

VOL. XXVI. NO. 145.

KOSMET KLUB OFFERS PRIZE FOR BEST SKIT

\$100 Will Be Awarded Student Or Faculty Member Submitting Best Musical Comedy

REQUIREMENTS LISTED

Skit Must Be Suitable for All-Male Cast and Long Enough For Evening's Program

A cash prize of one hundred dollars is offered again this year for the best musical comedy manuscript submitted by a student or faculty member before October 1, 1927, it was announced this afternoon.

The only requirements placed upon the writing of the manuscript are: that it shall be suitable for an all-male cast and shall be long enough for an evening's entertainment.

Yeene Winner in 1926

Last year the Kosmet Klub prize was won by Herbert Yeene, instructor in elocution and dramatic art.

In order that the talent of the University may be presented to the best advantage, it is hoped that many manuscripts will be submitted.

In looking over the original plays put on in the past by Kosmet Klub it is apparent that these presentations, all of which have been written by University students or faculty members, reflect the dramatic talent of the University.

Shows of the calibre of "The Dream Pirate" should furnish a good example of what is expected of the contestants for this prize.

Large Number Of Students Pay Own Way

More than one third of the 208 men in the College of Agriculture are working their way through school, seventy-six having steady jobs which occupy most of their time outside of class hours, and seventy more being listed for part time work.

A conservative estimate of the average student's expenses for one school year is \$500. By exceptional thrift some are able to reduce their expenditures below this mark.

By these means a large number of students are able to attend the college who would otherwise be prohibited by lack of financial resources.

HONORARY CHOOSES OFFICERS

Beta Gamma Sigma Names Officers For Next Year and Pledge List

Beta Gamma Sigma officers elected for the next year have been announced by Richard Brown, this year's president.

The list of pledges, after having the eligibility of its members checked, has been released as follows:

Ernst Lied, Gerald Caldwell, Kenneth MacGregor, Arthur H. Croft, Clack Weckbach, George Sougey, E. Dale Dickson, Enis Heller, Don Robb and David Wohlner.

May 10 is Date Set For Applications

Applications for the following positions will be received by the Student Publication Board until Tuesday noon, May 10:

The Daily Nebraskan (first semester, 1927-28)—editor-in-chief, contributing editors, managing editor, two assistant managing editors, three news editors, three assistant news editors, business manager, assistant business manager, two circulation managers.

1928 Cornbraker—editor, managing editor, business manager, two assistant business managers.

Delta Tau Delta has won the cup they now hold three times in succession, and thereby gained permanent possession of it. A new cup will be provided for this year.

Inter-Fraternity Sing Winner to Receive Cup

A silver loving cup will be presented again this year by the Kosmet Klub to the winner of the interfraternity sing to be held Ivy Day, May 26, on the University campus.

All Cadets Urged to be Present at Last Review

Col. F. F. Jewett requests all members of the R. O. T. C. to be present Wednesday, May 11, at 5 o'clock at the last preliminary review before the government inspection Saturday.

"This regimental review will be a good indication of how Nebraska will perform Saturday and Monday when the army inspectors are here," stated Colonel Jewett, urging that everyone be present.

NET SQUAD WINS INDOOR CONTEST

Divide Two Singles Matches And Win Doubles to Beat Oklahoma Two-Man Team

ALL MATCHES ARE CLOSE

The Husker tennis squad made it three wins out of four meets when they defeated a two-man team from Oklahoma Aggies, yesterday afternoon, on the Coliseum indoor courts.

The teams broke even on the singles matches and Nebraska copped the only doubles match played.

Heacock, Nebraska No. 1 man, fell before the powerful drives of Barnes, 6-3, 6-1. Heacock was unable to cope with the over-head smashes and drives of the Oklahoma southpaw.

The left-hander had his opponent continually in hand with his drives and services.

Elliott defeated Gabbard of Oklahoma in straight sets 6-4, 6-4. Elliott was pushing the Oklahoma man continually but found plenty of opposition throughout.

Doubles Match a Thriller

The doubles match proved a thriller when the Husker team composed of Heacock and Elliott sailed through the first set 6-3.

In the second set the Oklahoma doubles team recovered and took the set 6-4, after Nebraska had acquired a 4-2 lead.

The result of the entire meet rested upon the final set and it appeared that Nebraska was doomed to defeat when the visitors led the set 5-4, but Heacock and Elliott pulled themselves, deucing the set, and taking the final two games to win 7-5.

Proposed meets with Missouri and Washington were out of order when convenient dates could not be decided upon. However, two regular matches have been scheduled with the Wesleyan squad, one on Thursday and the other the following Monday.

The annual Missouri Valley meet will be held on the local courts May 20 and 21.

ALPHA SIG NINE WINS

Defeat Delta Sigma Delta in Game Featured by Terrific Wind

Fighting against wind, dust, and nine opposing players, the Alpha Sigma Phi team defeated the Delta Sigma Delta nine in the interfraternity baseball tounrey yesterday afternoon by the score 9-3.

The list of pledges, after having the eligibility of its members checked, has been released as follows:

Ernst Lied, Gerald Caldwell, Kenneth MacGregor, Arthur H. Croft, Clack Weckbach, George Sougey, E. Dale Dickson, Enis Heller, Don Robb and David Wohlner.

Grades Not Lowered

The grades of these students who are working have held up to a high standard, at least on an average with those who are not working.

These men are here for a purpose, as is shown by their willingness to work for their opportunity. The men are accustomed to take whatever work is offered at first.

Usually they soon find a more satisfactory, steady job along lines in which they are interested. Many students work into departments in the college and receive much practical training along with their college courses.

Inter-Fraternity Sing Winner to Receive Cup

A silver loving cup will be presented again this year by the Kosmet Klub to the winner of the interfraternity sing to be held Ivy Day, May 26, on the University campus.

Delta Tau Delta has won the cup they now hold three times in succession, and thereby gained permanent possession of it. A new cup will be provided for this year.

WIN MAJORITY OF MATCHES

Back row, left to right: Marjorie Eastabrooks, Della Hoy, Louise Safarik, Edith Graw, Helen Lomoor, Irma Sanders, Freida Curtis.

Front Row: Helen Morehead, Virginia Lee, Marion Davis, Helen Schrader, Mildred Kellenbarger, Ethelyn Colwell, Hazel Snively.

Thirteen out of a possible twenty victories is the record made by the University Women's Rifle team during the past season in telegraphic competition with the crack shots of twenty universities throughout the United States.

Of the eighty-six women who entered for a place on the team, the above fourteen gained highest honors and were chosen to represent the Scarlet and Cream. Captain Schrader and Edith Graw were the individual high point winners.

Who Will Umpire A Ball Game Between Engineers and Laws?

The following notice has been received from "Jimmy" Lewis of the athletic department, in charge of inter-college baseball:

Applications are being received for the position of umpire for the baseball game between the Law college and Engineering college to be played this week.

Chief of Police Johnston has tendered for the use of the umpire, two bullet proof vests and a gas mask guaranteed to subdue the fumes of elderly eggs.

Special arrangements are being made to handle the crowd which promises to rival that of the last Notre Dame football game. Each contestant and spectator will be required to check eggs, clubs and other weapons at the edge of the field before the game.

Herb Gish says that the athletic department takes no responsibility for any injury to spectators or players during the hostilities.

MEDICAL COLLEGE HOST TO PRE-MEDS

350 Pre-Medic Students Entertained At Annual "Pre-Med Day" in Omaha, Friday, May 6

Over one hundred pre-medics from Lincoln attended the annual Pre-Med day in Omaha, Friday, May 6. More than 250 students from colleges in Nebraska attended.

The morning was spent inspecting the hospitals, campus and buildings. Three or four exhibition operations were performed for the benefit of the students.

Lunch was served in the Medica cafeteria in the basement of the hospital. The afternoon was taken up with a ball game which was won by the freshmen from the pre-medics by a score of 5-2.

The game was played at Elmwood park. The pre-med women were the guests of the Faculty Women's club in the evening while the men were entertained with a smoker at the University Club.

ALPHA SIG NINE WINS

Defeat Delta Sigma Delta in Game Featured by Terrific Wind

Fighting against wind, dust, and nine opposing players, the Alpha Sigma Phi team defeated the Delta Sigma Delta nine in the interfraternity baseball tounrey yesterday afternoon by the score 9-3.

The list of pledges, after having the eligibility of its members checked, has been released as follows:

Ernst Lied, Gerald Caldwell, Kenneth MacGregor, Arthur H. Croft, Clack Weckbach, George Sougey, E. Dale Dickson, Enis Heller, Don Robb and David Wohlner.

Inter-Fraternity Sing Winner to Receive Cup

A silver loving cup will be presented again this year by the Kosmet Klub to the winner of the interfraternity sing to be held Ivy Day, May 26, on the University campus.

Delta Tau Delta has won the cup they now hold three times in succession, and thereby gained permanent possession of it. A new cup will be provided for this year.

HIGH STUDENTS INVADE CAMPUS

Champions in Track, Debating, And Academic Contests to Be Decided This Week

ENTRIES ARE RECEIVED

The University of Nebraska will be host to high school students coming from all parts of the state to take part in the "Nebraska Fete Day" to be held in Lincoln this week-end.

The students will take part in the track and field championship, the finals in the state debate tournament and the interscholastic academic contests.

The debate tournament will begin on Tuesday and the track and field championship will begin Friday.

The interscholastic academic contest will begin at 8 o'clock Saturday morning and continue until early afternoon. The preliminaries were held during April in fifteen Nebraska towns and determined the students which are to come to take part in the contests at the University.

The entries are rapidly being sent in to Prof. A. A. Reed, director of the extension division. The following students from Wayne have won in their preliminaries and will be here:

- (a) Elementary Composition: Nellie Toy, N'Neil, Charlotte Gaskins, Almsworth, Celestine Weunandt, Wynot, Vera Stewart, West Point. (b) Advanced Composition: Helen Wait, Norfolk, Flora Berry, Neligh, Arnes Jensen, Madison, Wanda Koonce, West Point. (Continued on Page Two)

Colored Fraternity Installed Saturday

The Beta Beta chapter of the Alpha Phi Alpha fraternity was installed at the University Saturday night.

Alpha Phi Alpha, the oldest and largest negro fraternity in America, is not purely a social organization, but a fraternity to encourage young negro men to complete their college careers.

It has promoted annually the "Go to high school, go to college" campaign among negro students.

The newly initiated members are Lloyd Williams, Cuthbert Taylor, Robert Fairchild, Lewis Swingler, Claiborne Hill, George McVey, Pahio Hill, William Miles, Herschel Lee, Floyd Pryor, Henry Botts, Jr., and William Baker.

Engineers and Laws Decide to Bury The "Eggs"; Chip in to Pay Damages

Arrangements were made yesterday for a peaceful settlement of the damages incurred in the riot Thursday night by the engineers on the Phi Alpha Delta fraternity house.

The settlement will be made according to recommendations made by the deans of the two colleges concerned and Dean Chatburn. These recommendations were formulated in a conference of the deans Saturday.

The deans of the respective colleges presented the matter to their students in special convocations yesterday and the men voted to settle in the interests of the University according to the recommendations.

The expenses will be met by an assessment on a per capita basis of all students in both colleges. It is thought that seventy-five cents per student will be sufficient to cover all damages.

The students of both groups voted independently to tax themselves this amount with the understanding that if there is anything left after the damages are paid, the remainder will be refunded probably on the same basis.

The amount of damages due each of the injured parties will be determined by a committee composed of Dean Ferguson and Dean Foster. If any disagreement occurs between the two men they will refer the controversy to Dean Chatburn.

Dean Foster put the situation before his lawyers at a convocation in the Law building at 11 o'clock. While the lawyers felt that they were not responsible for the trouble, they agreed that since it is to the best interest of the University and the College of Law, they would be willing to make some concessions to have the matter settled without court action.

Dean Ferguson presented the case to his engineers at a convocation in the Law building at 4 o'clock yesterday afternoon. Jolley, Trively, and Gillilan urged the men to prove themselves as good sports as the laws and bury their personal prejudices in the interest of the University and the College of Engineering. The men responded with a unanimous vote in favor of accepting the recommendations of the deans, and men were appointed. (Continued on Page Two.)

Miss Robnett is Speaker At Vespers Service Today

Mrs. Florence Robnett, personnel worker who is visiting the campus this week, will be the speaker at Vespers Tuesday night at five o'clock in Ellen Smith Hall.

Her talk will be on the subject "How to Reach the Top in Your Chosen Profession." The services are in charge of the A. W. S. board and will be led by Eloise Keefer. The special music will be a piano solo by Maude Stoeger.

WOMEN ADVISED AS TO LIFE WORK

Mrs. Robnett, Vocational Worker, Discusses Professions at Convocation

TO SPEAK AT AG COLLEGE

"Be sure that you want to do the type of work which you decide upon, for every activity leaves certain personality marks," stated Mrs. Florence Robnett, managing director of the Chicago Collegiate Bureau of Occupations at a convocation of Nebraska women at 11 o'clock Monday in the Temple. "For," she added, "personality goes hand in hand with ability in securing a position."

Mrs. Robnett, who is a trained worker in the field of vocational guidance, discussed the many different types which are of interest to women and the success that may be attained in each.

"Formerly," she declared, "practically every girl who did not marry after leaving school became a teacher or a nurse. Now, according to the last census, women are in 379 different occupations. Nearly every field is shared by men and women alike."

Women in Semi-Professions The more commonly known professions for which one does not prepare unless well advised as to openings, such as medicine, law, dentistry, and the like, Mrs. Robnett passed over. It is chiefly the semi-professions which are of interest to women in colleges.

Advertising and editorial work is the thing that half the women majoring in English plan to do. The chief question in this field is to "get in." It is the most over-crowded profession in the country. "The only sure way is through the realm of stenography."

Field of Social Service "The social service field is a fascinating one for women, and one in which there is chance for individual expression in its different aspects. So also is library work, especially for those interested in academic lines."

Home Economics is an attractive field for women. College trained experts are in great demand. Nursing, which is closely allied with home economics, also offers opportunities to the woman with personality and initiative.

"Be Sure You Like Your Work" "But above all," Mrs. Robnett stressed, "be sure that you really like your chosen work. It is extremely difficult to change professions after you have once begun in it. It is as hard as going from one mountain peak to another. You must go clear to the bottom and then go clear back up."

Personal conferences and round table discussions will be conducted by Mrs. Robnett Tuesday morning from 9 to 11:30. At noon she will speak at the Agricultural Campus convocation. Women who wish personal conferences with Mrs. Robnett, and who have not yet signed up for them may do so in Ellen Smith Hall Tuesday morning.

POINT SYSTEM TO BE CHECKED

Secretaries of Organizations Must Hand In Membership Lists

The secretaries of all organizations must check up their membership lists with the A. W. S. point system this week. Kathryn Douglas, chairman of the point system committee will be in the A. W. S. office which is in the northeast corner, second floor of Ellen Smith Hall, Wednesday and Thursday, May 11 and 12 from 4 to 6. The following officers are to report to her the members and officers of their organizations for the coming year:

Secretary of W. A. A., secretary of Y. W. C. A., chairman of International Relations office, World Forum, Conference, Publicity, Social, Grace Coppock, Finance, Vespers, committees, Vice-president of Y. W. C. A., secretary of Silver Serpents, secretary of Xi Delta, secretary of Tamsels, secretaries of all professional honorary societies, secretary of Pan-Hellenic, secretary of Student Council, secretary of the Big Sister Board.

In case new members and officers have not yet been elected, the present secretary of the organization will report to Miss Douglas during the designated hours.

ARMY OFFICERS ARE TO INSPECT R. O. T. C. UNIT

Inspection Board Will Spend Two Days Examining Nebraska Cadet Regiment

PROGRAM IS ARRANGED

Companies I and M and All Advanced Course Men Meet Saturday Morning

The Government Inspection Board, composed of Major R. M. Danford, Field Artillery, and Major C. H. Bonsteel, Infantry, will be in Lincoln Saturday morning, May 14, to inspect the Nebraska R. O. T. C. unit for the Blue Star distinguished college rating. Companies I and M, and all members of the advanced course will meet Saturday morning at 9:00 o'clock for the theoretical inspection. Everyone in the military department will be excused from classes Monday morning to take in the inspection. The first call will be at 7:50 and assembly at 8:00 o'clock.

The inspectors started on their tour of inspection March 29 at the Arts and Mechanics College of Texas. They have inspected R. O. T. C. units in Oklahoma, Arizona, California, Oregon, Washington, Idaho, Utah, Kansas, and are at the University of Missouri now. From Nebraska they will go to Iowa and Minnesota. The United States is divided into three army areas. Nebraska is in the third area.

Inspection Program The program of inspection will be as follows: A review that will include all combat units at the institution. Inspection of one or two companies selected at random by the Board. The inspection will include appearance and equipment. Close order drill of one or more companies selected at random. Extended order drill of one war strength platoon, selected at random. One company selected at random will pitch and strike shelter tents and display equipment. Physical drill by one company or platoon selected at random, or if preferred by P. M. S. & T. a random group from the appropriate class. One company will be given military tactic exercises, such as deployment and launching an attack in a meeting engagement. Approximately 10 students selected at random will be given rifle marksmanship exercises. Ten other students will be selected for Military Hygiene and First Aid exercises.

Second year basic course students will be given Scouting and Patrolling, Musketry, and Automatic rifle exercises. Approximately 10 students will be selected for each of these.

First year advance students will be given exercises in Military sketching, machine gun and field engineering.

Second year advance students will work with 37-mm guns, 3" Mortar and combat principles. Approximately 19 students will be selected for each one of these exercises.

Nebraska failed to win the distinguished rating last year.

GLEE CLUB CONCERT TO BE GIVEN SUNDAY

Annual Home Concert to be Presented At St. Paul's Church May 15.

Program is Prepared

"Rehearsals for the annual home concert of the Glee Club indicate that an excellent program will be offered next Sunday evening," stated Irving Changstrom, retiring president of the organization. The concert is to be given at 8 o'clock Sunday evening at St. Paul's Methodist church.

The program which will be sung is substantially the same as that with which the Glee Club toured the state this spring. The numbers used include selections by Dudley Buck, Bach, Beethoven, and give the club an opportunity to do a fine bit of work.

Trombone Solo is Added A trombone solo by Charles Calhoun has been added to the program to take the place of a short skit which was presented as a part of the program on the trip, and to add more variety to the concert.

Twenty-one of the thirty members who will take part in the home concert on the spring tour. With a number of rehearsals since the completion of the trip Prof. Herman T. Decker, director of the club, believes that the program which will be presented will be the finest yet given by the club at a home concert. The program and directing will be under the direction of Professor Decker.

This will be the third year that the home concert has been given at St. Paul's church. Last year a crowd of over two thousand heard the concert, the largest audience ever to hear the Glee Club.
