PLAYERS MAKE PREPARATIONS FOR NEW YEAR

October 6, 7, 8 Set for Opening Of Season with 'Alias The Deacon'

EIGHT PLAYS SCHEDULED

Variety of Program Arranged Is Great; Hamlet Will Be One Presentation

Beginning with their first production, "Alias the Deacon," October 6, 7, and 8, the University Players will open their twelfth season. Miss H. Alice Howell is directing the activities of the players, and Ray Ramsay is manager. An unusual attraction of this year's schedule is the fact that eight plays will be offered throughout the season, instead of the customary seven. The other productions are the best selection that could be decided upon from the mass of splendid material offered.

"Lilliom," "Old English," "The Devil and the Cheese," "Tommie," "Two Girls Wanted" and "Rip Van Winkle" are the additional plays offered. "Hamlet" is the Shakespearean play to be given this year, making eight in all. Many of these productions are recent and highly successful in New York stage successes, while the assortment offered is varied enough to please the most discriminating patron.

The high caliber of the Players' offerings since they started some years ago has always kept them in favorable light with the public, and with the offerings to be given this year, appearances point to another successful season.

Regular season tickets are now on sale in room 153, Temple, for both the evening performances and the regular student matinee. Evening tickets cost \$5 for the season, while a greatly reduced rate of \$2.75 will be charged for the matinee performances. All seats are reserved.

WEDNESDAY LAST DAY OF CAMPAIGN

Annual Daily Nebraskan Subscription Drive Ends Tomorrow; Sales Are Going Very Well

The annual subscription campaign for the Daily Nebraskan is to end at 5 o'clock Wednesday evening. All people with subscription books out are sure to check them in by that time to Richard Vette, business manager of the Nebraskan.

This year's campaign has been going well, according to reports of organizations aiding in the selling. The largest subscriptions usually come from fraternity and sorority houses. To date several fraternities have turned in their usual subscriptions, but some have evidently not even considered it. Subscriptions of the non-fraternity groups are coming in well, amounting to over three hundred, Mr. Vette said. The faculty have been slow to sign up.

Xi Delta, Tassels, and Silver Serpents have been doing much work on the campaign. No definite count has been made, but the results of the contest are to be announced when the campaign closes.

Women's Octette Will Hold Tryout Wednesday

The tryouts for the University Women's Octette will be held in Morrill Hall Art Gallery on Wednesday from three to five o'clock. Students are requested to bring their music.

Citizenship Is Added to Duties of All Americans Today, Says Miss Bullock

"Whoever first affirmed that there is nothing sure in this life but death and taxes, left much unsaid," stated Miss Edna Bullock, director of the Legislative Reference Bureau, in a talk on "The Citizen and the Government" over the University radio yesterday afternoon, pointing out the privileges as well as the duties of every American citizen, "for we have learned to regard many other things as inescapable."

No normal human being can escape citizenship. He is born into it and cannot lose it except as he voluntarily changes his allegiance to some other government other than the one under which he was born, or so behaves himself that he is deprived of his liberty and citizenship as a punishment for crime. Some countries claim all descendants of their nationals even to the seventh generation. "Any child born under this flag though of alien parentage is a citizen of our country if he continues to re-

FORUM TO MEET ON WEDNESDAY

Lloyd Marti Will Make Opening Speech to Meeting at Grand Hotel

FIRST DISCUSSION OF YEAR

"Activities" will be the subject of the talk to be given by Lloyd Marti at the first meeting of the World Forum Wednesday noon at the Grand hotel. Marti was Ivy Day orator last spring and was graduated from the Law College last June.

"The World Forum is open to all, anyone is free to attend who buys his ticket," Mr. C. D. Hayes, secretary of the University Y. M. C. A. said yesterday.

"We have three sources of speakers for our meetings," he continued, "business men in the city of Lincoln, faculty members, and outside speakers. It is our aim to have brief, interesting talks on subjects that are of vital importance to students. We hope to be able to have discussions on the various talks."

Tickets for the luncheon may be purchased today at the Y. M. C. A. office in the Temple building, at the Y. W. C. A. office in Ellen Smith hall, at Vespers Tuesday evening, or at a table in the first floor hall of Social Sciences building. Tickets sell for twenty-five cents each, and will not be on sale after 5 o'clock this afternoon. A few tickets may be obtained at the door Wednesday noon, but will cost thirty-five cents.

Meetings Are Prompt

World Forum meetings begin promptly at 12 o'clock and are dismissed at 12:50, leaving time for students to make classes meeting at 1 o'clock. The talk will begin about 12:25. After the address students may remain for a discussion period if they wish. At this time the speaker will endeavor to answer such questions as may be presented concerning his talk.

The average attendance of the World Forum luncheons last year was 120, and it is hoped that this year the number will increase. The meetings are sponsored by the University branches of the Y. W. C. A., and Y. M. C. A. Dorothy Nott and Lee Rankin are the joint-chairmen in charge of the luncheons and talks.

Miss Mable Lee, head of the Physical Education department, and an advisor of the Big Sister board, will speak at this service. Ruth Barker will lead the meeting.

FIRST RALLY IS SCHEDULED FOR FRIDAY EVENING

Pep-Meeting for Game With Iowa State's Gridmen Will Take Place in Coliseum

YELL KING TO OFFICIATE

Corn-Cobs to Raise Enthusiasm Of Husker Supporters at Ten-Minute Rally

The big rally before the Iowa State-Nebraska game will be held Friday evening, September 30, at 7 o'clock in the Coliseum. This will be the first rally of the season and will mark the beginning of the fall sport season.

Talks will be given by the coaches of the Iowa State team and the Nebraska coaches, and the captains and players of both teams will be introduced to the students. The cheerleaders under Phil Sides, the newly elected yell king, will lead the Corn-husker followers in songs and yells. This rally will be short so that it may not interfere with evening engagements. It has been the custom for Nebraska students to rally before a football game, so the Coliseum is expected to be filled to capacity.

A ten minute rally will be held in front of the Social Science building at 10:50 Friday morning. The Corn-Cobs will officiate and will be assisted by the cheerleaders and the band. This will be staged as a pre-rally to the big meeting at 7 o'clock. The Corn-Cobs who are in charge of the rallies and the program of events will meet the Iowa State team Friday afternoon at the depot and escort the guests on a tour, the first to be held this season. Included in the tour of the campus, the guest will be taken to the fraternity and sorority houses. The fraternities, sororities and organizations are especially asked to co-operate in making the first rally a success.

SEASON TICKETS TO PLAYS ARE OFFERED

University Players Selling Tickets to Friday Afternoon Performances At Special Prices

Special student matinee tickets for the University Players are on sale now for \$2.75. These season tickets entitle student purchasers to reserved seats for all eight plays to be offered by the Players this school year, the first to be presented Friday afternoon, October 7, in the Temple theater at 3 o'clock.

These tickets are offered at a greatly reduced rate as season admittances for evening performances are priced at \$5. Matinee tickets will be honored only Friday afternoons. Students purchasing such will have their seats reserved and thus be assured of the same seat for each production.

Sales of matinee tickets are progressing well, but there are still good seats left. They may be purchased from Ray Ramsay, manager of the Players, in room 153, Temple.

Freshmen Caps Are Now Available at Spieer's

AWGWAN COPY GOES TO PRESS

First Section of Material for Comic Publication Sent To Engravers

EDITOR IS OPTIMISTIC

First copy for "The Eye-Opener," initial issue of the Awgwan, student humor magazine, which is scheduled to be off the press October 10, went to the engravers yesterday.

The attractive cover design on "The Eye-Opener" is designed to catch the fancy of the college student, Munro Kezer, editor, said Monday afternoon. "It is the student's magazine and it is being edited with but one intention—to entertain the student body."

Size of the first issue has not yet been determined but it will be at least 28 pages, the same as the largest issues of last year and possibly 32 pages. Campus comics have been turning their wit loose freely since school opened and the Awgwan this year is almost entirely new. Work on the "Eye-Opener" indicated that Nebraska students would be treated to a higher class of cartoon work this year than they have been in the past.

New Grading is Inaugurated at Indiana School

LAFAYETTE, Ind. (By Intercollegiate Press and Purdue Exponent)—Students of Purdue were greeted on their return this fall with the announcement of a new system of grading in several of the departments, especially those of science and mathematics.

The new system provides that the student shall have demonstrated to the instructor's satisfaction a familiarity with those essentials which have been decided upon as being the least that the student should have acquired during the semester to carry on successfully any subject following.

In the physics department there will be test given every week, which must be passed with a grade of 100 per cent, in order to pass the course. If the student fails to pass one of these he must retake the quiz later. In the majority of the departments the instructor will decide from the manner in which the various examinations are passed whether the student merits a grade which will pass him.

At the end of the semester's work in the science courses there will be given the student a "minimum essentials" examination. If this is passed with a grade of 100 per cent, the student will receive a P. If he desires a higher grade than this another test will be given which will include facts not absolutely necessary to carrying on of the advanced work. An H after the grade will indicate that the student has passed the course with an almost perfect record.

First Lady of the Land Has Smile that Calms, Says Young Pastor

SUPERIOR, Wis. (I.P.)—Rolf Lium, student pastor of the church attended regularly this summer by President and Mrs. Coolidge, said when he arrived here that he was able to keep from becoming completely "flabbergasted" each Sunday by the smile of the First Lady. "Her smile always helped me overcome my nervousness," he said. He added that when the president first made his appearance at the church he was so overcome he left out the middle of his sermon.

Y. W. FRESHMEN GROUPS PLACED UNDER ONE HEAD

Former Freshmen Commission and Bible Study Bodies Are United

Freshmen groups, a combination of Bible Study and Freshmen commission groups of past years, have been formulated by the Y. W. C. A. as a feature of their program for the coming year. Membership in the Y. W. C. A. will be determined by freshmen women's attendance at one of these groups.

The primary purpose of the Freshmen groups is to enable the freshmen girls to consider the problems of their student life in the light of their highest ideals. The secondary purpose is to make friends who will be bound together by common interests and ideals. Freshmen groups will meet for the first time on Thursday, September 29. Each group meets once a week at Ellen Smith hall. Women still have the opportunity to join and are urged to do so as follows:

DELEGATE TO GO TO FUELS CONFERENCE

Representatives from Nebraska Mechanical Engineering Dept. Will Attend Meeting

The Nebraska Mechanical Engineering department is planning to send a delegate to the first National Fuels Meeting in St. Louis, Missouri, October 10, 11, 12 and 13.

This is the first national meeting of this kind that has been held. The purpose is in the interest of the use and conservation of fuels. The convention will take up power plants, smoke abatement and other items of concern.

Mr. Lueb, chairman of the state engineering department has written letters to all the divisions of the Nebraska department and asked them to cooperate.

While the interest in fuel has been quite general, there has been no centralized agency for development and dissemination of sound information on proper and efficient use of fuels. It is essential, if the problem of fuels is properly taken care of, that all engineers be in contact with one another and this is precisely the purpose of this meeting.

There will be speakers from various schools in the United States and several from foreign countries.

Although the rosters caps will not be here for the Iowa State game this Saturday afternoon, certain stunts using cardboard have been planned for the section.

The manager system applies to the cheerleaders this year. Any sophomores who would like work in cheering may assist at certain games by applying at the Athletic office.

College Men Need Police Protection from Co-eds

The college man must be protected! This is at least the opinion of the Cambridge police force, which has started a drive to put an end to flappers driving sport cars picking up college men in this city. In the past few weeks three women have been arrested for accosting strangers while only one man has suffered for this mistake.

Purpose of Law School Is to Produce Lawyers, Says Dean Foster in Speech

"The chief purpose of this law school is to produce lawyers of a type that will be a benefit to the community," said Dean H. H. Foster of the University College of Law, in a talk, "Why the College of Law?" over the radio yesterday afternoon. "More than three-fourths of the presidents of the United States have been lawyers or have had law training. Congress has always had more lawyers than men from the other walks of life, and the Supreme court is composed entirely of lawyers. The lawyer today is an officer of the court, an advisor of his clients, and a drafter of legal instruments. The lawyer touches life on every side, and if he is imbued with the spirit of his profession, he regards his daily

Varsity Party Filings Close AT NOON TODAY

Choice of New Heads of Dance Committee Is in Hands Of Student Council

CHANGE MADE IN METHOD

Former Self-Perpetuating Body Now To Be Appointed; Will Select Good Workers

Filings for the executive positions on the new Varsity Dance committee will close this noon. A chairman, secretary and six joint chairmen are to be chosen for the various positions by the Student Council, sitting in a body with their faculty advisor, Prof. E. W. Lantz of the Teachers' College faculty.

For the first time in the Varsity Dance committee the members are to be chosen by a student representative body. Previously the committee was self-perpetuating and the changing of the method came after a petition from the Student Council. The petition was formulated by members of the council and Varsity committee and was passed by the faculty committee on student organizations.

More than thirty had filed for positions at six o'clock last evening. Special application blanks must be filled out by the applicants and the scholastic standing of each will be carefully checked, according to council members.

Experience Will Be Considered The council will put on the committee only those who will be best fitted. Experience with parties and experience with the Varsity of previous years, and general ability will be taken into consideration as well as their scholastic standing.

"Every effort will be made to put on this new committee those students who are best fit to fill the positions and will make the Varsity dances on the Nebraska campus the type of event that has proven so popular in other leading colleges in the country," declared James Jensen, president of the Student Council when questioned concerning the appointments late Monday evening.

The personnel of the Student Council which will act is: James Jensen, president; Ruth Palmer, vice-president; Richard Vette, treasurer; Ernestine McNeil, secretary; Munro Kezer, Charles Bruce, Ruth French, Elva Erickson, Ruth Davis, Dwight Wallace, Robert Davenport, Gordon Hedges, Robert Downing, Karl Schminke, Mildred Orr, Eldred Larson, George Healey, Marjorie Sturdevant and Prof. Lantz.

Announcements of the appointments will be made in the columns of the Daily Nebraskan directly following their appointment by the council.

Only fifteen more women may obtain passes to the Nebraska-Iowa game by selling candy and apples in the stadium under the auspices of the Women's Athletic association.

Thirty-five women have already signed the poster on the W. A. A. bulletin board at the east entrance of the Armory. A limit of fifty has been imposed by Marjorie Easta-krooks, who has charge of the business arrangements. Thursday noon she will take the list of the names of the first fifty women to the Student Activities office.

This list will be given to the gatekeepers at the stadium and the girls allowed to pass through and report to the W. A. A. supply table in the hall. At the supply table the names will be checked again and instructions given.

work not as a mere chance to gain a livelihood, but as a splendid opportunity to aid in the establishment of just relations between man and man, thus striving to meet one of the great and enduring needs of society. The day has passed when a young man desiring to become a lawyer should study in the office of a practitioner. Only a small portion could be taught in this way and the subject dealt with lightly. In a school, those desiring training and those training can be gathered together for the benefit of both." In conclusion, Dean Foster said "Incompetent lawyers make a poor living and are a nuisance to the community. Pick yourselves to be capable lawyers or stay out of the game."
