COMMITTEE IS AGREEABLE TO COUNCIL MOVE

Faculty Committee on Student
Organizations Approves Stu-
dent Council Suggestion

DANCE PLANS TO CHANGE Result To Be Complete Change In Management of Varsity Dances Next Year

A complete change will be made
in the management of Varsity Dan-
ces for the coming year, according to
the decisions reached by the faculty
committee on student organizations
after they had favorably passed on
the petition presented to them by the
Student Council and the Varsity
Dance Committee.

Under the new system applicants
for positions on the Varsity Dance
Committee will file in the Student
Activities office. They will submit
with their applications a statement
of their qualifications for the posi-
tion that they may be filing for.
Scholarship, activities, experience,
and a variety of other things relative
to the individual's ability to suc-
cessfully fulfill the position will be
asked for.

Name Positions
The various positions are to be
named and defined by the Student
Council with the Varsity Dance com-
mittee. The Student Council will act
as an appointing board for mem-
bership on the Varsity Dance Com-
mittee and no member of the Student
Council will be eligible for appoint-
ment on that committee. The chair-
man of the Varsity Parties will have
served on the Varsity Dance Com-
mittee previously and preference
shall be given a senior.

Details of the organization are to
be worked out fully in the fall. The
selection of the new chairman will
probably be made then, although defi-
nite announcement as to this has not
been made by the Student Council or
faculty committee.

Hope to Make Dances Successful
Every effort will be made to pro-
mote Varsity Dances on the Nebras-
ka campus. Detailed plans are to be
made and every possible attraction
will be added to the affairs in the
fall.

There is a very definite place for
these parties on this campus, mem-
bers of the joint Council and Varsity
Dance committee point out, and in
order to insure their success a great
deal of time must be spent on ar-
rangements and the like.

The new plan is to be tried for one
year and its continuance depends en-
tirely upon its success.

Last Council Meeting
The Student Council, meeting
Wednesday evening in Temple 204
for the last time this year, gave spe-
cial attention to the Council constitu-
tion and the interpretation of Ar-
ticles 5, 6, 7, and 8, dealing with stu-
dent eligibility for holding office.
Students must have a scholastic av-
erage of seventy-five per cent for all
semesters and have no standing de-
linquencies on their record at the
time of their filing.

Formal report on the national
council convention to be held here in
the fall was not given but definite
arrangements are to be made this
summer by members of the commit-
tee in charge.

Arrangements are being made with
the railroad officials so that dele-
gates coming to the convention will
have an advantage of a substantial
reduction in rates.

Council meetings will begin the
first Wednesday after school starts
in the fall and will be held regularly
every two weeks.

Junior Men and Junior Women Will Today Be Taken Into Honoraries

Late this afternoon thirteen junior
men and from five to fifteen junior
women will be selected as members of
the senior honorary societies on the
campus. At that time, after the In-
terfraternity sing and the Ivy Day
oration, the active members of the In-
nocents society, men's senior hono-
rary, will appear in their robes.

They will file about until they have
located thirteen men whom they have
been selected as Innocents for the
coming year. Each of these will be
"tapped" by a member coming from
behind and striking him in none too
gentle a manner. The first man
tapped is the president of the society
for the next year. The women chosen
as Mortar Boards for the coming
year will be masked by the active
members.

Flood Causes Damage

Spring floods did \$500 worth of
damage to the Ohio State University
stadium recently. Baseball practice
has been hindered by the swollen
stream, which runs past the practice
field.

Pan-Hellenic Council Adopts Rules For Regulation of Rushing Activities

Rules for the limitation and reg-
ulation of rushing were determined
late yesterday afternoon at a meet-
ing of the Pan-Hellenic Council held
at Ellen Smith Hall. Some of the
main points brought out were that
there should be no rushing of local
high school students, either during
the school year, or during vacation
periods. By local high school stu-
dents is meant a student enrolled in
the Lincoln high school, the Teachers'
college high school, the School of
Agriculture, or other local secondary
schools, who is not a university ma-
triculate.

Specific rules concerning high
school students are as follows: No
high school girl shall attend any fra-
ternity party, formal or informal,
during her school course, nor be en-
tertained at any fraternity house,
formally or informally, during her
high school course; and shall not be
entertained by an active or an alum-
na member of a fraternity, when two
or more girls belonging to the same
fraternity are present, unless at least
two girls belonging to other frater-
nities are present also. An exception
is made in the case of alumnae sis-

Revue to Give Outstanding Acts of Shows

Out of the Kosmet Klub shows for
the last four years have been taken
the most popular songs and dances.
These will be presented in a revue
under the direction of Harold Turner,
in the "Kosmet Klub's Midnight Revue"
which will be held at the Lin-
coln theater tomorrow night immedi-
ately following the "Final Frolic."

The parts in the revue will be
taken by the members of the original
casts. Named in order the Kosmet
Klub shows for the last four years
have been: the Yellow Lantern, the
Wishing Ring, Tut Tut, and the
Dream Pirate. The songs and dances
which will be given in the revue will
be those which have found the most
favor in the shows.

Original Players
Among the members of the original
casts who will take part in the revue
are: Dorothy Sprague from the Yel-
low Lantern, Harriet Cruise Kemmer
and Dietrich Dirks, from Tut Tut,

Another feature of the "Kosmet
Klub's Midnight Revue" will be the
act staged by Harriet Cruise Kemmer,
Wilbur Chenoweth, and Harold Turn-
er. Chenoweth and Turner will play
pianos and Harriet Cruise Kemmer
will sing. The program arranged is
to consist of popular songs and no-
velty piano numbers.

Campus Film to be Shown
"Campus Comedies," the first film
starring University of Nebraska stu-
dents and produced by student of the
university is almost completed, ac-
cording to statements made by Wil-
bur Chenoweth, director of the pro-
duction.

This film will be a portrayal of the
humorous side of university life. It
will be shown between acts of the
revue.

One of the most dramatic moments
in the picture, so Director Chenoweth
says, is that in which Edna Charlton,
diminutive co-ed, is seen chasing the
large colored gentleman who at-
tempts to steal her purse.

A freshmen "bible" containing
traditions, customs, rules, and his-
torical facts is being issued by Mich-
