Miss Eloise Davies Wins Prize Given By Omicron Nu for Essay on Home Economics

Miss Eloise Davies of Ewing has been awarded first prize in the essay contest conducted by Omicron Nu, national honorary home economics sorority of the University of Nebraska, according to Miss Lula Baugh, chairman of the contest committee.

The contest was open to the high school girls of the whole state. The second prize of \$5 was won by Miss Ruth Melick of Orleans and Miss Ruth Persell of Hastings was winner of the third prize of \$3.

"Every girl should be interested in home economics, since it has so much to offer. This study covers all phases of the home and of life," Miss Davies' paper said in part. "Home economics prepares a girl for a most complete and joyful life. Two of the great essentials of happiness are health and a love for beauty. Both of these may be acquired through the economics training."

Miss Davies declared that "the Home Economics department fulfills a dual purpose: First it prepares a girl for a vocation or a career in the business or professional world. Second it prepares for the vocation of home-making at the same time—a vacation second to none in importance."
