopolitan Club

University of Nebraska debaters, under the direction of Prof. H. A. White, argued the proposed charter amendment for Lincoln before members of the Cosmopolitan club at a luncheon held yesterday noon at the Lincoln hotel.

Kenneth R. Smith argued that Lincoln should change from the commission form of government to the mayor-council type. He stated that the present form failed to provide a centralized system of administration and a deliberative head of government. It was his contention that under the proposed change all of the classes and districts in the city would be given equal representation in the administration of the city and through this method each individual would have the opportunity to express himself before the council.

The present form of government was upheld by Reginald C. Miller. The evils of the proposed change, according to Miller, would come from the selection of twelve councilmen to represent twelve different wards. This would allow politics to creep into the administration, he said, and finally result in log rolling. The placing of all of the administrative duties on one head would not work out, Miller contended, for one man would not be large enough to fill the position in a capable and efficient manner.

Message from Lindsay Cancels Week's Meetings

A telegram received at the Y. M. C. A. offices late yesterday afternoon, from Kenneth Lindsay, noted British lecturer, announced that he will not be able to speak at the University convocation, classes, or forums which were scheduled for today and tomorrow.

The message stated that all scheduled meetings for this week are to be cancelled. Mr. Lindsay's recent illness has taken a firmer grip and the doctor believes it unwise and impractical to allow him to expose himself.

A. W. S. Elections Results In Ties

Due to the large number of ties in the A. W. S. elections, a recount of the votes will be taken and the results published tomorrow. In case too many are still tied another election will be necessary. If there must be another election, it will take place shortly after spring vacation.

ZETA TAU ALPHA INSTALLED HERE

Alpha Upsilon Becomes Chapter of National Sorority This Week-End

Zeta Tau Alpha, national Pan-hellenic sorority, will install the Alpha Alpha Upsilon sorority of the University of Nebraska as Beta Eta chapter, Saturday, April 2, at the executive mansion.

Pledging services will be held at the chapter house, 1629 R St., Thursday evening. The installation will take place all day Friday and will be followed on Saturday afternoon by a formal reception to all sororities at the Governor's mansion. The installation banquet will be held at the Lincoln Hotel Saturday evening.

Zeta Tau Alpha was founded October 25, 1898 by nine girls attending the Virginia Female Seminary, located at Farmville, Va., and was incorporated under the laws of Virginia in 1903. The central office has recently been moved to Richmond, Va. The sorority has a chapter roll of 49 and a membership of approximately 6,500.

National Officers Here
Beta Eta will be the first chapter to be installed under the present Grand President, Mrs. William Robertson Beverly of Richmond, Va. The installing officer, who will arrive in Lincoln Thursday morning, is Miss Charlotte McGregor of Richmond. She will be accompanied by the National Inspector, Mrs. Margaret Alcott, who inspected the local chapter in December.

The nearest chapters of Zeta Tau Alpha which will send representatives to the installation are Alpha Mu, Washburn College, Topeka, Kas.; Sigma, Baker University, Baldwin, Kas.; and Beta Zeta, Iowa State Agricultural College, Ames, Iowa. Approximately twenty-five members from other chapters will be present for the installation.

Alpha Upsilon was formed in the fall of 1924 by Clara Van Tyle, (Continued on Page Two.)

"Gip" Locke To Be Real Competition

Roland "Gip" Locke dispelled any remaining doubts of Husker track fans as to what he is likely to do this spring when he ripped off 100 yards at the stadium track Wednesday afternoon in 9.9 seconds and then after a short rest coasted through 300 yards in 31.8 seconds.

Coach Schulte gave Lowe, sophomore sprinter, a three yard handicap on Locke. The blond North Platte picked the lead at the 50-yard mark and finished well ahead. Then he came back grumbling about not being able to run any more. His argument faded before the 9.9 clocked on Schulte's watch. The hand had stopped a shade even before the 9-10 mark.

Locke will make the trip to Denver with the Cornhusker track squad and probably will go the full distance, competing in exhibition races in the three meets on the trip. Denver newspapers are doping Haynes and Albers, former high school stars, to beat Locke. In fact, one super-ambitious sports writer in Denver rated Haynes as the best furlong runner in the country. Locke's performance Wednesday indicated that he is back to a point where he will make the best of them run again. Haynes and Albers are more than likely to find their press agents told a big story before the meet if they compete with the "Gipper."

Broken Vaulting Pole To Be Cut for Future Husker Pole Vaulters

A broken vaulting pole at the stadium means another future Husker vaulter. That's the theory of Coach Henry F. "Indian" Schulte, Cornhusker track mentor. Downie's pole broke with him in practice Wednesday and the veteran coach immediately ordered that it be carried in to be cut up for some youngsters.

Many an erstwhile pole vaulter has secured his start at the game on the remains of a broken collegiate pole. Wednesday night's fractured pole was the first contribution of the year to future Nebraska tracksters.

UNIVERSITY NIGHT BANNED BY OFFICIALS

Plans Formulated for New Type of Annual Funfest Entertainment

HAYES MAKES STATEMENT

Y. M. Secretary Says Students Capable of Producing Program of Merit

University Night, in its present form will be abolished, according to a statement made late yesterday afternoon by C. D. Hayes, General Secretary of the University Y. M. C. A., which has sponsored University Night since its beginning. Plans are now being formulated for a new type of University Night, and the results will be published soon. It is certain that, in the future material to be presented, will be known in detail before hand, and responsibility definitely fixed.

Miss Amanda Heppner, dean of women, added her sentiments to the faculty criticism already published when she stated yesterday, "I am glad that the Y. M. C. A. has seen that University Night is unworthy of its name and of the university. How would an outsider judge this university if they were to see this portrayal of it?" Miss Heppner believes had the Y. M. C. A. not abolished the night it would necessarily have been abolished by some one else because of the low character of the entertainment presented last Monday night. Miss Heppner stated she believed there could be no objection by anyone to a clever show representing university life so long as it was kept clean.

Suggests Changing Name
Dean Chatburn after hearing of the proposed change as suggested by the Y. M. C. A. said he would declare himself in favor of the new University Night only if the character of the performance of the entertainment were sufficiently changed. "However," he stated, "I would much prefer that the name itself be abandoned. I would suggest that the Y. M. C. A. be given full charge in the future. I am not at all in favor of having the stunts given by the different organizations where the only aim is to see who can get in the form of entertainment, produced ex-moto jibes. An entirely different class by the Young Men's Christian Association might prove successful."

Hayes Gives Statement
Following is the statement from the Y. M. C. A. office:

There is substantial encouragement in this (Wednesday) morning's Daily Nebraskan to those who like the writer believe in the fundamental wholesomeness of the present student generation. I refer to the vigorous and pointed protests in editorials and signed communications against the indecencies of the recent University Night performance.

As far as the leadership of the University Y. M. C. A. is concerned it was settled by the following morning that the organization would not again sponsor an entertainment of the type from which no amount of preliminary supervision can eliminate the most objectionable features.

When the storm of criticism broke, we had already under consideration plans for an entirely different type of University Night program for next year.

We believe that the students of the University of Nebraska are fully capable of producing an entertainment of real merit, one not depending upon smut to get across. A plan can certainly be developed to give them a chance to demonstrate this in next year's University Night with the material presented (Continued on Page Three.)

NEW CABINET IS INSTALLED

Y. W. C. A. Members Take Office at Symbolic Service

The symbolic installation service for the new members of the Y. W. C. A. cabinet was held Wednesday evening from 7 to 8 o'clock in Ellen Smith Hall. The officers of the association and the members of the retiring cabinet lighted the candles of service and presented them to their successors. Cyrena Smith, the retiring president, presided.

"Love Divine All Love Excelling," was used for the processional, led by the choir followed by the old and new members of the cabinet. Miss Erma Appleby, Y. W. C. A. secretary, gave a talk with a response by Mary Kinney, president of the association for the coming year. The service closed with the recessional, "Hymn to the Light."
