Sigma Delta Chi Suit Against Y. M. C. A. for Prize Skit Will Reach Climax

HELD IN SOCIAL SCIENCE

Plaintiff Will Open Case; Student Council to Act as Jury

The trial of the Sigma Delta Chi suit against the University Y. M. C. A. for the \$20 prize offered for the best skit to be given at the University Night Program, and which the Y. M. C. A. refused to pay on the grounds that the play was not presented, will be held, not in the Temple Theater, but in the Social Science Auditorium, proceedings starting tonight at 7 o'clock.

Court to Open in Formal Order This "kangaroo court" of the University, though not a real legal proceeding, will be opened in formal order, and to all intents and purposes will be binding and exacting upon the parties concerned.

NEW IDEAS INTRODUCED At a meeting of the advisory board of the University Y. M. C. A. held Monday noon in the Temple building the retiring president, John M. Allison presented a brief report outlining the activities carried out by the student Y. M. C. A. this year.

At the first of the year the "Y" conducted the usual information service for Freshmen, giving out "N" books and helping get the new men located. To round out the work for new students a Freshman Stag was given on the evening of September 17th.

During the year the following projects were undertaken: a Freshman Council was organized and met once a week for informal discussions under the leadership of Mr. Hays. A Student Book Exchange was also started at the beginning of the second semester at which students were enabled to buy and sell their texts without the usual loss.

Discussion Groups Formed Discussion groups were formed by the "Y" in five fraternities and the plan has met with much success. Those who have tried them are enthusiastic about the idea, and it is hoped that many more can be started during the next year.

On February fifth and sixth a Pan-Pacific conference was held where problems relating to the Pacific area were discussed by American and foreign students. There were about 80 students in attendance and as a result of the conference a bi-weekly discussion group on foreign relations has been started with an average attendance of 100.

Two Socials Held In cooperation with the Y. M. C. A. two socials were held during the year at Ellen Smith Hall and an effort was made to provide some form of entertainment for those students who for one reason or another do not dance. The "Y" has also, in cooperation with the Y. M. C. A.,

Officials of the court are: "Fly" Lewis, clerk of the court; Lloyd W. Kelly, bailiff, Alfred Luebs, court reporter, and Prof. D. H. Dodd, judge of the court.
