The outcome Saturday and Monday depends upon how we rank in school spirit and loyalty" declared Captain Foster of the Military department when questioned as to their showing yesterday.

Will Represent Nebraska in Wash-
ington; Leaves on Friday

Leaving Lincoln Tuesday afternoon, Dean H. H. Foster, of the College of Law, is expected to arrive in Washington, D. C., by Thursday as a representative of the University at the annual meeting of the American Law Institute. Representatives of all of the leading law colleges in the United States, judges of the Appellate courts, and the chief justices are in attendance in an attempt to form a restatement of the Common Law of the United States so that it will become simpler and more consistent.

Dean Foster plans to return to Lincoln as soon as the three-day meeting is finished. The fifth annual meeting of the American Law Institute will be held in Washington, May 12, 13, and 14, at the Capital.

It is the aim of this organization to so construct the common law of the United States that it will be easier to understand and so that the interpretation of it will be more consistent. When the complicated nature of the common law is done away with there will not be so many loop-holes left; much time will be saved in the application of it and justice will become speedier.
