HURDLER MAKES PLACE ON TEAM

Arganbright Takes Krause and Fleming in Two of Three Heats in High Hurdles

ENTER THREE RELAYS

Coach Schulte moved a step nearer to the selection of his squad for the Kansas Relays as the results of Wednesday afternoon's under-thestadium workout.

Arganbright cinched a place on the squad going to Kansas when he bested Krause and Fleming in two out of three heats of 75-yard high hurdles. Arganbright won the first heat in 9.9 seconds for the fastest time of the afternoon.

Chadderdon led the distance men through a fast three-quarter mile which finished hard work for the week for them. The University Place harrier covered the distance in 3:18.5, a second faster than he has made before. Sprague and Janulewicz followed in order about a second apart behind Chadderdon.
